The Boyfriend Project - Farrah Rochon 2020-06-09

If you love Helen Hoang, Abby Jimenez and Talia Hibbert, you'll LOVE Farrah Rochon! One of Cosmopolitan's '12 Books You'll Be Desperate to Read This Summer' and one of Oprah Magazine's Best Romances of 2020! 'A prime example of how complex and insightful romances can be' Jasmine Guillory 'Relatable and real... I smiled the whole time I was reading' Andie J. Christopher 'The free-spirited, tell-it-like-it-is page-turner you've been looking for!' Kwana Jackson What happens when three women discover, thanks to the live tweeting of a disastrous date, that they've all been duped by the same man? They become friends of course! Three friends. One pact. And a temptation to break the rules... Samiah Brooks never thought she would be 'that' girl. But a live tweet of a horrific date reveals the painful truth: she's been catfished by her three-timing jerk of a boyfriend. Suddenly Samiah - along with the two other 'girlfriends', London and Taylor - have gone viral. Now the three new besties are making a six-month pact: no men, no dating, just time to focus on themselves. This means Samiah can finally focus on her exciting career in app development - so having the deliciously sexy and distracting Daniel Collins walk into her office definitely isn't part of her plan... But is Daniel really boyfriend material - or is he simply too good to be true? 'A multilayered story about friendship, love, and following your dreams - all of it told with heart and emotion' Nalini Singh 'Funny, fresh, sexy, and heartfelt. This is my new favorite romance series' Suzanne Brockmann 'A smart, funny digital-age romance about real women living in the real world. Couldn't put it down!' Abby Jimenez 'A masterpiece of modern-day Jane Austen with effortless, razor-sharp social commentary, romance, and humor. Farrah Rochon is one of the absolute best romance writers today. Period' Kristan Higgins 'Swoon-worthy romance, the power of true friendship, and a grand gesture that makes your heart sigh with pure satisfaction. Absolutely a must-read summer romance!' Priscilla Oliveras 'Rochon is a romance master who adeptly writes interesting and dynamic characters... A richly layered conflict adds depth and complexity to this charming workplace romance' Kirkus *She's Come Undone* - Wally Lamb 2012-12-11

Meet Dolores Price. She's thirteen, wise-mouthed but wounded. Beached like a whale in front of her bedroom TV, she spends the next few years nourishing herself with the chocolate, crisps and Pepsi her anxious mother supplies. When she finally rolls into young womanhood at 257 pounds, Dolores is no stronger and life is no kinder. But this time she's determined to rise to the occasion and give herself one more chance before really going belly up. In his extraordinary coming-of-age odyssey, Wally Lamb invites us to hitch an incredible ride on a journey of love, pain, and renewal with the most heartbreakingly comical heroine to come along in years. At once a fragile girl and a hard-edged cynic, so tough to love yet so inimitably loveable, Dolores is as poignantly real as our own imperfections.

Sedona Method - Hale Dwoskin 2005

The Sedona method is a tried and tested 25-year-old guide to quickly releasing the emotional baggage that imposes limitations on life.

*The Subtle Art of Not Giving a F*ck* - Mark Manson 2016-09-13

#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. *The Subtle Art of Not Giving a F**k* is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold

medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F**k* is a refreshing slap for a generation to help them lead contented, grounded lives.

Boys & Sex - Peggy Orenstein 2020-03-26

The New York Times Bestseller Peggy Orenstein broke ground with her bestselling *Girls & Sex*, exploring young women's right to pleasure and agency in sexual encounters. Now she turns her focus to boys with an examination of how young men are navigating sexual culture in these changing times - and what we need to do help them. Drawing on comprehensive interviews with young men, psychologists and experts in the field, *Boys & Sex* dissects 'locker room talk'; pornography as the new sex education; the role of empathy; boys' understanding of hookup culture and consent; and their experience as both perpetrators and victims of sexual assault. By presenting young men's experience in all its complexity, Orenstein unravels the hidden truths, hard lessons and important realities of young male sexuality in today's world. The result is a provocative and paradigm-shifting work that offers a much-needed vision of how boys can truly move forward as better men.

