

The Flowering Rod Men Sex And Spirituality

Affections of the Mind - Emma Lipton 2011-08-15

Affections of the Mind argues that a politicized negotiation of issues of authority in the institution of marriage can be found in late medieval England, where an emergent middle class of society used a sacramental model of marriage to exploit contradictions within medieval theology and social hierarchy. Emma Lipton traces the unprecedented popularity of marriage as a literary topic and the tensions between different models of marriage in the literature of the later fourteenth and fifteenth centuries by analyzing such texts as Chaucer's *Franklin's Tale*, *The Book of Margery Kempe*, and the *N-Town plays*. *Affections of the Mind* focuses on marriage as a fluid and contested category rather than

one with a fixed meaning, and argues that the late medieval literature of sacramental marriage subverted aristocratic and clerical traditions of love and marriage in order to promote the values of the lay middle strata of society. This book will be of value to a broad range of scholars in medieval studies.

Offering Flowers, Feeding Skulls - June McDaniel 2004-08-05

The Indian state of West Bengal is home to one of the world's most vibrant traditions of goddess worship. The year's biggest holidays are devoted to the goddesses Durga and Kali, with lavish rituals, decorated statues, fireworks, and parades. In *Offering Flowers, Feeding Skulls*, June McDaniel provides a broad, accessibly written overview of Bengali

goddess worship. McDaniel identifies three major forms of goddess worship, and examines each through its myths, folklore, songs, rituals, sacred texts, and practitioners. In the folk/tribal strand, which is found in rural areas, local tribal goddesses are worshipped alongside Hindu goddesses, with an emphasis on possession, healing, and animism. The tantric/yogic strand focuses on ritual, meditation, and visualization as ways of experiencing the power of the goddess directly. The devotional or bhakti strand, which is the most popular form, involves the intense love and worship of a particular form of the goddess. McDaniel traces these strands through Bengali culture and explores how they are interwoven with each other as well as with other forms of Hinduism. She also discusses how these practices have been reinterpreted in the West, where goddess worship has gained the values of sexual freedom and psychological healing, but lost its emphases

on devotion and asceticism. *Offering Flowers, Feeding Skulls* takes the reader inside the lives of practicing Shaktas, including holy women, hymn singers, philosophers, visionaries, gurus, ascetics, healers, musicians, and businessmen, and offers vivid descriptions of their rituals, practices, and daily lives. Drawing on years of fieldwork and extensive research, McDaniel paints a rich, expansive portrait of this fascinating religious tradition.

The Rod, the Root and the Flower - Coventry Patmore
2016-04-28

In similar fashion, as Bernard of Clairvaux, and many others after, Patmore's mantra: "I only report the cry which certain 'babes in Christ' have uttered: 'Taste and see that the Lord is sweet'." More importantly, he adds, far be it from me to pose as other than a mere reporter, using the poetic intellect and imagination so as in part to conceive those happy realities of life which in many have been and are an actual and abiding possession; and to express

on 2022-11-07 by guest

them in such manner that thousands who lead beautiful and substantially Christian lives, whether outside or within the visible Church, being assisted in the only true learning, which is to know better what they know. I make no ridiculous pretence of invading the province of a theologian by dogma. This I am content with implicitly; my work being mainly that of the Poet, bent only upon discovering and reporting how the "loving hint" of doctrine has "met the longing guess" of the souls of those who have so believed in the Unseen that it has become visible.

Tarot 101 - Kim Huggens
2010

Kevin Connolly was born in Helena, Montana in August of 1985. Born without legs, Kevin was otherwise a healthy baby and grew up like any other Montana kid; getting dirty, running in the woods, and getting dirty some more. In the way developments tend to snowball, Kevin began skateboarding and taking photographs for the first time

in 2005. His first taste of living abroad came in 2006 when he left to study in New Zealand for one year. It was on the return home - skating down a backstreet in Vienna - that Kevin took his first prototype photo for what was to become The Rolling Exhibition. Kevin currently lives in Bozeman, Montana as a photographer and professional skier. For more information on Kevin's other endeavors, please navigate to www.kevinmichaelconnolly.com

The Columbia History of British Poetry - Carl R. Woodring
2007-09-07

Downloaded from
legacy.opendemocracy.net
on 2022-11-07 by guest

The Columbia Anthology of British Poetry brings together the most remarkable verse written in the British Isles over the course of the past twelve centuries, offering the greatest diversity of poetic voices in any anthology of its kind. From Shakespeare's memorable sonnets to Keats's haunting odes to T.S. Eliot's meditations on the conditions of modern life, the collection contains many of the best-loved treasures of British poetry. Longer and much-celebrated poems that rarely find their way into anthologies-including Pope's "Rape of the Lock" and Coleridge's "Rime of the Ancient Mariner"-claim a place in this collection. Queen Elizabeth I, Anne Killigrew, Aphra Behn, Elizabeth Barrett Browning, and Felicia Hemans are among dozens of women writers renowned in their own day and now restored to their rightful prominence. Scottish, Welsh, and Irish poets often excluded from anthologies of British poetry are here as well, including such extraordinary voices as Lady Grisell Baillie,

