My Own Worst Enemy - Lily Lindon 2023-06-08

Emmy is her own worst enemy. So why does she fancy someone who looks like her? Overthinker and recent drama school graduate Emmy Clooney (no relation) will do anything to be successful, despite the lack of great roles for queer actors. But in the audition room for what could be her big break, Emmy meets rising star, Mae Jones. Mae is the same casting type as Emmy, so they'll always be fighting for the same parts ('Short-haired Lesbian'). Unfortunately, Mae is also charming, talented, and very, very hot - which means Mae is not just Emmy's casting type, she's also her romantic type... When their opposite personalities clash, Emmy and Mae begin a fierce competition to win the best parts. But if they're cast in the same show, will they find a way to act nicely - or take their rivalry to the next stage?

The Homecoming Masquerade (Girls Wearing Black, #1) - Spencer Baum

2014-08-24

In a posh suburb of the nation's capital, at the most exclusive high school in the world, the vampires who secretly run the government have created a game for America's daughters of privilege. Show up to Homecoming in a black dress and you've entered yourself in a contest where the winner becomes a vampire, and the loser becomes the winner's first victim. Only the wealthiest, most connected students can hope to win, so when new girl Nicky Bloom wears a black dress to Homecoming, everyone assumes she has a death wish. They don't know that Nicky has her own agenda. As the dance continues into the night, they will find out that Nicky Bloom is far more than she seems.

Diary of the Beloved Book One - Alesa Acorn
2011-05

At 13 years old, Catherine Hepburn is described by her friends as the prettiest girl in the county. However, the description favoured by her family is that of a good girl with big ears. In fact, her

mother and housekeeper often take the time to help Catherine style her hair in a manner to help hide her big ears. Gifted by her Uncle Nicholas with a diary one Christmas, Catherine begins to record in it the events and circumstances involving the lives of her family and friends. Unknowingly, she records the events of the Hidden, children of noble birth who are hidden in common households until they are of an age to inherit their nobility. At 25 years old, trying to realize her dream as the CEO and Founder of the National Paralegal Foundation is a daunting task for Simone Devereaux. Her days are spent caring for her mother who suffers from a hereditary mental disorder. Her nights are spent in the arms of her fiancé, District Attorney Jacque Parker and her lover, trust attorney Wolf Carlyle. On the death of her grandfather, Simone inherits his private library which contains an extensive collection of books known as the Diary of the Beloved written by Catherine Hepburn, her mother's college roommate. As she reads the diaries to her mother, soon it becomes clear to Simone that Catherine's diaries hold the secrets of the Hidden, children of noble birth who are hidden amongst commoners until they are of an age to inherit their nobility. With the help of her fiancé and her lover, Simone must learn the identities of the hidden in order to save the life of her mother.

Diary of a South Beach Party Girl - Gwen Cooper
2007-04-10

South Beach in the late 1990s is a town of blink-and-you'll-miss-'em nightclubs populated by celebrities, models, mobsters, heiresses, drug dealers, drag queens, and fun seekers of all stripes. It's a place where the famous come to party like locals, the locals party like rock stars behind velvet ropes, and the press is savvy enough to know what not to report. Rachel Baum is a sheltered, career-oriented everygirl when she moves to South Beach from her quiet Miami suburb, searching for a life less ordinary. Quickly making friends among SoBe's most exclusive scenesters, she spends her days

building a career and her nights building a reputation. But in a town where friends become enemies faster than highs become hangovers, the life less ordinary turns into more than Rachel bargained for. As she pursues the endless party in penthouses, dive bars, after-hours clubs, and cocaine speakeasies, Rachel struggles to balance her goals and ambitions with the decadence and excess -- especially her drug-fueled, on-again off-again relationship with Yale-graduate-turned-addict John Hood -- that threaten to destroy everything she's always worked for. With tremendous wit and razor-sharp insight, *Diary of a South Beach Party Girl* portrays the innermost sanctums of South Beach's privileged Beautiful People through the eyes of a no longer innocent heroine.