Models - Mark Manson 2017-09-11

"You can become irresistibly attractive to women without changing who you are." So says Mark Manson, superstar blogger and author of the international bestseller, *The Subtle Art of Not Giving a F*ck*, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In *Models* he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, *Models* is a mature and honest guide on how a man can attract women by giving up the bullsh*t and becoming an honest broker. "A detailed guide to modern sexual ethics" Sydney Morning Herald "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f*ck . . . He's as painfully honest as he is outrageously funny" Huffington Post

How to Be a 3% Man, Winning the Heart of the Woman of Your Dreams - Corey Wayne 2017-06-22

This book teaches men how to completely understand women in the dating world and long term relationships so they can meet and date the woman of their dreams. It teaches men how to approach and date the women of their dreams all the while remaining who they truly are inside. The book teaches you strategies to still be yourself and be the type of man women are naturally attracted to. By applying the simple strategies for success you can overcome any insecurities and doubts you have about yourself even when you are dating a woman that totally intimidates you. It takes the reader step by step from getting clear about the type of

woman they want to attract to maintaining the magic after twenty years of marriage. The book was written for men that are single and searching as well as for men that are already involved with their dream woman. It teaches men how to completely win the heart of the woman of their dreams and keep her head over heels in love with them for life. Order now!

Labor of Love - Moira Weigel 2016-05-17

"Does anyone date anymore?" Today, the authorities tell us that courtship is in crisis. But when Moira Weigel dives into the history of sex and romance in modern America, she discovers that authorities have always said this. Ever since young men and women started to go out together, older generations have scolded them: That's not the way to find true love. The first women who made dates with strangers were often arrested for prostitution; long before "hookup culture," there were "petting parties"; before parents worried about cell phone apps, they fretted about joyrides and "parking." Dating is always dying. But this does not mean that love is dead. It simply changes with the economy. Dating is, and always has been, tied to work. Lines like "I'll pick you up at six" made sense at a time when people had jobs that started and ended at fixed hours. But in an age of contract work and flextime, many of us have become sexual freelancers, more likely to text a partner "u still up?" Weaving together over one hundred years of history with scenes from the contemporary landscape, *Labor of Love* offers a fresh feminist perspective on how we came to date the ways we do. This isn't a guide to "getting the guy." There are no ridiculous "rules" to follow. Instead, Weigel helps us understand how looking for love shapes who we are—and hopefully leads us closer to the happy ending that dating promises.

All About Love - bell hooks 2018-01-30

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

Smart Sex - Jennifer Roback Morse 2012-01-15

Fear is at the heart of the sexual revolution, and its most fitting monument is the "hook-up." Dr. Morse exposes the sexual revolution's fraudulent promise of freedom and fearlessly explodes some of modern society's most cherished-and destructive-myths. She argues that strong, lasting marriages are essential for the survival of a free society, not to mention basic human happiness. She fires the opening shots of a new sexual revolution and shows how everyone, married or single, can help.

Ace - Angela Chen 2020-09-15

An engaging exploration of what it means to be asexual in a world that's obsessed with sexual attraction, and what the ace perspective can teach all of us about desire and identity. What exactly is sexual attraction and what is it like to go through life not experiencing it? What does asexuality reveal about gender roles, about romance and consent, and the pressures of society? This accessible examination of asexuality shows that the issues that aces face—confusion around sexual activity, the intersection of sexuality and identity, navigating different needs in relationships—are the same conflicts that nearly all of us will experience. Through a blend of reporting, cultural criticism, and memoir, *Ace* addresses the misconceptions around the "A" of LGBTQIA and invites everyone to rethink pleasure and intimacy. Journalist Angela Chen creates her path to understanding her own asexuality with the perspectives of a diverse group of asexual people. Vulnerable and honest, these stories include a woman who had blood tests done because she was convinced that "not wanting sex" was a sign of serious illness, and a man

who grew up in a religious household and did everything "right," only to realize after marriage that his experience of sexuality had never been the same as that of others. Disabled aces, aces of color, gender-nonconforming aces, and aces who both do and don't want romantic relationships all share their experiences navigating a society in which a lack of sexual attraction is considered abnormal. Chen's careful cultural analysis explores how societal norms limit understanding of sex and relationships and celebrates the breadth of sexuality and queerness.

Not Yet Married - Marshall Segal 2017-06-20

Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. *Not Yet Married* is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

Exaholics - L. Bobby 2015

Severing a relationship is one of life's most painful experiences--and cutting those ties can feel like ending an addiction. *Exaholics* offers meaningful support to anyone trapped in the obsessive pain of a broken attachment. She helps the brokenhearted heal, showing them how to understand the emotional processes at work inside themselves, find the path to recovery, and free themselves of shame, injured ego, and remorse.

The Advocate - 2003-08-19

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Date-onomics - Jon Birger 2015-08-25

It's not that he's just not that into you—it's that there aren't enough of him. And the numbers prove it. Using a combination of demographics, statistics, game theory, and number-crunching, *Date-onomics* tells what every single, college-educated, heterosexual, looking-for-a-partner woman needs to know: The "man deficit" is real. It's a fascinating, if sobering read, with two critical takeaways: One, it's not you. Two, knowledge is power, so here's what to do about it. The shortage of college-educated men is not just a big-city phenomenon frustrating women in New York and L.A. Among young college grads, there are four eligible women for every three men nationwide. This unequal ratio explains not only why it's so hard to find a date, but a host of social issues, from the college hookup culture to the reason Salt Lake City is becoming the breast implant capital of America. Then there's the math that says that a woman's good looks can keep men from approaching her—particularly if they feel the odds aren't in their favor. Fortunately, there are also solutions: what college to attend (any with strong sciences or math), where to hang out (in New York, try a fireman's bar), where to live (Colorado, Seattle, "Man" Jose), and why never to shy away from giving an ultimatum.

