Heart & Soul - 2001-02

The Lyrics: 1956 to the Present (Vol. Two-Volume Set) - Paul McCartney
2021-11-02

#1 NEW YORK TIMES BESTSELLER A Washington Post Notable Book
Excerpted in The New Yorker A work of unparalleled candor and splendid beauty, *The Lyrics* celebrates the creative life and the musical genius of Paul McCartney through 154 of his most meaningful songs. From his early Liverpool days, through the historic decade of The Beatles, to Wings and his long solo career, *The Lyrics* pairs the definitive texts of 154 Paul McCartney songs with first-person commentaries on his life and music. Spanning two alphabetically arranged volumes, these commentaries reveal how the songs came to be and the people who inspired them: his devoted parents, Mary and Jim; his songwriting partner, John Lennon; his "Golden Earth Girl," Linda Eastman; his wife, Nancy McCartney; and even Queen Elizabeth, among many others. Here are the origins of "Let It Be," "Lovely Rita," "Yesterday," and "Mull of Kintyre," as well as McCartney's literary influences, including Shakespeare, Lewis Carroll, and Alan Durband, his high-school English teacher. With images from McCartney's personal archives—handwritten texts, paintings, and photographs, hundreds previously unseen—*The Lyrics*, spanning sixty-four years, becomes the definitive literary and visual record of one of the greatest songwriters of all time.

How To Be Invisible - Kate Bush 2018-12-04

Selected and arranged by the author, and with a new introduction by novelist David Mitchell, *How To Be Invisible* presents the lyrics of Kate Bush published together for the first time. 'For millions around the world, Kate is way more than another singer-songwriter: she is a creator of musical companions that travel with you through life. One paradox about Kate is that while her lyrics are proudly idiosyncratic, those same lyrics evoke emotions and sensations that feel universal. Literature works in similar mysterious ways. Kate's the opposite of a confessional singer-songwriter ... You don't learn much about Kate from her songs. She's fond of masks and costumes - lyrically and literally - and of yarns, fabulations and atypical narrative viewpoints. Yet, these fiercely singular songs, which nobody else could have authored, are also maps of the heart, the psyche, the imagination. In other words, art.' David Mitchell
Wrote For Luck - Shaun Ryder 2019-03-05

In the mid-1980s the Happy Mondays emerged as the prime mischief makers on the Madchester scene. Chief protagonist was Shaun Ryder, a man whose lyrical street swagger in songs like *Kinky Afro*, *24 Hour Party People* and *Performance*, would come to define a generation. Here collected and edited for the first time, in trade and special editions, are his unforgettable lyrics.

The James Bond Songs - Adrian Daub 2015

The James Bond songs have been a fixture of our musical landscape for over 50 years, a distinct genre we've sometimes admired, sometimes

smirked at. This book delves into these songs, tracing a secret history of pop and of ourselves as listeners.

Encyclopedia of Literary Translation Into English: A-L - O. Classe
2000

Includes articles about translations of the works of specific authors and also more general topics pertaining to literary translation.

