**Around the Way Girls 9** - Ms. Michel Moore  
2014-07-01

Urban Books' popular Around the Way Girls series is back, bringing readers more dramatic tales about the lives of some tough, resourceful women who can hold their own when things get rough on the streets. Growing up poor and biracial, Shannon never quite fit in. Not truly accepted by either side of her family, the confused teenager turns to the one thing that loves her back unconditionally—the streets. With a bottle of liquor at her side and a worthless mentality in tow, Shannon allows the local strip club and the pole to become her new family. When one of her best customers turns out to be her long lost brother, all hell breaks loose. For

Brionna "Breezy" Lee, life has been hell for as long as she can remember. Being mentally, verbally, sexually, and physically abused at the hands of her mother, it seems as if she will never get a break. The only thing keeping her sane is her best friend King, who's always been by her side; but even he is starting to become frustrated, as she says she's fed up with the abuse, but continually makes excuses for why she won't seek help. Will Breezy's loyalty to a mother who couldn't care less about her cause even more tragedy, or will she listen to her friend and get out before it's too late? Cori and Nique are tired of living bottom barrel in Detroit, with shut-off notices and eviction threats a constant reality. Seeing no other way

out, the duo sets a plan into motion, becoming the go-to girls from the hood. From robbing an off-duty cop to running stolen gas cards, smash and grabs, or stealing bundles of expensive weave, they definitely don't play about their grind. In their world, sometimes being "Down 4 Whatever" is your only option!

women meet against the starkly white backdrop of New York City book publishing. Twenty-six-year-old editorial assistant Nella Rogers is tired of being the only Black employee at Wagner Books. Fed up with the isolation and microaggressions, she's thrilled when Harlem-born and bred Hazel starts working in the cubicle beside hers. They've only just started comparing natural hair care regimens, though, when a string of uncomfortable events elevates Hazel to Office Darling, and Nella is left in the dust. Then the notes begin to appear on Nella's desk: LEAVE WAGNER. NOW. It's hard to believe Hazel is behind these hostile messages. But as Nella starts to spiral and obsess over the sinister forces at play, she soon realizes that there's a lot more at stake than just her career. A whip-smart and dynamic thriller and sly social commentary that is perfect for anyone who has ever felt manipulated, threatened, or overlooked in the workplace, *The Other Black Girl* will keep you on the edge of your seat until the very last

*All the Way to the Top* - Annette Bay Pimentel  
2020-02-15

This is the story of a little girl who just wanted to go, even when others tried to stop her. Jennifer Keelan was determined to make a change--even if she was just a kid. She never thought her wheelchair could slow her down, but the way the world around her was built made it hard to do even simple things. Like going to school, or eating lunch in the cafeteria. Jennifer knew that everyone deserves a voice! Then the Americans with Disabilities Act, a law that would make public spaces much more accessible to people with disabilities, was proposed to Congress. And to make sure it passed, Jennifer went to the steps of the Capitol building in Washington DC to convince them. And, without her wheelchair, she climbed. ALL THE WAY TO THE TOP!

years. Passionate and fearless, Shange's words reveal what it meant to be a woman of color in the 20th century. Following in the successful footsteps of its predecessors, *Around the Way Girls 6* features three popular Urban Books authors presenting their versions of the tough, street-smart girls that everyone loves. Yana and Kiki had to grow up much too fast, thanks to their mother's drug

habit. They've got each other's backs, but even that might not be enough to protect them from the ruthless drug dealer who's got them under his thumb. Connie is tired of struggling to get by, so when a shady corrections officer introduces her to a sure thing, she jumps at the chance. It doesn't take long, though, for her to recognize that her new hustle is bringing more drama than she bargained for. Quiana wants nothing more than to do the right thing. After bearing witness to her mother's heinous murder at the hands of her drug-addicted boyfriend, she is struggling with the ramifications of losing the only person in the world who truly loved her. *Around the Way Girls 6* . . . the tradition continues.

—Independent “Bob Dylan’s back catalogue is used to glorious effect in Conor McPherson’s astonishing cross-section of hope and stoic suffering . . . It is the constant dialogue between the drama and the songs that makes this show exceptional.” —Guardian “Beguiling and soulful and quietly, exquisitely, heartbreaking. A very special piece of theatre.” —Evening Standard “A populous, otherworldly play that combines the hard grit of the Great Depression with something numinous and mysterious.” —Telegraph Duluth, Minnesota. 1934. A community living on a knife-edge. Lost and lonely people huddle together in the local guesthouse. The owner, Nick, owes more money than he can ever repay, his wife Elizabeth is losing her mind, and their daughter Marianne is carrying a child no one will account for. So when a preacher selling bibles and a boxer looking for a comeback turn up in the middle of the night, things spiral beyond the point of no return . . . In *Girl from the North Country*, Conor McPherson

beautifully weaves the iconic songbook of Bob Dylan into a show full of hope, heartbreak and soul. It premiered at the Old Vic, London, in July 2017, in a production directed by the author. Conor McPherson is an award-winning Irish playwright. His best-known works include *The Weir* (Royal Court; winner of the 1999 Olivier Award for Best New Play), *Dublin Carol* (Atlantic Theater Company) and *The Seafarer* (National Theatre). Bob Dylan, born in Duluth, Minnesota, in 1941, is one of the most important songwriters of our time. Dylan was awarded the Nobel Prize for Literature in 2016. He released his thirty-ninth studio album, *Triplicate*, in April 2017, and continues to tour worldwide.

