Perioperative Care of the Elderly - Gabriella Bettelli
2017-11-16

This innovative, comprehensive book covers key elements of perioperative management of older patients, from preoperative evaluation to post-hospital care.

Step up Love Story - Sex Guide

- Katsu Aki 2015-05-20

Véritable condensé des différents problèmes relationnels qui peuvent intervenir physiquement dans un couple, et des solutions s'y rapportant, le Step Up Love Story Sex Guide est un ouvrage qui regorge d'informations pratiques. Reprenant le déroulement de la relation entre Yura et Makoto, vous y découvrirez les émois de la première expérience sexuelle, l'importance des préliminaires avant l'action, la magie des

contacts sensuels, profitez de conseils pour éviter la routine ou trouver les solutions à vos problèmes, etc. Les très nombreux chapitres de l'ouvrage sont tous commentés par le Dr Toshiyasu Ishiwatari, sexologue, qui prodigue ici de façon ludique - et sans tabous - de précieux conseils. Une "bible" du sexe qui s'adresse aussi bien aux filles qu'aux garçons !

Imperial-Way Zen - Christopher Ives 2009-07-08

During the first half of the twentieth century, Zen Buddhist leaders contributed actively to Japanese imperialism, giving rise to what has been termed "Imperial-Way Zen" (Kodo Zen). Its foremost critic was priest, professor, and activist Ichikawa Hakugen (1902-1986), who spent the decades following Japan's

surrender almost single-handedly chronicling Zen's support of Japan's imperialist regime and pressing the issue of Buddhist war responsibility. Ichikawa focused his critique on the Zen approach to religious liberation, the political ramifications of Buddhist metaphysical constructs, the traditional collaboration between Buddhism and governments in East Asia, the philosophical system of Nishida Kitaro (1876-1945), and the vestiges of State Shinto in postwar Japan. Despite the importance of Ichikawa's writings, this volume is the first by any scholar to outline his critique. In addition to detailing the actions and ideology of Imperial-Way Zen and Ichikawa's ripostes to them, Christopher Ives offers his own reflections on Buddhist ethics in light of the phenomenon. He devotes chapters to outlining Buddhist nationalism from the 1868 Meiji Restoration to 1945 and summarizing Ichikawa's arguments about the causes of Imperial-Way Zen. After

assessing Brian Victoria's claim that Imperial-Way Zen was caused by the traditional connection between Zen and the samurai, Ives presents his own argument that Imperial-Way Zen can best be understood as a modern instance of Buddhism's traditional role as protector of the realm. Turning to postwar Japan, Ives examines the extent to which Zen leaders have reflected on their wartime political stances and started to construct a critical Zen social ethic. Finally, he considers the resources Zen might offer its contemporary leaders as they pursue what they themselves have identified as a pressing task: ensuring that henceforth Zen will avoid becoming embroiled in international adventurism and instead dedicate itself to the promotion of peace and human rights. Lucid and balanced in its methodology and well grounded in textual analysis, Imperial-Way Zen will attract scholars, students, and others interested in Buddhism, ethics, Zen practice, and the

cooptation of religion in the service of violence and imperialism.

Playing the Waves - Jan Simons 2007

Dogma 95, the avant-garde filmmaking movement founded by the Danish director Lars von Trier and three of his fellow directors, was launched in 1995 at an elite cinema conference in Paris—when von Trier was called upon to speak about the future of film but instead showered the audience with pamphlets announcing the new movement and its manifesto. A refreshingly original critical commentary on the director and his practice, *Playing the Waves* is a paramount addition to one of new media's most provocative genres: games and gaming. *Playing the Waves* cleverly puns on the title of one of von Trier's most famous features and argues that *Dogma 95*, like much of the director's low-budget realist productions, is a game that takes cinema beyond the traditional confines of film aesthetics and dramatic rules. Simons articulates the ways in

which von Trier redefines the practice of filmmaking as a rule-bound activity, and stipulates the forms and structures of games von Trier brings to bear on his films, as well as the sobering lessons he draws from economic and evolutionary game theory. Much like the director's films, this fascinating volume takes the traditional point of view of film theory and film aesthetics to the next level and demonstrates we have much to learn from the perspective of game studies and game theory.

