Same Sex Intimacies - Catherine Donovan
2003-09-02

Our families are increasingly a matter of choice, and the choices are widening all the time. This is particularly true of the non-heterosexual world, where the last ten years have seen a popular acceptance of same sex partnerships and, to a lesser extent, of same sex parenting. Based on extensive interviews with people in a variety of non-traditional relationships, this fascinating new book argues that these developments in the non-heterosexual world are closely linked to wider changes in the meaning of family in society at large, and that each can cast light on the other. *Same Sex Intimacies* gives vivid accounts of the different ways non-heterosexual people have been able to create meaningful intimate relationships for themselves, and highlights the role of individual agency and collective endeavour in forging these roles: as friends, partners, parents and as members of communities. This topical book will provide

compelling reading for students of the family, sexuality and lesbian and gay studies.

How to Attain and Practice the Ideal Sex Life - Johannes Rutgers 1940

Sexual Satisfaction in Marriage as a Function of Meaning in Life - Joseph Thomas McCann 1986

Marriage in Men's Lives - Steven L. Nock
1998-09-03

There are two marriages in every marital union, his and hers. Men and women live in worlds that are organized around gender, and their marriages reflect differing realities. As life companions, they respond to each other; but they also respond to the cultural definitions of what it means to be a husband and a wife. What has fascinated social and behavioral scientists for several years, however, is not only that husbands' and wives' experiences are different, but also that 'his' marriage is better than 'hers'. Numerous findings have reported that married

Downloaded from
legacy.opendemocracy.net on 2019-07-17
by guest

men are better off than married women on measures of both physical and mental health, but the reasons are not yet fully understood. In *Marriage in Men's Lives* Dr. Nock proposes an explanation to this issue. He focuses on marriage as a system of rules, customs, and expectations. The book shows that marriage changes men on basic dimensions of achievement, participation in public social life, and philanthropy because marriage reinforces such behaviors as part of adult masculinity. Men in modern society crave well-being, comfort, luxury, and prestige, and marriage affords a means of achieving these things within circumscribed legitimate boundaries. Using a huge data base of over 6,000 interviews with men the author has studied since 1979, Nock draws some interesting and far-reaching conclusions about the nature of marriage, and predicts that marriage is definitely here to stay. *The Meaning of Marriage* - Garamond Press
2013-02-01

The Meaning of Marriage ...in 30 Minutes is your guide to quickly understanding the lessons in Timothy Keller's best-selling book, *The Meaning of Marriage: Facing the Complexities of Commitment with the Wisdom of God*. In *The Meaning of Marriage*, Timothy Keller uses the wisdom from his marriage of over thirty-seven years to explain how to increase the success of a Christian marriage. He posits that modern society creates expectations about marriage that are distorted and unrealistic, preventing married couples from finding true happiness. Using studies and statistics about marriage as well as the wealth of knowledge between him and his wife, Kathy Keller, the author challenges commonly held views on marriage, and proves that with hard work and realistic expectations, a marriage can be the most unique and glorious way to experience God's love on Earth. Use this helpful guide to understand *The Meaning of Marriage* in a fraction of the time, with tools such as: Practical applications for how to

overcome everyday obstacles and create realistic expectations within a marriage Insights into the different roles men and women have in a Christian marriage Personal stories about marriage and the importance of faith in everything from sex to raising children to everyday chores A synopsis of The Meaning of Marriage, definitions of key terms, and both positive and negative critical reception of the book An overview of why modern culture's idea of a soul mate is wrong As with all books in the 30 Minute Expert Series, this book is intended to be purchased alongside the reviewed title, The Meaning of Marriage: Facing the Complexities of Commitment with the Wisdom of God.

The So Called Same-Sex Marriage, Sweet But The Most Horrific Enemy - Hea Sook Son
2015-10-09

Chief Justices argued that same-sex marriage had nothing to do with the Constitution. Four Justices including Chief Justice clearly opposed it. It is very shocking and disgraceful in US

history that the so called same-sex marriage was legalized nationwide. It is frightening, that the court's decision under Obama's administration did very cruel things to good Americans who have good morality and honesty as what they believe to be true according to their religious beliefs. The bakers were forced to give up their Christian belief, being forced to make cake for gay wedding. Clearly this was in violation of their moral conscience and religious belief. They forced admirable Americans to involve themselves in what they feel is the twisted and the immoral. We were terrified and shocked how things like this could happen in America, the land of freedom and democracy; not of dictatorship or communism. We had never imagined it before. Something terribly wrong is going on in America. Something horrible is going on, intentionally or unintentionally, among the American people and Christians. The freedom of good Americans is being crushed. It will ultimately diminish and demolish the Americans

sometime in the future, weakening America, bit by bit, every day. Certainly, I think that Americans, all of us, love our nation America. We all care about the future fate of America. I ask: Do you know the consequence of the so called same-sex marriage? Do you know what will happen in your nation when you and many Americans are in same-sex marriage? Do you see the future of America? America is in a big Crisis. Same-sex marriage is sweet, but the most horrific enemy to America. Keywords: Marriage, Same-Sex Marriage, Silent War, Human Extinction, Sweet, Horrific Enemy, Gay, Lesbian, America, Confusion, LGBT.

