

Not Your Mothers Book On Sex

Not Your Mother's Meatloaf - Saiya Miller

2013-07-30

As teenagers today navigate increasingly fluid identities and choices, there is a demand for an accessible, interactive tool to help share knowledge about sex and sexual health; one that demystifies the facts and speaks frankly about experiences whose lessons often fall into the grey areas. Since 2008, Miller and Bley have held an open call for young people to create comics that address a variety of topics involved with sex education. We have since produced several issues of a sex-ed comic called Not Your Mother's Meatloaf. The work is chosen from a vastly varied group of submissions and attempts to challenge hetero and gender normative

practices in sex education. The comics address topics like body image, safer sex, consent, and relationships, from positions that have historically been left out of sex education. These graphically illustrated personal narratives address different themes, such as "Firsts," "Bodies," "Health," "Age," and "Endings." The book will bring together the best of the material from the Not Your Mother's Meatloaf comics, along with new graphic stories and writing by the editors providing personal and sociological background.

Questions You Can't Ask Your Mama About Sex - Craig Gross 2009-08-30

This is not your typical birds-and-the bees discussion. Inside this book is an exploration of the real questions you have about sex and your sexuality—all the ones you're too afraid to ask out loud (especially to your parents. Shudder.). Drawn from actual questions and with totally honest answers about what is and isn't okay to look at, think about, and do, this book breaks down what God really has to say about keeping your clothes on. Let's face it, the sex talk you got and the messages you hear at church aren't always that helpful when it comes to what is really going through your mind (or bothering you elsewhere) in real life. And asking those questions is not exactly easy when you want a real answer instead of, "You'll go blind." But in these pages, no topic is off-limits, and the answers you'll see are a real discussion of what you want to know (and exactly what the Bible does and does not say on the topic), or even what it means if you've already experimented. From pre-marital sex to masturbation to the

temptations of porn and what it means to be a technical virgin—and questions about homosexuality—Questions You Can't Ask Your Mama About Sex is a go-to handbook for the things you need to know but don't want to ask out loud. Questions You Can't Ask Your Mama About Sex: comes from authors with decades of experience on the topics of relationships and sex, who have been featured on The TODAY Show, Good Morning America, The Daily Show, Anderson Cooper 360, as well as in The New York Times and Buzzfeed uses a straight-forward approach to answer over 50 questions teens have asked goes beyond "how far is too far?" to look at the nuances and real things you wonder about and face—done though straight-forward and honest discussion

SEX IN THE KITCHEN invites you to try something deliciously new and starting your road to better food, better sex, and a healthier lifestyle!

What Your Mother Never Told You About Sex - Hilda Hutcherson 2003-02-04

In her ob-gyn practice, Dr. Hilda Hutcherson has seen women of all ages who have questions about sex. Now, in this down-to-earth book, she answers those questions and more as she addresses every sexual matter that has an impact on the lives of women. Combining up-to-

date medical science with good old-fashioned girl talk, Dr. Hutcherson discusses sex in a lively tone that's as educational as it is engaging. With facts on female (and male) anatomy, aphrodisiacs, fantasy, orgasm, birth control, and more, she shows how to overcome sexual problems — and achieve sensational sensual experiences. Your mother may not have known what to tell you about sex, but Dr. Hutcherson will give you a real, honest education on sex and sexuality. And with a special chapter on talking to your daughter, you can pass your wisdom on to the next generation.

[Not Your Mother's Vampire](#) - Deborah Wilson
Overstreet 2006-08-15

conventions and vampires and sexuality), an analysis of human characters (featuring an exploration of those humans who fight vampires and those who date vampires), and an analysis of the vampire characters from the Buffyverse.

Female Ejaculation and the G-spot - Deborah Sundahl 2003

Like men, women also can ejaculate, enhancing and intensifying their sexual pleasure. In an open, positive style, Deborah Sundahl presents information about female ejaculation including scientific findings, anatomical illustrations, historical accounts, a chapter on how men can help their female partners to ejaculate, and women's and men's experiences collected during the past two decades.

The Candy Men - Nile Southern 2012-05-21

A Rabelaisian satire loosely based on Voltaire's *Candide*, Terry Southern and Mason Hoffenberg's *Candy* became one of the most famous novels of the tumultuous 1960's.

