

# Sexe Machin Quand La Science Explore La Sexualita

## **Sexe Machin. Quand la science explore la sexualité** - Edouard Launet

2017-02-23T00:00:00+01:00

Après *Au fond du labo à gauche* et *Viande froide cornichons*, Edouard Launet consacre au sexe le troisième volet de sa trilogie scientifique. On ne s'en doute guère, en effet, mais certaines revues savantes sont plus chaudes que des vidéos classées X et détiennent des réponses inattendues à des questions que peu de gens ont osé poser. La longueur des jupes est-elle liée aux cours de la Bourse ? Peut-on mesurer l'intensité d'un orgasme avec un scanner ? Peut-on faire l'amour en apesanteur ? Au-delà des réponses factuelles (oui, on peut se fracturer le pénis), des anecdotes piquantes et des expressions consacrées ("coller des timbres à la cave", par exemple), force est de reconnaître que la plume bien taillée de l'auteur fait merveille sur ce terrain glissant. Edouard Launet a été ingénieur et journaliste scientifique avant de devenir reporter au service Culture du quotidien *Libération*.

*Le Coup de marteau sur la tête du chat. La science des faits divers* - Edouard Launet

2017-10-12T00:00:00+02:00

Considérez deux titres d'articles récemment parus : " Pour se venger de sa mère, il tue son chat à coups de marteau " et " Étude expérimentale de l'embolie gazeuse par voie carotidienne chez le chat ". Dans les deux cas, le chat a passé un mauvais quart d'heure. Dans les deux cas, les faits se sont produits à Marseille, dans un quartier défavorisé de la ville pour l'un, à l'Institut de neurophysiologie et psychophysiologie pour l'autre. Le premier article est un fait divers, le second, de la science. Et si le premier chat est mort pour rien, les autres ont fait progresser la connaissance sur les embolies. Mais la différence est-elle aussi profonde qu'on le croit ? Afin de le savoir, pourquoi ne pas traiter le fait scientifique comme un fait divers, et - plus ardu - le fait

divers comme un fait scientifique ? La presse offre bien des exemples : Physique : " Le présumé violeur se défend : 'J'ai trébuché et je l'ai pénétrée par accident.' " Chimie : " Ils vendaient une potion magique capable de changer du papier ordinaire en billets de banque " Médecine : " Des radios du poumon de Marilyn Monroe adjudgées 45 000 dollars dans une vente à Las Vegas " Ethnologie : " Il meurt en plein acte sexuel avec un épouvantail " Un panel de cas choisis avec saveur pour nous faire rire autant que réfléchir. Édouard Launet a été ingénieur et journaliste scientifique, notamment au service Culture du quotidien *Libération*. Il est cofondateur de la revue culturelle en ligne *Délibéré* et a déjà publié une dizaine d'ouvrages, dont ses succès *Au Seuil*, *Au fond du labo à gauche* (2004), *Viande froide cornichons* (2006), *Sexe machin* (2007), *Au fond du zoo à droite* (2009).

## **Les Guerilleres** - Monique Wittig 2007-08-27

One of the most widely read feminist texts of the twentieth century, and Monique Wittig's most popular novel, *Les Guérillères* imagines the attack on the language and bodies of men by a tribe of warrior women. Among the women's most powerful weapons in their assault is laughter, but they also threaten literary and linguistic customs of the patriarchal order with bullets. In this breathtakingly rapid novel first published in 1969, Wittig animates a lesbian society that invites all women to join their fight, their circle, and their community. A path-breaking novel about creating and sustaining freedom, the book derives much of its energy from its vaunting of the female body as a resource for literary invention.

## *Bêtes de sexe* - Michel Leboeuf 2015-10-29

Le sexe en long, en large et sous toutes ses coutures. Voilà la fascinante et surprenante histoire naturelle relatée dans cet ouvrage dont la rigueur scientifique se conjugue à d'étonnantes - et parfois loufoques -

informations sur la sexualité humaine et animale. Le sexe occupe, qu'on en soit conscient ou non, une place prépondérante dans nos vies. Dans ces pages, vous découvrirez d'où vient la sexualité, pourquoi et, surtout, comment elle se pratique.

