

Single Saved And Having Sex

Single, Saved, and Having Sex - Ty Adams
2006-01-25

In this revised edition of her frank, explosive book, evangelist Ty Adams calls on believers who love God in church, yet who go home in torment over their sex lives, to be honest with themselves about what they are doing and why.

The Solo Act - P. Walker 2012-10-01

Do you find yourself caught up in the sex trap? Do you really want to live a life of purity and holiness? In this book, *The Solo Act - Living Single, Saved and Celibate*, P. Walker will share with you her personal journey from sex to celibacy. You will learn, by applying the principles of God, how to move from having sex to celibacy. She will also give you some practical advice on how to enjoy your time of singleness. P. Walker is an evangelist. Her desire is to see singles live a life of victory and not defeat by sharing with them her testimony of deliverance. P. Walker is happily single and lives in Virginia.

Single, Saved and Wanting Sex - Katryn Adeogun 2020-01-09

Single, Saved and Wanting Sex is a manual to understand the fullness of Christian youths' singleness and sexual life. It provides a big definition of how sex is embedded in the broader context of God's heart to know Him fully. Why sex is for you and why God wants it for you. It discusses the depth of sexuality, the fight and need of sex among youths and how Christian youths can stabilize their sexual life with their spiritual life. This book is a framework of how to understand the picture of sexual challenges and wholeness and help to recognize that every sexual question is absolutely a spiritual one. It provides biblical wisdom, encouragement and glimpse of light to youths who have been broken sexually through sexual acts and to many for whom sex has become darkness.

Erotic Revolutionaries - Shayne Lee 2010-08-04

This book steers black sexual politics toward a more sex-positive trajectory, navigating the uncharted spaces where social constructionism, third-wave feminism, and black popular culture

collide to locate a new site for sexuality studies that is theoretically innovative, politically subversive, and stylistically chic.

Passionate and Pious - Monique Moultrie
2017-12-15

In *Passionate and Pious* Monique Moultrie explores the impact of faith-based sexual ministries on black women's sexual agency to trace how these women navigate sexuality, religious authority, and their spiritual walk with God. Providing churchwomen a space to candidly discuss these issues, these popular ministries exist largely beyond the traditional church, with dialogues about sex taking place in chat rooms and through text messages, social media, email, and other media. Moultrie foregrounds televangelist Juanita Bynum's construction of the black Christian sexual identity these ministries promote while emphasizing how churchwomen reconcile these prescriptive identities with their individual experiences. What does it mean for senior women to exercise sexual agency when their church standing could be questioned? What does celibacy mean for women who experience same-sex desire while believing that such desire goes against God's will? Advancing a womanist sexual ethics, Moultrie reframes biblical interpretations and conceptions of what constitutes a healthy relationship to provide a basis for sexual decision making that does not privilege monogamy or deny female pleasure, thereby calling on black churchwomen to experience responsible and life-enhancing sex.

The Sexual Politics of Black Churches - Josef Sorett 2022-02-08

Winner, 2022-2023 Virginia Ramey Mollenkott Award for chapter 5 "Everybody Knew He Was 'That Way': Chicago's Clarence H. Cobbs, American Religion, and Sexuality during the Post-World War II Period" by Wallace Best This book brings together an interdisciplinary roster of scholars and practitioners to analyze the politics of sexuality within Black churches and the communities they serve. In essays and

conversations, leading writers reflect on how Black churches have participated in recent discussions about issues such as marriage equality, reproductive justice, and transgender visibility in American society. They consider the varied ways that Black people and groups negotiate the intersections of religion, race, gender, and sexuality across historical and contemporary settings. Individually and collectively, the pieces included in this book shed light on the relationship between the cultural politics of Black churches and the broader cultural and political terrain of the United States. Contributors examine how churches and their members participate in the formal processes of electoral politics as well as how they engage in other processes of social and cultural change. They highlight how contemporary debates around marriage, gender, and sexuality are deeply informed by religious beliefs and practices. Through a critically engaged interdisciplinary investigation, *The Sexual Politics of Black Churches* develops an array of new perspectives on religion, race, and sexuality in American culture.

