*Eros at Dusk* - Katherine Wasdin 2018

*Eros at Dusk* analyses the relationship between wedding poetry and love poetry in the ancient world. These two genres share and borrow themes to seduce brides as if they were beloveds and to praise mistresses as if they were brides, demonstrating deep-seated ancient notions about legitimate and illegitimate sexual

relationships.

**Dear Wife (or Girlfriend) PLEASE READ** -

Shari Champaign 2021-12-10

Dear Wife (or girlfriend) PLEASE READ presents a fun, romantic route for "discussing" all those relationship "quirks" that could otherwise get in the way of inspiring romance. Written in rhyme, this book contains 54 whimsical poems that address the typical, and not so typical, relationship rifts. Intended for spirited inspiration, this book is presented in humorous, down to earth stanza style poetry and offers an entire year of banter, candor and bliss. In the spirit of equal exchange and romantic fun for both partners, there does, indeed, exist a second book for you to purchase, Dear Husband (or

*You Are a Genius Wife* - Nabanita Banerjee

2016-09-27

*You Are a Genius Wife* is a book of ten beautiful poems written with the purpose of appreciating your wife for who she is and what she contributes to the family. The saying, "happy wife, happy life" might be an old saying, but it still remains a true statement. The relation of a husband to his wife is of love, care, affection, and appreciation, thereby transforming a house

into a happy and lovely home. Appreciation boosts love and romance between a husband and his wife and also strengthens the bond between them. Appreciation goes in conjunction with admiration, esteem and honour. All of these attitudes describe how you probably felt about your wife when you first met her, before she became your wife. With time, she might be feeling that she is often taken for granted. The person, who felt lucky and happy to have you as her husband when you thanked and appreciated her for any little thing, still needs and will always need your words of appreciation. A famous quote goes like, happier is the man who finds a good friend, and much happier is the one who finds it in his wife. The bond which binds both together is eternal. To ensure that this bond stays strong and your love stays evergreen, keeping each other surprised with small gestures of gratitude is the best way. As a husband, when you praise your wife, it will uplift her morale, which will further her levels of effort

and affection for you and the ones around her. Appreciation will bring both of you closer, and you will understand each other better. When you complement your wife for who she is, her nature, her eternal beauty and her contributions, you contribute a lot to your relationship. The book *You Are a Genius Wife* is enriched with affectionate words that are set to make your wife see herself as the most beautiful woman in the world. She will feel the love and romance within. The lines are well endowed to cause a smile on her face and always make her feel she is wanted in your heart. The author believes that less is more and, hence, wrote this book in the form of poems. It is easier to read and remember the lines and then read again and again. You can give this book as a token of appreciation to your wife. Reading one poem from the book every day will make her feel good, as she will feel your love and respect for her. The more your wife reads the positive words, the more she will feel the vibe and energy flowing through her. She will

start appreciating herself and be proud of her good deeds, thereby feeling happier each and every day.

**My Husband Would** - Benjamin Scott  
Grossberg 2020

"Set at the crossroads of middle age, Benjamin S. Grossberg's fourth full-length collection of poems, *My Husband Would*, investigates love and family-both the families we are born into and those we create for ourselves. Funny, cinematic, and inventive, his poems recount family lore-a mother's options, the clouded circumstances of a distant marriage-side by side with the perplexities of contemporary romance. And they are charged with the recent national legalization of same-sex marriage-for many, a radical dawning of possibility, even as it quickly becomes uncontroversial, even unremarkable, in large parts of the country. These poems show us that marriage and family are a learned project, one passed down, to be attempted by each new generation as best it can with the realities at

hand. Grossberg surveys the strangeness of what our parents and families teach us about intimacy and what we ourselves learn as we stumble through the landscape of contemporary dating. He finally casts his gaze to future possibility: what we would be, would do, if we could. As Grossberg notes, amid the bustle of our lives, the relationships that help us understand who we are, those losses and discoveries, begin with the simplest impulses, like "the courage/ to go up and say hello."--*Friendships and Relationships* - Claudette G. Henderson 2007-07-10

