The Pioneer Woman Cooks—Food from My Frontier (Enhanced) -

Ree Drummond 2012-03-27

The enhanced e-book edition of *The Pioneer Woman Cooks: Food from My Frontier* gives you behind-the-scenes access to Ree at home on her ranch. In it you'll find videos of Ree cooking a bunch of her favorite recipes, six recipes not found in the book, and Ree's list of her favorite movies and songs to cook to. I'm Pioneer Woman. And I love to cook. Once upon a time, I fell in love with a cowboy. A strapping, rugged, chaps-wearing cowboy. Then I married him, moved to his ranch, had his babies . . . and wound up loving it. Except the manure. Living in the country for more than fifteen years has taught me a handful of eternal truths: every new day is a blessing, every drop of rain is a gift . . . and nothing tastes more delicious than food you cook yourself. *The Pioneer Woman Cooks: Food from My Frontier* is a mouthwatering collection of the simple-but-scrumptious recipes that rotate through my kitchen on a regular basis, including Cowgirl Quiche, Sloppy Joes, Italian Meatball Soup, White Chicken Enchiladas, and a spicy Carnitas Pizza that'll win you over for life. There are also some elegant offerings for more special occasions at your house: Osso Buco, Honey-Plum-Soy Chicken, and Rib-Eye Steak with an irresistible Onion-Blue Cheese Sauce. And the decadent assortment of desserts, including Blackberry Chip Ice Cream, Apple Dumplings, and Coffee Cream Cake, will make your heart go pitter-pat in the most wonderful way. In addition to detailed step-by-step photographs, all the recipes in this book have one other important quality in common: They're guaranteed to make your kids, sweetheart, dinner guests, in-laws, friends, cousins, or resident cowboys smile, sigh, and beg for seconds. (And hug you and kiss you and be devoted to you for life.) I hope you enjoy, devour, and love this book. I sure did love

making it for you.

Last Letter Home - Rachel Hore 2018-03-22

From the million-copy Sunday Times bestseller comes a timeless love story, lost in letters of the past . . . THE RICHARD AND JUDY BOOK CLUB PICK 2018 Can a chance encounter unlock one woman's past? On holiday in Italy, Briony Wood becomes fascinated by the wartime story of a ruined villa hidden amongst the hills of Naples. Not only is it the very place where her grandfather was stationed as a soldier in 1943, but she also discovers that it harbours the secret of a love long lost. Handed a bundle of tattered letters found buried at the villa, Briony becomes enraptured by the blossoming love story between Sarah Bailey, an English woman, and Paul Hartmann, a young German. The letters lead her back almost seventy years to pre-war Norfolk. But as Briony delves into Sarah and Paul's story, she encounters resentments and secrets still tightly guarded. All too quickly it is clear that what happened long ago under the shadow of Vesuvius, she suspects, still has the power to cause terrible pain . . . Praise for Rachel Hore's novels: 'Compelling, engrossing and moving' SANTA MONTEFIORE 'Simply stunning . . . I savoured every moment' DINAH JEFFERIES 'A story that stirs the deepest

emotions' WOMAN & HOME 'An emotive and thought-provoking read' ROSANNA LEY 'Hore tackles difficult subjects with a clever, light touch and a sunny positivity. The Making of the Modern British Home - Peter Scott 2013-08-29

The Making of the Modern British Home explores the impact of the modern suburban semi-detached house on British family life during the 1920s and 1930s - focusing primarily on working-class households who moved from cramped inner-urban accommodation to new suburban council or owner-occupied housing estates. Migration to suburbia is shown to have initiated a dramatic transformation in lifestyles - from a 'traditional' working-class mode of living, based around long-established tightly-knit urban communities, to a recognisably 'modern' mode, centred around the home, the nuclear family, and building a better future for the next generation. This process had far-reaching impacts on family life, entailing a change in household priorities to meet the higher costs of suburban living, which in turn impacted on many aspects of household behaviour, including family size. This volume also constitutes a general history of the development of both owner-occupied and municipal suburban housing estates in interwar Britain, including the evolution of housing policy; the housing development process; housing and estate design, lay-outs, and architectural features; marketing owner-occupation and consumer durables to a mass market; furnishing the new suburban home; making ends meet; suburban gardens; social filtering and conflict on the new estates; and problems of 'mis-selling' and 'Jerry building'. Peter Scott integrates the social history of the interwar suburbs with their economic, business, marketing, and architectural/planning histories, demonstrating how these elements interacted to produce a new model of working-class lifestyles and 'respectability' which marked a fundamental break with pre-1914 working-class urban communities.

