[Sex Stories 1](#) - Nigel Holmes  
2010-08-02

Meet the upper-class ladies who ride their horses around the lovely English countryside. - Eroica Jane Hunter explains... "You get all that sexy riding gear on and you're half way there. The tight jodhpurs are

already gripping you in some interesting places. Then you swing your boots over a warm fabulous horse and sit on that shiny leather saddle. I mean to say, these are all the basics of naughty porno stuff and dirty movies aren't they? Like... boots, tight trousers, the smell of leather, do I need to go on? Add a few straps and buckles plus a whip or two and, hang on, we have whips, straps and leather in horse riding. Ha! Can you blame us girls for getting a bit hot and damp in the downstairs department with all that going on?" - Nineteen deeply intimate and sexually adventurous short stories. Over 200 pages. Domination, submission, threesomes, ponyplay, sex with the lower classes, father figures, dead husbands and more. These ladies do it with their boots on.