The Retro-Futurism of Cuteness - Jen Boyle 2017-11-03

Is it possible to conceive of a Hello Kitty Middle Ages or a Tickle Me Elmo Renaissance? The Oxford English Dictionary dates the first reference to "cute" in the sense of "attractive, pretty, charming" to 1834. More recently, Sianne Ngai has offered a critical overview of the cuteness of the twentieth-century avant-garde within the context of consumer culture. But if cuteness can get under the skin, what kinds of surfaces does it best infiltrate, particularly in the framework of historical forms, events, and objects that traditionally have been read as emergencies around "big" aesthetics of formal symmetries, high affects, and resemblances? *The Retrofuturism of Cuteness* seeks to undo the temporal strictures surrounding aesthetic and affective categories, to displace a strict focus on commodification and cuteness, and to interrogate how cuteness as a minor aesthetics can refocus our perceptions and readings of both premodern and modern media, literature, and culture. Taking seriously the retro and the futuristic temporalities of cuteness, this volume puts in conversation projects that have unearthed remnants of a "cult of cute"-positioned historically and critically in between transitions into secularization, capitalist frameworks of commodification, and the enchantment of objects—and those that have investigated the uncanny haunting of earlier aesthetics in future-oriented modes of cuteness. The Latin *acutus*, the etymological root of *cute*, embraces the sharpened, the pointed, the nimble, the discriminating, and the piercing. But as Michael O'Rourke notes, cuteness evokes a proximity that is at once potentially invasive and contaminating and yet softening and transfiguring. Deploying cuteness as a mode of inquiry across time, this volume opens up unexpected lines of inquiry and unusual critical and creative aporias, from Christian asceticism, medieval cycle drama, and Shakespeare to manga, Bollywood, and *Second Life*. The projects collected here point to a spectrum of aesthetic-affective assemblages related to racial, ethnic, gender, sexual, and class dimensions that exceed or trouble our contemporary perceptions of such registers within object-subject and subject-object entanglements. TABLE OF CONTENTS // Wan-Chuan Kao and Jen Boyle, "Introduction: The Time of the Child" Andrea Denny-Brown, "Torturer-Cute" Elizabeth Howie, "Indulgence and Refusal: Cuteness, Asceticism, and the Aestheticization of Desire" Claire Maria Chambers, "From Awe to Awww: Cuteness and the Idea of the Holy in Christian Commodity Culture" Justin Mullis, "All The Pretty Little Ponies: Bronies, Desire, and Cuteness" Marlis Schweitzer, "Consuming Celebrity: Commodities and Cuteness in the Circulation of Master William Henry West Betty" Mariah Junglan Min,

"Embracing the Gremlin: Judas Iscariot and the (Anti-)Cuteness of Despair" Alicia Cortis, "Cute, Charming, Dangerous: Child Avatars in Second Life" James M. Cochran, "What's Cute Got to Do with It?: Early Modern Proto-Cuteness in King Lear" Kara Watts, "Hamlet, Hesperides, and the Discursivity of Cuteness" Tripti Pillai, "Cute Lacerations in Doctor Faustus and Omkara" Kelly Lloyd, "Katie Sokoler, Your Construction Paper Tears Can't Hide Your Yayoi Kusama-Neurotic Underbelly"

Indigenous African Popular Music, Volume 2 - Abiodun Salawu
2022-06-14

This volume examines how African indigenous popular music is deployed in democracy, politics and for social crusades by African artists.

Exploring the role of indigenous African popular music in environmental health communication and gender empowerment, it subsequently focuses on how the music portrays the African future, its use by African youths, and how it is affected by advanced broadcast technologies and the digital media. Indigenous African popular music has long been under-appreciated in communication scholarship. However, understanding the nature and philosophies of indigenous African popular music reveals an untapped diversity which can only be unraveled by the knowledge of myriad cultural backgrounds from which its genres originate. With a particular focus on scholarship from Nigeria, Zimbabwe and South Africa, this volume explores how, during the colonial period and post-independence dispensation, indigenous African music genres and their artists were mainstreamed in order to tackle emerging issues, to sensitise Africans about the affairs of their respective nations and to warn African leaders who have failed and are failing African citizenry about the plight of the people. At the same time, indigenous African popular music genres have served as a beacon to the teeming African youths to express their dreams, frustrations about their environments and to represent themselves. This volume explores how, through the advent of new media technologies, indigenous African popular musicians have been working relentlessly for indigenous production, becoming champions of good governance, marginalised population, and repositories of indigenous cultural traditions and cosmologies.

South Pacific - 1981-06

(E-Z Play Today). Seven vocal selections from the Rodgers and Hammerstein's 1949 classic. Includes: Bali Ha'i * Dites-Moi (Tell Me Why) * Some Enchanted Evening * A Wonderful Guy * Younger Than Springtime.

