The Myth of Sex Addiction -

David J. Ley 2014-07-10

In this controversial book, David Ley debunks the myth of sex addiction, showing how labeling it a disorder has wrested responsibility away from philandering men and excused their bad behavior as being out of their control. He takes on those who would label it a disease and ch...

Sexual Harassment of Women -

National Academies of Sciences, Engineering, and Medicine 2018-09-01

Over the last few decades, research, activity, and funding has been devoted to improving the recruitment, retention, and advancement of women in the fields of science, engineering, and medicine. In recent years the diversity of those participating in these fields, particularly the participation of women, has improved and there are significantly more

women entering careers and studying science, engineering, and medicine than ever before.

However, as women increasingly enter these fields they face biases and barriers and it is not surprising that sexual harassment is one of these barriers. Over thirty years the incidence of sexual harassment in different industries has held steady, yet now more women are in the workforce and in academia, and in the fields of science, engineering, and medicine (as students and faculty) and so more women are experiencing sexual harassment as they work and learn. Over the last several years, revelations of the sexual harassment experienced by women in the workplace and in academic settings have raised urgent questions about the specific impact of this discriminatory behavior on women and the

extent to which it is limiting their careers. Sexual Harassment of Women explores the influence of sexual harassment in academia on the career advancement of women in the scientific, technical, and medical workforce. This report reviews the research on the extent to which women in the fields of science, engineering, and medicine are victimized by sexual harassment and examines the existing information on the extent to which sexual harassment in academia negatively impacts the recruitment, retention, and advancement of women pursuing scientific, engineering, technical, and medical careers. It also identifies and analyzes the policies, strategies and practices that have been the most successful in preventing and addressing sexual harassment in these settings.

Financial Risk Tolerance: A Psychometric Review - John E. Grable 2017-06-30

This content provides financial analysts, investment professionals, and financial

planners with a review of how financial risk-tolerance tests can and should be evaluated. It begins by clarifying terms related to risk taking and is followed by a broad overview of two important measurement terms: validity and reliability. It concludes with examples for practice.

So Many Beginnings: A Little Women Remix -

Bethany C. Morrow 2021-09-07
Four young Black sisters come of age during the American Civil War in *So Many Beginnings*, a warm and powerful YA remix of the classic novel *Little Women*, by national bestselling author Bethany C. Morrow. North Carolina, 1863. As the American Civil War rages on, the Freedpeople's Colony of Roanoke Island is blossoming, a haven for the recently emancipated. Black people have begun building a community of their own, a refuge from the shadow of the "old life." It is where the March family has finally been able to safely put down roots with four young daughters: Meg, a

teacher who longs to find love and start a family of her own. Jo, a writer whose words are too powerful to be contained. Beth, a talented seamstress searching for a higher purpose. Amy, a dancer eager to explore life outside her family's home. As the four March sisters come into their own as independent young women, they will face first love, health struggles, heartbreak, and new horizons. But they will face it all together. Praise for *So Many Beginnings: A Little Women Remix* "Morrow's ability to take the lingering stain of slavery on American history and use it as a catalyst for unbreakable love and resilience is flawless. That she has remixed a canonical text to do so only further illuminates the need to critically question who holds the pen in telling our nation's story." —Booklist, starred review "Bethany C. Morrow's prose is a sharpened blade in a practiced hand, cutting to the core of our nation's history. ... A devastatingly precise reimagining and a joyful celebration of sisterhood. A

narrative about four young women who unreservedly deserve the world, and a balm for wounds to Black lives and liberty." —Tracy Deonn, New York Times-bestselling author of *Legendborn* "A tender and beautiful retelling that will make you fall in love with the foursome all over again."

—Tiffany D. Jackson, New York Times-bestselling author of *White Smoke* and *Grown*
The Art Of Seduction - Robert Greene 2010-09-03

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene

unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*.