Robert Burns, Hugh MacDiarmid, and Seamus Heaney. The finest contemporary poets are fully represented also, from Thom Gunn to Eavan Boland. The result is an amazingly rich and wide-ranging conversation among British poets that transcends the boundaries of time and place. Carl Woodring and James Shapiro, the team scholars who edited *The Columbia History of British Poetry*, have written incisive introductions to the careers of the poets, making this the most accessible and comprehensive anthology of British verse in print. Covering the new and the ancient, the classic and the rediscovered, this generous volume reimagines the horizons of British poetry. *The Flowering Rod* - Kenny Klein 1993

male and female. All of western religion springs from the veneration of a bi-gender entity, known to the ancient world as the Gynomorph. The worship of hermaphroditic gods like the Gynomorph surfaces in ancient pagan cults as well as early Christianity. The celebration of female gods with penises impacted the development of western culture. Veneration of the Gynomorph is the basis for modern western law courts. The founders of democracy worshipped similar female divinities who possessed penises. Ritual sodomy as a means of celebrating hermaphroditic gods directly promoted the birth of western democracy. In fact, ancient priestesses responsible for guiding the worship of hermaphroditic goddesses laid the very foundations for democracy, science and philosophy. The oldest western pharmaceuticals were sex drugs used in religious initiations in celebration of the Gynomorph. Snake venoms used in cultic sex rituals were

immensely popular in both Greece and Rome. In addition, abortion-inducing drugs promoted the first scientific investigations. Classical civilization relied heavily upon the use of cannabis, opiates, and hallucinogens, which were mixed with sexual stimulants. Greco-Roman witches, who served a prominent hermaphroditic goddess, Hecate, were among the earliest western scientists and naturalists. Devotees of gynomorphic divinities were the first westerners to promote the religious practice known as necromancy. The first "baptists" were cross-dressing necromancers, who celebrated the Gynomorph. Eunuchs who served the same goddess were chemically castrated with scorpion venom. Ancient pre-Christian oracles declared that the messiah must be a hermaphrodite. Christianity tried to assimilate and employ the use of necromancy. The earliest Christians used designer sex drugs in their rituals in order to venerate a messiah given gynomorphic

status by church bishops.

Deborah, Awake - Rod Mills
2011-09-29

Based on the biblical story of Judge Deborah, "Deborah Awake" is the account of a young Burger King manager, who was also a divorced mother of two, and how this unlikely woman brought down the billion dollar corporation, Chariots, inc. In her role as a teen Sunday school teacher at the behemoth 10,000 member Kedish Community Church, Deborah was alarmed at the unhealthy identification her students nurtured with the Chariots line of immodest apparel, their chain of 900 Chariot mall outlets coast to coast, and her Christian student's fascination with the immoral "Chariots The Magazine." To Deborah's astonishment, she learned that John Sisera, the manager of the

local Chariots store, not only contributed heavily to the Kedish Community Church youth department, was good friends with Pastor Randy the youth minister, and that John Sisera was also a prominent member of the Kedish Community Church council. Senior Pastor Barrak was unaware of the vile philosophy of the Chariots corporation, and of John Sisera's heavy influence on Pastor Randy and the youth department. The Sisera's, in Barak's opinion, were a fine Kedish Community Church family, and was unconcerned with the moral storm brewing in the youth department. God called on Deborah to do something about it, and to recruit Pastor Barak in the Battle.

Sex, Politics, and Religion in Star Wars - Douglas Brode
2012-07-02

In 1977, Star Wars blazed across the screen to become one of the highest grossing and most beloved movies of all time, spawning an unprecedented merchandising phenomenon. It was followed

Downloaded from
legacy.opendemocracy.net
on 2022-11-07 by guest

by two sequels and three prequels, all of which became blockbusters. Comic books, novels, graphic novels, and magazines devoted to the films added to the mythology of George Lucas's creation. Despite the impact of the franchise on popular culture, however, discussion of the films from a scholarly perspective has not kept pace with the films. In *Sex, Politics, and Religion in Star Wars: An Anthology*, Douglas Brode and Leah Deyneka have assembled a provocative collection of essays exploring some of the more intriguing aspects of the Star Wars phenomenon. Contributors to the volume tackle such hot topics as race and racism in the Star Wars galaxy, Judeo-Christian and Eastern religious themes, homosexual romance, and philosophical and political implications—both earthbound and otherworldly. These essays interpret the Star Wars universe from a variety of perspectives—including feminist and Freudian—offering insights

from writers who bring a new passion to the subject. A companion volume to *Myth, Media, and Culture in Star Wars, Sex, Politics, and Religion in Star Wars* is an authoritative anthology incorporating scholarly analysis with engaging insights. It will engross readers, both fans and scholars alike.

