Bi Men - Ron Jackson Suresha 2013-05-13

A moving and pioneering celebration of the male bisexual self that addresses biphobia in our society In today's sexual world, both straight and gay and lesbian communities still often refuse to accept the reality of bisexuality. Bi Men: Coming Out Every Which Way confronts head-on the limiting views that bisexuality is a transitional phase of sexual evolution or a simple refusal to accept being either homosexual or straight. This pioneering collection of moving personal essays by bisexual men and those who love them explores what it means to be bisexual in today's monosexually oriented society. The millennial shift in sexual perspectives draws more and more men to come out as being attracted to both women and men. Bisexual and bi-curious men will find comfort and camaraderie in these stories about coming out, its impact on family and marriage, evolving perspectives on bisexuals within the LGBT community, and the building of acceptance and affirmation for bisexuality and polyamory. The nearly three dozen essays in Bi Men: Coming Out Every Which Way are told in the honest words of bisexuals, confirming the validity of their place in the world while illustrating that there are more bi men than anyone ever realized. These diverse and pioneering men's stories reveal a long-disguised and unconventional truth—that bisexuality is a valid lifestyle that does not threaten either sexual camp. Each contributor to this collection affirms the innate fluidity of self, sexuality, family, and community, and proclaims that sexuality is truly diverse in its predispositions and creativity. Bi Men: Coming Out Every Which Way

separates its essays into four parts: coming out and personal realization of bisexual nature bisexuality's effects on family and marriage an examination of the shifting viewpoints of bisexuality within gay communities ways in which bisexuals can affirm and respect their own desires and celebrate their sexual selves These intimate stories address: biphobia monosexual prejudice the impact on marriage family issues coming out to self, spouse, and family political and community issues religious and spiritual concerns Bi Men: Coming Out Every Which Way is a vibrant, reassuring call to bisexuals, the bi-curious, or anybody who knows and loves a bisexual/bi-curious man, to read and more completely understand the unique issues of being bisexual while providing the ultimate affirmation of bisexuality's existence.

The Best Erotic Short Stories of 2023, Volume 1 - Rayna Russell 2023-02-05

Hello friends!!! This is your friendly purveyor of smut, Rayna. I'm so glad to be back with another anthology of the best erotic stories of the year. I received so much generous feedback from last year's anthology, and I've integrated a lot of your thoughts into this new volume. Most notably, I sought out some more writers of color to bring some new, sexy perspectives. For those of you who are new - welcome! I'm a writer and editor and a voracious reader of erotic fiction. My favorite format for erotica, by far, is short stories. The writer is challenged to bring a plot to life in a few minutes, which really creates fast, fun plots. And you can sample different kinds of stories without much commitment. You may discover some things you didn't even know turned you on. This book has everything, from sweet first-time stories to the raunchiest gang bangs. And each writer brings a unique voice. I'm personally absolutely in love with this collection, and I hope you are too. Relax and enjoy The Best Erotic Short Stories of 2023... Volume 1! XOXO, Rayna

Best Bisexual Erotica - Bill Brent 2002

These erotic tales of bisexuality really run the gamut -- from Samurai-era Japan to an 18th century French nunnery; from a shape-shifting college dude to a lap-dance stripper to a man cross-living as a woman on the Canadian prairie in the early 1900s. Plenty of three-way affairs and

encounters, a moderate dose of bondage and S/M, and three great stories incorporating sex in the restroom! Despite all of this delightful romping, the tone of the book is more serious overall and somewhat darker than in the first volume, with well-developed plots featuring

characters dealing (and in some cases, Not dealing) with complex issues. Stories tackle the intricacies of polyfidelity, coming out, and forging a positive bisexual identity. There is a Lot for readers to sink their teeth into, and the range of contributions demonstrates a maturing of the bisexual erotic voice.