The Girls - Emma Cline

2016-06-02

** The Sunday Times Top Ten Bestseller ** ** The New York Times Top Ten Bestseller **
The UK's best selling hardback debut novel of 2016 Selected as a Book of the Year 2016 in the Evening Standard, Observer and The Times California. The summer of 1969. In the dying days of a floundering counter-culture a young girl is unwittingly caught up in unthinkable violence, and a decision made at this moment, on the cusp of adulthood, will shape her life....
'This book will break your heart and blow your mind.'
Lena Dunham Evie Boyd is desperate to be noticed. In the summer of 1969, empty days stretch out under the California sun. The smell of honeysuckle thickens the air and the sidewalks radiate heat. Until she sees them. The snatch of cold laughter. Hair, long and uncombed. Dirty dresses skimming the tops of thighs. Cheap rings like a second set of knuckles. The girls. And at the centre, Russell. Russell and the ranch, down a long dirt track and deep in the hills.

Club pick telling the story of three generations of Palestinian-American women struggling to express their individual desires within the confines of their Arab culture in the wake of shocking intimate violence in their community. "Where I come from, we've learned to silence ourselves. We've been taught that silence will save us. Where I come from, we keep these stories to ourselves. To tell them to the outside world is unheard of—dangerous, the ultimate shame." Palestine, 1990. Seventeen-year-old Isra prefers reading books to entertaining the suitors her father has chosen for her. Over the course of a week, the naïve and dreamy girl finds herself quickly betrothed and married, and is soon living in Brooklyn. There Isra struggles to adapt to the expectations of her oppressive mother-in-law Fareeda and strange new husband Adam, a pressure that intensifies as she begins to have children—four daughters instead of the sons Fareeda tells Isra she must bear.

Brooklyn, 2008. Eighteen-year-old Deya, Isra's oldest daughter, must meet with potential husbands at her grandmother Fareeda's insistence, though her only desire is to go to college. Deya can't help but wonder if her options would have been different had her parents survived the car crash that killed them when Deya was only eight. But her grandmother is firm on the matter: the only way to secure a worthy future for Deya is through marriage to the right man. But fate has a will of its own, and soon Deya will find herself on an unexpected path that leads her to shocking truths about her family—knowledge that will force her to question everything she thought she knew about her parents, the past, and her own future.

memikat seperti ibunya. Karena tak punya teman, Circe mencarinya di dunia manusia, dan mengembangkan kemampuannya sebagai penyihir. Zeus, yang merasa terancam, mengasingkannya ke pulau terpencil. Circe mengasah bakatnya dan bertemu banyak tokoh paling termasyhur dalam mitologi, di antaranya Minotaur, Daedalus dan Icarus, Medea, dan Odysseus yang lihai. Tetapi wanita yang hanya sendirian akan menghadapi banyak bahaya, dan Circe tanpa sengaja membangkitkan murka manusia dan dewa-dewa, sehingga mesti berhadapan dengan dewa Olympus yang paling menakutkan dan pendendam. Untuk melindungi apa yang paling dicintainya, Circe harus mengerahkan seluruh kekuatannya dan memilih dengan tegas, apakah hendak berpihak kepada dewa-dewa yang telah melahirkannya, atau manusia yang telanjur disayanginya. [I'm More Dateable Than a Plate of Refried Beans](#) - Ginny Hogan 2022

"Is the third date too soon to have sex for the third time? How do you ask your Tinder match that you'd like to borrow their Roomba? Doesn't "the friend zone" actually sound like a pretty fun place? For writer and comedian Ginny Hogan, dating has involved a lot of ups and downs. With technology dictating how we date today, meeting someone on a dating app and sending them a slew of drunken texts is easier than ever-and so is wanting to throw your phone off a bridge. Through hilarious and absurdist short stories, quizzes, over-think pieces, and more, Hogan details every stage of a modern relationship, from meeting on an app to becoming official, to breaking up or getting married, to being single. Find out how to successfully ignore any and all red flags. Take a quiz to see if that anxiety attack you're having means you're in a new relationship, or if it's that cold brew you just chugged. Read chilling tales about the unfortunate few who actually did lose their phones (they

Cork Dork - Bianca Bosker
2018-04-24

With boundless curiosity, humor, and a healthy dose of skepticism, professional journalist and amateur drinker Bianca Bosker takes the reader inside underground tasting groups, exclusive New York City restaurants, California mass-market wine factories, and even a neuroscientist's MRI machine as she attempts to answer the question: What's the big deal about wine?

