Eyes of Integrity (XXXChurch.com Resource) Craig Gross

2010-09-01 As a young pastor, Craig Gross became overwhelmed with the sheer number of people he found himself counseling who were mired in the destructive world of online pornography. Their lives were broken, their hearts and minds corrupted. How, he wondered, could he minister to the many hundreds of thousands, perhaps millions, of people trapped by sexual addiction? Through accountability software and an online hub called XXXchurch.com, Craig began to give hope. Now, with *Eyes of Integrity*, he offers a helping hand to pastors, counselors, concerned friends, and those personally struggling with sexual addiction. Through these pages he and coauthor Jason Harper cover how bad the problem is and what can be done about it. From porn-proofing your home and nurturing your marriage to what to do when someone you know is in trouble, the chapters in this book offer hope in what can seem like a hopeless situation.

[Pure Eyes \(\)](#) Craig Gross 2010-09-01 When it comes to sex and sexuality, men often find themselves in a losing battle against temptation. Whether it's overt pornography or simply oversexualized images of women, media can be a man's worst

enemy. In this straightforward book, Craig Gross and Steven Luff help men understand and embrace the true purpose and role of sex in their lives. Whether single or married, all men must cope with sexual temptation--sometimes on a daily basis. This honest treatment of an uncomfortable issue will free men to experience forgiveness and renewal.

Each of the forty topics covered follows a helpful eight-part outline and identifies (1) typical symptoms and patterns, (2) definitions and key thoughts,

(3) questions to ask, (4) directions for the conversation, (5) action steps, (6) biblical insights, (7) prayer starters, and (8) recommended resources.

Routledge International Handbook of Sexual Addiction

Thaddeus Birchard 2017-09-11 The concept of sexual addiction has gained increasing recognition in the academic and healthcare communities since the 1990s. It has also captured the attention of the media, where there has been much debate over whether it can truly be described as an addiction. What is certain is that many people struggle with out of control sexual behaviour, which takes over their lives and has harmful consequences for their relationships, careers and finances. The Routledge International Handbook of Sexual Addiction brings together a comprehensive range of perspectives on sexual addiction from a worldwide selection of scholars and therapists. It sets out to define sexual addiction and to study its causes from a range of different psychological perspectives. A series of presentations of sexual addiction are outlined, including internet sexual addiction and the relationship between paraphilias and sex addiction. The handbook considers both individual and group treatment strategies, drawing on a wide range of approaches, including cognitive behavioural therapy, mindfulness and 12-step programmes. The book studies sex addiction in specific populations including women, adolescents and men who have sex with men. Finally, it considers some of the alternative discourses surrounding the concept of sexual addiction. This is the first comprehensive reference book to bring together global viewpoints on advances in research, theory and practice in one volume. This handbook provides an essential guide for academics and students of psychotherapy, counselling, nursing, addiction, sexualities, social work and health and social care, as well as professionals in practice and in training working with sexual addiction and related issues.

The Storm of Sex Addiction Connie A. Lofgreen 2012-09 From one

of the country's most capable and insightful therapists comes an unprecedented examination of this burgeoning illness. In *The Storm of Sex Addiction: Rescue and Recovery* Connie Lofgreen elevates the conversation and presents the most accessible and readable primer on sex addiction extant. She skillfully educates, bringing clarity to concepts with thought-provoking and helpful explanations and stories. Lofgreen explains the dynamics and roots of the disorder and provides practical information and compassionate guidance to anyone affected by sex addiction, especially the addicts and families whose lives it shatters. Lofgreen does more than sound the alarm; she describes the hopeful option of treatment and outlines the components necessary for predictable recovery. She envisions a new era of valuing authentic intimate relationships over reckless sexual consumption and exploitation. Lofgreen makes a clarion call for awareness of sex addiction as the public health issue it truly is and presents strategic initiatives to respond. *The Storm of Sex Addiction* is an informative and useful resource—a must-have for people who want to understand the illness, its treatment, and prevention. Lofgreen understands the challenge, answers the crucial questions, and offers constructive solutions.

Healing the Wounds of Sexual Addiction Mark Laaser 2009-05-26

Hope--real hope--for recovery is within reach. This book goes beyond cliché answers and offers meaningful, spiritual, and practical steps to healing and freedom from sexual addiction--or any addiction. With today's rampant availability of Internet pornography, sexual addiction has become a national epidemic that affects an increasing number of Christians, even pastors and priests. As devastating as any drug habit, it brings heartbreak and despair to those it entangles. But there is help for men and women caught in sexual addiction's downward spiral. This book offers a path that leads beyond compulsive thoughts and behaviors to healing and transformation. Speaking from his own experience with sexual addiction and recovery, Dr. Mark Laaser

is sensitive to the shame of sexual addiction without minimizing its sinfulness. He traces the roots of the problem, discusses its patterns and impact, and maps out a biblical approach to self-control and sexual integrity. Whether you know someone with a sexual addiction or struggle yourself, *Healing the Wounds of Sexual Addiction* points the way to understanding, wholeness, and holiness. Spanish edition also available; previously titled *Faithful and True*.

