**The Gospel & Pornography** - Russell D. Moore 2017-04-01

The problem isn't sex. God designed sex; and sex is good. Sex is a powerful union that brings men and women together. But when sex is distorted by sin, the misuse of our sexuality can alienate us from one another, causing immense harm and pain. Enter pornography—the most prevalent distortion of sexual sin in America. Pornography is not only a problem in terms of personal morality, but a social epidemic that is making the possibility of sexually-fulfilled marriages harder to achieve. It is rewiring our brains to think about sexuality in destructive ways. We have a very serious problem, and it's not isolated to any one segment of culture. So, what now? Editors Russell Moore and Andrew T. Walker of the Ethics and Religious Liberty Commission (ERLC) assemble leading voices to frame the issue with a gospel-centered perspective. The *Gospel for Life* series gives every believer a biblically-saturated understanding of the most urgent issues facing our culture today, because the gospel is for all of life.

Sex, Lies, and Rabbis: Breaking a Sacred Trust - Charlotte Rolnick Schwab 2003-07-08

*Sex, Lies, and Rabbis: Breaking a Sacred Trust* by Charlotte Rolnick Schwab, Ph.D. is a powerful book, a combination of memoir and nonfiction, about what happens when clergy, specifically, rabbis, are deified. It is about the betrayal and the cover up of the betrayal of teen aged girls and women by male rabbis, and thereby, the betrayal of these rabbis wives, families, congregations, communities, denominations, and all Judaism. Two murders are connected to rabbis sexual abuse. One rabbi is awaiting retrial for allegedly hiring a hit man to murder his wife because of his sexual misconduct. This author writes about her own frightening, shocking experience as the wife of a rabbi-perpetrator of sexual abuse of other women, his violence toward her, and threat to kill her if she told about his nefarious double life. The book delineates in one volume: the crisis in the rabbinate, in congregational Judaism; what needs to be done to bring about healing and change; gives description of cases of rabbis sexual abuse as told to the author (these cases are all composites; the victims/survivors identities are disguised), and as reported in the media, including the two murders related to rabbis sexual abuse; the alarming extent of this problem; outlines policies that synagogues and denominations need to adopt; provides definitions of sexual abuse; discusses the kinds of personalities of rabbis which can lead to rabbis becoming sexual predators; and offers some suggestions for prevention. The book offers a Resources List and extensive Bibliography, including articles from Jewish and secular newspapers around the country, about rabbis sexual abuse. The book provides a healing program geared toward Jewish victims/survivors or rabbis sexual abuse; it can be adapted for victims/survivors of abuse by other clergy and of other kinds of abuse, including abuse by batterers. Women who suffered abuse of any kind will find this book validating and helpful for healing and recovery. "12 Steppers" will be especially interested in this book. The book is helpful to people of all religions who are experiencing the crisis of their religious authorities sexual abuse and covering up of that abuse, including Buddhists, Catholics, and Protestants. It is an urgent read for all Jewish people concerned about the safety of their teen aged children and women, and about the future of their religious organizations and communities. Books have been written about Catholic priests and Protestant ministers and sexual abuse; this is the first about rabbis sexual abuse. Rabbis Arthur Gross-Schaefer and Marcia Zimmerman, and Rev. Nils Friberg praise the book on the book jacket. Maj-Britt Rosenbaum, MD, psychiatrist and former Director of the Long Island Hillside Medical Center Sexuality Center, wrote the Preface. Gary

Schoener, Ph.D., clinical psychologist, who treat both clergy-perpetrators and victims, wrote the Foreword.

**Hung in the Middle** - Alana Nicole Sholar 2015-02-14

Alana Sholar was born in Kentucky in the 1960's and assigned the gender of male at birth. Yet, she knew she was a girl. But, it wasn't until she reached her mid-30's she learned why she felt the way she did when she learned there were others like her ... transgender persons. Determined to hide inner feelings while unaware there were others who faced the same struggles, Sholar is a fast driving, hard drinking, pill popping guitar player with a sex addiction that leads to multiple partner encounters and the consequences. In the end, "Hung in the Middle" is a love story. It is one of those familiar - yet always irresistible - stories about falling in love with someone inaccessible but never giving up. And, it's about learning to love yourself ... just the way you are. Alana continues to live in the same small KY town where she grew up as a male. ----- "Beyond Amazon Prime: Transparent in Real Life" ... Nicholas Snow, HuffPost, March 26, 2015.

