[Will Puberty Last My Whole Life? - Julie Metzger, RN, MN 2018-08-21](http://www.scholastic.com)

An expanded and revised edition of the popular flip book for preteens. One half of the book is filled with questions commonly asked by girls entering puberty, and the other half with questions asked by boys. "If you can only afford one book on puberty for this age group, this is the one to have." --School Library Journal This book contains informative, honest, and reassuring answers to questions that preadolescents have about puberty--from friendships and feelings, to pimples, babies, body hair, menstruation, bras, and much more. Straightforward, age-appropriate answers are provided by an experienced nurse-and-physician team who have been giving seminars to preteens and their parents throughout the Pacific Northwest and Bay Area for more than 25 years. Each question in the book has been asked by kids during their classes (many of them frequently). This new edition also contains updated language throughout and additional questions and answers regarding sex, sexuality, consent, and gender identity and norms. The book is also filled with lighthearted and often humorous full-color illustrations throughout.