Ceremony Before Sex - Darian A. Williams 2014-05

What is the meaning of it all? Why does God want His people to be sanctified, or set apart from the norm? Psalm 23:3 says that God leads us in the paths of righteousness for His name's sake. He does this because His name is excellent and worthy only of exaltation. So anyone associated with Him should always strive to have the highest moral characteristics so that individuals who don't know Him don't associate Him with our moral failures. According to 2 Corinthians 5:18, everything that we do from now on is "of God", so yes even our premarital girlfriend/boyfriend relationships. "Ceremony Before Sex" is a book that helps to push this campaign of sanctification and holiness all for the name of Jesus. My prayer is, after reading this book you will be more equipped to be able to handle situations that could become contrary to the behaviors of biblical living in your premarital relationships. Remember, in everything we do, let us always aim to put God first. Sex and dating isn't talked about as much as it should be in today's church. As born-again believers, we are often confused as to how we

should carry on dating relationships before the ceremony. Burdened with our natural desires for each other, as we grow closer it can be difficult to keep those desires under control, not to mention the earthly pressures to be sexually active. What am I to do? How can I be intimate with my partner and respect my heavenly Father at the same time?

The Purity War - James M. Cecy 2011-08-30

It truly is a winnable war! Tens of thousands of your fellow strugglers on five continents have attended the live seminars. Countless others have listened to the audio presentations. Now you hold in your hand the well-tested tool for becoming an Ambassador of Purity in your home, your church and your community, regardless of where you live. Be equipped to win the purity war—from a thorough presentation of Scripture, church history and from Dr. Cecy's forty years of ministry. With great sensitivity, biblical clarity, and pastoral passion, he presents:

- the fallacy of the new morality—the old immorality with a new name.
- God's design for sex as an expression of His oneness.
- the steps down to the devastating results of moral failure.
- the lines of defense in the daily battle with immorality.
- how to guard your mind, your body and each other.
- how to be made right with God, yourself and others.
- how to start a revival of purity.

This book includes a Discussion Guide and an extensive Personal Accountability Program for personal reflection or group study.

Dating Bible - Ty Adams 2016-03-08

"Dr." Ty Adams navigates through issues Christians bring to dating, like relationship abuse, missionary dating, sexual fantasies, shacking up, commitment phobia, promiscuity, pornography, masturbation, lack of accountability, and more.

[Single, Saved, and Content: Finding Contentment in Singleness while Awaiting God's Best for Marriage](#) - Anaelle Auguste 2021-08-27

Anaelle Auguste had a dysfunctional relationship with her father which unconsciously affected her relationships with the opposite sex. Already battling with trust issues, she was devastated when she found out the man she was dating had already said, "I do" to another woman. On her path to healing, she went on a journey of self-discovery; she stopped managing her emotional symptoms and dug deep into the roots of her

disease. "Packed with real-life stories and full of informative tips, the book offers a strong, uplifting message of assurance and hope. This is a brilliant guide to living your life in contentment and happiness now rather than waiting for the perfect person to enter your life." The Prairies Book Review

Lessons from Generation X to Generation Next - McKenzie McPherson 2012-10

"Learn from the mistakes of others. You can't live long enough to make them all yourself." - Eleanor Roosevelt. As you read this, take a moment to pontificate about your life, what are some of the lessons you wish the generation that preceded you had left behind in a diary that you could access anytime you needed advice in a non-judgmental way? As you think about that, also think about the lessons you hope to pass on to the generation succeeding you!!! *Lessons from Generation X to Generation Next* is a compilation of over 3,000 anecdotes that describe some of the lessons the author has learned throughout her life. The book is divided into 10 categories: family, parents, education, career, health, finances, relationships, pop culture, life, and spirituality. The book offers real-life guidance to people of all ages that will greatly improve the quality of life for anyone who reads it and perhaps generations to come. It is not only wise to learn from our mistakes but generationally advantageous to share what we have learned with those who might be heading down the path we are all too familiar with. Eleanor Roosevelt suggested that we won't live long enough to make them all ourselves and realistically why would we want to? There are few guarantees in life, but one of the most sobering is that one day we will die, and even though death might capture our bodies, our spirits will forever be liberated in the lessons we pass on from one generation to the next.

