Latter-day Screens Brenda R. Weber 2019-09-13 From *Sister Wives* and *Big Love* to *The Book of Mormon* on Broadway, Mormons and Mormonism are pervasive throughout American popular media. In *Latter-day Screens*, Brenda R. Weber argues that mediated Mormonism contests and reconfigures collective notions of gender, sexuality, race, spirituality, capitalism, justice, and individualism. Focusing on Mormonism as both a meme and an analytic, Weber analyzes a wide range of contemporary media produced by those within and those outside of the mainstream and fundamentalist Mormon churches, from reality television to feature films, from blogs to YouTube videos, and from novels to memoirs by people who struggle to find agency and personhood in the shadow of the church's teachings. The broad archive of mediated Mormonism contains socially conservative values, often expressed through neoliberal strategies tied to egalitarianism, meritocracy, and self-actualization, but it also offers a passionate voice of contrast on behalf of plurality and inclusion. In this, mediated Mormonism and the conversations on social justice that it fosters create the pathway toward an inclusive, feminist-friendly, and queer-positive future for a broader culture that uses Mormonism as a gauge to calibrate its own values.

Techniques of the Selling Writer Dwight V. Swain 2012-09-06 *Techniques of the Selling Writer* provides solid instruction for people who want to write and sell fiction, not just to talk and study about it. It gives the background, insights, and specific procedures needed by all beginning writers.

Here one can learn how to group words into copy that moves, movement into scenes, and scenes into stories; how to develop characters, how to revise and polish, and finally, how to sell the product. No one can teach talent, but the practical skills of the professional writer's craft can certainly be taught. The correct and imaginative use of these skills can shorten any beginner's apprenticeship by years. This is the book for writers who want to turn rejection slips into cashable checks.

Social Media in an English Village Daniel Miller 2016 Daniel Miller spent 18 months undertaking an ethnographic study with the residents of an English village, tracking their use of the different social media platforms. Following his study, he argues that a focus on platforms such as Facebook, Twitter and Instagram does little to explain what we post on social media. Instead, the key to understanding how people in an English village use social media is to appreciate just how 'English' their usage has become. He introduces the 'Goldilocks Strategy': how villagers use social media to calibrate precise levels of interaction ensuring that each relationship is neither too cold nor too hot, but 'just right'. He explores the consequences of social media for groups ranging from schoolchildren through to the patients of a hospice, and he compares these connections to more traditional forms of association such as the church and the neighbourhood. Above all, Miller finds an extraordinary clash between new social media that bridges the private and the public domains, and an English sensibility that is all about keeping these two domains separate.

My Protector Alanea Alder 2014-12-22 Gavriel Ambrosios has been dreaming of his accident prone mate for weeks. Now that he is nearing the apex of his vampiric transition, she has made her way to Lycaonia, just when he is at his most dangerous. Elizabeth Monroe was planning on staying in Lycaonia while humans forgot about the swan dive she took out of her boss's office window. Little did she know that this short side trip was about to become permanent. Gavriel is the mate she has

always dreamed of. Even as he sweeps her off her feet his need to protect her has him pushing her away. She's both concerned with and drawn to his darker nature, but is determined to see him through his transition. In the shadows their enemy has targeted Gavriel when they know he is at his most vulnerable. They creep ever closer to the Alpha estate putting the men on high alert. But as the days get shorter and the nights get longer Elizabeth begins to wonder, which is the bigger threat? The enemy or her mate?

Get Over Yourself! Patti Novak 2008-12-30 True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and

“A brilliantly poetic take on one of the most defining moments in Black American history.” —Tiffany D. Jackson, author of *Grown and Monday’s Not Coming Perfect* for fans of *The Hate U Give*, this unforgettable coming-of-age debut novel explores issues of race, class, and violence through the eyes of a wealthy black teenager whose family gets caught in the vortex of the 1992 Rodney King Riots. Los Angeles, 1992 Ashley Bennett and her friends are living the charmed life. It’s the end of senior year and they’re spending more time at the beach than in the classroom. They can already feel the sunny days and endless possibilities of summer. Everything changes one afternoon in April, when four LAPD officers are acquitted after beating a black man named Rodney King half to death. Suddenly, Ashley’s not just one of the girls. She’s one of the black kids. As violent protests engulf LA and the city burns, Ashley tries to continue on as if life were normal. Even as her self-destructive sister gets dangerously involved in the riots. Even as the model black family façade her wealthy and prominent parents have built starts to crumble. Even as her best friends help spread a rumor that could completely derail the future of her classmate and fellow black kid, LaShawn Johnson. With her world splintering around her, Ashley, along with the rest of LA, is left to question who is the us? And who is the them?

