

Sexual Unfolding Sexual Development And Sex Therapies In Late Adolescence

The Transformation of American Sex Education - Ellen S. More
2022-01-11

"This book examines Americans' attempts to come to terms with the vexed subject of sex education in the schools from the late 1940s to the early 21st century. Using Mary Calderone's life and career as a touchstone, it traces the origins of modern sex education in the United States from the work of a group of reformers who coalesced around Calderone to create SIECUS in 1964 through the development and use of the competing approaches known as 'abstinence-based' and 'comprehensive' sex education from the 1980s into the 21st century"--

Human Sexuality and the Nursing Process - Susan G. Poorman 1988

Women and Sex Therapy - Ellen Cole 2014-03-18

Outstanding feminist scholars present seldom discussed women's views of sexuality. In the past, there has been little feminist discussion among sexuality professionals and between feminist therapists and sex therapists. The valuable ideas expressed by the contributors to this book are aimed at increasing the possibilities for all therapists and counselors to discuss with their clients the nature of sexuality, and in particular, what women feel about sex. Professionals provide remarkable perspectives on issues that concern all women--orgasm, the double standard, new reproductive options, intimacy, bisexuality, and more.

Research and Theory in Family Science - Randal D. Day 1995

Perverts and Predators - Laura J. Zilney 2009-05-16

Perverts and Predators elaborates on the numerous factors that have

contributed to the passage of sexual offending laws in the United States. Authors Lisa and Laura Zilney weave together a story of how sex crimes laws were created by analyzing the changing roles of religion and the medical community, offering theoretical explanations for sex offending from the unique perspectives of criminology and sexology. Working under the central premise that sex and sexuality are positive and healthy and that the only way to deal with the issue of sexual offending is through sex positive education and counseling, Zilney and Zilney trace the history of sex offending laws and highlight cases in the media that contributed to increasingly punitive legislation. The authors provide information concerning the prevalence and incidence of sex offending, including victim and offender profiles and the frequency and types of offenses committed in order to give readers greater understanding of the problem. They discuss politics as a major player in the creation of a moral panic surrounding sex offenders and fueling public outrage to garner support for 'get tough' laws. The management of sex offenders in society is discussed, as are consequences of the punitive approach for both the offender and the victim. Comparative case studies are used to explore what the United States could learn from other countries' approaches to sexual offending.

Studies in Human Sexuality - Suzanne G. Frayser 1987

SIECUS Report - 1980

Sexuality Education - Carol Cassell 2017-05-18

Originally published in 1989. This book describes a variety of ways to

plan and implement sexuality education and provides in-depth information on resources available. Each contributor describes one aspect of the practice of sexuality education: its goals, theory, planning and development, implementation, evaluation, teacher-training, or the role of community agencies. Articles in each section offer practical and useful guidelines for conducting sexuality education and also serve as a sound introduction to the subject. Annotated bibliographies appear at the end of each section.

Special Issue - Austin Sarat 2016-02-17

This volume carefully examines the relationship between gender, equality, and power across an array of realms: sex, reproduction, pleasure, work, money. It identifies social, political, economic, developmental, and psychological and somatic forces, operating both internally and externally, that complicate the expression and constraint of power.

Get to Know Yourself - Thelma Xavela Maluleke 2014-09-19

“Get to know yourself: A training package for health promoters, health educators, community health workers and peer educators promoting sexual health among young people promoting sexual health among young people” consists of two part, Part one is a book entitled “Get to know yourself: A sexual health guide for young people” and Part Two a handbook entitled “Get to know yourself: A handbook for health promoters and peer educators facilitating sexual health programmes among young people”. The package was developed to assist under resourced communities and countries in accessing sexual health information that will have a positive impact on the lives of young people. This training package can also be used by health professionals and other professionals to facilitate sexual health workshops in schools, youth organisations or clubs, puberty rites or initiations, and religious organisations.

Female Adolescent Development - Max Sugar 2014-05-12

First published in 1993. Routledge is an imprint of Taylor & Francis, an

informa company.

Sexual Turning Points - Lorna J. Sarrel 1984

Medical Aspects of Human Sexuality - 1988-07

Sexual Unfolding - Lorna J. Sarrel 1979

An examination of the period of sexual development in late adolescence. It points out that this transition period lends itself to pathological interruptions, and details how to treat such disturbances as well as the kinds of resources that can prevent sexual problems.

Adolescent Sexualities - Paula Allen-Meares 1986

This landmark volume focuses on the promotion of healthy adolescent sexuality. Professionals in social service and mental health settings, as well as teachers and other helping professionals, can apply these practical intervention strategies drawn from research and practical experience to educate adolescents and to prevent sex-related problems.

National Library of Medicine Current Catalog - National Library of Medicine (U.S.) 1993

First multi-year cumulation covers six years: 1965-70.

Subject Catalog - Library of Congress 1980

Current Catalog - National Library of Medicine (U.S.) 1979

Includes subject section, name section, and 1968-1970, technical reports.

Handbook of Social Skills Training and Research - Luciano L'Abate 1985-05-10

The first up-to-date, comprehensive handbook covering the practical approaches to social skills training (SST)--a relatively new concept encompassing a broad range of treatment and counseling approaches designed to help people conduct their social lives more effectively. Leading experts summarize the applications of SST and research to special populations, special problems, couples and families, individuals, parents, and professionals in the United States and Europe. Incorporates both behavioral and humanistic approaches.