Enter the New Negroes - Martha Jane Nadell 2004

With the appearance of the urban, modern, diverse "New Negro" in the Harlem Renaissance, writers and critics began a vibrant debate on the nature of African-American identity, community, and history. Martha Jane Nadell offers an illuminating new perspective on the period and the decades immediately following it in a fascinating exploration of the neglected role played by visual images of race in that debate. After tracing the literary and visual images of nineteenth-century "Old Negro" stereotypes, Nadell focuses on works from the 1920s through the 1940s that showcased important visual elements. Alain Locke and Wallace Thurman published magazines and anthologies that embraced modernist images. Zora Neale Hurston's *Mules and Men*, with illustrations by Mexican caricaturist Miguel Covarrubias, meditated on the nature of black Southern folk culture. In the "folk history" *Twelve Million Black Voices*, Richard Wright matched prose to Farm Security Administration photographs. And in the 1948 Langston Hughes poetry collection *One Way Ticket*, Jacob Lawrence produced a series of drawings engaging with Hughes's themes of lynching, race relations, and black culture. These collaborations addressed questions at the heart of the movement and in the era that followed it: Who exactly were the New Negroes? How could they attack past stereotypes? How should images convey their sense of newness, possibility, and individuality? In what directions should African-American arts and letters move? Featuring many compelling contemporary illustrations, *Enter the New Negroes* restores a critical visual aspect to African-American culture as it evokes the passion of a community determined to shape its own identity and image.

Sex and Gender in Pop/Rock Music - Walter Everett 2023-05-04

Following the 1960's sexual revolution, rock and pop have continued to map the societal understanding of sexuality, feminism, and gender studies. Although scholarship has well established how early rock and roll encouraged and affected issues of sex in the baby boomer generation, this book asks how subsequent pop music has maintained that tradition. The text discusses the gendered performances and biographical experiences of individual musicians, including Patti Smith, Rufus Wainwright, Etta James, and Frank Ocean, and how their invented

personae contribute to musical representations of sexuality. It evaluates lyric structure and symbolic language of these artists, and overall emphasizes how pop music, while a commodity art form, reflects the diversity of human sex and gender.

The Lyrics of Syd Barrett - Syd Barrett 2021-02-18

Featuring 56 songs and a foreword by Pink Floyd's first manager, Peter Jenner, and an introduction by Rob Chapman (author of *Syd Barrett: A Very Irregular Head*), this beautifully illustrated and official book compiles Syd's extraordinary lyrics together for the very first time.

Global Linguistic Flows - H. Samy Alim 2008-10

This cutting-edge book, located at the intersection of sociolinguistics and Hip Hop Studies, brings together for the first time an international group of researchers who study Hip Hop textually, ethnographically, socially, aesthetically, and linguistically. It is the harvest of dialogue between these two separate yet interconnected areas of study. A missing gap in the Hip Hop literature is the centrality and an in-depth analysis of the very medium that is used to express and perform Hip Hop -- language. *Global Linguistic Flows* fills this gap.

Sex and Zen & A Bullet in the Head - Stefan Hammond 1996

Including reviews of 200 films, plus information about U.S. theaters, video stores, and mail-order sources that specialize in this white-hot, new genre, this is the first guide to an exploding popular culture phenomenon. Includes 75 photos.

Queen - Queen (Musical group) 2012

(Book). In 2011, the world celebrated the 40th anniversary of Queen one of the most innovative, glamorous, and influential bands in history. Over the course of the band's career, they have grossed 170 million album sales worldwide, have written 18 number one hits, and performed 700 concerts. While some acts enjoy a forte of incredible showmanship, a virtuoso instrumentalist, a strong, charismatic leader, or a prolific sole songwriter, Queen beholds all of these strengths. Although Freddie Mercury and Brian May are recognized as the prime songwriters, each of the members have penned number one hits, including classics such as "Bohemian Rhapsody" (Freddie Mercury), "Another One Bites the Dust" (John Deacon), "A Kind of Magic" (Roger Taylor), and "We Will Rock You" (Brian May). The fates brought the four creative and cerebral youths together in London in 1971 (Mercury was by then an established fine and graphic artist, May was enveloped in the study of astrophysics, Roger Taylor enrolled in dental school, and John studying electronics). Since then, they have made history with their sophisticated fusion of operatic expression, theatrical performance, symphonic melody, and raw rock-and-roll. Beginning with their debut *Queen* in 1973 (EMI/Electra Records), the band took the UK by storm, then conquered the United States along with rest of the world, serving as pioneers of stadium rock and enjoying commercial success and momentum well into the 1980s (marked by the famous Live Aid appearance in 1985) through the early 1990s. The whirlwind took a startling pause when singer Freddie Mercury passed away from AIDS on November 24, 1991. The living members have forged ahead and remain great music makers. *The Complete Illustrated Lyrics* is the first book of its kind. Never before has there been a complete Queen lyric book. The hundreds of images that accompany the songs range from handwritten lyrics to rare photographs from the stage to the studio. Also included is a complete discography, pairing each song to the album on which it was originally released. Designed by the band's longtime creative director, Richard Gray, the book is as true to the band as can be, carrying with it the flamboyance, expression, and depth that Queen embodies as writers and performers. If there is one book for a fan of the band to possess, this is the one.

