All Loves Excelling - Charles Wesley 2007

This component of the Abingdon Press Hymn Series contains eighteen original tunes to the most familiar hymn texts by Charles Wesley. Each hymn is presented first as text only, so that its theology and poetic beauty can be seen unencumbered by music. The second presentation is a "full music" version with interlined in standard hymn format. Finally, the hymn is set in "tune line" version, suitable for duplication in a bulletin. Tune writers are renowned, and provide a freshness such that it is like singing these ancient texts for the very first time. They are Dan Damon, Amanda Husberg, Jane Marshall, Mark Miller, Penny Rodriguez, and Carlton R. Young.

All Loves Excelling - John Bunyan 2020-02

All Loves Excelling is John Bunyan's sermon on Ephesians 3:17-18, 'That ye ... may be able to comprehend with all saints, what is the breadth, and length, and depth, and height; and to know the love of Christ, which passeth knowledge.' It was first titled 'The Saints' Knowledge of Christ's Love' and is worthy of being ranked alongside Sibbes and deals with a much neglected subject area. The subject matter of this work which was first preached, is greatly needed today. On the one hand, experiences of the Spirit are being claimed from which the glory of the redeemer and the wonder of his love are quite absent, while on the other, an almost total attention to the understanding and practising of scripture truth is having the effect of marginalising the experiential element in true, spiritual knowledge. Bunyan's description of Christ's love to believers and how they ought to know it, cuts in both the above-mentioned directions. From some 440 Bible references he shows how knowing Christ's love is the message of Scripture and also the essence of heaven, partly possessed and expressed on earth. Those who know it are rich beyond measure and they are the people who 'sweeten the churches and bring glory to God and to religion'.

The God Who Loves You - Peter Kreeft 2009-09-03

God's love is the subject of Peter Kreeft's imaginative and thoughtful book (a revised and updated version of his book *Knowing the Truth of God's Love*). With unusual clarity, Kreeft points out that the man or woman who begins to glimpse the God who is Creator, Redeemer, and Lover of our souls, will never be the same. He describes Scripture as God's love story and then tells why divine love is the answer to our deepest problems and the fulfillment of our deepest desires. Posing the hard questions about love that rankle the heart, Peter Kreeft never settles for easy answers. He exposes today's superficial attitudes about

love to lead people to a deeper understanding of what it means to be loved by God, addressing these issues and many more.

The Saint's Knowledge of Christ's Love - John Bunyan 2008-08-08

John Bunyan's *The Saints' Knowledge of Christ's Love* or *The Unsearchable Riches of Christ* (1692) is an exposition of Ephesians 3:18, 19, concerning the love of Christ. While preaching Christian values, Bunyan asserts that the scope of Christ's love encompasses all believers. Those who repent and regret their sins are covered in the blessings of the Father and the Son.