How Pornography Harms John D. Foubert Ph.D. 2016-11-18
Pornography is menacing people, relationships, and society, and this book has the research and stories to prove it. John D. Foubert, Ph.D., an interdisciplinary scholar who has studied sexual violence since 1993, shares the life stories of more than twenty people directly affected by pornography. He also interviews scholars and explains how pornography affects our brains. In examining the many ways pornography is devouring the God-given sexual health of the Internet generation, he highlights its connection to sexual violence and how it ruins lives. He also focuses on who makes pornography and their motives, recent trends in pornography, and how pornography is changing the way people have sex. Perhaps most importantly, he explains what we can do to confront pornography in our own lives, the lives of our loved ones, and in society. Whether you are a teen, young adult, a parent, pastor, scholar, or you are just curious about what pornography does to people, your conscience will be shocked and your points of view deeply challenged by what Foubert has uncovered about the reality of today's pornography.

Dealing with Demons Bob Larson 2016-06-21 How Do You Know When You're Dealing with Demons? Though many of life's problems have natural causes, in the back of our minds there is one question that must be considered: Is it the devil? How do you know if your problem is the result of life choices or a demonic influence? With a ministry spanning several decades, exorcist Bob Larson...

Demnitate pierduta Thomas Schirmmacher 2011-07-01 Civilizatia zilelor noastre este agresata mai mult ca oricand in istoria omenirii de expunerea - uneori voita, dar de multe ori neintentionata - la imagini pornografice cu grad ridicat de violenta si cu efecte distrugatoare asupra individului si societatii. Canalul de acces este privirea, si imaginea, se stie, are cea mai mare putere de penetrare a fiintei umane, astfel ca mintile tinerilor in special, dar nu exclusiv, sunt alterate din cauza expunerii la o cantitate tulburatoare de imagini indecente care ii incurajeaza sa copieze ce au vazut. Coruptia morala, egalata probabil doar de Sodoma si Gomora, este exacerbata de pornografie, care distruge, printre altele, intimitatea relatiei în familie.

Books in Print Supplement 2002

Failure and How I Achieved It Mike Courtney 2006-08 Mike Courtney deals with subject matter that is serious and more prevalent than we want to admit. The church must find answers and offer them-because without divine intervention, bondage and hopelessness will prove to be the result. Not only is the individual healed captive by addictive practices adversely affected, but every family member is impacted and the compulsive practices often spread like a contagious disease. This book is both a testimony and a textbook of how to break free from the chains of addiction that trap even believers. Foreward by James Robison, Life Outreach International

Integrity Restored: Helping Catholic Families Win the Battle Against Pornography (Revised and Expanded Edition) Peter C Kleponis, Ph.D. 2019-11-01 Alarming numbers of men, women, and teens struggle with frequent or habitual pornography use today. Among them are many faithful Catholics desperate for hope and healing. In *Integrity Restored: Helping Catholic Families Win the Battle Against Pornography*, clinical therapist Dr. Peter Kleponis equips readers to embark on a path of recovery. Drawing heavily from Catholic teaching on human

sexuality, Kleponis provides resources and insight for parents, educators, pastors, and all struggling to overcome an addiction to pornography. In this newly updated edition, Kleponis looks at new technologies, apps, and services that pose the biggest threat to Catholics today.

Welcoming But Not Affirming Stanley James Grenz 1998-01-01
A respected evangelical speaks out on the church's most controversial issue, proposing that it is possible for Christian communities to welcome homosexuals without affirming same-sex unions.

Are You a Christian Or a Disciple? Edward N. Gross
2014-03-28 "The title *Are You a Christian or a Disciple?* boldly addresses a question that has ultimate implications for every Christ Follower, and which God seems to be pushing into the center of today's global "Christian" conversation. Well researched and presented, this book is going to challenge thinking about what it means to be a disciple-- nothing less than a fully devoted follower of Jesus! Ed Gross has given the church a very timely, provocative, and practical resource!" Jerry Trousdale - author of the best-selling book: *Miraculous Movements: How Hundreds of Thousands of Muslims are Falling in Love with Jesus* "With an authentic love for the church and a rigorous commitment to Biblical study, Ed takes on the task of showing us how we have lost the true meaning of discipleship, replacing it with a comfortable-living brand of Christianity that ignores how Jesus taught his disciples to be and to make disciples. This book may challenge long held notions of effective evangelism, missions, ministry, and discipleship. I've seen, in several places around the world, the 1st century brand of explosive disciple-making that Ed talks about. Can it happen here? That may depend on how we respond to the question, *Are You a Christian or a Disciple?*" - Dr. Dave Hunt - VP Disciple Making Movements in the Americas - CityTeam International "When Ed preaches, he preaches even to the point of tears. In this book Dr. Gross passionately pleads that