Carnival - Aki Katsu
2007-03-20

This book features two brand-new short manga by Katsu-Aki and an illustration gallery of his work. Readers also get a first glimpse of a rare early work by Katsu-Aki, produced soon after his debut as an artist and more. In addition, this volume includes the first-ever look at Studio Katsu's new location and an assortment of products guaranteed to make the reader drool with envy.

Freud in Cambridge - John Forrester 2017-03-09

The authors explore the influence of Freud's thinking on twentieth-century intellectual and scientific life within Cambridge and beyond.

Australasian Anaesthesia

2019 - Richard Riley 2019-12

Bashō's Haiku - Matsuo Bashō
2012-02-01

2005 CHOICE Outstanding Academic Title Basho's Haiku offers the most comprehensive translation yet of the poetry of Japanese writer Matsuo Bashō (1644-1694), who is credited with perfecting and popularizing the haiku form of poetry. One of the most widely read Japanese writers, both within his own country and worldwide, Bashō is especially beloved by those who appreciate nature and those who practice Zen Buddhism. Born into the samurai class, Bashō rejected that world after the death of his master and became a wandering poet and teacher. During his travels across Japan, he became a lay Zen monk and studied history and classical poetry. His poems contained a mystical quality

and expressed universal themes through simple images from the natural world. David Landis Barnhill's brilliant book strives for literal translations of Bashō's work, arranged chronologically in order to show Bashō's development as a writer. Avoiding wordy and explanatory translations, Barnhill captures the brevity and vitality of the original Japanese, letting the images suggest the depth of meaning involved. Barnhill also presents an overview of haiku poetry and analyzes the significance of nature in this literary form, while suggesting the importance of Bashō to contemporary American literature and environmental thought.

Post-Intensive Care Syndrome - Jean-Charles Preiser

2019-08-31

This book, part of the European Society of Intensive Care Medicine textbook series, provides detailed up-to-date information on the physical, cognitive, and psychological impairments that are frequently present following a

Downloaded from
legacy.opendemocracy.net
on 2022-12-10 by guest

stay in an intensive care unit and examines in depth the available preventive and therapeutic strategies, including adapted rehabilitation programs. Beyond acquainting readers with the multiple facets of post-intensive care syndrome (PICS), the book aims to promote the effective follow-up of patients, thereby enhancing their ability to work and their functional autonomy, and to identify risk factors for the development of PICS as a stimulus to beneficial organizational changes in intensive care departments. The background to the book is the realization by healthcare providers that the quality of life of patients who have required a stay in an intensive care unit can be severely impaired or even become unacceptable. All too often, the diverse sequelae are overlooked by specialists of other disciplines. Moreover, families and caregivers are also at high risk of post-traumatic stress disorder and depression. The European Society of Intensive Care Medicine has

developed the Lessons from the ICU series with the vision of providing focused and state-of-the-art overviews of central topics in Intensive Care and optimal resources for clinicians working in Intensive Care. This book, written by renowned experts in the field, will facilitate the transmission of key knowledge with significant clinical and financial benefits.

Manga Sutra -- Futari H - Katsu Aki 2008-05-13

This bestselling sex guide from Japan includes an Ask Dr. Manga Sutra feature, recipe cards with aphrodisiacs, and much more. Mature readers.

Treatment for Stimulant Use Disorders - Richard A. Rawson 1999

Basic knowledge about the nature and treatment of stimulant use disorders. Reviews what is currently known about treating the med., psychiatric, and substance abuse-dependence problems assoc. with the use of 2 high-profile stimulants: cocaine and methamphetamine (MA). The info. is understandable and relevant for clinicians and

other "front line" substance use disorder treat. providers. Offers recomm. on treat. approaches, recomm. to maximize treat. engagement, strategies for planning and initiating treat., and strategies for initiating and maintaining abstinence. Includes recomm. for the med. mgmt. of stimulant users and recomm. regarding special groups and settings.

In Praise of Copying - Marcus Boon 2011-02-11

German critic Walter Benjamin wrote some immensely influential words on the work of art in the age of mechanical reproduction. Luxury fashion houses would say something shorter and sharper and much more legally binding on the rip-off merchants who fake their products. Marcus Boon, a Canadian English professor with an accessible turn of phrase, takes us on an erudite voyage through the theme in a serious but engaging encounter with the ideas of thinkers as varied as Plato, Hegel, Orson Welles, Benjamin, Heidegger, Louis Vuitton, Takashi

Murakami and many more, on topics as philosophically taxing and pop-culture-light as mimesis, Christianity, capitalism, authenticity, Uma Thurman's handbag and Disneyland.

