[Get Over Yourself!](#) - Patti Novak 2008-12-30

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a

thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, Get Over Yourself! will help you get the love you've always wanted and deserve.

Beyond the Breakup - Andrew Aitken 2015-04-21

Written by a man with extensive experience on the topic, Beyond the Breakup explains how men think about breakups, their ex-girlfriend, and how they perceive her behavior in the wake of a relationship's end. It also explains the implications this has for girls who are going through a breakup: what will and won't have an emotional effect on him, how to

maximize your chances of getting him back, how and when you should contact him, what you should (and shouldn't) say, how to deal with seeing him again, and much more. The list of the chapter titles below give a good overview of the content. This book is not written for women with a weak spirit. It isn't going to tell you how to mitigate the pain you feel in the wake of a breakup, and it isn't going to tell you that everything is going to be fine. And while it will tell you how to maximize your chances of getting your ex back, it isn't going to pretend that there are any 'tricks' to make that outcome likely. However, it will do something much more important: it will give you a strong insight into your ex's state of mind and male psychology in general. This will give you the foundation you need to navigate the breakup and - more importantly - propel yourself into honest and successful relationships with the men in your future. Chapter List: Introduction PART I - UNDERSTANDING WHAT HAPPENED Men Don't Fall in Love the Same Way Women Do The Analogy Between Sex and Commitment Why This Always Happens to You Changing Your Perspective Why You Didn't See It Coming Men Don't Have "Commitment Problems" The Difference Between Liking You and Liking You Enough Why Men "Fade Out" You Weren't Dating Him in the First Place The Small Things Didn't Matter Anyway Why Your Ex (Who Dumped You) Is Still Contacting You Your Ex and Guilt Your Ex and Pride Your Ex and Decisiveness Interpreting His Emotions What's Going Through His Mind PART II - HOW TO HANDLE THE BREAKUP The Importance of Silence after a Breakup No, You Can't Be "Just Friends" How to Know If You Should Cut Him Off Why It's Never Too Late Why You Should Tell Him That You Are Cutting Him Off What to Say Managing Your Expectations When You Should Fight to Save Your Relationship Exceptions to the Rule How to Know If You Should Dump Him First When He Cheats The Anatomy of Missing Him PART III - FOLLOWING THROUGH WITH THE BREAKUP Making Him Jealous Doesn't Work Seeing Him at Work Being Connected with Your Ex on Social Media Returning His Things and Getting Yours Back What to Do When He Contacts You When He Says He Wants Another Chance Reason and Distraction Stop Sleeping with Your Ex to Prove He Likes You PART IV - MOVING ON AND REBUILDING You Are Responsible for Your Own Romantic Happiness Stop Letting Him Waste Your Time Know Why You Want Him Back Why Getting Him Back Won't Help Why Getting Dumped Is a Good Thing The Importance of Emotional Honesty Dating Again Putting the Breakup in Perspective When You Can Contact Him Again Reframing the Future A Final Word

Get Your Ex Back - Latoya Jasper 2022-03-09

Looking to get your ex back is not an easy process. You may have all kinds of ideas and thoughts about what you want to say and do. However, when you are trying to get back with him or her, it takes careful consideration and planning. Mistakes do happen in relationships and you may feel that another chance can bring the two of your closer. You will need to figure out why you want to get your ex back. If the bad outweighs the good, then you may have a good edge to get back with them. If you are doing it to keep him or her away from other suitable prospects, then you will be disappointed. If you are serious about how much you miss your ex, then by all means, give it a chance. You must sit down and think about why you broke up. Look at both sides of the relationship. There were probably things that he did that you did not like; certainly there were things that you did that she did that you did not like. Once you realize where you went wrong, you can start making corrections and amends. You will have to work on making those amends if you intend to get back with your ex. It is important not to allow things to be the same as they were before you broke up the first time. If one of you has an explosive temper, hopefully the time away from each other has changed that attitude. If one of you was a frivolous spender, hopefully you have learned that you need to get your finances in order. What if you guys were married, then what? You would be in big trouble as a couple. Both of you need to prove to each other that you are willing and ready to change. The only way to show that is through action. The action must be consistent. It can't be a onetime thing and then go back to your old ways. Set up a meeting with your ex. This way, both of you can see where the other is going. Talk out your issues and concerns. See where both of you are headed. You need to be committed prior to getting back together. If you start early before the reconciliation, it will be easier to keep doing it once you two connect again. The reunion has to be beneficial for both parties in order for it to survive.