The Power of When - Michael Breus
2016-09-13

Learn the best time to do everything -- from drink your coffee to have sex or go for a run -- according to your body's chronotype. Most advice centers on what to do, or how to do it, and ignores the when of success. But exciting new research proves there is a right time to do just about everything, based on our

biology and hormones. As Dr. Michael Breus proves in *The Power Of When*, working with your body's inner clock for maximum health, happiness, and productivity is easy, exciting, and fun. *The Power Of When* presents a groundbreaking program for getting back in sync with your natural rhythm by making minor changes to your daily routine. After you've taken Dr. Breus's comprehensive Bio-Time Quiz to figure out your chronotype (are you a Bear, Lion, Dolphin or Wolf?), you'll find out the best time to do over 50 different activities. Featuring a foreword by Mehmet C. Oz, MD, and packed with fascinating facts, fun personality quizzes, and easy-to-follow guidelines, *The Power Of When* is the ultimate "lifhack" to help you achieve your goals.

shimmering silver fingers, rose over the pale green water of the lake. They twined and twisted toward a sky quietly gray, while in the east, over the hills, a pink blush waited, like a held breath, to waken. Breen Kelly had always been a rule follower. So, when her father left when she was twelve years old, promising to return, she waited. Now, more than a decade later, she's working at a job she hates and is tired of the life that playing by the rules has dealt her. It's time to make a change. Breen makes a leap into the unknown with a summer trip to Ireland - her father's homeland. Little does she know how much of a leap until a walk in the woods leads her through a portal into another world - Talamh - where Breen will find magic, family and a destiny she could never have dreamed of 'If you're after the perfect pick-me-up, take-me-away-from-the-world read, then she's your woman' The Guardian 'Nora Roberts is, quite simply, a one-woman phenomenon' Heat 'I love Nora Roberts' Stephen King

Listography - Lisa Nola 2007
List-makers rejoice! This quirky and imaginative guided journal is the ultimate tool for creating a unique autobiography entirely in list form. Some lists are obvious (greatest accomplishments, best friends, favorite food), others obscure (guiltiest pleasures, greatest acts of kindness, personal fashion trends), and each list is accompanied by hilarious illustrations. Listography is perfect for getting down all the details of a life less ordinary.

What Makes a Baby - Cory Silverberg 2013-05-07
Geared to readers from preschool to age eight, What Makes a Baby is a book for every kind of family and every kind of kid. It is a twenty-first century children's picture book about conception, gestation, and birth, which reflects the reality of our modern time by being inclusive of all kinds of kids, adults, and families, regardless of how many people were involved, their orientation, gender and other identity, or family composition. Just as important, the story

doesn't gender people or body parts, so most parents and families will find that it leaves room for them to educate their child without having to erase their own experience. Written by a certified sexuality educator, Cory Silverberg, and illustrated by award-winning Canadian artist Fiona Smyth, *What Makes a Baby* is as fun to look at as it is useful to read.

Dating and Sex - Andrew P. Smiler 2016-09-05

Bronze Medal Winner for Young Adult Nonfiction, 2016 Foreword INDIES Book Awards Silver award winner in the Eureka! Children's Nonfiction Awards 2017 National Indie Excellence Award Winner for Young Adult Nonfiction Best Typographic Cover and Best in Show in Washington Book Publisher's Design and Effectiveness Awards "There's a good chance you've had the "sex talk" with your parents. Or not. Or learned about human reproduction in health class. Or maybe you've heard a lot about dating, sex, and relationships from friends, movies, and surfing online. So

you are all set, right? Maybe.... But everything you think you know and everything you really want to know is inside this book." Written for teen boys, *Dating and Sex* provides them with the knowledge they need to understand dating, relationships, and sex. It goes beyond basic descriptions of biological processes with a progressive, practical approach that relies on secular ethics and emphasizes sexual health and personal responsibility. The book addresses common questions like: What's a hook-up? How do I know if someone likes me? Can I masturbate too much? How do I know if I am ready for sex? How do I know what my sexual orientation is? Why is it important to get and give consent? How can I make a relationship last for more than a couple days? The perfect book for helping teen boys understand both themselves and the complexity of the sexual world around them.
