[Diary of a Viagra Fiend - Jayson Gallaway 2004-06-22](#)

Announcing a major new comic talent -- from dancing in S+M clubs to snorting Viagra, a brilliant, unflinching, and uproarious set of stories from the edge of sex. It all starts when "Lolita," Jayson Gallaway's nineteen-year-old girlfriend, delays their connubial bliss by deciding to alphabetize their CD collection.

Little does she know, however, that Gallaway has recently ingested Viagra to see what happens. Well, the entire city of San Francisco can see what's happened -- for God's sake, it's hard to miss. But by the time the CDs have been arranged, the light of morning isn't the only thing that's soft. So Gallaway does what any self-respecting lover would do: He crushes the last little blue pill and snorts it. Though it "burns like nothing I've ever snorted in my life," the moment of madness leads to "a physical congress that is indeed the stuff of legend." And so begins Jayson Gallaway's hilarious ride around his libido, a titillating, tumultuous, and downright funny trek with stops on the TV show 20/20, quality time with the San Francisco fire department and their metal cutter, at Burning Man, and in a slew of sex and S+M clubs. By the time we reach his attempt to donate sperm (for financial gain, you understand), we're almost expecting his mom to call. And then she does so, right in the mid-tug. "Be a good boy and God Bless," she says, before hanging up. With unmatched candor and an eye for side-splitting one-liners, Jayson Gallaway proves himself to be a sort of David Sedaris of the bedroom. *Diary of a Viagra Fiend* is a stupendously funny debut from a passionately outspoken humorist.

MEN: If You Want to Naturally Last as Long as

You Want in Bed Without Drugs and Permanently Cure Premature Ejaculation in No Time, Then This Is All You'll Ever Need - Guaranteed! □ Currently, buy the Paperback and get the Kindle eBook included for free. Soon, it won't be free. □ Calm down and put a smile on your face. You are not the only one. I know "exactly" what you're going through and this book is 100% the cure with a solid guarantee. Don't worry, be happy. You'll see for yourself soon. The day I smooched a girl, I ejaculated in my pants in less than 69 seconds. That day was one of my worst days and I vowed to handle this part of my life once and for all. I was so embarrassed. I'll save you from your bedroom depression and frustration. Investing in your sex life is an investment for your future. Some people will discourage you by saying, "Make money first, or go to school first." Both are good advice, but your ego will be shattered when you suck with women in general and mostly in bed. You will be tired of tramadol, alcohol, Viagra, marijuana, cocaine, codeine, or any other substances you believe in. Remember, most of them have side effects. Why not acquire these skills naturally? One day, you'll travel abroad and may not get your local enhancer there. Think of the money you waste on paying for sex with women just to get in their panties or get them to love you. Or, the money you spend on buying sexual enhancers and substances. Calculate the money for a year and you'll see how much you've been wasting. When you have this skill, The table will turn Women will be the ones spending on you just to have a taste. Lasting long enough to make a woman have an orgasm or squirt is more gratifying than being in the office. When your woman is satisfied, You will feel great about yourself and You will do things you have never done before with joy It will boost your confidence. Who doesn't want to last longer in bed? All men want to be the men who always rock their women at any given time. If you cannot last long enough for your woman to reach an orgasm and fulfill her sexual needs, then she'll find it somewhere else, and you know what that means? So, do all your learning now. With Premature Ejaculation Final Goodbye (PEFG): You'll start making fun of men who use Viagra Or other sex enhancing substances to boost their performances You'll become one of

those men who will NEVER need an enhancer to last long Your eyes will open to sexual realities. It's not easy, but it's achievable if you put your heart to it. We have trained lots of men who didn't believe they could do it. The end of your premature ejaculation is here and do not miss the opportunity of being the man every woman wants to sleep with or at least, fantasize about. Be careful, this book will forever change your sex life for good. Your confidence and composure around women will skyrocket to another level. *Women Viagra* - Jane McCall 2018-03-20  
 Perfect Medication For The Treatment Of Pre-Menopausal Women Faced With Hypoactive Sexual Desire Disorder (HSDD) & Increasing Of Female Libido To Promote Healthy & Active Sex Life. The Women Viagra whose brand name is Addyi (Flibanserin), is a non-hormonal prescription medication that is used to treat hypoactive sexual desire disorder (HSDD) in women who have not gone through menopause. Have you ever desired a better performance in Bed? The most important question on most people's mind is how effective is Women Viagra Flibanserin. About 10 % of pre-menopausal women complain about lack of sexual desire. That is certainly what a lot of drug companies have been trying to find a solution to since they believe it would be profitable. As we all know that there're many reasons for the low sexual desire, including the quality of a relationship and the quality of a sexual relationship. It is also known that many women who feel less spontaneous sexual desire for their partner have no difficulty in experiencing sexual desire once they are aroused by physical contact or other forms of intimacy. Sexual desire is simply responsive rather than spontaneous for them. Looking at the data on Addyi, studies have shown two significant results. The first is that this medication has a positive effect on women's sexual satisfaction, but so did the placebo, the sugar oil that has no active ingredient. While the second result reveals that the pill helps to relieve anxiety and depression in the user by elevating her mood. The magic pill, Addyi (Flibanserin), which is dubbed "The Women Viagra" is approved by the US Food and Drugs Administration in August 2015. Addyi is used to treat HSDD (hypoactive sexual desire disorder) in premenopausal women. In other words, it helps to increase sexual desire and provides long lasting sexual pleasure in women. Viagra is most commonly prescribed to men for sexual arousal

problems such as erectile dysfunction. Nonetheless, in the recent years, female Viagra has become a household name. Like the name suggests, female Viagra is solely for women. This drug is meant to combat sexual problems in women particularly Female Sexual Arousal Disorder and Female Sexual Dysfunction. This guide will show you the wonderful benefits of this pink Viagra which has effectively treated sexual problems in 90 percent of women as well as increasing their libido tremendously. In this book you will learn;

- What hypoactive sexual desire disorder (HSDD) in women really mean.
- How the Women Viagra works.
- Active ingredients of Women Viagra and how effective they are.
- Reasons why you should take the female Viagra.
- Addyi dosage information and what to do when rare scenario occur e.g. missed dosage, when to discontinue the usage, etc.
- Flibanserin dosage information for general women's health and other health conditions.
- People who should not use the women Viagra.