Every poem in this book relates to something that took place in my life and made a big change in it. It started when my husband, the love of my life, was literally fine one day and dead the next. He had diabetes and didn't know it. He had no signs or symptoms. I took him to the hospital one Saturday evening and came back home Sunday morning without him. I didn't realize until I got to the car, in the hospital parking lot, that it was

my birthday. He died on my birthday January, 26. I was angry at God, I asked him for a trade. We had three children and I was afraid to raise them alone. The first poem in this book is called January 26 in reference to that day. After he died, I got very little sleep at night, so, I wrote to release angry feelings. Every situation I went through or have to deal with came out in poetry. I tried to date once or twice, over the past couple of years, but , I think I forgot how. After all, it's been a number of years since I had to. My husband and I were married for 20 years before he died. Trying to decide whether you wanted to be in a friendship or relationship is what it's all about. I think it frightens me to decide which. I'm afraid of love, you can read about that! I've experienced some good times, some confusing times, and a lot of funny times. When I get close to a man I run him away. The book is also about being a pretty, independent woman, standing on her own and making sure every man that comes in her path knows just

how independent she is. Every now and then she goes back to her long time friend, who she has known for most of her life, but , she keeps him at a distance. When he's free, she's not, and when she's free he's not. They got use to being each other's support system and wonder if their time together has passed.

*Perfection* - Jordan Littman 2021-05-27

Perfection: 10 Years of Love is a collection of poetry about a perfectly imperfect relationship. Join the author's journey, diving into the first 10 years spent with his wife. Explore the ups and the downs, the ecstasy and the despair, the support and the disappointment. This relatable tale is told through poems of various lengths and styles, including everything from bite-sized Instagram-friendly couplets to fast-paced hard-hitting rhymes to gentle and elegant free-verse (and a sonnet for good measure!). The array of

styles complements the array of sentiments echoing through the pages, taking the reader on a relationship rollercoaster that they will want to keep riding to the very last page!

**Robert Frost's Home Burial. How Is 'Home' Expected to Be?** - Sugandika Sandamali  
2015-11-25

Essay from the year 2014 in the subject Literature - Modern Literature, course: BA in Languages, language: English, abstract: Many problems happen in family life due to the lack of communication between husband and wife. In the poem "Home Burial" by Robert Frost, the poet says that there is a distance between husband and wife because of their lack of understanding and the communication. By doing so, the author tries his best to give an idea about an ideal home. Human beings are always willing to live with happiness in their mind. For such kind of happiness, home is the most appropriate place for a person. That is why, there is a clear difference between the terms 'home' and 'house'.

Home is a place where people live with feelings and emotions. House is also a place where people can live. However, the house is distant from feelings and emotions of the people. Using the central theme "home," Robert Frost composes a poem which implies how a man and woman struggle with some difficulties in their own home, after the burial of their child.

Depicting the relationship between these two people as husband and wife who live under the same roof, Frost tells us how the relationship and living conditions within a home should be. Frost directly tells us the problematic nature of a house in his poem "Home Burial" and through that the poet indirectly tells us how a home should be.

When Love Speaks - Adam O'Riordan 2011

A celebration of love and commitment in an anthology with material suitable for weddings and civil ceremonies.

**You Are a Genius Husband** - Nabanita Banerjee 2016-09-26

You Are a Genius Husband is a book of ten amazing poems that is written in simple and romantic words to appreciate and motivate your husband. Each of the poems is prepared with the essential ingredients to remind your husband of the good times you had together and to motivate him for more. Also to appreciate him for the skills he has and express gratitude for the things he did for you. Every man desires to have an appreciative and motivating wife. If you would like to express your feelings for the man you love, in words, this book is the perfect gift in which the words have the ability to make him relish your thoughts and feelings for him. Marriage is not between two bodies, but two souls. It leads to an eternal bond which is strengthened by the emotions of love and affection. A successful marriage is the result of husband's and wife's efforts and attitudes towards it. They say that true love stands close in good times and even closer during bad times. For a man, his wife is the closest woman in his

life after marriage, and with her praise, appreciation and motivation, he can become a wonderful husband and make the relationship experience paradise on earth. The romance between a husband and a wife can stay forever, regardless of age and other circumstances. Love takes the center stage when two bodies bind in the holy relationship of marriage. But it is the friendship in the relation which smoothens the way to a happy ever after. 3 Every man has some basic good qualities which he is born with, like a loving nature and friendly attitude or being a sincere person, and when appreciated for those qualities, it makes him feel proud of himself and happy within. If you look carefully, you will comprehend that your husband has some exceptionally good qualities which make him unique and stand out from the crowd. When you, as his wife, accept him for who he is, appreciate him for his abilities and make him feel that he is your significant other, it will make your relationship beautiful and stronger. He will be

delighted to be appreciated by you, his lovely wife, and will enjoy your magical words of appreciation. The essence of the book *You Are a Genius Husband* is to acknowledge your husband with beautiful and romantic words moulded into poems. Giving compliments and praising is a great way of supporting your man. The author believes that less is more and, hence, wrote this book in the form of poems. It is easier to read and remember the lines and then read again and again. You can give this book as a token of appreciation to your husband. Reading one poem from the book every day will make him feel good, as he will feel your love and respect for him. Even if he has not exhibited the qualities described in the poems, this book will open his eyes to what he can do to make your married life beautiful and happy.

