Same-Sex Marriage (Thoughtful Response) - Sean McDowell 2014-07-28

Same-sex marriage is here, presenting unique challenges and opportunities. How do those who follow Christ faithfully answer the standard talking points for same-sex marriage? And how can they best articulate the case for one-man, one-woman marriage in everyday conversation? Sean McDowell and John Stonestreet believe a thoughtful approach to God's design for marriage is the answer to both questions. The key is not a contentious attitude towards those who believe in same-sex marriage, but a winsome perspective that is faithful to Christ, committed to truth, and shaped by a love for God and others.

Christians need to know that because Christ has risen, there is no such thing as "all hope is lost." They are still called to engage culture even if they are viewed as wrong, illegal and intolerant.

Why Does God Care Who I Sleep With? - Sam Allberry 2020-03

Answers one of the biggest barriers to belief. Christians are increasingly seen as outdated, restrictive and judgmental when it comes to sex before marriage, cohabitation and homosexuality. In fact for many people, this issue is one of the biggest barriers for them considering Christianity. Sam Allberry, author of many books including *Is God Anti-gay* sets out God's good design for the expression of human sexuality, showing that God himself is love and that only he can satisfy our deepest desires. It is a great reminder of the Bible's positive blueprint for love, sex and marriage and ideal for giving away to people who may see this as a stumbling block for belief.

Same Sex Relationships - John Stott 2017-07-01

Biblical wisdom on same-sex relationships explained with care, wisdom and compassion. What does the Bible say about same-sex relationships? How should Christians think about this divisive and heartfelt issue? And what of those who are caught in the crossfire: the brothers and sisters who experience same-sex attraction, but are committed to being faithful to the teaching of scripture and resisting it? In this revised, updated and extended edition of the classic chapter from Issues Facing Christians Today, the late John Stott lays out the biblical position on same-sex relationships with care, wisdom and compassion. In addition to Dr Stott's timeless Biblical wisdom, there are forewords by Dr John Sentamu, (the Archbishop of York) and Dr Mark Labberton (President of Fuller Theological Seminary), a helpful preface by the editor, Sean Doherty, testimonies from same-sex attracted Christians and questions for reflection and discussion.

Marriage - Curt Hamner 2018-11-06

Never has the sacred covenant of marriage been more maligned than it is today. It can be difficult to know how to respond to a culture that is becoming more and more antagonistic to biblical beliefs about marriage. And this is a topic worth getting right. Marriage was given to us as a picture of the triune God in relationship with his people, which means what we believe about marriage is indissolubly tied to what we believe about God and his creating and saving purposes. Therefore, it is more important now than ever that we think theologically and carefully about what marriage is and how we live faithfully in it. Marriage: Its Foundation, Theology, and Mission in a Changing World is the much-needed work on marriage for this generation and the next. Rooted in a scriptural understanding of marriage, it thoughtfully engages the issues surrounding marriage being debated today and lays the groundwork for the crucial conversations of our day. Each section contains chapters from trusted theologians as well as experienced practitioners who work with couples daily. Rediscover the beauty of God's design for marriage and be strengthened to stand firm amidst any challenges the world may bring

Bible, Gender, Sexuality - James V. Brownson 2013-02-03

In Bible, Gender, Sexuality James Brownson argues that Christians should reconsider whether or not the biblical strictures against same-sex relations as defined in the ancient world should apply to contemporary, committed same-sex relationships. Presenting two sides in the debate -- "traditionalist" and "revisionist" -- Brownson carefully analyzes each of the seven main texts that appear to address intimate same-sex relations. In the process, he explores key concepts that inform our understanding of the biblical texts, including patriarchy, complementarity, purity and impurity, honor and shame. Central to his argument is the need to uncover the moral logic behind the biblical text. Written in order to serve and inform the ongoing debate in many denominations over the questions of homosexuality, Brownson's in-depth study will prove a useful resource for Christians who want to form a considered opinion on this important issue.

God Believes in Love - Gene Robinson 2013-06-04

From the IX Bishop of the Diocese of New Hampshire in the Episcopal Church, the first openly gay person elected to the episcopate and the world's leading religious spokesperson for gay rights and gay marriage—a groundbreaking book that persuasively makes the case for same-sex marriage using a commonsense, reasoned, religious argument. Robinson holds the religious text of the Bible to be holy and sacred and the ensuing two millennia of church history to be relevant to the discussion. He is equally familiar with the secular and political debate about gay marriage going on in America today, and is someone for whom same-sex marriage is a personal issue; Robinson was married to a woman for fourteen years and is a father of two children and has been married to a man for the last four years of a twenty-five-year relationship. Robinson has a knack for taking complex and controversial issues and addressing them in plain direct language, without using polemics or ideology, putting forth his argument for gay marriage, and bringing together sacred and secular points of view.