LOSE YOURSELF THIS SUMMER IN THE NUMBER ONE BESTSELLER 'One of my favourite authors' MARIAN KEYES Deira isn't the kind of woman to steal a car. Or drive to France alone with no plan. But then, Deira didn't expect to be single. Or to suddenly realise that the only way she can get the one thing she wants most is to start breaking every rule she lives by. Grace has been sent on a journey by her late husband, Ken. She doesn't really want to be on it but she's following his instructions, as always. She can only hope that the trip will help her to forgive him. And then - finally - she'll be able to let him go. Brought together by unexpected circumstances, Grace and Deira find that it's easier to share secrets with a stranger, especially in the shimmering sunny countryside of Spain and France. But they soon find that there's no escaping the truth, whether you're running away from it or racing towards it . . . *LOSE YOURSELF THIS SUMMER IN THE NUMBER ONE BESTSELLER* Praise for Sheila O'Flanagan's irresistible novels: 'Brilliantly written and with plot twists popping out like Prosecco corks' Woman and Home 'An exciting love story with a deliciously romantic denouement' Sunday Express 'A feel-good story told by a funny and down-to-earth heroine' Woman's Weekly 'If you're seeking an escape of your own, this sunny, evocative story is the perfect place to hide away' S Magazine A NO. 1 IRISH BESTSELLER (JULY 2020) A SUNDAY TIMES BESTSELLER (MARCH 2021)

The House of Secrets - Sarra Manning 2017-08-10

'Extremely atmospheric and unputdownable. I loved it' Marian Keyes Every home has a story to tell . . . An ordinary house on an ordinary street, built in 1936 and never lived in. Its rooms might be empty, but this house is full of secrets. When Zoe and Win, raw and reeling from a recent tragedy, move into their new home it's meant to be a fresh start and a way to mend the holes in their relationship. But pushed to the back of a cupboard is a suitcase that's been gathering dust for eighty years. Inside is a wedding dress, letters and a diary all belonging to a woman

called Libby. And there's something else in the suitcase, something that echoes Zoe's own pain. Zoe follows Libby's trail from Paris to Spain on the brink of Civil War to secret trysts in London, and as Libby finds the courage to live and love again, Zoe begins to let go of her own grief. But when Libby's story takes a darker turn, Zoe becomes increasingly obsessed with discovering what really happened all those years ago. Because if Libby managed to get her happy ever after then maybe Zoe and Win can too . . .

Never Close Your Eyes - Emma Burstall 2009-10-06

Evie, Nic and Becca are wannabe writers. The three friends are members of a creative writing group and they decide to enter a national competition. But while they ponder their plots and agonise about their characters, their own lives are going far from smoothly. Evie's still pining for the husband who left her for a younger woman and is relying increasingly on clairvoyant Zelda. But who is Zelda really? Nic's battling a drink problem and is in despair about her workaholic husband who is addicted to his laptop. A shocking discovery shakes her to the core, but will she realise in time that she must stop protecting him? Becca's a City highflyer who seems to have everything - until a childhood friend turns up, threatening to expose the secret she's kept buried for nearly thirty years. How will her marriage, her children, her friendships survive it? And on top of that there's a deadline. The women have just eleven months to complete their manuscripts. Who will win the competition - and can there be any real-life happy endings?

Woman and Socialism (English Edition) - August Bebel 2014-11-12

Example in this ebook We are living in an age of great social transformations that are steadily progressing. In all strata of society we perceive an unsettled state of mind and an increasing restlessness, denoting a marked tendency toward profound and radical changes. Many questions have arisen and are being discussed with growing interest in ever widening circles. One of the most important of these questions and one that is constantly coming into greater prominence, is the woman question. The woman question deals with the position that woman should hold in our social organism, and seeks to determine how she can best develop her powers and her abilities, in order to become a useful member of human society, endowed with equal rights and serving society according to her best capacity. From our point of view this question coincides with that other question: In what manner should society be organized to abolish oppression, exploitation, misery and need, and to bring about the physical and mental welfare of individuals and of society as a whole? To us then, the woman question is only one phase of the

