The Ultimate Guide to Pitcher Drinks - Sharon Tyler Herbst
2009-04-23

In the mood for a Summer Hummer? How about a French Flirt or a Neon Nexus? or Maybe even a Sin City Slider? This book includes these and 150 more cool cocktails for a crowd—everything from classics like Sangría, Martinis, and Manhattans, to newer favorites like Kamikazes and Mudslides, to international raves such as Brazil's Caipirinha and Cuba's Mojito, not to mention liquor-free variations. Plus, there's information on mixing techniques, ingredients, equipment, and glassware, hangover helpers, tips on party food for non-cooks, and a user-friendly index that lists recipes by ingredients. Serving pitcher drinks is an ingeniously

effortless way to entertain and still have fun at your own party. It's an idea whose time has come—in fact, it's long overdue. No doubt about it, a premixed pitcher of drinks is a huge asset to any gathering. Making individual cocktails not only takes time, but removes you from the action. So mix up a batch of pitcher drinks and join in the party. They're stylish, fun, and easy, and they definitely take the angst out of entertaining!

Black & Blue - 1st Volume - Ellen Kind

“We were destined to meet under these ruthless circumstances, and everything that exists between us began from the very moment we saw each other. Maybe, just maybe, there is more light and blue for both of us in this world that struggles to keep us apart.”

Natalia Iglesias is a beautiful, hardworking, rich young psychologist, leading an orderly life, but the princess in the ivory tower does not really live. This was her life before meeting Black, but it will never be the same again, after being assigned the first major psychological evaluation case of the defendant Ben Stone. With a more than attractive physique, Ben Stone, alias Black, is unlike any man she has ever met so far. A famous national serviceman, a former football player with notable performances, a tough cold man with a past marked by trauma and suffering, Black would be the man she would run away from. But her patient's troubled interior, his self-imposed barriers, the beauty and the complexity of this man arise in her not only a desire to heal him, but a passion she has never felt before. Although he rejects everything she undertakes, Natalia is determined to insist and find the real Black.