you, I, the whole church will take the Word of God at face value, particularly Jesus' command to make disciples." Dr. Robert Styer, Professor of Mathematics and Statistics, Director of the Comprehensive Science Program, Villanova University Edward N Gross (DMis-Trinity Evangelical Divinity School) is Coordinator of Strategic Alliances with CityNet Ministries in Philadelphia, PA. He has served in missions, church planting, pastoral ministry and theological education in the USA and abroad. He teaches at Back to the Bible Training College in South Africa. Ed has been married to his wife Debby for 37 years.

The Pornography Trap Ralph H. Earle 2001-08 Almost two-thirds of all pastors struggle with Internet pornography, according to a Leadership Journal survey. Men everywhere are living in bondage and fear of exposure.

Ready to Heal E-Book Kelly McDaniel 2012-08-05 It's no surprise that our culture is addicted to "love." The sappy love songs, the

enticing ads for romantic getaways and the desire to be cherished by a special someone will never lose their appeal. But for some women, this poses a significant problem. Because of their insatiable desire for love, they will do anything to find it and ultimately land in destructive addictive relationships over and over again causing incredible harm. This newly revised and expanded edition of Ready to Heal provides an opportunity for women to break free from painful addictive relationships. Kelly McDaniel provides the reader with the tools they will need to move along the path to living a life where intimacy is possible. Readers have an opportunity to begin to "connect the dots" in their own relationship patterns by following the stories of four brave women. A newly added chapter on "Mother Hunger" explores the role of the mother in infancy and how she ultimately impacts a daughter's ability to have healthy intimate relationships later in life. Break free from the chains of addictive relationships that sabotage happiness and self-respect.

Christus Vivit Pope Francis 2019-04-05 To young Christians of the world, Pope Francis has a message for you: "Christ is alive, and he wants you to be alive!" In his fourth apostolic exhortation, Christus Vivit, Pope Francis encapsulates the work of the 2018 synod of bishops on "Young People, The Faith, and Vocational Discernment." Pope Francis has always had a special relationship with young people, and in his fatherly love for you he shows that: You can relate to young people in Scripture who made a difference You identify with the Christ who is always young You face difficult issues in the world today You yearn for the truth of the Gospel You are capable of amazing things when you respond to the Gospel You learn and grow with help from the faithful of all generations You need bold and creative youth ministry You can discover who God made you to be You are urged to pray for discernment Christus Vivit is written for and to young people, but Pope Francis also wrote it for the entire Church, because, as he says, reflecting on our young people inspires us all. "May the Holy

Spirit urge you on as you run this race. The Church needs your momentum, your intuitions, your faith. We need them! And when you arrive where we have not yet reached, have the patience to wait for us."

Clergy Sexual Misconduct John Thoburn 2012-07-10 Nearly 10 percent of pastors have adulterous affairs and 15 percent are addicted to Internet pornography. Clergy Sexual Misconduct addresses how prevention, education, and treatment interventions can positively impact all levels of the clergy system. Numerous contributing experts share guidance on how individuals, families, congregants, and denominations can achieve recovery and reconciliation through a systemic approach.

Pure Heart Shellie R. Warren 2010-09-01 Our culture has twisted and perverted God's most intimate gift--sex and sexuality. And men are not the only ones who struggle with sexual sin. In this frank and disarming book, Shellie Warren helps female readers understand and embrace the true purpose and role of sex in their lives. Whether single or married, women must cope with issues surrounding body image, lust, adultery, sexual addiction, porn, and more. This honest treatment of a hush-hush issue will free women to experience forgiveness and renewal. Includes a foreword and afterword from XXXchurch founder Craig Gross.

Psychosocial Aspects of Disability Noreen M. Glover-Graf, RhD, CRC 2011-07-27 "What a marvelous and amazing textbook. Drs. Marini, Glover-Graf and Millington have done a remarkable job in the design of this highly unique book, that comprehensively

and very thoughtfully addresses the psychosocial aspects of the disability experience. These highly respected scholars have produced a major work that will be a central text in rehabilitation education for years to come." From the Foreword by Michael J. Leahy, Ph.D., LPC, CRC Office of Rehabilitation and Disability Studies Michigan State University "This is an excellent book, but the best parts are the stories of the disabled, which give readers insights into their struggles and triumphs." Score: 94, 4 Stars--Doody's Medical Reviews