Mommy Cusses Dorman Serena 2021-06-25 For fans of *Go the F*ck to Sleep*, *Mommy Cusses* is a hilarious novelty parenting book full of tell-it-like-it-is quotes, snarky lists, and too-true anecdotes that will resonate with new moms everywhere. Professor Kelli's Guide to Finding a Husband M. S. W. Kelli Miller 2010-05-22 I know what you're thinking. You hate me. You got a glimpse of my ring and you're pissed. I know your kind because I was once your kind. Every time I saw a happy couple I could feel last night's dinner coming up. When I saw wedding magazines I wanted to take a blowtorch to each one of them. Engagement rings? The only way you could talk to me about Okarats was if you were going to feed one to your pet rabbit. Yes, I was sick. Sick of set-ups, match-ups, and break-ups. I've been on blind dates and I've been on dates where I wish I were blind. But I finally did find Mr. Right. And I'm going to show you how. Through humor, empowerment, and basic common sense clinical social worker "Professor Kelli" instills confidence in women, makes them laugh at their situation (or the men they've dated), and teaches them the process of letting go and staying present. Sure, it's about finding a husband but it's more about finding you first.

sister, Tella, live with their powerful, and cruel, father. Now Scarlett's father has arranged a marriage for her, and Scarlett thinks her dreams of seeing Caraval, the far-away, once-a-year performance where the audience participates in the show, are over. But this year, Scarlett's long-dreamt of invitation finally arrives. With the help of a mysterious sailor, Tella whisks Scarlett away to the show. Only, as soon as they arrive, Tella is kidnapped by Caraval's mastermind organizer, Legend. It turns out that this season's Caraval revolves around Tella, and whoever finds her first is the winner. Scarlett has been told that everything that happens during Caraval is only an elaborate performance. But she nevertheless becomes enmeshed in a game of love, heartbreak, and magic with the other players in the game. And whether Caraval is real or not, she must find Tella before the five nights of the game are over, a dangerous domino effect of consequences is set off, and her sister disappears forever. Welcome, welcome to Caraval . . . beware of getting swept too far away.

Toward a Psychology of Awakening John Welwood 2002-02-12 How can we connect the spiritual realizations of Buddhism with the psychological insights of the West? In *Toward a Psychology of Awakening* John Welwood addresses this question with comprehensiveness and depth. Along the way he shows how meditative awareness can help us develop more dynamic and vital relationships and how psychotherapy can help us embody spiritual realization more fully in everyday life. Welwood's psychology of awakening brings together the three major dimensions of human experience: personal, interpersonal, and suprapersonal, in one overall framework of understanding and practice.

women from across industries and pop culture. Throughout, she explores the areas women - and society at large - must focus on to become (and remain) mentally strong. Amy reveals that healthy, mentally tough women don't insist on perfection; they don't compare themselves to other people; they don't see vulnerability as a weakness; they don't let self-doubt stop them from reaching their goals. Insightful, grounded, and extremely timely, 13 THINGS MENTALLY STRONG WOMEN DON'T DO can help every woman flourish - and Amy will take readers on this journey with her, every step of the way.

I Had a Black Dog Matthew Johnstone 2012-03-01 'I Had a Black Dog says with wit, insight, economy and complete understanding what other books take 300 pages to say. Brilliant and indispensable.' - Stephen Fry 'Finally, a book about depression that isn't a prescriptive self-help manual. Johnston's deftly expresses how lonely and isolating depression can be for sufferers. Poignant and humorous in equal measure.' Sunday Times There are many different breeds of Black Dog affecting millions of people from all walks of life. The Black Dog is an equal opportunity mongrel. It was Winston Churchill who popularized the phrase Black Dog to describe the bouts of depression he experienced for much of his life. Matthew Johnstone, a sufferer himself, has written and illustrated this moving and uplifting insight into what it is like to have a Black Dog as a companion and how he learned to tame it and bring it to heel.