*The Dirty Little Secret* - Craig Gross 2009-08-30

Addiction to pornography has exploded to epidemic proportions, infiltrating churches and holding our pastors, friends, and family members prisoner. But no one—not even the church—is talking about this dangerous and destructive addiction. *The Dirty Little Secret* follows Pastor Craig Gross as he breaks the silence and begins his ministry XXXchurch.com, a website devoted to fighting pornography. As he meets people in the industry and those addicted to porn, Craig exposes the very real, human face of pornography and the destructive physical, emotional, and spiritual toll it takes. *The Dirty Little Secret* plainly reveals the addictive lure of pornography, explores the pain and brokenness it causes, and challenges us as individuals and as the church to talk about and openly fight pornography. Don't be tempted to keep this secret any longer. If this book won't make you roll up your sleeves and get your hands dirty, then you need to check your pulse.—Skip Mathews, president, Integrity Online

Lies with a Straight Face - Wayne R. Besen 2023-10-11

*Lies with a Straight Face* tells the fascinating story of the precipitous rise and fall of the "ex-gay" conversion industry in a manner that is both enlightening and entertaining. This fast-moving, fact-based book is perfect for those who enjoy the marriage of politics, history and current events. The book features the riveting story of the 1998 Truth in Love ad campaign, where the Religious Right's most prominent organizations joined forces to prove that LGBTQ people could be converted to heterosexuality through prayer and therapy. Their provocative national ad campaign created saturation media coverage, turned "ex-gay" into a household term and sparked innumerable water cooler conversations. In this book, you'll find out the shocking results of the Truth in Love campaign and learn about what happened to their outspoken "ex-gay" poster boys and girls. *Lies with a Straight Face* also discusses the contemporary con artists in the "ex-gay" industry and offers tangible ways for today's leaders to fight back. *Lies with a Straight Face* is a sequel published on the twenty-year anniversary of *Anything But Straight: Unmasking the Scandals and Lies Behind the Ex-Gay Myth*. Nominated for two Lambda Literary Awards, Besen's original book documents the history of conversion "cure" programs from the early 20th Century to 2002. His new book discusses what happened from 2003 up to the present day. "To prevail in our present-day battles, we must learn from our past," said Besen. "Ex-gay conversion programs are a farce that wreck families and destroy lives."

No Stones - Marnie C. Ferree 2013-07-08

In this book Marnie C. Ferree offers a unique resource for women struggling with sexual addiction. Taking her book's title from the parable where Jesus extends grace to the woman caught in adultery, Ferree bravely shares her own story of sexual addiction, recalling her years of shame from living a double life and the moment when she ultimately had to tell the truth. But more than just offering her story as a hopeful example of God's transforming power, Ferree distills her clinical expertise on female sexual addiction accessibly and gently, providing a much-needed resource for women struggling with any degree of relational or sexual addiction. Ferree details the roots of addiction in family trauma and offers clear-eyed advice as both a counselor and a

"grateful recovering sex addict" on how to achieve sobriety and healing. Written by a counselor who understands the condition from the inside out, *No Stones* offers practical help for those battling sexual addiction. It also includes a specific chapter for anyone in close relationship with an addict, whether a spouse, family member, or friend, who wants to come alongside women as they seek help. Important for pastors and church leaders, this book will also be a much sought-after resource for Christian counselors and therapists counseling women who grapple with this type of addiction.