general social question that at present occupies all intelligent minds; its final solution can only be attained by removing social extremes and the evils which are a result of such extremes. Nevertheless, the woman question demands our special consideration. What the position of woman has been in ancient society, what her position is to-day and what it will be in the coming social order, are questions that deeply concern at least one half of humanity. Indeed, in Europe they concern a majority of organized society, because women constitute a majority of the population. Moreover, the prevailing conceptions concerning the development of woman's social position during successive stages of history are so faulty, that enlightenment on this subject has become a necessity. Ignorance concerning the position of woman, chiefly accounts for the prejudice that the woman's movement has to contend with among all classes of people, by no means least among the women themselves. Many even venture to assert that there is no woman question at all, since woman's position has always been the same and will remain the same in the future, because nature has destined her to be a wife and a mother and to confine her activities to the home. Everything that is beyond the four narrow walls of her home and is not closely connected with her domestic duties, is not supposed to concern her. In the woman question then we find two contending parties, just as in the labor question, which relates to the position of the workingman in human society. Those who wish to maintain everything as it is, are quick to relegate woman to her so-called "natural profession," believing that they have thereby settled the whole matter. They do not recognize that millions of women are not placed in a position enabling them to fulfill their natural function of wifehood and motherhood, owing to reasons that we shall discuss at length later on. They furthermore do not recognize that to millions of other women their "natural profession" is a failure, because to them marriage has become a yoke and a condition of slavery, and they are obliged to drag on their lives in misery and despair. [Nice Girls Just Don't Get It](#) - Lois P. Frankel 2011-04-19

Offering the same brand of practical, no-holds-barred, expert advice that

made *Nice Girls Don't Get the Corner Office* an international million-copy bestseller, *Nice Girls Just Don't Get It* teaches us the skills we need to turn from a nice girl into a winning woman, not just in our careers but in our relationships, families, and everyday lives. Have you ever felt invisible? Taken advantage of? Reluctant (or unable) to articulate what you really want? If so, join the club. The nice girls club. Nice girls—that's right, girls—are those more concerned with pleasing others than with addressing their own needs and haven't yet learned how to overcome the childhood messages cultural stereotypes keeping them from getting their voices heard, their needs met, and the lives they want. This book will turn those nice girls into winning women. That is, women who factor their own needs in with those of others, confront those who treat them disrespectfully, maintain healthy and mutually beneficial relationships with appropriate boundaries— and as a result, are happier and more successful in every area of their life. In 2004, Lois Frankel blew the lid off so many of our long-held ideas about gender and success with her bestselling *Nice Girls Don't Get the Corner Office*, which went on to become such a huge phenomenon, the term "nice girls" has secured a place in our cultural lexicon. Here, Frankel teams up with negotiation expert Carol Frohlinger to bring this bestselling advice out of the workplace and provide a broader set of skills that any woman—whether a CEO or stay-at-home mom—can use to win anywhere, with anyone. Presented in the straightforward, digestible format that helped make *Nice Girl's Don't Get the Corner Office* an instant hit, Frankel and Frohlinger outline seven practical strategies and 99 supporting tactics that every winning woman should know. By the time you've finished reading this book, you'll be able to:

- Get your husband to do his half of the household chores—without being made to feel like a nag.
- Stop overextending yourself by taking on all the unpleasant tasks no one on your volunteer board, or your team at work will go near.
- Win an argument with your mother in law about who will be hosting Christmas dinner.
- Have the courage to send back a meal that isn't prepared the way you'd ordered it.
- Confront a colleague who is shirking responsibility or taking credit for your work.
- Convince a sales person to

reduce a fee, waive a surcharge, or honor a store credit. • Question a doctor's course or treatment or request a second opinion, instead of simply going along in order to be a "good" patient. • Firmly but politely bow out of an extravagant vacation to celebrate a friend's birthday that you simply can't afford-without feeling guilty about it. And so much more. A must-read for anyone who's ever felt taken advantage of by a friend or family member, unappreciated by a spouse or partner, or exploited by a vindictive neighbor or co-worker, *Nice Girls Just Don't Get It* offers women the indispensable knowledge and skills to get the things they want, the respect they've earned, and the success they deserve. From the Hardcover edition.