Pivot of Civilization Or Rivet of Life? Conflicting Worldviews and Same-Sex Marriage - Carman Bradley 2004

Proponents of same-sex marriage contend that the inclusion of homosexuals in the definition will have little negative impact upon the heterosexual conventions of marriage and family. Some say the impact will be liberating.

Others believe the consequential erosion of theistic values in the affairs of state will only make society better. This book argues that these conjectures are misleading and will in the end be proven false and damaging, should same-sex marriage be adopted. In reality, both personal and national level decisions on same-sex marriage are a test of belief and conviction. This book takes the issue of homosexuality out of its "rights-based" context and looks at same-sex relations from a broader perspective- within the philosophical framework of what feminist Diana Alstad calls the "planetary battle" or the "morality wars" over "who has the right to decide what's right?" The thesis of this book is that acceptance of same-sex marriage will symbolize state preference for the beliefs of secularism, humanism, and free sex ethos, over traditional theistic-based, Judeo-Christian values. Worse, the legislated merger of same-sex and opposite sex societal spaces under one definition of marriage will signify that the

homosexual lifestyle is the same culturally, morally, and ecologically as the heterosexual way of life. In fact they are an anathema to each other. This book equips and leads the reader to face his or her philosophy of life, before deciding on issues like same-sex marriage. The reader discovering a very complex, multi-faceted, and interlocking set of issues will face the question, "From where do we draw our moral wisdom?" Secularist (Pivot of Civilization) and Christian (Rivet of Life) worldviews are developed and their relative merits in facing key issues of the day are studied. The institutions of marriage and family will be cast in far-reaching perspective. The book will detail the potentially harmful ramifications of such a huge move away from theism and also show the societal benefits of an exclusive and distinctive definition of same-sex union, in keeping with recognition of a separate and unique homosexual minority lifestyle.

Sex, Marriage, and Family in World Religions - Don S. Browning 2006-02-01

Spanning thousands of years, this new collection brings together writings and teachings about sex, marriage, and family from the Jewish, Christian, Islamic, Hindu, Buddhist, and Confucian traditions. The volume includes traditional texts as well as contemporary materials showing how the religions have responded to the changing conditions and mores of modern life. It reveals the similarities and differences among the various religions and the development of ideas and teachings within each tradition. Selections shed light on each religion's views on a range of subjects, including sexuality and sexual pleasure, the meaning and purpose of marriage, the role of betrothal, the status of women, the place of romance, grounds for divorce, celibacy, and sexual deviance. Separate chapters devoted to each religion include introductions by leading scholars that contextualize the readings. The selections are drawn from a variety of genres including ritual, legal, theological, poetic, and mythic texts. The

volume contains such diverse examples as the Zohar on conjugal manners, a contemporary Episcopalian liturgy for same-sex unions, Qur'anic passages on the equality of the sexes, the Ka-masu-tra on husbands, wives, and lovers, Buddhist writings on celibacy, and Confucian teachings on filial piety. Contributors include: Michael S. Berger, Emory University; Azizah Y. al-Hibri, Richmond School of Law; Alan Cole, Lewis and Clark College; Paul B. Courtright, Emory University; Patricia Buckley Ebrey, University of Washington; Raja M. El-Habti, Muslim Women Lawyers for Human Rights; Luke Timothy Johnson, Emory University; Mark D. Jordan, Emory University

Reinventing Couples - Julia Carter 2017-10-24

This book presents a new approach to understanding contemporary personal life, taking account of how people build their lives through a bricolage of 'tradition' and 'modern'. The authors examine how tradition is used and adapted, invented and re-invented; how meaning

can leak from past to present; the ways in which people's agencies differ as they make decisions; and the process of bricolage in making new arrangements. These themes are illustrated through a variety of case studies, ranging from personal life in the 1950s, young women and marriage, the rise of cohabitation, female name change, living apart together, and creating weddings. Centrally the authors emphasise the re-traditionalisation involved in de-traditionalisation and the connectedness involved in individualised processes of relationship change. Reinventing Couples will be of interest to students and scholars across a range of disciplines including sociology, social work and social policy.