*Pill-Billies* - Jacob K. Ray 2010-06

Sissy Raymond struggles to find release after landing herself in a jail-rehab. Riddled with guilt, sex addiction, abusive relationships, and bereavement over the loss of her twenty-year old Brother, Sissy claws her way out through writing. *Pill-billies* takes place in Kentucky. Florida becomes an unwitting supplier as the addicts figure out to drive to the Pain Management clinics that cancer the Sunshine State. Addicts soon discovered they could drive to Florida's Pain-Management Clinics to stock up on oxycontin. Follow a drug-muling pill addict from her days as a smuggler & prostitute to her stint in rehab-jail. Sissy, a Licensed Vocational Nurse, spills her heart out after a funeral, with her vision of the afterlife, free from her addiction... "I will get to the great pond and row away further from these only shores I've ever known. Further than land can be seen. I will finally stop and just look up at the stars that made me. I will let them transform me into light. I will fly away to a heaven-like sphere. There, floating in the rounded ether will be all the good childhoods, the kind parents, and the lovers of the world. I will let myself join this new cosmos. It will embrace me, fully. There, each song is a promise and joy drips from long branches strewn with the harps and discarded wings of the cherubs who've cocooned into full Angels. Sweet manna will rain down from time to time. We take honey baths and the milk bubbles. The sun always shines in my eternal place. There is no more night or cold moon. There is no death-shade blue. There is no nightmaring allowed. There is no day where it all ends but you must have had endings while earthbound to make it feel like forever does and can. And, you must marry yourself to feeling everlasting peace to thrive here. If you cannot your wings won't be issued. God will keep working on you until you let go. You spin silk around you and wait to butterfly. Then, the birds of paradise can flutter around you as you become one with the light. You look down and behind you. You are finally flying. The nest that was your earthly life has been left. You can now join eternity. Be careful. You won't be able to stop it from becoming you. It will soon take you over with a swift love. I pray you let it take you. I pray you learn to let it sooth you. I pray you let it cradle your wounds from this world as it heals them all. I pray you stop lying to yourself if you are an addict. I pray you make it. If you do you can hear the Angels sing. It is the sound of all souls before yours singing, at once. It resounds through the universe and lights the sky. If you don't stop, you won't hear it. You won't let it flicker and drip. You will drown it out. You will only hear the howls. You will try to tune them out. They come back louder with each rejection. You can hear them now. Just go look in the mirror. Look deep. Do you hear them? They are the downturned corners of your mouth. They are your sad eyes. They are your jaundiced skin. They are your bad breath. They are the messy

bathroom. They are the confused animal looking back. Stop their cries. Walk away now. Never go back. They will only get louder. You can bury your head in the dirt to try to get away from them but then your ass is waiting to get kicked by something else. Just let go. What have they done for you anyway? Don't let looking cool interfere with being human. Drugs make you a slave animal. Take the jagged dagger out of your hand and see what happens. I bet you start to see heaven all around you...or at least a shimmer..." Let two-time Bestselling Kindle Author, Jacob Ray take you on this grim but important journey. *Pill-billies* is a follow-up to his Novel, *The Bridge Burners* which is now in its Second Edition. Other works by Jacob K. Ray include: *The Ride Home* (A Surf Novel) \*BestSeller *Pig-Skinned* \*BestSeller *The Undead of the Low Country* *The Tongueless Language* *My O.B.* *The Jets of Enceladus* *Deadache*..

**Dragged Off** - David Anh Dao 2021-03-16

A Vietnamese Refugee, a Viral Video, and the United Airlines Scandal That Started It All "His refusal to give up his seat on a United Airlines flight, and the ensuing assault he suffered, is emblematic of how far we, the people, still have to travel to create a world with liberty and justice for all." —Marlena Fiol, PhD, globally recognized scholar and speaker and author of *Nothing Bad Between Us* Dr. David Dao was dragged off United Express Flight 3411 on April 9, 2017 after refusing to give up his seat. In the tradition of contemporary immigrant stories comes a personal narrative of the many small but significant acts of racial discrimination faced on the way to the American Dream. The unseen effects of discrimination. The United Airlines scandal of 2017 garnered over a million views on YouTube. A result of an overbooking overlook, security officials forcibly removed Dr. Dao after refusing to give up his seat. He awoke in the hospital to a concussion, a broken nose, several broken teeth, and worldwide attention. Things aren't always fair for an immigrant, but according to Dr. Dao, you can prevail if you firmly advocate for yourself. A response to a lifetime of oppressive acts. Why was Dr. Dao so adamant on his right to a seat? His entire life had led to that moment. A Vietnamese refugee, he fled his home country during the fall of Saigon. He was stranded in the Indian Ocean, immigrated to the United States, enrolled in medical school for a second time, built a practice, and started a family-all the while battling the effects of discrimination and what he had to embrace as a result. This is his story. If you are moved by immigrant stories, or books like *America for Americans*, *Minor Feelings*, *How to Be an Antiracist*, or *The Making of Asian America*, then you'll want to read Dr. David Dao's story, *Dragged Off*.