There's a saying that if you come from my part of town, you're from around the way. Around the Way Girls 11 is a fast-paced look at the lives of some street-smart women who think they know it all, but are about to get the lessons of their lives. "Meal Ticket" by Treasure Hernandez: From the outside looking in, Yanna Banks lives what most would consider a perfect life; however, after the tragic death of her husband at the home of his longtime mistress, Yanna's teenage son is forced to step up and fill his father's shoes. Doing everything he can to help his mother make ends meet, the straight-laced student soon links up with an unlikely partner in crime. The two of them, both under the heavy-handed guidance of their mothers, become their households' sole meal tickets. They have no problem dealing with anyone that gets in the way, including one another. "Party Girls" by Clifford "Spud" Johnson: Tammy and Debbie grew up in the projects on Oklahoma's wicked

northeast side. Feeling hopeless, they chose to use their bodies to get what they wanted—until a frightening encounter inspires them to focus on schooling instead of the streets. Now Tammy is the youngest federal judge in the state of Oklahoma, while Debbie is a well-respected accountant. Deep down, though, they are still the same around the way girls from back in the day, and they sometimes still feel the urge to "get freaky with it." Of course, what's done in the dark—or in their case, under the sheets—will always come to light, causing complete and utter chaos. "Do or Die" by India Johnson-Williams: After a big indictment comes down on some of Detroit's major drug players, their women are left behind to keep the hustle afloat. Overnight their lives change for the worse. In Detroit, it's sink or swim, and eat or you starve; in the dope game, it's kill or be killed. The streets don't care who you are or where you come from. Will Kali, Hope, and Jamaica beat the odds with their quick wit and hustle-hard mentality, or will the

There's a saying that if you come from my part of town, you're from around the way. Around the Way Girls 10, like its predecessors, is a fast-paced look at the lives of some street-smart women who think they know it all, but are about to get the lessons of their lives. "What doesn't kill you only makes you stronger." For Katara, that statement is the furthest thing from the truth. Dealing with her mother's cancer, a special needs child, and a physically abusive husband that cheats on her at will, she is slowly losing her mind. Finally fed up with the tortured life she feels forced to live, Katara attempts suicide. What she thought would be an easy escape from reality soon turns out to be a fate she wouldn't wish on her worst enemy. Shay isn't for the games when it comes to self-preservation. Being abused by her stepfather since the age of ten, the teen has finally had enough. Her mother chooses not to listen to her pleas for help, which becomes a deadly mistake.

*around-the-way-girl*

Shay is soon arrested for manslaughter and sent away until her twenty-first birthday. Once she's released back on the streets of Detroit, Shay is a ticking time bomb waiting to explode, as she vows to never let anything or anyone hurt her again. Ajanay Holmes, Sheika Jones, and London Smith were born and raised in Whitcomb Courts, one of Richmond, Virginia's most ruthless housing projects. Faced with horrific home lives, all three girls turn to the streets and each other for comfort. Ajanay concocts a plan for them to use their voluptuous bodies and their sharp mouths to get money out of Amir, one of the biggest dope boys from a rival housing project. However, Amir is a stone-cold killer with a long criminal history, and she has put them in harm's way with no solid plan on how to escape. Will their love and loyalty for one another keep them together, or is it every woman for herself?

**In the Arms of Baby Hop** - Kenneth Attaway  
2006-10

Many times in my adult life, I have had what I would call an "awake out-of-body experience." During these times, I was peeking in at my life in a dream state; thinking this cannot be my life. I found myself asking the questions of what happened to the child who outsmarted the world and what happened to the teen who had all the answers and confidence to boot, and the young adult who never settled for can't. Well, somewhere along the way, the only thing left of who I was once was, were just shreds of an

almost non-existent life. Now, don't get me wrong, there were some good times along the way, but it certainly was not always smooth sailing. But what came later in life was no comparison to the early years. Not that long ago, my life was filled with disappointment, brokenness, worry, anxiety, and fear. I survived breakups and breakdowns, sadness and pain, grief and loss beyond description, all of which led to a one-way ticket to Depression Central. Getting off the road to depression was very difficult for me, but there is no job too hard for God. If you can relate to the paralyzing despair that I went through, then please know that I fellowship with you and understand the grip depression and anxiety can have on your life. However, I want you to know that your destination does not have to be a one-way ticket to the land of despair, instead, your journey can bring you to a place of joy and peace if you simply trust and believe in God.