Marital and Sexual Lifestyles in the United States - Linda P Rouse 2013-12-16

Learn the changing role of sexuality in American life! This helpful book offers a solid background in the sociology of family life and personal sexuality. Marital and Sexual Lifestyles in the

*Downloaded from

United States: Attitudes, Behaviors, and Relationships in Social Context is designed to give readers a broad view of the diversity of contemporary U. S. attitudes, behaviors, and relationships. It also covers basic sociological concepts and research methods. Most human sexuality texts focus on the individual, whereas texts designed for sociology courses on the family downplay individual sexual expression. *Marital and Sexual Lifestyles in the United States* integrates the two approaches. The choices of the individual take on additional meaning when seen within a unified historical, statistical, and conceptual framework. *Marital and Sexual Lifestyles in the United States* gives readers the tools to consider such pressing issues as: Does the divorce rate mean that the institution of marriage is in trouble? Are children's futures impaired if they come from single-parent households? Should same-sex couples be allowed to marry? How does marriage differ from cohabitation? What are the

real sexual differences between the genders? What is sexual morality? How much confidence can we place in studies of human sexuality by such social scientists as Alfred Kinsey and Masters and Johnson? These questions and others like them are placed in the context of U. S. social trends, beginning with the 1950s and moving toward today. Plentifully illustrated with tables, charts, and figures that show where we are going as well as where we have been, *Marital and Sexual Lifestyles in the United States* gives a clear perspective on relationships in social context.

The Long Arc of Justice - Richard D. Mohr
2007-04

Richard D. Mohr adopts a humanistic and philosophical approach to assessing public policy issues affecting homosexuals. His nuanced case for legal and social acceptance applies widely held ethical principles to various issues, including same-sex marriage, AIDS, and gays in the military. Mohr examines the nature of

Downloaded from
legacy.opendemocracy.net on 2019-07-17
by guest

prejudices and other cultural forces that work against lesbian and gay causes and considers the role that sexuality plays in national rituals. In his support of same-sex marriage, Mohr defines matrimony as the development and maintenance of intimacy through which people meet their basic needs and carry out their everyday living, and he contends that this definition applies equally to homosexual and heterosexual couples. By drawing on culturally, legally, and ethically based arguments, Mohr moves away from tired political rhetoric and reveals the important ways in which the struggle for gay rights and acceptance relates to mainstream American society, history, and political life.

The Meaning of Marriage - Robert P. George 2014

The movement for same-sex marriage has triggered an unprecedented crisis in the social norms and laws governing marriage. All great civilizations have sought to unite, in the institution of marriage, the goods of sexual

intimacy, childbearing and childrearing, and life-long love between adults. But the last five decades have witnessed the erosion of marriage as a public institution in the developed world. The separation of the goods previously united in marriage has led thoughtful people to question why marriage should be denied to homosexuals.

Crossing the Threshold of Love - Mary Shivanandan 1999

The papal encyclical *Humanae Vitae* predicted the disintegration of marriage and family life, partly as a result of the widespread use of contraception. Pope John Paul II has since addressed the problem by articulating a fresh understanding of marriage, love, and sexuality which takes account of the dignity of the human person, and especially of women. In this most exhaustive and scholarly assessment of John Paul II's Christian anthropology ever written, Mary Shivanandan examines the scientific data and the theological analysis that underlie his teachings on marriage and sexuality. Her book

Downloaded from
legacy.opendemocracy.net on 2019-07-17
by guest

will be an essential text for the study of the development, meaning, and implications of Catholic doctrine in this controversial area. It is both lucid and multi-disciplinary. Its appearance marks a new stage in the debate over sexuality in the modern world. ABOUT THE AUTHOR: Mary Shivanandan, STD, is a professor at the John Paul II Institute for Studies on Marriage and the Family. PRAISE FOR THE BOOK: "Mary Shivanandan has successfully accomplished a daunting task: the distillation of John Paul's profound and complicated vision of the essence of man and the meaning of marital love. . . . [A] very valuable presentation of the thought of John Paul on human sexuality, marriage, and the family. Anyone who wants to understand the Pope on these matters must have Shivanandan's book as part of his personal or formal curriculum."--New Oxford Review "An exceptionally brilliant study, Shivanandan very accurately and clearly sets forth the major ideas developed at length by Pope John Paul II in many

of his writings. . . . She has entered into serious dialogue with contemporary thinking regarding the nature of the human person, the meaning of the human body, and the meaning of human sexuality, relating and contrasting this thinking with that of John Paul II."--Prof. William E. May, John Paul II Institute for Studies on Marriage and Family "Shivanandan has made a significant contribution to the enrichment of our understanding of marriage. In a concise way, she reveals the subtle insights of John Paul II, which resonate in so many people's lives once they are explained in such a clear way."--Rev. Msgr. Peter J. Elliott, Casa Internazionale del Clero, Rome "The monumental text book the prolife movement has been waiting for. This is the definitive study of the Pope's innovative theology of the body and its implications for human life and marriage. . . ."--Faith & Culture Bulletin "This is an exceptional study. Shivanandan not only offers a tour de force of the evolution of John Paul's thought, but also