Norman Reedus: True Tales of The Walking Dead's Zombie Hunter - Mc Shapiro
2015-09-10

Where does reality stop and fantasy begin? In the case of *The Walking Dead* superstar Norman Reedus, the question is still very much up in the air. His Daryl Dixon is a very flawed, psychologically scarred character in a zombie-infested world. And there is much in his portrayal that is informed by a real life that is equally flawed and equally scarred. In *Norman Reedus: An Unauthorized Biography: True Tales of the Walking Dead's Zombie Hunter*, the first detailed look at Norman Reedus' life and times, you will get it all. The good, the bad and the ugly. This book chronicles his days as a defiant young man in a fractured but ultimately liberating family life, allegations of physical abuse from Reedus himself, to his struggles in the Los Angeles art underground, alcohol problems that saw him in AA and, for a time,

homeless, his breakthrough in acting, modeling and the slow, steady and never boring journey through love, fatherhood and his often truly odd professional choices. You'll discover why Reedus said thanks but no thanks to an offer to play opposite a reigning superstar, how he became Daryl Dixon and how *The Walking Dead* changed his life. Oh yes, there is that penchant for roadkill. New York Times Bestselling author Marc Shapiro has dug deep, tracking down people who knew him way back when as well as in the here and now for original interviews. They were willing to talk and they revealed stories about Reedus that even the most fanatic fans won't know. The author's research was relentless, digging into deep, dark and obscure corners. Norman Reedus' world is about real life wrapped around a world of fantasy. *Norman Reedus: The Unauthorized Biography: True Tales of the Walking Dead's Zombie Hunter* pulls no punches, tells only the truth and leaves the rest up to the reader. Which ultimately is the way Norman Reedus would want it.

Baby Gone Bye - Marilee Brothers 2013-11-29
He's a magic baby daddy. High school senior Gabe Delgado is trying to trade his bad-boy ways for clean living. He remembers nothing about the night a mysterious girl loved him and left him at a party, except . . . there was a kind of magic around her that had nothing to do with his hangover the next day. Now he finds that "magic" in a basket on his doorstep, cooing at him like a happy little bird. Gabe, you probably already know our baby is, well, different. If not, you'll find out soon enough. Let's just say she has certain qualities most babies don't have. The thing is, I'm scared. I'm on my own and can't keep her safe. But you can. You're strong. You have a family to watch out for her. Bad people want her. That's why I left her with you. I don't really understand what's going on, but it has something to do with *The Abolisco*. Don't try to find me. Please, take care of our baby girl and love her. Okay? *The Abolisco* are not friends of the family. They're on baby Birdie's trail, but why? Suddenly party-boy Gabe has to man up to protect his daughter. Not so easy when her talents include vanishing into thin air. It's up to Gabe and his girl-pal Abby--who has some extraordinary secrets of her own--to find out what's up with something called the Scientific

Academy of Merit, what the goons want with Birdie, and whether other kids like Birdie can be saved, too.

"Sawyer and Kaye fall in love despite hating each other"--

Love Me Tender - Ally Blake 2015-10-12

It was love at first sight... When her Papa loses his job, indomitable Serafina Scott insists it's her turn to take care of him - meaning landing a well-paying job...and fast. Which is how she ends up working for the Cinderella Project, a high-end matchmaking business, even though she's certainly no expert on affairs of the heart. Until she meets Murdoch, the gruff builder restoring her extravagant new work place. He's inscrutable, infuriating, and gorgeous...

Convincing them was a whole other matter. Murdoch finds Sera confounding...and luminous. But beneath her firecracker exterior, she is dangerously soft-hearted, and the last thing she needs is a broken brute like him. While Sera does her best to convince Murdoch that they are a match made in heaven, Murdoch makes it his mission to prove her wrong. Will it come down to who's the most convincing...or who's most willing to be convinced?

North of Supernova - Lindsey Leavitt

2023-06-06

□ When Stella's world is shaken up by her father's surprise engagement, she takes fate into her own hands with astrology, tarot, and crystals in this irresistible, heartfelt middle grade novel □ Stella North (Virgo) has waited her whole life for a coveted birthday party invite that will guarantee a friend-filled summer in Washington. Forget summer, this opportunity could change her universe. Maybe in this universe, she'll have less anxiety about big things, like the growing absence of her addict mom, and small things, like what everyone else is thinking or what she's wearing or or or... breathe. But those perfect summer plans implode when her Dad returns with a surprise from his business trip: his new fiancée, Whitney. Even worse, Stella and her brother have to spend the next couple of weeks in Whitney's Las Vegas home pretending like these absolute strangers are her family. At least

her potential stepsister feels the same way about ruining their parents' wedding. Together, the girls set out to discover (and ultimately change) the future through astrology, crystals, and even Magic 8 Balls. Yet nothing can predict the surprising friends, new maybe-more-than friends, and ghosts from the past that Stella encounters on her quest to find calm in a galaxy beyond control. Godwin Books

Ask a Manager - Alison Green 2018-05-01

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life.