What are the differences between individuals with disabilities who flourish as opposed to those who never really adjust after a trauma? How are those born with a disability different from individuals who acquire one later in life? This is the first textbook about the psychosocial aspects of disability to provide students and practitioners of rehabilitation counseling with vivid insight into the experience of living with a disability. It features the first-person narratives of 16 people living with a variety of disabling conditions, which are integrated with sociological and societal perspectives toward disability, and strategies for counseling persons with disabilities. Using a minority model perspective to address disability, the book focuses on historical perspectives, cultural variants regarding disability, myths and misconceptions, the attitudes of special interest and occupational groups, the psychology of disability with a focus on positive psychology, and adjustments to disability by the individual and family. A wealth of counseling guidelines and useful strategies are geared specifically to individual disabilities. Key Features: Contains narratives of people living with blindness, hearing impairments, spinal cord injuries, muscular dystrophy, polio, mental illness, and other disabilities Provides counseling guidelines and strategies specifically geared toward specific disabilities, including "dos and don'ts" Includes psychological and sociological research relating to individual disabilities Discusses ongoing treatment issues and ethical dilemmas for rehabilitation counselors Presents thought-provoking discussion questions in

each chapter Authored by prominent professor and researcher who became disabled as a young adult

How to Build Social Science Theories Pamela J. Shoemaker 2003-12-10 As straightforward as its title, How to Build Social Science Theories sidesteps the well-traveled road of theoretical examination by demonstrating how new theories originate and how they are elaborated. Essential reading for students of social science research, this book traces theories from their most rudimentary building blocks (terminology and definitions) through multivariable theoretical statements, models, the role of creativity in theory building, and how theories are used and evaluated. Authors Pamela J. Shoemaker, James William Tankard, Jr., and Dominic L. Lasorsa intend to improve research in many areas of the social sciences by making research more theory-based and theory-oriented. The book begins with a discussion of concepts and their theoretical and operational definitions. It then proceeds to theoretical statements, including hypotheses, assumptions, and propositions. Theoretical statements need theoretical linkages and operational linkages; this discussion begins with bivariate relationships, as well as three-variable, four-variable, and further multivariate relationships. The authors also devote chapters to the creative component of theory-building and how to evaluate theories.

Explication Steven H. Chaffee 1991-09-11 The first volume in a

series devoted to concepts in the study of communication, this is a book mainly about thinking, concerned with the disciplined use of words, with observation of human behaviour and especially with the connection between the two. Concepts establish the linkage between common communication percepts and theories, which communication scientists and critics build and test. Through examples, much is also revealed here about a number of substantive concepts in the field of communication.

Integrity Restored: Helping Catholic Families Win the Battle Against Pornography Peter C. Kleponis 2014-08-01 WHY WRITE A BOOK ON PORNOGRAPHY ADDICTION FOR CATHOLICS? The answer is simple. There's a great need for one! Pornography is no longer just a men's issue. Dr. Peter Kleponis presents an alarming in-depth look at the pornography epidemic that is ruining lives, marriages, families, and careers—and hindering life-giving relationships with God. Read the stories of real people—men, women, clergy, seminarians, and teens—who've suffered from frequent or habitual pornography use and went on to find healing. Freedom is possible. Integrity can be restored.

Reconfigurations Stefanie Knauss 2007 "From Once Upon a Time in the West to Moulin Rouge, from Ghanaian video-movies to Japanese Manga, from Christian symbolism in advertising to the mythic significance of female messiah figures, from the relationship of the arts and theology to the role of the audience in the meaningmaking process, the book provides a feast for anyone wanting to explore the interconnectivity of religion, media and society" -Robert Johnston, Fuller Theological Seminary

Holy Trinity TA Noble 2013-09-26 Teaching on the sanctification of Christians using the difficult word perfection has been part of Christian spirituality through the centuries. The Fathers spoke of it and Augustine particularly contributed his penetrating analysis

of human motivation in terms of love. Medieval theologians such as Bernard and Thomas Aquinas developed the tradition and wrote of levels or degrees of perfection in love. However, the doctrine has not fared so well among Protestants. John Wesley was the one major Protestant leader who tried to blend this ancient tradition of Christian

The Church Leader's Counseling Resource Book Cynthia Franklin Ph.D. 2011-02-01 This all-in-one guide is designed to better equip clergy and the church leaders to meet their congregations' needs in a spiritually grounded and scientifically sound manner.

Succinct, easy-to-read chapters summarize all a pastor needs to know about a given problem area, including its signs or symptoms, questions to ask, effective helping skills, and, most importantly, when to refer to a mental health professional.

Synthesizing what research says about treatment approaches for mental health issues, this user-friendly reference is filled with guidelines, case scenarios, key points to remember, resources for further help, advice on integrating scripture and theology with the best available research, and tips on partnering with others to provide the best possible care for each church member. Each chapter is designed for quick lookup by problem area, empowering church leaders to understand and help meet the challenges facing the children, adults, families, and communities that they serve.
