Tropic of Cancer Henry Miller 2015-06-04 Shocking, banned and the subject of obscenity trials, Henry Miller's first novel *Tropic of Cancer* is one of the most scandalous and influential books of the twentieth century. *Tropic of Cancer* redefined the novel. Set in Paris in the 1930s, it features a starving American writer who lives a bohemian life among prostitutes, pimps, and artists. Banned in the US and the UK for more than thirty years because it was considered pornographic, *Tropic of Cancer* continued to be

distributed in France and smuggled into other countries. When it was first published in the US in 1961, it led to more than 60 obscenity trials until a historic ruling by the Supreme Court defined it as a work of literature. Long hailed as a truly liberating book, daring and uncompromising, *Tropic of Cancer* is a cornerstone of modern literature that asks us to reconsider everything we know about art, freedom, and morality. 'At last an unprintable book that is fit to read' Ezra Pound 'A momentous event in the history of modern writing' Samuel Beckett 'The book that forever changed the way American literature would be written' Erica Jong Henry Miller (1891-1980) is one of the most important American writers of the 20th century. His best-known novels include *Tropic of Cancer* (1934), *Tropic of Capricorn* (1939), and the *Rosy Crucifixion* trilogy (*Sexus*, 1949, *Plexus*, 1953, and *Nexus*, 1959), all published in France and banned in the US and the UK until 1964. He is widely recognised as an irreverent, risk-taking writer who redefined the novel and made the link between the European avant-garde and the American Beat generation.

But when Blessing experiences a renaissance of his own with another woman, Amber must follow a new path. Which direction will she take? The idea that Mike was having an affair didn't bother me that much. It was ironical that his own indiscretion if it was true, would be so close to home as well. It wasn't really that I still loved him because, I didn't. It wasn't also that I was jealous because, I wasn't. It was just that I'd never thought of him as one who would have affair. Could this be true, I kept thinking? My thought went back to Blessing, how I wished he was here to share the moment with me and watch the rain fall. I thought about the way he usually talks to me, look at me and the way he touches me. These thoughts are not strange to me at all because at night, whenever

The Cold Heart of Capricorn Martha C. Lawrence Now Elizabeth Chase returns in a case more dangerous than ever: An increasingly violent rapist has been terrorizing San Diego, but the lack of physical evidence at the scenes gives the police very little to go on. Skeptical but desperate as the rapist edges ever closer, the cops turn to Elizabeth for paranormal assistance. Her first step is to hypnotize the victims, hoping to unearth clues buried in their subconscious memories. AT SEA WITH DANIEL T. Voyage of the Capricorn Lady, Book One, Lost at Sea With Daniel T., is a true story about a Caribbean Charter yacht couple. Captain Judith Gilman and her husband, Captain Dan T. Gilman III, sailed away from their life of prestige and social status in Central Florida, after they lost their business and almost all their personal possessions in the mid-1970s. With no advance planning, emotionally struggling to adjust to a totally different kind of life, they made their way through the Bahamas to the Virgin Islands on their aging wooden sailboat, Capricorn, with one daughter and their Himalayan Cat. Book One describes the author's early life, her meeting and marriage to Dan, and the events that cast them adrift to an uncertain future. One moonlit night at Salt Pond Bay in the Exumas, Dan and Judi were thrown out of their rubber dinghy when it hit an obstruction in the water. As the swift current carried them out toward the open sea, the boat turned in a circle, striking Dan in the face with the propeller of the 15 horsepower engine. Their rescue by a "mysterious stranger" was followed by a wild midnight ride in an old flatbed truck to a tiny clinic at Dead Man's Cay. Bahamas Air Sea Rescue flew the couple to Nassau where Dan had surgery, and subsequently healed from his horrific wounds. After he regained his strength, the couple made their way to the Virgin Islands where they were introduced to "crewed chartering" as a way of life. The first book chronicles in detail their cruising live-aboard life, and incredible adventures as they sailed into the culture of many island societies. Dan and Judi rode out several hurricanes on Capricorn, almost sank several times, and lost all their personal belongings when the boat actually did sink on it's mooring at Red Hook one black night. Stories of the charter life, guests and crews, and the colorful characters, who were part of the fabric of their lives during this period, are told with sharp detail right down to the fabulous cuisine that was served. Voyage of the Capricorn Lady is not just a book about boats and chartering; it is the story of a personal journey told with honesty.

Two families were forever damaged by the events that cast this couple on their path to a life of love and adventure. Working together, they brought joy to their guests, but failed to heal wounds resulting from their wrenching departure from family and friends. Dreams and Psychic occurrences during the author's life are woven through the tapestry of the book. They reaffirm the author's belief in the afterlife, and the timelessness of her connection to her Captain. The first book ends with the sale of the 40' Newporter Ketch, Capricorn, as the couple leaves the Virgin Islands to search for a new boat to continue their charter career. Book Two is a continuation of the author's voyage, from the decks of the 71' Trumpy charter yacht, Capricorn Lady, to the banks of the Siuslaw River on the Oregon Coast. "Forever", not until "Death Do Us Part", is the theme of this loving memoir of a Captain and His Lady. *The F*ckhead Guide to Astrology* Fckhead 2005-05 The F*ckhead Guide to Astrology is the ultimate antidote for all you boring yuppies, neo-hipsters and punk wannabes who think there might be some validity to spirituality/western philosophy/astrology but are just too fed up with the WE-ARE-ONE, GOD-IS-LOVE, WE-ARE-ALL-GOD-N-WE-ARE-ALL-LOVE post-hippie claptrap still controlling the market, and all who wanna barf at the mention of L. Ron Hubbard (we feel you). In under 200 pages, underground author/Tourette's Syndrome survivor F*CKHEAD lovingly yet ruthlessly dissects the pop psychology dumping ground that is Astrology: signs are described, signs are decried, signs are dismantled, F*ckhead tells you how to pick up chicks (assuming, of course, you somehow know their signs to begin with, in which case you probably wouldn't need his help) and Tom Hanks is made fun of. HILARITY ENSUES. The F*ckhead Guide to Astrology is absolutely guaranteed to heal marriages, tame children, cure lepers, end hunger, establish world peace etc. (though we are still waiting on endorsement from Dr. Phil). Literarily, kinda bullshit but a helluva lot better than blowing your money on "How to Spot A Bastard By His Star Sign". So buy it now, suckers, 'cause if you keep standing in the New Age section the clerks are gonna stare at you.