*Downloaded from
legacy.opendemocracy.net on 2019-07-17
by guest*

demonstrates its far-reaching implications for the lives of couples, families, and whole societies. She unmasks the deception of our 'safe-sex' society by demonstrating that only when we come to see the body and sexual intercourse as the expression of transcendence of the person will we be able to 'cross the threshold of love.' . . . Mary Shivanandan's new book *Crossing the Threshold of Love* should establish her as a recognized scholar, theologian, and expert on Pope John Paul II's anthropology. . . ."--National Catholic Register "Pope John Paul II's thought and teaching on human sexuality evolved over a couple of decades, and Professor Mary Shivanandan unpackages this thought carefully and extensively. . . . In presenting John Paul II's thought, Mary Shivanandan brings a thorough grounding in philosophy and a theological education. She also has twenty years of experiential learning in the matter of Natural Family Planning and what this can bring to

communion in one flesh. A full index of subjects as well as a generous bibliography enrich this work."--Liguorian "Shivanandan is largely successful in bringing out the main elements of the pope's personalism. She has

The Meaning of Matrimony - Brenda Almond 2013

At the start of 2013 the Coalition Government presented to Parliament the Marriage (Same Sex Couples) Bill, which legislates to open up marriage to same-sex couples. In the words of Maria Miller, Secretary of State responsible for the Bill and author of the introduction, it has since progressed against a backdrop of 'strong feelings on all sides'.

Beyond Straight and Gay Marriage - Nancy D. Polikoff 2008

Part of the Queer Ideas series, edited by Michael Bronski QUEER IDEAS-a new series of LGBT hardcovers that address important intellectual questions facing the movement. The debate over marriage equality for same-sex couples rages

Downloaded from
legacy.opendemocracy.net on 2019-07-17
by guest

across the country. Beyond (Straight and Gay) Marriage boldly moves the discussion forward by focusing on the larger, more fundamental issue of marriage and the law. The root problem, asserts law professor and LGBT rights activist Nancy Polikoff, is that marriage is a bright dividing line between those relationships that legally matter and those that don't. A woman married to a man for nine months is entitled to Social Security survivor's benefits when he dies; a woman living for nineteen years with a man or woman to whom she is not married receives nothing. Polikoff reframes the debate by arguing that all family relationships and households need the economic stability and emotional peace of mind that now extend only to married couples. Unmarried couples of any sexual orientation, single-parent households, extended family units, and myriad other familial configurations need recognition and protection to meet the concerns they all share: building and sustaining economic and emotional interdependence, and nurturing

the next generation. Couples should have the choice to marry based on the spiritual, cultural, or religious meaning of marriage in their lives, asserts Polikoff. While marriage equality for same-sex couples is a civil rights victory, she contends that no one should have to marry in order to reap specific and unique legal results. A persuasive argument that married couples should not receive special rights denied to other families, Polikoff shows how the law can value all families, and why it must. "A much-needed intervention in the contemporary debate about marriage and family. Polikoff's argument is provocative, illuminating, and original." -John D'Emilio, author of *Lost Prophet: The Life and Times of Bayard Rustin* "Polikoff mobilizes an impressive array of legal history and contemporary court cases to show how marriage, whether same-sex or heterosexual, has ceased to be the only place where people incur long-term obligations. She argues vigorously that our society needs to find new

ways of determining when legally-enforceable responsibilities and entitlements have accrued in interpersonal relationships." -Stephanie Coontz, author, *Marriage, A History: How Love Conquered Marriage* "This book really matters. It is brilliant and thoughtful, not simply about a set of laws, but as a manifesto to transform the way we understand, recognize and respect the reality of our diverse and complex family compositions. Polikoff grounds her arguments in the 35 year history of social change activism in this country to construct a passionate and nuanced argument for expanding our same sex marriage activism to include all of the ways people love, form families and build community." -Amber Hollibaugh, Senior Strategist, National Gay and Lesbian Task Force, and author of *My Dangerous Desires: A Queer Girl Dreaming her Way Home* "Passionate but completely grounded in reality, Polikoff challenges LGBT rights advocates to see beyond gay equality arguments and question the fundamental fairness of