Rammstein on Fire - John T. Littlejohn 2013-09-27

This volume contains 13 original essays exploring Rammstein's stage performance and recorded works from multiple academic perspectives. Topics range from Rammstein's connection with 19th century German literature and their East German heritage to cannibalism and the supernatural. The panoramic view of approaches to Rammstein's music and performance goes beneath the surface and provides fan and scholar alike with a deeper appreciation for the band.

Song Lyrics - Michel Montecrossa 2004

Do You Remember? - Trenton Bailey 2022-12-28

In *Do You Remember? Celebrating Fifty Years of Earth, Wind & Fire*, Trenton Bailey traces the humble beginning of Maurice White, his development as a musician, and his formation of Earth, Wind & Fire, a band that became a global phenomenon during the 1970s. By the early 1980s, the music industry was changing, and White had grown weary after working constantly for more than a decade. He decided to put the

band on hiatus for more than three years. The band made a comeback in 1987, but White's health crisis soon forced them to tour without him. During the twenty-first century, the band has received numerous accolades and lifetime achievement and hall of fame awards. The band remains relevant today, collaborating with younger artists and maintaining their classic sound. Earth, Wind & Fire stood apart from other soul bands with their philosophical lyrics and extravagant visual art, much of which is studied in the book, including album covers, concerts, and music videos. The lyrics of hit songs are examined alongside an analysis of the band's chart success. Earth, Wind & Fire has produced twenty-one studio albums and several compilation albums. Each album is analyzed for content and quality. Earth, Wind & Fire is also known for using ancient Egyptian symbols, and Bailey thoroughly details those symbols and Maurice White's fascination with Egyptology. After enduring many personnel changes, Earth, Wind & Fire continues to perform around the world and captivate diverse audiences.

[The Palgrave Handbook of Music in Comedy Cinema](#) - Emilio Audissino 2023-11-28

This handbook tackles the understudied relationship between music and comedy cinema by analysing the nature, perception, and function of music from fresh perspectives. Its approach is not only multidisciplinary, but also interdisciplinary in its close examination of how music and other cinematic devices interact in the creation of comedy. The volume addresses gender representation, national identities, stylistic strategies,

and employs inputs from cultural studies, musicology, music theory, psychology, cognitivism, semiotics, formal and stylistic film analysis, and psychoanalysis. It is organised in four sections: general introductions, theoretical investigations, music and comedy within national cinemas, and exemplary case studies of films or authors.

The Moral Decay of Society - Eugene T. Motes 2011-01-31

The Moral Decay of Society presents a summary of events that have taken place in Americas jaded recent history. To the point and possibly offensive to some, author Eugene T Motess essays aim to make people aware of what is happening around them. We Americans are under attack by our own country. We are told to worry about the War on Terrorism, and to accept the physical and mental dangers faced by men and women in our military service. Why should we continue to support a war overseas, when we cant even protect ourselves from the destruction and moral decline of our own country? It is this moral decay at home that Motes wishes to address. Parents are in a desperate battle to save their children from perverted musical artists and movie companies. Teens are being slaughtered by the millions because parents are blind and ignorant. Only parents can protect their children from Satan other terrible influences, including rock, rap, heavy metal, Eclipse, True Blood, and Harry Potter, as well as numerous others that are responsible for the condition of the United States today. Become a true parent to your children and help to stop The Moral Decay of Society.
