It is a novel that lays to bare the shocking truths about the drug game. *Shorty Got A Thug* unveils the greed, betrayal, violence, and even the heartbreaking love that comes with the fast life. It is a close to true account of a thug's obsession with the life, and how his obsession puts everyone that loves him at risk. As Brazen stacks bodies along his climb to the top, will his quest eventually push Niesha away? Or will Niesha get caught in the crossfire when Brazen's fiercest adversary strikes back, taking grimey to a whole new level? What price will Niesha pay for loving a thug? Thugs and Why Women Should Run From Them - Lucy Dennis 2010-02-11

Woman to woman, I wish I would have been more attentive and mom would have stomped

her feet a little harder when she saw I wasn't paying close attention when she spoke about dealing with men and relationships. Now at the age where I probably have more days behind me, than ahead of me and the misadventures I've incurred down those years, I'm stomping my feet and asking my beautiful Sisters and Brothers, young and not so young, to just stop and listen for a minute. No one wants to see their love ones go through complexities, especially those that can be avoided. Most of us hate to say, 'We told you this was going to happen if...' but if insightful words continue to fall upon closed ears, 'He'll walk, stomp and spit on your feelings.' It is so easy to gain a man's respect and loyalty. It starts by respecting and being loyal to ourselves, he'll soon catch on!
