HOW TO CONQUER THE GIRL OF YOUR DREAMS IN INTERNET

TIMES - Raymundo Ramirez 2019-10-25

No one knows for sure if Platon was born in Athens or Aegina in 427 BC. In the last years of his life, he devoted himself to teach in one of the academies of his hometown. He told us a story referring to love. In the story, "The Banquet", Platon explained to us how a group of friends (men and women), while they were enjoying good wines and rich foods, they were trying to discover the meaning of the powerful demon called Love.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and

you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

No Dice - Rylee Shelton 2023-10-27

Nobody likes it when they wake up and learn their life is destroyed by debt. They typically also don't like it when they learn some really bad people are after them because of said debt. But when Janie Padgett takes

a nice, calm Saturday picnic, this is exactly the news she discovers. Her predicament is her husband's fault, and she's more than done with her marriage. But who is the handsome stranger offering Janie a shoulder to lean on? Can her husband patch things up before she takes the handsome stranger up on his offer? And who is this Devon lady smoking pot at the park like there's no tomorrow, insisting to Janie that she can keep her safe? Janie's fate ultimately lies in her own hands. Will she decide to patch up her marriage or walk away and be free? And if that wasn't a hard enough decision to make, she also must decide which is more of a danger to her life: the dangerous people that Devon claims are after her family, or the flock of geese that resent Janie bringing her drama to the park in the first damn place. No Dice is the first installment of the wacky comedy series, Baked and Beautifully Broken. Taking the concept of a spoof romcom to its fullest extent, Rylee Shelton throws us curveball after curveball until we finally figure out the whole picture. Join this new cast of characters for a whole new set of laughs and surprises.

Unprotected - Miriam Grossman 2007-08-28

Our campuses are steeped in political correctness—that's hardly news to anyone. But no one realizes that radical social agendas have also taken over campus health and counseling centers, with dire consequences. Psychiatrist Miriam Grossman knows this better than anyone. She has treated more than 2,000 students at one of America's most prestigious universities, and she's seen how the anything-goes, women-are-just-like-

men, "safer-sex" agenda is actually making our sons and daughters sick. Dr. Grossman takes issue with the experts who suggest that students problems can be solved with free condoms and Zoloft. What campus counselors and health providers must do, she argues, is tell uncomfortable, politically incorrect truths, especially to young patients in their most vulnerable and confused moments. Instead of platitudes and misinformation, it's time to offer them real protection.

Lean In - Sheryl Sandberg 2013-03-12

Sheryl Sandberg's Lean In is a massive cultural phenomenon and its title has become an instant catchphrase for empowering women. The book soared to the top of bestseller lists internationally, igniting global conversations about women and ambition. Sandberg packed theatres, dominated opinion pages, appeared on every major television show and on the cover of Time magazine, and sparked ferocious debate about women and leadership. Ask most women whether they have the right to equality at work and the answer will be a resounding yes, but ask the same women whether they'd feel confident asking for a raise, a promotion, or equal pay, and some reticence creeps in. The statistics, although an improvement on previous decades, are certainly not in women's favour - of 197 heads of state, only twenty-two are women. Women hold just 20 percent of seats in parliaments globally, and in the world of big business, a meagre eighteen of the Fortune 500 CEOs are women. In Lean In, Sheryl Sandberg - Facebook COO and one of Fortune magazine's Most Powerful Women in Business - draws on her own experience of working in some of the world's most successful businesses and looks at what women can do to help themselves, and make the small changes in their life that can effect change on a more universal scale.