*Anthropologie des obsessions* - Louis-Vincent Thomas 1988

*EFT & sexualité* - Paulette G

2020-09-21T00:00:00Z

Elle est partout. La sexualité s'étale en long en large et en travers. Se faire plaisir, jouir, sex-panour. Mais pour arriver à ça, il faut se connaître. Et accepter l'idée que la sexualité n'est pas toujours proportionnelle aux sentiments. Pour être satisfait(e), il faut savoir comment marche le plaisir, le désir et surmonter les troubles. Ils ont des conséquences sur le couple : incompréhension, interrogations, culpabilité, rejet, etc. Une fois le côté médical écarté, il est judicieux d'aller voir ce qui se passe au niveau psychologique. Et c'est là que L'EFT (technique de libération émotionnelle par acupressure) intervient de manière très efficace. Cet outil permet de travailler sur les blocages et de mobiliser les ressources pour retrouver ou apprendre à vivre votre sexualité sereinement. Cette technique permet aussi de parler de sexe à vos enfants. Petits et grands. Pour qu'eux aussi démarre avec tous les outils pour vivre dans le futur une sexualité épanouie. Cet ouvrage pour adultes comporte des témoignages, des documents et de nombreuses explications concernant les dysfonctions, les addictions, le couple, mais aussi la relation extra-conjugale ou encore le désir. Un seul mot d'ordre, faites-vous plaisir !

*Alt-Life* - Thomas Cadène

2018-10-17T00:00:00+02:00

On a dying Earth in a not-so-distant future, Josiane and René are the first to enter a new virtual world where just about anything is possible... Part dystopian love story, part psychedelic meditation on human nature, "Alt-Life" takes the reader down a mind-bending rabbit hole of desire, loneliness, and self-discovery.

**Guide de littérature pour la jeunesse** - Marc Soriano 1975

LITTERATURE DE JEUNESSE

**The Tao of Love and Sex** - Jolan Chang 1977

The Tao of Love and Sex is a revealing and vivid account of the ancient Chinese sexual teachings and techniques banned by the invading Mongols in the 13th century. The book describes, through text and contemporary illustrations, the ways in which Taoist teachings about sexual love can be used as a means to achieving ecstasy and as a therapeutic and healing force. The modern Western reader can here discover the ancient Eastern methods of ejaculation control, types of thrust, love-making positions, erotic kissing, the conquest of impotence and about sex and longevity. Frank and explicit, yet inseparable from the Taoist spiritual tradition, The Tao of Love and Sex will enrich the variety, subtlety and sheer sexual pleasure of all who read it.

Gender Matters - Dennis van der Veur

2007-01-01

"'Gender Matters' is a manual aimed to assist educators and youth leaders work on issues of gender and gender-based violence with young people. This publication presents theoretical information, methods and resources for education and training activities, along with concrete exercises that users can put into practice in their daily work. Violence is a serious issue which directly affects the lives of many young people. It often results in lasting damage to their well-being and integrity, putting even their lives at risk. Gender-based violence, including violence against women, remains a key human rights challenge in contemporary Europe and in the world. Working with young people on human rights education is one way of preventing gender-based violence from occurring. By raising awareness on why and how it manifests and exploring its impact on people and in society, gender-based violence will no longer go undetected. Gender really does matter, to women, to men, to young people - to all of us. This manual serves to explore these human rights issues and act upon them."--Book jacket.

*Bodies That Matter* - Judith Butler 2014-09-03

In *Bodies That Matter*, Judith Butler further develops her distinctive theory of gender by examining the workings of power at the most "material" dimensions of sex and sexuality. Deepening the inquiries she began in *Gender Trouble*, Butler offers an original reformulation of the materiality of bodies, examining how the

power of heterosexual hegemony forms the "matter" of bodies, sex, and gender. Butler argues that power operates to constrain "sex" from the start, delimiting what counts as a viable sex. She offers a clarification of the notion of "performativity" introduced in *Gender Trouble* and explores the meaning of a citational politics. The text includes readings of Plato, Irigaray, Lacan, and Freud on the formation of materiality and bodily boundaries; "Paris is Burning," Nella Larsen's "Passing," and short stories by Willa Cather; along with a reconsideration of "performativity" and politics in feminist, queer, and radical democratic theory.

