

give many different arguments in the support of their perspective. With the advent of science and technology, one more group has emerged which strongly believes that there is some sort of science behind the concept of Shiva Lingam. But what are the reasons behind this confusion? 1. There are some stories in the Hindu scriptures that depict it as a sexual organ while some stories say it is a column of fire. 2. Many different meanings of the words linga and yoni. 3. Ancient pillar/phallus worship. 4. Different practices of different Hindu sects. 5. The shape of a Shiva lingam. In February 2010, the encyclopedia Britannica removed a sentence about Shiva lingam from its article. "In temples and private shrines, Shiva is ... worshipped in the form of the lingam, or phallus, often embedded in the yoni, the symbol of the female sexual organ." It is believed that it did so because of the pressure of Netizens, but I doubt that a website like Britannica would do so unless there is some valid reason behind it. When we talk about religion, the scriptures are of utmost importance. Therefore, in this book, I have sought refuge mainly in scriptures to determine what exactly a Shiva Lingam is, but I have also considered other things like archaeological evidence, logic, history, science, etc. I am sure that this book would not only answer what a Shiva lingam really is but also you would learn many new things about Hinduism.

*Sacred Games* - Vikram Chandra 2011-03-03

An enormously satisfying, exciting and enriching book, Vikram Chandra's novel draws the reader deep into the lives of detective Sartaj Singh and Ganesh Gaitonde, the most wanted gangster in India. Sartaj, the only Sikh inspector in the whole of Mumbai, is used to being identified by his turban, beard and the sharp cut of his trousers. But 'the silky Sikh' is now past forty, his marriage is over and his career prospects are on the slide. When Sartaj gets an anonymous tip off as to the secret hideout of the legendary boss of the G-company, he's determined that he'll be the one to collect the prize. This is a sprawling, epic novel of friendships and betrayals, of terrible violence, of an astonishing modern city and its underworld. Drawing on the best of Victorian fiction, mystery novels, Bollywood movies and Vikram Chandra's years of first hand research on

the streets of Mumbai, this novel reads like a potboiling page-turner but resonates with the intelligence and emotional depth of the best of literature.

**The Vagina Monologues** - Eve Ensler 2000

THE STORY: An Obie Award-winning whirlwind tour of a forbidden zone, THE VAGINA MONOLOGUES introduces a wildly divergent gathering of female voices, including a six-year-old girl, a septuagenarian New Yorker, a vagina workshop participant, a woman

**HUMANS OF BOMBAY.** - KARISHMA. MEHTA 2017

Written by Salim-Javed - Diptakirti Chaudhuri 2015-10-01

The dramatic, entertaining story of the dream team that pioneered the Bollywood blockbuster Salim Khan and Javed Akhtar reinvented the Bollywood formula with an extraordinary lineup of superhits, becoming game changers at a time when screenwriting was dismissed as a back-room job. From Zanjeer to Deewaar and Sholay to Shakti, their creative output changed the destinies of several actors and filmmakers and even made a cultural phenomenon of the Angry Young Man. Even after they decided to part ways, success continued to court them—a testament not only to their impeccable talent and professional ethos, but also their enterprising showmanship and business acumen. Fizzing with energy and brimming over with enough trivia to delight a cinephile's heart, Written by Salim-Javed tells the story of a dynamic partnership that transformed Hindi cinema forever.

*When Dimple Met Rishi* - Sandhya Menon 2021-02-09

The inspiration for the Netflix original series *Mismatched!* Everyone is talking about this New York Times bestselling rom-com that Mindy Kaling called "utterly charming!" *Eleanor & Park* meets Bollywood in this hilarious and heartfelt novel about two Indian-American teens whose parents conspire to arrange their marriage. Dimple Shah has it all figured out. With graduation behind her, she's more than ready for a break from her family, from Mamma's inexplicable obsession with her finding the "Ideal Indian Husband." Ugh. Dimple knows they must respect her principles on some level, though. If they truly believed she

needed a husband right now, they wouldn't have paid for her to attend a summer program for aspiring web developers...right? Rishi Patel is a hopeless romantic. So when his parents tell him that his future wife will be attending the same summer program as him—wherein he'll have to woo her—he's totally on board. Because as silly as it sounds to most people in his life, Rishi wants to be arranged, believes in the power of tradition, stability, and being a part of something much bigger than himself. The Shahs and Patels didn't mean to start turning the wheels on this "suggested arrangement" so early in their children's lives, but when they noticed them both gravitate toward the same summer program, they figured, Why not? Dimple and Rishi may think they have each other figured out. But when opposites clash, love works hard to prove itself in the most unexpected ways.