Girl, Woman, Other - Bernardine Evaristo 2019-05-02

THE SUNDAY TIMES 1# BESTSELLER & BOOKER PRIZE WINNER
BRITISH BOOK AWARDS AUTHOR & FICTION BOOK OF THE YEAR
2020 'The most absorbing book I read all year.' Roxane Gay

_____ This is Britain as you've never read it. This is Britain as it has never been told. From Newcastle to Cornwall, from the birth of the twentieth century to the teens of the twenty-first, *Girl, Woman, Other* follows a cast of twelve characters on their personal journeys through this country and the last hundred years. They're each looking for something - a shared past, an unexpected future, a place to call home, somewhere to fit in, a lover, a missed mother, a lost father, even just a touch of hope . . . _____ [Bernardine Evaristo] is one of the very best that we have' Nikesh Shukla on Twitter 'A choral love song to black womanhood in modern Great Britain' Elle 'Beautifully interwoven stories of identity, race, womanhood, and the realities of modern Britain. The characters are so vivid, the writing is beautiful and it brims with humanity' Nicola Sturgeon on Twitter 'Bernardine Evaristo can take any story from any time and turn it into something vibrating with life' Ali Smith, author of *How to be both* 'Exceptional. Manifesto - Bernardine Evaristo 2021-10-07

'This honest, engaging memoir shares such gems . . . the perfect read for anyone who dreams big' The Times and Sunday Times, Books of the Year The powerful, urgent memoir and manifesto on never giving up from Booker prize-winning trailblazer, Bernardine Evaristo In 2019, Bernardine Evaristo became the first black woman to win the Booker Prize since its inception fifty years earlier - a revolutionary landmark for Britain. Her journey was a long one, but she made it, and she made history. *Manifesto* is her intimate and fearless account of how she did it. From a childhood steeped in racism from neighbours, priests and even some white members of her own family, to discovering the arts through her local youth theatre; from stuffing her belongings into bin bags,

always on the move between temporary homes, to exploring many romantic partners both toxic and loving, male and female, and eventually finding her soulmate; from setting up Britain's first theatre company for Black women in the eighties to growing into the trailblazing writer, theatre-maker, teacher, mentor and activist we see today - Bernardine charts her rebellion against the mainstream and her life-long commitment to community and creativity. And, through the prism of her extraordinary experiences, she offers vital insights into the nature of race, class, feminism, sexuality and ageing in modern Britain. Bernardine Evaristo's life story is a manifesto for courage, integrity, optimism, resourcefulness and tenacity. It's a manifesto for anyone who has ever stood on the margins, and anyone who wants to make their mark on history. It's a manifesto for being unstoppable. 'Raw and emotive . . . a powerful account of how Evaristo got to the top of her game - it's moving, but there's also much humour and joy' Independent 'Bernardine Evaristo is one of those writers who should be read by everyone, everywhere' Elif Shafak 'Bernardine Evaristo is one of Britain's best writers, an iconic and unique voice, filled with warmth, subtlety and humanity. Exceptional' Nikesh Shukla

Winning Her Business - Bridget Brennan 2019-03-05

Bridget Brennan, CEO of Female Factor, shows readers how to win sales and grow market share by creating a customer experience that appeals to the most powerful consumers: women. When people think about the world's growth markets, they often envision countries like China and India. Yet they miss the largest one right here at home, no matter where you call home: women. With women driving 70 to 80 percent of consumer spending, it would seem an obvious strategy to learn how best to appeal to this continually expanding market. Common sense? Yes. Common practice? No. In *Winning Her Business*, Bridget Brennan, advisor to some of the world's biggest brands and businesses, provides a roadmap for selling in a world dominated by the rise of women's economic power. Brennan introduces The Four Motivators® Framework, which shows how every company can help customers feel: connected to them, their brand, and their business, inspired to buy from them

specifically, confident in their buying decisions, and appreciated for their business. Showcasing best practices from brands as diverse as Lexus, Sephora, Allstate and the Minnesota Vikings NFL team, *Winning Her Business* offers invaluable insights into women as consumers and shows that almost all businesses have an opportunity to create an inclusive customer experience that inspires increased sales, referrals, and repeat business.