The Hook Up - Kristen Callihan 2014-09-08

The rules: no kissing on the mouth, no staying the night, no telling anyone, and above all... No falling in love. Anna Jones just wants to finish college and figure out her life. Falling for star quarterback Drew Baylor is certainly not on her to do list. Confident and charming, he lives in the limelight and is way too gorgeous for his own good. If only she could ignore his heated stares and stop thinking about doing hot and dirty things with him. Easy right? Too bad he's committed to making her break every rule... Football has been good to Drew. It's given him recognition, two National Championships, and the Heisman. But what he really craves is sexy yet prickly Anna Jones. Her cutting humor and blatant disregard for his fame turns him on like nothing else. But there's one problem: she's shut him down. Completely. That is until a chance encounter leads to the hottest sex of their lives, along with the possibility of something great. Unfortunately, Anna wants it to remain a hook up. Now it's up to Drew to tempt her with more: more sex, more satisfaction, more time with him. Until she's truly hooked. It's a good thing Drew knows all about winning. All's fair in love and football...Game on.

The Hookup Plan - Farrah Rochon 2022-08-02

'With smoking hot chemistry, next to no angst, and a friend group that is literally squad goals, Rochon has written another winner' - *The Dating Playbook* is one of *Vulture's Best Romances of 2021!* If you love Helen

Hoang, Abby Jimenez and Talia Hibbert, you'll LOVE Farrah Rochon, whose books are always witty, hot, and engaging (BuzzFeed)! 'A total knockout: funny, sexy, and full of heart' Kirkus

What happens when three women discover, thanks to the live tweeting of a disastrous date, that they've all been duped by the same man? They become friends of course! It was only supposed to be for one night . . . The dating game is on. And the rules just went out the window.

Successful pediatric surgeon London Kelley just needs to find some balance and de-stress. According to her friends Samiah and Taylor, what London really needs is a casual hookup. A night of fun with no strings. But no one - least of all London - expected it to happen at her high school reunion with Drew Sullivan, millionaire, owner of delicious abs, and oh yes, her archnemesis. Now London is certain the road to hell is paved with good sex. Because she's found out the real reason Drew's back in Austin: to decide whether her beloved hospital remains open. Worse, Drew is doing everything he can to show her that he's a decent guy who actually cares. But London's not falling for it. Because while sleeping with the enemy is one thing, falling for him is definitely not part of the plan.

Raves for Farrah Rochon: 'Relatable and real . . . I smiled the whole time I was reading' Andie J. Christopher 'The free-spirited, tell-it-like-it-is page-turner you've been looking for!' Kwana Jackson 'A multilayered story about friendship, love, and following your dreams - all of it told with heart and emotion' Nalini Singh 'Funny, fresh, sexy, and heartfelt. This is my new favorite romance series' Suzanne Brockmann 'A smart, funny digital-age romance about real women living in the real world. Couldn't put it down!' Abby Jimenez 'A masterpiece of

modern-day Jane Austen with effortless, razor-sharp social commentary, romance, and humor. Farrah Rochon is one of the absolute best romance writers today. Period' Kristan Higgins 'Swoon-worthy romance, the power of true friendship, and a grand gesture that makes your heart sigh with pure satisfaction. Absolutely a must-read summer romance!' Priscilla Oliveras 'Rochon is a romance master who adeptly writes interesting and dynamic characters . . . A richly layered conflict adds depth and complexity to this charming workplace romance' Kirkus

The Meaning of Marriage - Robert P. George 2017-04-01

Get the Guy - Matthew Hussey 2013-01-31

Written by the hottest dating coach on the scene, Matthew Hussey, this book offers clear, honest and practical advice for women on how to find their ideal man - and, importantly, how to keep him. Using simple steps, Matthew guides us through the complex maze of dating and shows us just how to find the guy, get the guy and keep the guy. In Get the Guy, Matthew shares his dating secrets and provides women with the toolkit they need to approach men, and to create and maintain relationships. Along the way, he explodes some commonly held myths about what it is that guys really want, shares strategies on how women can take control of their dating destinies and empowers them to go out there and find an exhilarating, adventurous love life.

The Advocate - 2004-08-17

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.