Single, Saved, and Having Sex - Vernice Haliburton 2011-11-09

Single, Saved, and Having Sex is not for the faint of heart searching for a spiritual look into helping their children or themselves deal with sexual pressures. It is about telling your children and yourself the truth and being honest. The book also takes a hard look into the reasons married, saved men and women cheat and how we as a spiritual community deal with those

issues. This book is graphic, has questionable language, and may offend some, and for that I make no apologies. We are in bed on Saturday night with someone who is not our spouse though we are married, and our children are texting and using other social media to engage in sexual behavior that is unbelievable, yet we all get up the next morning and attend our places of worship as if the night before never happened. We don't talk to them for fear of exposing ourselves, and the lies go on and on. We pray, sing, and have a glorious time as the divorce rate and teen pregnancy rate climb higher and higher, all in the name of our God. *Easy Riders, Raging Bulls* - Peter Biskind 2016-11-03

Based on hundreds of interviews with directors such as Coppola, Scorsese, Hopper and Spielberg, as well as producers, stars, studio executives, writers, spouses, ex-spouses, and girlfriends, this is the story of the crazy world that the directors ruled.

The Single Christian: Your Sassy Saved Single Girl's Guide to Sex, Dating and Relationships - Loria Hubbard 2015-07-17

More Sassy, Saved, Humorous content...including new stories and wild anecdotes. This eBook contains re-written versions of Volume 1, Volume 2 and the BRAND NEW Volume 3. This book shares the lesson's I have learned with a little grace, tact and a teeny bit of irreverence. I will tell some stories that will blow your mind! Overall my biggest goal is to encourage you to fall in love with God! That's the point of everything I say! If you can fall in love with Him first...the husband, big house, nice car, babies and whatever else you desire will fall right into place. Put Him first and you will never go wrong. So girls, tighten up those Sassy stilettos straps...it's going to be bumpy ride! *Saved Single and Sex* - Ja'quese M. Elliott 2016-09-16

This book takes a look into the internal struggles that some new Christians as well as some returning Christians go through in their walk with Christ as it relates to abstaining from sex. We know the Bible teaches that if you are not married you should not be sexually active. This book is for those who have been there and done

that and are trying to get back right with God! Temptations and desires don't just go away because we decide to live for Christ. In this book I will help you identify some things and behaviors in your life that could be hindering you and causing you to continually be overtaken by sexual sin. I will also give you some helpful insights and biblical principles to help you be successful in overcoming sexual sin as well. You can't be free from what you won't confront, so let's talk about it and I mean everything!

Come As You Are: Revised and Updated - Emily Nagoski 2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already

sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

Sex, Jesus, and the Conversations the Church Forgot - Mo Isom 2018-03-06

Sex. In a world overwhelmingly obsessed with it, why is the church so silent about it? While our secular culture twists, perverts, cheapens, and idolizes sex, there are gaping holes in the church's guidance of young people. The result is generations of sexually illiterate people drowning in the repercussions of overwhelming sin struggles. Enough is enough, says Mo Isom. With raw vulnerability and a bold spirit, she shares her own sexual testimony, opening up the conversation about misguided rule-following, virginity, temptation, porn, promiscuity, false sex-pectations, sex in marriage, and more and calling readers back to God's original design for sex--a way to worship and glorify him. This book is for the young person tangled up in an addiction to pornography, for the girlfriend feeling pressured to go further, for the "good girl" who followed the rules and saved herself for marriage and then was confused and disappointed, for the married couple who use sex as a bargaining tool, for every person who casually watches sex play out in TV and movies and wonders why they're dissatisfied with the real thing, and for every confused or hurting person in-between. Sex was God's idea. It's time we invited him back into the bedroom.