limiting family recognition based on marriage, gay or straight. It is a powerful call for social justice." -Nan D. Hunter, founder of the American Civil Liberties Union Lesbian Gay Bisexual Transgender Project and Professor of Law, Brooklyn Law School "A provocative and perspicuous intervention in one of the most devilish recent debates in U.S. law and politics; In a principled yet pragmatic analysis, Polikoff mounts a compelling case against the continued grip of 'conjugalism' on our family law and policy. Beyond (Straight and Gay) Marriage challenges us

The Theatre of Love Sex Marriage and Beyond - Gaglozoo H A Berdie 2021-01-14

About the Book: I have always described this Book, as Controversial and Complex, but a life-long Companion and Counsellor. Each chapter, in this Book, is almost a complete book, in itself. Readers will find, in almost, every chapter, of this Book, that, the contents are diametrically opposed to some entrenched, Secular, Religious

and Cultural Beliefs and Norms. I know, that some readers will read them, with an open mind, some will read them and start having second thoughts and others will read them as offending their traditional beliefs and Norms. However, in whichever way, Readers, may, see them, these are my candid opinions, so, forgive me. I would sincerely urge my Audience: Just read on and at the end of it, you would have gained. It is an incredible data of knowledge and wisdom, that cannot be found, in any single Book. "IT IS AN OCEAN, DATABASE". About the Author: I was born at Koforidua, the capital town of the Eastern Region, of Ghana. It is predominantly an Akan Ethnic region and the language is Twi. But I come from Anyako, a town in the Anlo Ewe speaking area of the Volta Region, of Ghana. I had my basic school education and my Teacher Training at the S D A Training College, Asokore, Koforidua. I taught for six years and gained admission to the University of Ghana, Legon, in Accra, after obtaining my G C E, 'O' and 'A'

Levels N 1979, I graduated from the University, with a BA, Honours Degree in Political Science and Ancient History. From the University, I came back to teach at the New Juaben Senior High School, Koforidua for two years, and left for Nigeria and taught at the Origbo Anglican Grammar School, at Ipetumodu, in Oyo State, I returned to Ghana in 1985 and was re-engaged by the Ghana Education Service and posted to the Regional Office as the Regional Statistics and IPPD Officer, in 1986. Whilst there I gained admission to the Ghana School of Law, in Accra and graduated as a Professional Lawyer in 2005. I went on retirement from the Teaching Service in 2006. I am also not in active Legal practice, at present. My hobbies are reading in areas of Science, Technology, Medicine, Politics, Astrology, Numerology, Spirituality, Religion, Culture, and Current Affairs. I also watch documentary videos on these areas and about Nature, including, flora and fauna. Readers will find testimonies of these reflecting in the

The Trouble with Normal - Michael Warner
2000

Michael Warner, one of our most brilliant social

critics, argues that gay marriage and other moves toward normalcy are bad not just for the gays but for everyone. In place of sexual status quo, Warner offers a vision of true sexual autonomy that will forever change the way we think about sex, shame, and identity.

On Life and Sex - Havelock Ellis 2013-09-17
On Life and Sex: Essays of Love and Virtue discusses the fundamental principles and practical application of love and virtue. This book contains two volume encompassing 16 chapters. The first volume deals first with the role of parents and grandparents in educating the children concerning love, sex, marriage, and virtues. This part also highlights marriage, the roles of husband and wife, and the play-function of sex. The second volume tackles topics such as family, taboos, obscenity, eugenics, and population control.

the meaning of sex and articulates a Christian ethic for addressing a host of sexual issues facing readers today.

Intimacy and Ageing - Bildtgård, Torbjörn
2018-12-12

To begin new relationships in later life is increasingly common in large parts of the Western world. This timely book addresses the gap in knowledge about late life repartnering and provides a comprehensive map of the changing landscape of late life intimacy. Part of the Ageing in a Global Context series, the book examines the changing structural conditions of intimacy and ageing in late modernity. How do

longer lives, changing norms and new technologies affect older people's relationship careers, their attitudes to repartnering and in the formation of new relationships? Which forms do these new unions take? What does a new intimate relationship offer older men and women and what are the consequences for social integration? What is the role and meaning of sex? By introducing a gains-perspective the book challenges stereotypes of old age as a period of loss and decline. It also challenges the image of older people as conservative, and instead presents them as an avant-garde that often experiment with new ways of being together.
