her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother’s dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called “calorie restriction,” eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, “Your eyelashes are invisible, okay? You think Dakota Fanning doesn’t tint hers?” She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I’m Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi (“Hi Gale!”), Jennette is riddled with anxiety, shame, and self-

loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the *iCarly* spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I’m Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

fiction." —The Times, UK From Ragnar Jónasson, the award-winning author of the international bestselling Ari Thór series, *The Girl Who Died* is a standalone thriller about a young woman seeking a new start in a secluded village where a small community is desperate to protect its secrets. Teacher Wanted At the Edge of the World Una wants nothing more than to teach, but she has been unable to secure steady employment in Reykjavík. Her savings are depleted, her love life is nonexistent, and she cannot face another winter staring at the four walls of her shabby apartment. Celebrating Christmas and ringing in 1986 in the remote fishing hamlet of Skálar seems like a small price to pay for a chance to earn some teaching credentials and get her life back on track. But Skálar isn't just one of Iceland's most isolated villages, it is home to just ten people. Una's only students are two girls aged seven and nine. Teaching them only occupies so many hours in a day and the few adults she interacts with are

civil but distant. She only seems to connect with Thór, a man she shares an attraction with but who is determined to keep her at arm's length. As darkness descends throughout the bleak winter, Una finds herself more often than not in her rented attic space—the site of a local legendary haunting—drinking her loneliness away. She is plagued by nightmares of a little girl in a white dress singing a lullaby. And when a sudden tragedy echoes an event long buried in Skálar's past, the villagers become even more guarded, leaving a suspicious Una seeking to uncover a shocking truth that's been kept secret for generations.

He was still my brother's best friend, and he was more unavailable than ever. He looked every bit the bad boy I knew he was, covered in tattoos and a crooked smile. Guarding my heart from him was top priority because Parker James was where good girls go to die. Unfortunately for him, I wasn't a good girl anymore.