To ensure that I don't repeat the same combinations too often, I keep a spreadsheet that notes which suits were worn with which shirts and ties on which day." When his best friend describes him as being as shallow as a worms grave, and challenges him to keep a diary for a month to see what a hollow life he's leading, Simon Woolcot, a spoilt forty something British Expat rises to the challenge. For a month he keeps a diary of his life in Amsterdam, a tale of fine dining, womanizing, romps in sex clubs, bespoke tailoring and office politics. The book is divided into the seven deadly sins, lust, greed, gluttony, sloth, envy, pride and wrath all of which are committed during the course of this book. Based on the popular blog, the Amsterdam confessions of a shallow man, the book provides plenty of insights into life in the Netherlands through the eyes of that cities shallowest man. Nothing Left to Prove Danny Smith 2021-09-08 "The sharp, hardboiled prose you would expect from a detective novelist... Smith shares vivid details, hard-earned insights, and stories of courage and terror, told with crisp, raw dialogue, a feeling for the drama of potentially violent confrontations, and an undercurrent of despair, despite many heartfelt tributes to cops he trusted and the mentor whose murder he had to look into." - BookLife Review He landed his dream job pursuing the guilty, but two decades of horrific violence and a steady stream of death left him scarred... From the streets of South Los Angeles to the elite homicide bureau, former sheriff's detective Danny R. Smith saw some of L.A.'s darkest hours: a crack cocaine epidemic, unprecedented gang warfare, a spike in homicides that stunned the nation, the Rodney King riots. A beating left him unconscious. Only the miraculous malfunction of a killer's automatic weapon saved his life. But it was the hundreds of deaths and innumerable tragedies-murdered colleagues, dead kids, a Native American burned alive by skinheads-that took the greatest toll. In this no-holds-barred memoir, Smith offers a rare, unfiltered view of a career in law enforcement, and reveals his unique insights into battling PTSD and being forced to leave the profession he loved. Nothing Left to Prove is shocking, riveting, and poignant-remarkably honest. It's the very personal story of one man's career and its effect on his life, unveiled through Smith's masterful storytelling. If you think you know cops, if you enjoy compelling true-

His story leaves the reader with a better understanding of the hardships that a career in law enforcement can take on one's life, and hopefully leaves society with a better appreciation of those who chose to protect us." - Andrea Self "Nothing Left to Prove is a gritty, gut-wrenchingly honest and compelling inside look at the life of a law enforcement officer. This author pulls no punches as he lays bare the violence and horrific atrocities that took place during his career." - Heather Wamboldt "I was at times, shocked, appalled and repulsed by what one human being could do to another human being. I was also amazed, appreciative and extremely respectful of those who serve so resolutely to protect others." - Michele Carey "This is an outstanding, exciting, and superbly readable account from a man who lived it all. Poignant, gut-wrenching, and, at times, amusing, this is definitely an unputdownable narrative." - Michele Kapugi "A riveting law enforcement memoir." - Bud Johnson "The ultimate walk-a-mile-in-my-shoes autobiography." - Moon Mullen "Takes you through the life of a true and dedicated street cop. Fascinating read!" - Kay Reeves

changing who you are." So says Mark Manson, superstar blogger and author of the international bestseller, *The Subtle Art of Not Giving A F*ck*, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In *Models* he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, *Models* is a mature and honest guide on how a man can attract women by giving up the bullsh*t and becoming an honest broker. "A detailed guide to modern sexual ethics" *Sydney Morning Herald* "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f*ck . . . He's as painfully honest as he is outrageously funny" *Huffington Post*

Viral Spiral David Bollier 2008 From free and open-source software, Creative Commons licenses, Wikipedia, remix music video mashups and open science, digital media has spawned a new sharing economy in competition with media giants. Media journalist Bollier provides a comprehensive history of the attempts of this new free culture' community to create a digital republic committed to freedom and innovation. Interweaving disparate and eclectic strands of activity with major technological developments, pivotal legal struggles and case studies, Bollier exposes the magical processes of this era.'

[Living with a Black Dog](#) Matthew Johnstone 2012-03-01 As beautifully illustrated as it is touching, this second book from Matthew Johnstone, author of *I Had a Black Dog*, is written for those who care for those suffering from depression - friends, family members, colleagues, and even therapists. wonderful illustrations and the image of Churchill's infamous 'black dog', Matthew and his wife Ainsley offer a moving, inspirational and often humorous portrait of life with depression - not only for those suffering from it themselves, but for those close to them. Living with a Black Dog speaks directly to the carer and offers practical and sometimes tongue-in-cheek tips on helping the depression sufferer, such as 'Socks have little do with mental health. If people could just "snap out of it" they would.' and 'Encourage any form of regular exercise. Fitness robs the Dog of its power'. Based on their own experiences, Matthew and his wife Ainsley treat the subject of depression sympathetically, hopefully and, most importantly, humorously.