**The Prophet** - Kahlil Gibran 2019-04-16

was to return and bear him back to the isle of his birth. And in the twelfth year, on the seventh day of Ielool, the month of reaping, he climbed the hill without the city walls and looked seaward; and he beheld his ship coming with the mist. Then the gates of his heart were flung open, and his joy flew far over the sea. And he closed his eyes and prayed in the silences of his soul. BUT as he descended the hill, a sadness came upon him, and he thought in his heart: How shall I go in peace and without sorrow? Nay, not without a wound in the spirit shall I leave this city. Long were the days of pain I have spent within its walls, and long were the nights of aloneness; and who can depart from his pain and his aloneness without regret? Too many fragments of the spirit have I scattered in these streets, and too many are the children of my longing that walk naked among these hills, and I cannot withdraw from them without a burden and an ache.

**Love Is the Next Best Thing to Insanity -**

Randon Thorn 2006-09-21

A very unique collection of comedic and tragic notes and poetry, this book contains enough wit, anecdote, and double meaning from the author's first-hand experience to identify with and provide insight into the relationships of most readers. On this enlightening journey through the near-insanity that love brings, the reader will gain insight into what not to do in a relationship going bad, learn why the one they thought would last forever ended up failing, and finally understand how to recognize, cherish and keep a good one once you have it.

**Love Poems for Married People** - John Kenney  
2019-01-10

Including such gems as Why Are You in The Shower With Me? Our Love is Tested in Traffic and What Time Should We Leave for the Airport? John Kenney's poems are packed with funny, wry observations about the reality of life once the initial shine of a relationship has dulled. From parental gripes to dwindling sex lives; from less-

than-romantic gifts to irritating personal habits, it's all covered. \_\_\_\_\_ Are you in the mood? I am. Let's put the kids down. Have a light dinner. Shower. Maybe not drink so much. And do that thing I would rather do with you than with anyone else. Lie in bed and look at our iPhones.

**Small, Imperfect Paradise** - Dallas Crow 2013  
In Small, Imperfect Paradise, Dallas Crow unflinchingly explores themes of love, sex,

growing up, and growing older. The spine of the narrative is the speaker's progression through a relationship, from the early possibility and romance, through marriage and parenthood, and on to the painful dissolution. The titular poem identifies a moment of stillness in this progression, where two realities exist, one aching, and one idyllic: that of the husband and wife, whose relationship is over, and that of the sleeping children, who do not yet know. The small, imperfect paradise that Crow writes toward is shattered in Separation: Like a home movie played backwards, Crow intones, the gifts / are rewrapped and taken away, the guests / sidle awkwardly out, and then your children leave, / smiling and waving. In this collection, Crow creates a Mobius loop that mirrors the human experience; the poems wind through startling pain and realization and then loop back to hope and love again and again, each experience simultaneously fractured and precious.

*My Life in My True Poems* - Jeremy Swanson  
2011-12-16

People, who found out I write poems, ask me to write them poems, so I was really busy and I was really happy to do that. Some of them were from treatment, jail, and prison. I write poems about relationships, love, and the kids. I am sober now, and when I read my poems again I feel bad about the things I lost when I went to prison. My

kids are really happy now. I'm proud of my kids and they are doing well.

**Forever in Love** - June Cotner 2015-01-06

Love. It has forever inspired poets, and those touched by its power and grace still find new words to celebrate it. Nothing moves the spirit or the pen of the poet quite like love. Author June Cotner has long been fascinated by the course of the lifetime relationship between husbands and wives: from the electric sizzle and wild imaginings of love's beginning through the early years of marriage, filled with discovery and grand dreams of the future, and ultimately till the day we part, still in love and grateful for the lifetime companionship. In *Forever in Love*, Cotner has collected her favorite love poems and arranged them in chapters set as mileposts in love's long journey. Beginning entries include "The Search," "Attraction," "Longing," and "Courtship." The middle chapters include "Commitment," "Early Years," and "Daily Life," and the book closes with poems gathered under

the headings of "Partings" and "Reflections." Cotner's selections for this compendium are as inspired as the words themselves. Classic writers such as Dickinson, Shakespeare, and

Browning lend well-loved words, but this broad-ranging collection draws most of its content from poets writing today, assuring that every reader will discover many new gems to share with one's partner.