[The Rough Guide to Manga](#) - Jason S. Yadao 2009-10

Features the entire manga story, from Japanese comics' 12th-century roots to the rise of English-language manga, and includes profiles of influential creators as well as a canon of fifty must-read manga.

Le Bouquin de la bande dessinée - 2021-01-21

Publié en coédition avec la Cité internationale de la bande dessinée et de l'image (Angoulême), LeBouquin de la bande dessinée présente un état complet et structuré du savoir et de la pensée sur la bande dessinée. Pour la première fois, l'ensemble des codes de la bande dessinée et sa place dans l'histoire culturelle sont intégralement traités. La vitalité artistique de la bande dessinée est aujourd'hui largement

reconnue, particulièrement en France. Ses créateurs sont considérés sur un pied d'égalité avec les artistes de toutes disciplines. Beaucoup d'entre eux élargissent d'ailleurs leur champ d'activité à d'autres formes, comme le roman, le cinéma, l'affiche ou la scénographie d'expositions. Intronisée " neuvième art " à la fin des années 1960, la bande dessinée a aussi suscité, particulièrement depuis une vingtaine d'années, une littérature critique de plus en plus abondante. Il manquait cependant un ouvrage de grande synthèse pour faire le point sur toutes les notions relatives à ce mode d'expression qui, pour être populaire et enfin légitimé, reste quelquefois difficile à appréhender dans sa spécificité, à mi-chemin entre les arts du livre et les arts visuels. Le présent Bouquin de la bande dessinée. Dictionnaire esthétique et thématique vient combler cette lacune, abordant le genre sous tous ses aspects, à la fois comme art, comme langage, comme littérature et

comme culture à part entière. Non seulement il présente un état complet et structuré du savoir et de la pensée sur la bande dessinée, mais il se risque à défricher quelques pistes nouvelles, esquissant une véritable poétique. Avec près de cent cinquante entrées qui sont autant d'articles fouillés, ce dictionnaire satisfera la curiosité des amateurs, néophytes ou passionnés, et sera un outil irremplaçable pour les chercheurs et les enseignants. En coédition avec la Cité internationale de la bande dessinée et de l'image.
The Last Children of Tokyo - Yoko Tawada 2018-06-07
Yoshiro thinks he might never die. A hundred years old and counting, he is one of Japan's many 'old-elderly'; men and women who remember a time before the air and the sea were poisoned, before terrible catastrophe prompted Japan to shut itself off from the rest of the world. He may live for decades yet, but he knows his beloved great-grandson - born frail and prone to sickness -

might not survive to adulthood. Day after day, it takes all of Yoshiro's sagacity to keep Mumei alive. As hopes for Japan's youngest generation fade, a secretive organisation embarks on an audacious plan to find a cure - might Yoshiro's great-grandson be the key to saving the last children of Tokyo?

Manga Sutra -- Futari H
Volume 1 - Katsu Aki
2008-01-08

At the age of 25, newlyweds Makoto and Yura are still virgins. But not for long! That is, if they can figure out how everything works. Follow the hot young couple as they step up into love and experiment with getting it on - and on - and on!

Black Skin, White Masks -
Frantz Fanon 2017

Black Skin, White Masks is a classic, devastating account of the dehumanising effects of colonisation experienced by black subjects living in a white world. First published in English in 1967, this book provides an unsurpassed study of the psychology of racism using scientific analysis and poetic grace. Franz Fanon identifies a devastating pathology at the heart of Western culture, a denial of difference, that persists to this day. A major influence on civil rights, anti-colonial, and black consciousness movements around the world, his writings speak to all who continue the struggle for political and cultural liberation. With an introduction by Paul Gilroy, author of *There Ain't No Black in the Union Jack*.

Psychic Academy Volume 10
- Katsu Aki 2005-12-13

Life at the Psychic Academy begins to change as relationships shift, tensions rise, and the students find themselves stuck in a political and emotional crossfire.