Displaced - Bridget E. Baker 2019-10-15
 "A fast moving, engaging tale in what promises to be an epic fantasy romance series," Kirkus Reviews. The first time Chancery's twin sister tried to kill her was on their ninth birthday. In the intervening years, nothing improved. In fact, Judica stabbed her hand with a fork just this morning so she could take the last pancake. Then Judica threw it to her dog. But Chancery has a secret. She's been watching their people's finest warrior for years while she was supposed to be studying. He's gorgeous, powerful, and a genius in all military applications—flawless in every way. Chancery thinks he may like her, too. But he's supposed to marry her evil twin, because their mother chose Judica as her heir, the future empress of one-sixth of the earth. Chancery, sick of all the drama, decides to run away from court to live among the humans, but the day before she's supposed to leave, she's helping her prepare for a ball. She tries on her mother's royal ring and the staridium stone reacts to her. She inadvertently fulfills an ancient prophecy of the woman who will unite the six families and save the entire world. There's no way her mother's going to let her leave now, and things just became much more complicated. **★★★★ AWARDS!!** **★★★★ SOVAS 2020** Finalist in Fantasy-Best Voiceover (Audiobook) Whitney Award 2020 Finalist in Fantasy Publisher's Weekly BookLife Prize 2020, Quarter Finalist **CRITIC REVIEWS:** What are people saying about Displaced? Publisher's Weekly BookLife Prize gave it a 9.25/10: Displaced, the first novel in Baker's Birthright Saga, boasts a fleet, often inspired story of matriarchal superheroes on a Hawaiian island. The story's heart is the conflict between royal teen twins Chancery, the kind-hearted protagonist, and Judica, her cruel sister and the heir to the

throne. Baker's story pulses with exciting incident, and even though this is the first book in a series the climax is consequential and exciting, even as it entices readers with the promise of more. Baker's writing is swift but potent. She invests each scene with the heart of her protagonist, so it's always clear what's most important in each moment. The large cast is clearly described and differentiated, and scenes of action and romance both prove exciting. Chancery's perspective is likably wry for a royal narrator. The dialogue varies from flirty teen banter to regal proclamations, but always is crisply crafted. Baker brings fresh energy and invention to even familiar elements like the inevitable royal succession crisis. Her Evians' powers and customs fascinate, and Displaced never misses an opportunity to jolt readers with a surprise. Chancery is a strong and appealing protagonist, split between two worlds and ultimately dragged into battle against her own twin. Both sisters are vividly drawn, as are their paramours, guards, relations, and friends. A letter from Chancery's mother, after that queen's death, is a moving highlight of the story, and Chancery's exciting choices power the narrative from start to epic climax. Kirkus: The notoriously stingy Kirkus called Displaced, "a fast moving, engaging tale in what promises to be an epic fantasy romance series." Check out their full review here:

<https://www.kirkusreviews.com/book-reviews/bridget-e-baker/battle-song/> And best of all, READERS: "This book drew me in from the first page. Bridget is a fantastic writer, and the story is intense and beautifully written right out the gate. The authenticity of the characters, coupled with the well thought out and complete character storylines made me feel as if I was in the thick of the story with Chancery and Judica. I couldn't put it down. I read this book in my spare time over the course of 48 hours. It was absolutely irresistible. I quickly purchased the rest of the books in The Birthright Series, and am anxiously awaiting the sixth installment. After finishing this series, I actually read through all of Bridget's work, and each and every time, I was blown away by the care and attention to detail that she put into the story. I am in awe of the way that she can manage the

entire universe so beautifully. I haven't been this excited waiting for a new book to be released since I was a kid waiting for Harry Potter, or Twilight to come out." "It's been a long time since I've gotten addicted to reading a book, but Bridget is a very compelling author!" "She's phenomenal at laying hints, and she leaves no thread unfinished. What you get is a complete, clean story, everything answered beautifully. Her timing and pacing is incredible as well!" "If you love romance, if you don't mind starting a book and never wanting to put it down, and you want a strong female character who is written by a woman with insight into what that really looks like, this is it. Read it. Enjoy it."