Seminal Retention and Higher Consciousness - JJ Semple 2015-05-25

Higher consciousness and sexual sublimation (diverting sexual energy to the brain) are inextricably linked in most of the world's meditation methods. So where does seminal retention fit in? Seminal retention techniques can be used by male practitioners who want to continue sexual relations without the deleterious effects linked to ejaculating. While

Downloaded from
legacy.opendemocracy.net
on 2022-11-07 by guest

best meditation practices dictate renouncing ejaculation and sexual relations, seminal retention techniques do provide a compromise for males not able or not willing to give up sex. In the East, people have always known about the connection between higher consciousness and what goes on below the waist. Seminal Retention and Higher Consciousness: The Sexology of Kundalini explores this connection, and its sexological implications. First, there's a limited amount of semen in the male body. Neither you, nor I, can change this; it's a biological fact. Second, although you can't replenish what's been lost, you can conserve what's left. Today, it's understandable that young, vital individuals working on kundalini activation techniques want to maintain a normal sex life. Formerly, the only way to avoid the deleterious physiological effects linked to ejaculation was to avoid sex altogether after activating kundalini. That is not acceptable to this generation:

The sex drive is too powerful to simply put it on the back burner in favor of abstinence or abstention. Today's seekers want instant gratification, free license to ejaculate at will, at the same time, they pursue higher consciousness.

Fortunately, there is a way to reconcile the two, a series of seminal retention techniques I discovered after activating kundalini. But before revealing these secret techniques, let's examine some of the effects various authorities on kundalini had to deal with. First, Gopi Krishna writing in 1977: "At the present time, we can say, that perhaps twice a week to once in two weeks would be a safe measure for indulgence in the sexual act. This is of absolute importance for those who would like to awaken the Serpent Power. "On one occasion, after months of abstention, I prematurely had a contact with my wife. The next moment, because the energy did not come up to feed the brain, I seemed to sink into a pit of horror and terror, so much so that I thought that if

nothing happened to save me from this terrible situation, I would die. "People realize these mistakes when they are sixty or seventy years old. There have been many cases in which men of advanced age have repented the folly of their youth." Second, before I mastered retention techniques, I discovered first hand how much the brain needs the elixir and I wrote about it in Deciphering the Golden Flower One Secret at a Time: "My head is imploding and the elixir is being summoned to my brain for life support. I curl up in a fetal position. To no avail, my nerves are like an electrical fire searing the very conduits that enclose them and there isn't enough elixir to cool them. Certainly, if I try to lead a normal sex life, I'll simply exhaust my resources. I can feel the elixir waning and, as Gopi Krishna put it, 'a tongue of golden flame searching my stomach for food.'" I learned the hard way, but you don't have to. Not if you take the time to master the techniques discussed in this book. Yes, I

suffered bouts of physical pain, like the ones described above, that led me to seek and ultimately find techniques that not only allowed me to continue sexual relations, but also allowed me and my partners to experiment with new pleasures. In ancient times, sex relations and higher consciousness were a no-no. Today, seekers want both. And they can have them...within reason. The biology hasn't changed; Kundalini still needs the energy. But, if you can control the energy as it surges up the spine into the brain and not allow it to flow out, you can navigate the tricky waters between sublimation and ejaculation.

Healing the Male Psyche -

John Rowan 2020-04-03

John Rowan argues that if men are to escape from their old roles and the new pressures of social uncertainty they need to be initiated into a new kind of masculinity, but that this process must be personal to each man. He explores how therapy can help or hinder the process of transformation.

Written for men who are looking for a new way of understanding their predicament as well as psychotherapists and counsellors working with men, *Healing the Male Psyche* is packed with useful information and exercises and supported by a wide range of references.

Covencraft - Amber K 1998

The ultimate coven handbook, *Coven Craft* was written by a well-known and respected Wiccan High Priestess, who guides you through the workings of covens from Altars to Zoning. Over the course of twenty-seven chapters and forty-two appendices, Amber K shares with you her vast coven know-how, with plenty of veteran insights and straight-up advice on: --Finding or organizing a coven --Tools and supplies --Finances and incorporation --Coven offices --New members --The coven calendar --Pagan ritual --The sabbats and esbats --Training and initiation --Group dynamics --Counseling --Elders --Traditions --Networking and affiliation --Covens in the

community It has been said that leading a coven is like herding cats. Whether you're searching for fresh ways to meet those challenges or you're thinking about joining your first magical group, consult this friendly, knowledgeable companion for guidance.

Nature, Sex, and Goodness in a Medieval Literary Tradition - Hugh White 2000

'Nature' is a highly important term in the ethical discourse of the Middle Ages and, as such, a leading concept in medieval literature. This book examines the moral status of the natural in writings by Alan of Lille, Jean de Meun, John Gower, Geoffrey Chaucer, and others, showing how particularly in the erotic sphere the influences of nature are not always conceived as wholly benign. Though medieval thinkers often affirm an association of nature with reason, and therefore with the good, there is also an acknowledgement that the animal, the pre-rational, the instinctive within human beings may be validly considered
