How to Attract Women - Zac Miller 2020-03-08

Can I Ask You a Question? What would life be like if you knew exactly how to attract women? If you could get the girls you've always wanted? If you could be a man women were sexually drawn to... would that change your life? Hi, my name is Zac Miller. In my many years here on earth I've had my share of experiences with women. And like most men, I wasn't born knowing what attracts women or what they want, but there came a point in my life where I was fed up and did something about it. Many men just say "women are crazy," and they leave it at that, not trying to understand them. I couldn't have that... While women are in fact crazy, I have put together a book which explains what they want, what attracts them to men, and how you can start attracting women. It's taken me many, many years, and many, many sleepless nights, but after all was said and done, I believe I have made the best book available when it comes teaching men everything it takes to successfully attract women. Here's What You'll Learn in This Book Chapter 1: Appearance - While it's been this way for many years, the advent of website profiles and dating apps has made a masculine appearance much more important for men in this day and age. Here I share with you the many ways you can appear more attractive to women, as well the ideal body type women are looking for in a man (hint: it's not abs). Chapters 2 & 3: Attractive & Unattractive Qualities - Ever notice how women are attracted to jerks and "bad boys?" It's because they display many attractive qualities women desire. In these chapters, I share with you what exactly these qualities are, while also going over attributes you need to stay away from, which push women away. Chapter 4 & 5: Talking to Women - Next, we go over how to talk to women and connect with them, in turn attracting them to you. I show you how to approach girls, get their contact information, and how to conversant with them afterwards to secure a date. I go over the number one mistake most guys make during this process, as well as the one quality that will put you above all other men when talking to women (hint: it's not a lifted truck). Chapter 6: The Date - We then go over how to handle the date. I show you exactly how to ask for the date, where to go, and what to do during the date. This includes conversation topics that release dopamine (feel good) chemicals in a woman's brain, as well as techniques you can employ during the date to keep her attention. I then go over what to do after the date to keep her interested in you for the long run to make her your girlfriend. Chapter 7: The What If's? - What if she flakes on the date? What if she says maybe? What if she starts losing interest? All these questions and more are handled in this chapter, showing you the exact techniques to employ to handle each situation, which will keep a woman interested in you. Appendix - I provide 70 opening messages, original to this book, to use when texting girls. These are unique, funny messages, which will make you stand out from other men. As a FREE bonus, only to buyers of this book, I provide you with my special report, Subconscious Attraction: 3 Techniques that Will Attract Her Subconsciously. These are perfect to use during the first date! If you want to become more successful with women and start getting the girls you've always desired, you can't risk not knowing this information. The Seven Minutes - Irving Wallace 2020-11-06

In the stillness of the courtroom a bookseller stands accused of selling a book. Is it a work of sensitive genius or an execrable volume of pornography? Could it have driven a respectable college boy to commit brutal rape? And who is the author of the novel at the vortex of a storm of sensation and controversy? Michael Barret has been asked by a friend to join him in a small law partnership, but has also been offered a huge salary to go into big business. He's certain of his choice, till he is given a chance to be involved with a major case involved with protecting free speech. The case is about the explicit book "The Seven Minutes", which some people consider pornography, while others, Barret included, feel is impressive literature. The main focus of the prosecution's case is a teenager who bought the book, and was soon after arrested for rape.

According to the prosecution, the book insinuated the boy to do what he did, so it must be banned. The novel follows the course of the trial, as both Barret and the prosecutor search for reputable witnesses to prove their side.

Approaching Women - Steve Dean 2020-01-16

Do you want to learn practical ways to seducing her, take her on date, getting her into the bed and win her heart? Do you want to learn the Secrets to eliminate anxiety and increase your social confidence? If yes, then keep reading... The idea of remaining objective rather than subjective is to provide you with clarity. The way you remain objective is to remove your ego from all social interactions with women. For example, picture the woman you want to approach online or in person as a friend of yours. Assume you already know her; this will help calm your nerves for the initial approach. This works especially well if you get anxious just before a first date. The reason you want to picture her as a friend is because it removes that mental block of thinking she is a complete stranger thus freaking yourself out for no reason. Remember in your mind you may be intimidated to be around her but to me or any other guy she would just be another girl. She only holds the value you create. How crazy is it for you to think someone is too good for you just based on her outer appearance? Unless you're psychic there is no way to assume this. Now, since you are human you may still feel slightly hurt if

you misinterpret selection for rejection. If you still feel bothered or hurt then do something that will bring your confidence back up. Say to yourself: I am the captain of my fate, the master of my soul; I have the power, only I am in control and I now release myself of this negative thought. So if you are getting nervous being around or even approaching just know that you are the only one who is provoking that state of mind. The guy who is able to remove his ego from the social situation knows that even if he doesn't get the desired outcome he wants from the approach or from the date, he is remaining objective because what others think or feel of you have no tangible power over you, meaning if you want freedom you can't let someone else dictate your state of mind. You are special, there is only one of you in the entire world, so the woman who you decide to give a chance to just won the lottery. When you become the best version of yourself you will no longer have approach anxiety. Start small-talk with strangers every now and then, make more eye contact with people, and smile more. This will dramatically increase your comfort level when you realize there is nothing to fear. The invisible obstacle of approach is non-existent, because the obstacles you place in front of yourself I can't see, therefore have no effect over me and I will approach whoever I want. Like Shakespeare said, "Nothing is either good or bad, only thinking makes it so." This book gives a comprehensive guide on the following: How to attract women What is approaching The best ways to approach Warm approaches Eliminating approach anxiety How to beat insecurity and neediness Tell yourself you're great how to flirt with a woman over texts How to get the guy of your dreams. How to have confident body language Kick things off with light flirting d104ing tips to get more dates Why women don't like "nice guys" ... AND MORE!!! What are you waiting for? Click buy now!!

Go Fast, Go Crazy - Lory Smith 2007-05

Set in 1995, in the southwestern desert, known as the Four Corners, *Go Fast, Go Crazy* is the suspenseful cross-generational story of one family's secrets and the redemptive value of discovering painful truths. The novel follows the trail of Cliff and Jimmy, two inseparable twenty year olds with uncertain futures. Feeling persecuted by the local sheriff, they steal their '68 Camaro from the police impound lot and cruise into the desert where they meet the beautiful Monique, a French tourist with a camera and car problems. After joining forces, the trio play a dangerous cat and mouse game with the police as they go on a small time crime spree, until they take refuge at crazy Uncle Milo's ranch, where they discover all is not as it seems. In the final showdown with the police, everyone must make decisions that will affect them all forever. If the truth does set you free, the road to the truth can exact a heavy toll. This explosive second novel deals with some of the uncomfortable legacies of the 1960's on today's youth, from a fresh and contemporary perspective. It is a rite of passage from which there is ultimately no escape.