*Encyclopedia of Indian Cinema* - Ashish Rajadhyaksha 2014-07-10

First Published in 1999. Routledge is an imprint of Taylor & Francis, an informa company.

**Revolutionary Desires** - Ania Loomba 2018-07-24

Revolutionary Desires examines the lives and subjectivities of militant-nationalist and communist women in India from the late 1920s, shortly after the communist movement took root, to the 1960s, when it fractured. This close study demonstrates how India's revolutionary women shaped a new female - and in some cases feminist - political subject in the twentieth century, in collaboration and contestation with Indian nationalist, liberal-feminist, and European left-wing models of womanhood. Through a wide range of writings by, and about, revolutionary and communist women, including memoirs, autobiographies, novels, party documents, and interviews, Ania Loomba traces the experiences of these women, showing how they were constrained by, but also how they questioned, the gendered norms of Indian political culture. A collection of carefully restored photographs is dispersed throughout the book, helping to evoke the texture of these women's political experiences, both public and private. Revolutionary Desires is an original and important intervention into a neglected area of leftist and feminist politics in India by a major voice in feminist studies.

**The Criminal Justice and Community Response to Rape** - Joel Epstein 1994

Describes recent reforms adopted in some jurisdictions, such as protecting the anonymity of the victim & allowing complainants to report sexual assault even when the victim chooses not to press charges. Law enforcement officials & district attorneys have worked to support compensation for victims & also have created victim-witness advocate positions to help victims navigate the criminal justice process & speed their recovery. Contains a glossary, resources, & tables.

**Indian Sex Life** - Durba Mitra 2020-01-07

"During the colonial period, Indian intellectuals--philologists, lawyers, scientists and literary figures--all sought to hold a mirror to their country. Whether they wrote novels, polemics, or scientific treatises, all sought a better understanding of society in general and their society in particular. Curiously, female sexuality and sexual behavior play an outside role in their writing. The figure of the prostitute is ubiquitous in everything from medical texts and treatises on racial evolution to anti-Muslim polemic and studies of ancient India. In this book, Durba Mitra argues that between the 1840s and the 1940s, the new science of sexuality became foundational to the scientific study of Indian social progress. The colonial state and an emerging set of Bengali male intellectuals extended the regulation of sexuality to far-reaching projects that sought to define what society should look like and how modern citizens should behave. An exploration of this history of social scientific thought offers new perspectives to understand the power of paternalistic and deeply violent claims about sexual norms in the postcolonial world today. These histories reveal the enduring authority of scientific claims to a tradition that equates social good with the control of women's free will and desire. Thus, they managed to dramatically reorganize their society around upper-caste Hindu ideals of strict monogamy"--

**Umrao Jan Ada** - Mirza Muhammad Hadi Ruswa 2018-12-03

Translated from the Urdu by Khushwant Singh. Umrao Jan Ada is perhaps one of the most enigmatic and forgotten female figures in South Asian Literature. The question of her existence, her beauty, her scholarly

abilities and her poetic gift remain a mystery. The book is an account of Umrao's life as a Lucknawi courtesan, a nautch girl, delivered in first person by Umrao herself, and documented by a close friend. Written more than a hundred years ago, the novel recreates the gracious ambience of old Lucknow and takes the reader on a fascinating journey through the palaces of wealthy nawabs, the hideouts of the colorful vagabonds and the luxurious abodes of the city's courtesans.

**Dear Ahmedbhai, Dear Zuleikhabehn** - Zuleikha M. Mayat 2009

In this collection of letters between a South African political prisoner and

a community organizer in Durban, two people who have never met become dear friends during the last decade of apartheid. Ahmed Kathrada is being held in Robben Island when he sends a letter to a former flat mate and receives a reply from the man's sister, Zuleikha Mayat, the "Betty Crocker" of South Africa and the editor of the best-selling cookbook *Indian Delights*. Virtual strangers, these two have in common their small-town Transvaal childhoods, and they find much to explore in their different approaches to culture, politics, and religion. The letters are written with wit and style as they discuss both the issues of the day and the sustenance found in memory.
