Postgate 2023-07-18

A translation of the elegies of Roman poet Sextus Propertius, with extensive commentary and analysis by scholar John Percival Postgate. These elegies explore themes of love, loss, and the contradictions of human emotion, with a focus on Propertius' turbulent relationship with his lover Cynthia. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this

knowledge alive and relevant.

**The Elegies of Sextus Propertius, Tr. Into Engl. Verse, with Life of the Poet and Illustr. Notes by - Sextus Propertius**

2019-02-27

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor

pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**The Complete Elegies of Sextus Propertius** - Propertius 2016-07-07

The Roman poet Propertius is best known as the writer who perfected the Latin love elegy, a technical as much as a psychological and cultural feat. Propertius has been admired for both his metrical genius and the modernity of his narrative flow. Many of the poems here pay tribute to Cynthia, Propertius's romantic obsession, but the scope of these 107 elegies is broad. Propertius's poetry offers a fascinating look into life in the Augustan age, addressing social, political, and historical subjects. A contemporary of Virgil and Horace, Propertius has influenced scores of poets--from Ovid to Housman to Pound. His poetry appears here for the first time in a dual-language edition with the translations facing the original Latin. Rendered into English by a poet who is also one of the nation's pre-eminent Propertius experts, the volume brings Propertius's difficult mix of vernacular and high literary allusion into contemporary language. Cynthia was the first. She caught me with her eyes, a fool who had never before been touched by desires. Love cast down my look of constant pride, and he pressed on my head with his feet, until he taught me to despise chaste girls, perversely, and to live without plan. Already, it's been a whole year that the frenzy hasn't stopped, when, for all that, the gods are against me. ?

**The Poems** - Propertius, 2009-07-30

Of all the great classical love poets, Propertius is surely one of those with most immediate appeal for the twentieth-century reader. His poetry centres on a helpless infatuation for his sinister mistress, Cynthia, and it is analysed with a tormented but witty grandeur in all its changing moods - from ecstasy to suicidal despair.

*Propertius* - Sextus Propertius 1962

The Poems - Sextus Propertius 1999

Of the Greek and Latin love poets, Propertius (c. 50-10 B.C.) is one of those who holds the most

immediate appeal for the twentieth-century reader. His helpless infatuation for the sinister figure of his mistress Cynthia forms the main subject of his poetry, and is analyzed with a tormented but witty grandeur in all its changing moods--from ecstasy to suicidal despair. This study includes English verse translations of his work, along with a chronology, explanatory notes, and a brief bibliography.

**The Poems of Sextus Propertius** - Sextus Propertius 2023-04-28

"Propertius is a poet of singular boldness and originality. It is, perhaps, fitting that he have a translator to match. . . The results justify his approach. McCulloch has remained faithful to the essential content, development, and tone of his originals. At the same time, by refusing rigid adherence to the syntax and vocabulary of each poem, he has allowed himself the freedom to endow his versions with all the force and expressiveness that he has at his command. These are considerable, for he is a gifted poet. His versions possess a rapidity and piquancy unusual in translations. Some of his turns of phrase are quite arresting. In short, his translations are also poems in their own right." -- Classical World This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1972.

*The Complete Elegies of Sextus Propertius* - Sextus Propertius 2004

Vincent Katz offers translations of all 107 known poems by the Augustan poet Sextus Propertius, a contemporary of Ovid. The translations keep as closely as possible to the original syntax, as Propertius' willful compressions & unusual tellings of myth are definitive of his poetics.

**Propertius in Love** - ProQuest (Firm) 2002-06-03

"Goethe, whose Roman Elegies drew on him, recognized in Propertius a romantic sensibility akin to his own. Ezra Pound's Homage to Sextus Propertius, on the other hand, read the poet as a fellow satirist and political dissident. Whatever

the merits of these, and other, competing interpretations, Propertius has by now certainly come into his own, acquiring a whole new generation of readers. Indeed, in his 1997 play about the scholar-poet Housman, Tom Stoppard suggests that Propertius is one of the poets who were responsible for "the invention of love" in the West. The occasion of a lively new version by the poet David Slavitt invites a reexamination of Propertius, with particular attention to what most recommends him to us today: his sophisticated exploration of love and gender relations, his difficult—we might almost say modernist poetics, his strikingly independent politics that are concomitant with an overriding commitment to love and to literature, and, finally, his attempt later in life to reinvent himself and his art."—from the foreword by Matthew S. Santirocco, New York University

"David Slavitt's bold, bawdy, expansive and sinewy version of Propertius is a sleep stealer, a book of wonders that bursts through limitations and the concept of "enough." Slavitt's continually startling Propertius in Love brings to mind Pasternak's line that "the root of beauty is audacity." Through the dialectic of eros and mortality and the marriage of poet and translator, Latin and English, we are hurtled back to the site where the invention of love is reenacted."—Mark Rudman, winner of National Book Critics Circle Award for his poetic trilogy, Rider, The Millennium Hotel, and Provoked in Venice. His latest book is The Couple.

Poems - Sextus Propertius 2018-09-27

The Poetry Book Society Autumn 2018

Recommended Translation. Asked to name the great Latin love poets, today's reader is likely to offer Catullus, Ovid, Virgil, Horace. Propertius, a successor of the first and influential peer to the others, has not been blessed by posterity. Yet at their best his poems match any of the period. They are poems of love, of desire, of insecurity and obsession: of struggle, too, as they resist the Augustan Empire's attempts to turn its love poets into propagandists. The result is a highly refined irony, a subtlety of tone and humour that is unique. Patrick Worsnip's translations bring out Propertius' playfulness and his psychological acuity, reinstating his poems at the heart of Latin literature's golden age.

**Ezra Pound and Sextus Propertius** - John

Patrick Sullivan 1964

This book is a study of Ezra Pound's poem, including the criticism the work received and a comparison of his poem to other poetic translations.

The Poems of Sextus Propertius ; Translated with an Introduction by J.P. McCulloch - Sextus Propertius 1972

**The Elegies of Sextus Propertius** - Sextus Propertius 1875

The Poems - Sextus Propertius 1994

Of all the Greek and Latin love poets, Propertius (c.50-10 BC) is one of those who perhaps holds most immediate appeal for the twentieth century reader. His helpless infatuation for the sinister figure of his mistress Cynthia forms the main subject of his poetry, and is analysed with a tormented but witty grandeur in all its changing moods - from ecstasy to suicidal despair. The son of an Umbrian landowner who fought on the wrong side in the Civil War after Caesar's murder, he lost his father and most of his family estate in boyhood and was brought up by his mother. He was able nevertheless to reject a legal or military career and to devote his life to the art of poetry, in which he is a far more self-conscious practitioner than most of the other Latin poets. His modern popularity was furthered in particular by Ezra Pound's *Homage to Sextus Propertius* (1919).

The Elegies of Sextus Propertius: Translated Into English Verse, with Life of the Poet and Illustrative Notes (Classic Reprint) - James Cranstoun 2018-04-23

Excerpt from *The Elegies of Sextus Propertius: Translated Into English Verse, With Life of the Poet and Illustrative Notes* Notwithstanding these drawbacks, few poets possess a greater charm, or better repay a careful study, than Propertius. As regards energy, brilliancy, and pathos, he claims a foremost place among elegiac poets; while in scholarly refinement, elegance, and archaeological research, he has few equals in Roman literature. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