**Desire** - Susan Cheever 2009-10-06

We've all felt the giddy flutter of excitement when our new lover walks into the room. Waited by the phone, changed our plans...But are we in love, or is there something darker at work? In *Desire: Where Sex Meets Addiction*, Susan Cheever explores the shifting boundaries between the feelings of passion and addiction, desire and need, and she raises provocative and important questions about who we love and why. Elegantly written and thoughtfully composed, Cheever's book combines unsparing and intimate memoir, interviews and stories, hard science and psychology to explore the difference between falling in love and falling prey to an addiction. Part one defines what addiction is and how it works -- the obsession, the betrayals, the broken promises to oneself and others. Part two explores the possible causes of addiction -- is it nature or nurture, a permanent condition or a temporary derangement? Part three considers what we can do about it, including a provocative suggestion about how we describe and treat addiction, and a look at the importance of community and storytelling. In the end, there are no easy answers. "A straight look about some crooked feelings," *Desire* shows us the difference between the addiction that cripples our emotions, and healthy, empowering love that enhances our lives.

**Clinical Management of Sex Addiction** - Patrick Carnes 2013-06-17

This is the first comprehensive volume of the clinical management of sex addiction. Collecting the work of 28 leaders in this emerging field, the editors provide a long-needed primary text about how to approach treatment with these challenging patients. The book serves as an

excellent introduction for professionals new to the field as well as serving as a useful reference tool. The contributors are literally the pioneers of one of the last frontiers of addiction medicine and sex therapy. With a growing awareness of sex addiction as a problem, plus the advent of cybersex compulsion, professional clinicians are being confronted with sexual compulsion with little clinical or academic preparation. This is the first book distilling the experience of the leaders in this emerging field. With a focus on special populations, it also becomes a handy problem-solving tool. Readable, concise, and filled with useful interventions, it is a key text for a problem clinicians must be able to identify. It is destined to be a classic reference.

**Kentucky Wildcats** - Greg Doyel 2005

Forget what people might say at Duke or North Carolina, UCLA or Kansas. Nobody loves their college basketball program like Kentucky fans -- nobody. Where else but Kentucky would a charity auction see a book signed by former President Jimmy Carter go for \$70 ... and a basketball signed by Joe B. Hall go for \$300? That happened in 2003, a good twenty years after both men had done their best work. You'll find Hall in this book, by the way. Kentucky fans sell out Rupp Arena for home games and invade opposing gyms for road games, earning the nickname The Blue Mist. Kentucky fans loved their basketball players, and that love doesn't fade over time. The 2003 election for state agriculture commissioner came down to one former Kentucky guard (Richie Farmer) against the wife of another former Kentucky guard (Scotty Baesler). You'll find Farmer and Baesler in this book, by the way. This book is for you, Wildcat Nation. Catch up with more than 50 of your former heroes, guys who went on to become politicians and pastors, artists and dentists, convicts and coaches. Catch up with two former victims of Duke villain Christian Laettner -- Aminu Timberlake (The Stomp) and Deron Feldhaus (The Shot). Learn the heart-warming tale of Dirk Minniefield, who overcame his drug addiction to become a drug counselor for the NBA. Learn the heartbreak of Tom Payne, who broke Kentucky's color barrier in 1970 in his only season with the Wildcats but has spent most of his adult life in prison. Whatever happened to perhaps the greatest Wildcat of all time, Bill Spivey? It's in this book. How about Tubby Smith's son and point guard, Saul Smith? He's in here, too. Mike Casey? Gimel Martinez? Lou Tsioropoulos? In here, in here, in here. You don't have to be Bob Wiggins, who once saw 615 consecutive UK game and remains the most intense Kentucky fan alive, to enjoy this book. Whatever happened to Wiggins? We checked--he's still attending games. This book is for Wiggins and the rest of the Blue Mist, and for anyone else who has ever wondered, Where have you gone, Linville Puckett?

**The Gospel & Work** - Russell D. Moore 2017-04-01

You are not what you do. So often, in America, we define who we are by what we do. We introduce ourselves by our job titles. We ask, "What do you do?" to be polite in small talk. We define others by their occupation. But there are good reasons to connect what you do with your time, whether that is 9-to-5 work, or managing a household full of children. God created us to work, not as judgment, but in cooperation with a mandate given to humanity long before the fall. Your work isn't who you are, but it is central to why you are here. When we get that confused, our work can be the most frustrating aspect of our lives. So, what now? Editors Russell Moore and Andrew T. Walker of the Ethics and Religious Liberty Commission (ERLC) assemble leading voices to frame the issue with a gospel-centered perspective. The Gospel for Life series gives every believer a biblically-saturated understanding of the most urgent issues facing our culture today, because the gospel is for all of life.