Livres hebdo - 2009-10

*This Sex which is Not One* - Luce Irigaray 1985  
In eleven acute and widely ranging essays, Irigaray reconsiders the question of female sexuality in a variety of contexts that are relevant to current discussion of feminist theory and practice.

**Au fond du zoo à droite. Découvertes récentes et intéressantes sur le règne animal** - Edouard Launet

2015-09-25T00:00:00+02:00

Il fallait s'y attendre. Après avoir fouillé *Au fond du labo à gauche*, titre de son premier livre qui nous éclairait sur des recherches quelque peu obscures, Edouard Launet nous entraîne *Au fond du zoo à droite*. Car en matière d'articles scientifiques, la zoologie n'a rien à envier aux autres sciences. Des thèmes aussi inattendus que l'ivresse de l'éléphant, la piquûre de l'ornithorynque, le libre-arbitre de la mouche ou l'hypertension de la girafe se révèlent riches d'arrière-plans métaphysiques. " Pour l'heure, l'homme (*Homo sapiens*) reste le seul animal qui s'essaie à écrire des livres sur les autres animaux. Cela ne lui confère aucun avantage évolutif particulier, mais la tâche l'occupe paisiblement. Cette nouvelle tentative sera, nous l'espérons, de nature à distraire quelques lecteurs. De toute manière, le résultat est destiné in fine à alimenter les larves de divers insectes papivores, auxquels nous souhaitons par avance bon appétit. " E. L. Edouard Launet a été ingénieur et journaliste scientifique avant de devenir reporter au service Culture du quotidien *Libération*.

**Science-fiction Studies** - 1992

Livres de France - 2009

Includes, 1982-1995: *Les Livres du mois*, also published separately.

*Beauvoir in Time* - Meryl Altman 2020

"*Beauvoir in Time* situates Simone de Beauvoir's *The Second Sex* in the historical context of its writing and in later contexts of its international reception, from then till now. The book takes up three aspects of Beauvoir's work more recent feminists find embarrassing: "bad sex," "dated" views about lesbians, and intersections with race and class. Through close reading of her writing in many genres, alongside contemporaneous discourses (good and bad novels in French and English, outmoded psychoanalytic and sexological authorities, ethnographic surrealism, the writing of Richard Wright and Franz Fanon), and in light of her travels to the U.S. and China, the author uncovers insights more recent feminist methodologies obscure, showing Beauvoir is still good to think with today"--

**Alt-Life - Volume 2** - Thomas Cadène

2021-06-23T02:00:00+02:00

All of humanity has abandoned a dying Earth for a virtual universe in which imagination is the only limit. But many struggle to adapt to a life without time or death, and people are starting to let themselves disappear. As René fights to save a fantastical world of his own creation within the program, Josiane and Louis-Mahmoud take on an even more daunting task: saving humanity from itself.

*Sexe machin* - Edouard Launet 2017-10-12

*Sexe machin*. Après *Au fond du labo à gauche* et *Viande froide cornichons*, et avant *Au fond du zoo à droite*, Edouard Launet consacrait au sexe le troisième volet de sa tétralogie scientifique. On ne s'en doute guère, en effet, mais certaines revues savantes sont plus chaudes que des vidéos classées X et détiennent des réponses inattendues à des questions que peu de gens ont osé poser. La longueur des jupes est-elle liée au cours de la Bourse ? Peut-on mesurer l'intensité d'un orgasme avec un scanner ? Peut-on faire l'amour en apesanteur ? Au-delà des réponses factuelles (oui, on peut se fracturer le pénis), des anecdotes piquantes et des expressions consacrées ("coller des timbres à la cave", par exemple), force est de reconnaître que la plume bien taillée de l'auteur fait merveille sur ce terrain glissant.