Detailing its humble beginnings in Paris through

its agonizing three-year writing gestation (often on paper napkins, lost or destroyed) and the authors' wily business dealings first with French-based publisher Maurice Girodias, then Putnam in America, this book follows with unblinking scrutiny *Candy's* underground (then mainstream) success, its blatant piracy, its legal shenanigans, and its all-star movie flop. Replete with deceptions and self-deceptions, midnight dope runs, and general pandemonium, *THE CANDY MEN* is as much fun to read as the original novel itself. And far more instructive.

The Mother's Guide to Sex - Anne Semans
2001

A hip, no-holds-barred guide to combining the joy of sex with the joy of motherhood. Just because you're a mother, or about to become one, doesn't mean you have to kiss your sex life good-bye. Finally, here's a unique guidebook that offers practical advice on honoring your sexuality throughout every stage of motherhood. Honest, humorous, and reassuring, *The Mother's Guide to Sex* delivers comprehensive information about sex and parenting, including recommendations from medical experts, sex experts, and the best experts of all -- hundreds of other mothers, whose candid anecdotes and suggestions will support, encourage, and inspire you to explore your maternal sexuality. As they sound off about the ebb and flow of desire, conflicting feelings about how their bodies have changed, the challenges they face in renegotiating their relationship with their

sexuality, and more, you'll realize that you're not alone in your yearning to combine motherhood and a good sex life. You'll learn: * how motherhood makes you a better lover * how to enjoy healthy, safe sex during pregnancy and the postpartum period * what factors affect your sex drive, why so many mothers lose desire, and ways to reclaim it * how your sex life can survive despite limited time, energy, and privacy * why single moms are entitled to great sex, and how to get it * ten good reasons to talk to your kids about sex, and what to say * how to model positive sexual behavior for your kids * where to find the best resources on sex and parenting

Adolescent Literacies and the Gendered Self
- Barbara J. Guzzetti 2012-11-12

communication with the world is changing the literacy needs and identities of students. This book explores the dynamic range of literacy practices that are reconstructing gender identities in both empowering and disempowering ways and the implications for local literacy classrooms. As gendered identities become less essentialist, are more often created in virtual settings, and are increasingly globalized, literacy educators need to understand these changes in order to effectively educate their students. The volume is organized around three themes: gender influences and identities in literacy and literature; gender influences and identities in new literacies practices; and gender and literacy issues and policies. The contributing authors, from North America, Europe, and Australia offer an international perspective on literacy issues and practices. This volume is an important contribution to understanding the impact of the local and the global on how today's youth are

represented and positioned in literacy practices and policies within the context of 21st century global/cosmopolitan life.

Trans/forming Feminisms - Krista Scott-Dixon
2006

In this groundbreaking anthology, feminist scholar and trans ally Krista Scott-Dixon takes on the challenge of moving us towards more inclusive transfeminist politics. The 30 essays reflect academic, personal and political perspectives of contributors from Canada, the US and Europe. These include well-known activists and scholars in the field -- Bobby Noble, Barbara Findlay, Miqqi Alicia/Michael Gilbert, Kyle Scanlon, Talia Bettcher, Joshua Goldberg and Caroline White -- as well as fresh new voices. The book is divided into four sections to highlight the intersections between trans and feminist ideas. "Narratives and Voices" builds on the feminist idea of consciousness-raising, speaking from individual experiences and questions of how to represent oneself in

language. "Identities and Alliances" takes up questions of how identities are produced, maintained and reproduced, and how diverse identities can work collectively. "Inclusion and Exclusion" examines the notion of "safe spaces" and "women-only spaces" in the context of trans challenges such as the Kimberly Nixon v. Vancouver Rape Relief Society case and the entrance policies of the Michigan Womyn's Music Festival. "Shelter and Violence" explores the service-provision policies of shelters, as well as the sex-gender system that supports transphobic abuse. The section introductions contextualize the discussion and identify key issues. The collection concludes with suggestions for future research and activism.

