Secrets, desires, and exquisite pie. It's all in a day's work at The Company. Growing up, I was the rough guy from the wrong neighborhood who couldn't catch a break. Posy was the pampered girl I tried to impress. But all she gave me was a single kiss before I had to skip town. Now I'm back, and the tables are turned. Posy runs a struggling pie shop. I'm the VP of a secretive billion-dollar security company. Not that I can tell her. There's a murderer on the loose in New York, and he seems to spend a lot of time at Posy's shop. It's my job to identify him before he can harm a hair on her pretty head. Going undercover as Posy's new barista wasn't my idea. I don't even drink coffee. But now I have to call her "boss," and do everything the curvy perfectionist asks of me. I'd forgotten how much we infuriate each other, and that she somehow fills me with both irritation and desire in the same breath. There's nobody more skilled

at stealth ops than me. I can bring this killer down. Right after I take a cold shower. Stay - Jennifer Sucevic 2022-04-06

From USA Today bestselling author Jennifer Sucevic comes a new, sexy standalone novel. Last year, I tanked my freshman year at college. It was nothing short of an epic fail. Instead of focusing on my classes and hockey, I cracked under the pressure and lost everything important to me. Nine months later, I've pulled myself together and am at a new university. A place where no one knows about my anxiety or how I totally went off the rails. It's a fresh start where I can get my life back on track and prove to my family that I'm not a screw up. This year, I'm focused on academics. Sure, I'll humor my roommate, Brooklyn, by going to a party or two, but I'm not about to make the same mistake twice by becoming unfocused. Unfortunately, someone should have mentioned that to a certain hockey playing hottie. He just won't take a hint and leave me alone. As much as I hate to admit it, if I had a type, Cole Mathews would fit

it to a T with his dark shaggy hair, golden-brown eyes, muscular arms, and damnable dimples. Oh, and did I happen to mention his wide chest? Yeah...totally dreamy. Er, if I were the dreamy sort, that is. Thank goodness I'm not. To make matters worse, he's ridiculously easy going. And yeah, nice. Definitely kryptonite. Which makes him much too dangerous for me and this year, I'm smart enough to realize it. --- "You can feel the emotions these characters go through and you just want to shake em up, to just reveal their heart's desires" -Ashin, GoodReads "Reed is so considerate of Em at all times, and Em just can't help but melt against him. Reed is alpha when he wants to be, but a cute bear whom you just want to squish and cuddle with" -Ashin, GoodReads "This one is hot and but manages to give you the warm and fuzzies at the same time" -Lisa, GoodReads "It had me swooning, crying happy tears and doing a happy dance at the end!" -Brittany, GoodReads "I'm so in love with this author, this was a great summer read!" -

Shari, GoodReads Topics- sports romance, college romance, new adult romance, college sports romance, hockey romance, college hockey romance, college romance books, friends-to-lovers romance, forced proximity romance. For readers who enjoy Helena Hunting, Elle Kennedy, Toni Aleo.

**Powerless** - Paris Hansen 2017-04-01

Love doesn't care about the demons of your past. With the memories of her past still haunting her, Finley Blake knew returning to L.A. was a terrible idea. In and out to watch her best friend get married, that was the plan. Drinking a bottle of Scotch with a gorgeous stranger was not. Denying the attraction would be pointless, but she's not sure any man is worth playing the Hollywood game again. All Liam Crawford wants for his day off is peace and quiet. Instead, he meets a bold, sensual woman at his friend's wedding, and she turns his world upside down. She's everything he didn't know he was looking for, but his career is a trigger she's not willing to

face. Winning Finley over is all Liam can think about. When they begin receiving creepy, threatening messages, he has to decide if he's willing to walk through fire for her or if the heat is too much for him to handle. The Finding Love series: Restless (Savannah and Gabriel) Powerless (Finley and Liam) Speechless (Meghan and Oliver) Breathless (Brooklyn and Declan) Priceless (Andi and Braeden) Harmless (Sylvia and Logan) - A Finding Love Holiday Romance The books in the Finding Love series can be read as standalones, however, for optimum enjoyment, they are best read in order. *Bitter Prince* - Vanessa Saint Loving the bitter prince will only lead to your bitter end... We're always taught that the right choices, are the easy choices. But that's a lie. Because with enough money, and enough power, right and wrong can be easily manipulated. Altered. Changed. And the Carlisle's have done just that for years. They think they're invincible—but they're wrong. And I'm gonna

prove it. Beneath their impeccable exterior lie dark secrets waiting to be discovered. Secrets powerful enough to bring their whole family down. And I'm going to expose them. I know they deserve what's coming. They really do. But why then do I feel these flashes of guilt? It's because of him. Jude is done with me—he's made that very clear—but that hasn't stopped the bitter prince and his fiancée from torturing me at every turn. And it doesn't help that we're seemingly forced into each other's company more now than ever. We aren't meant to be. I know that now. But I also know I can't deny this fierce forbidden heat that burns between us at every encounter. I thought I knew what I wanted. Knew what I needed. But Jude is like a drug I can't quit, and if I don't free myself from this addiction, it's going to destroy me... This is a dark bully romance intended for readers 18+. This book contains dark themes, including abuse, violence and sexual relationships that some readers might be uncomfortable with.