Mom, sex is NO big deal! - Sharon Hersh
2010-07-28

"But Mom, it's not the same as when you were a teenager...." Your daughter is right. Never before have teenage girls been so inundated with the idea that sex is a natural part of

teenage relationships. The media, the Internet, and your daughter's peers reinforce this myth daily. In fact, the majority of teenage girls will experiment with sex. And never before has the price tag of teen sexual behavior been so high-disease, depression, and a distorted view of self. This is a book of hope and empowerment. The good news is that you can use the challenges your daughter faces today as catalysts to help her develop a sacred view of sex and of herself. Your daughter will make critical decisions during her adolescence and those decisions will have lifelong consequences. But you, as a mother, can have enormous influence over your daughter if you are prepared. "Mom, Sex Is NO Big Deal!" will arm you with information and strategies to help your daughter arrive at a place of wholeness as she makes decisions about how she will behave sexually during the most vulnerable period of her life.

2018-09

Winner of the 2018 Christian Book Award for Bible of the Year. The Swindoll Study Bible offers the best of Chuck Swindoll's wit, charm, pastoral insight, and wise biblical study directly to you as you study God's Word. Chuck's warm, personal style comes across on every page, and his informed, practical insights get straight to the heart of the Bible's message for the world today. Reading each part of this study Bible is like hearing Chuck speak God's Word directly to your heart. It will both encourage readers' faith and draw them deeper into the study of God's Word. In Chuck's own words: "This study Bible was designed with you in mind. As you read the Scriptures, imagine my sitting beside you and sharing personal stories, important insights, and hard-earned lessons that will encourage you to walk more closely with Jesus Christ. You'll discover the who, what, where, when, why, and how of the Bible: Who wrote it and when? What does it mean, and where did its events occur?"

not-your-mothers-book-on-sex

Why should I trust it? And most importantly, how can I apply it today? "It's that last question more than any other that has fed my passion to publish this Bible. My primary focus in ministry has been teaching biblical insight for living . . . for genuine life change. After all, that's why God has communicated His Word to us--so that we may become like His Son, Jesus Christ, the central figure of this Book." Free app with purchase! App includes all content from The Swindoll Study Bible and can be used across multiple devices with your Tecarta app account. Available for iOS and Android. Not Your Mother's Rules - Ellen Fein 2013-01-08

The authors behind the ubiquitous dating bible that launched a worldwide movement are back, accompanied by their daughters, with brand new advice updated for the modern era. How long should I wait to respond to his text message? Can I friend him on Facebook? Why did he ask for my number but never call me? When *The Rules* was published in 1995, its message was straightforward: be mysterious. But for women looking for love today, it's not quite so simple. In

a world of instant messaging, location check-ins, and status updates, where hook-ups have become the norm and formal one-on-one dates seem a thing of the past, it's difficult to retain the air of mystery that keeps men interested. Now, with help from their daughters, the original *Rules* Girls Ellen Fein and Sherrie Schneider share their thoroughly modern, fresh take on dating that will help women in today's information age create the happy love lives they want and deserve. Whether you're a 20-something dating for the first time, a 30-something tired of being single, a 40-something giving advice to your daughter, or a 50-something getting back in the dating game, this book has the answers you've been waiting for. The Rules include: Stay Away from his Facebook Profile Make Yourself Invisible and Other Ways to Get Out of Instant Messaging Stop Dating a Guy Who Cancels More than Once Text-Back Times Chart Don't Just Hang Out or See Him 24/7 TTYL: Always End Everything First-- Get

The Holy Book Of El Shaddai - Efren Gamboa
2017-06-30

The Hebrew name of God in the holy writings is El Shaddai. "El" means "God Creator" and "Shaddai" means "Almighty." El Shaddai is the name of God. Although we read other names given to God in the Old Testament, none of those names are the true name of God. Names such as Lord, Yahweh, and Jehovah were never spoken or pronounced in Israel in the entire Old Testament as their god. Before the Kingdom of Judah fell, El Shaddai warns the Judeans that their false prophets have changed his name with Baal, which is the same name as Lord. "And it shall be at that day," says El Shaddai, "that you shall call Me Ishi (my beloved) and shall call Me no more Baali (my lord). For I will take away the

names of the Baalim (lords) gods out of their mouth and they shall no more be mentioned by their name."

Let's Talk About It - Erika Moen 2021-03-09
