OCD Scrupulosity in the Mind of a Churchgoing Child - Psychology Today

The Conscious Sexual Self Workbook - Melissa Jebian Fritchle 2014-11-07

Unlike any other sex education you have had, The Conscious Sexual Self Workbook guides you to look to yourself for answers. Written by an experienced sex therapist and educator, this book gives you accurate holistic information about sex and sexual relationships, but it also provides you with questions and exercises to help you explore your own sexual history, values, and desires. Discover the richness and passion of your own unique and dynamic sexuality. What people are saying ... Illuminating, compelling and inspiring...this instilled new hope in me. How refreshing to open to a whole new way of knowing myself. Full of questions I had never contemplated before. This peeled away layers that allowed me to be more intimate and passionate with my partner. I love that I can define what optimal sexuality is for me! Now I have more courage and honor myself and also to be more direct, open and also nonjudgmental in hearing other people's sexual stories. This is the perspective on sexuality I had been waiting for!

**Sex, Celibacy, and Priesthood** - Lou A. Bordisso 2011-08

The traditional Catholic Church views true celibacy as a gift from God. But today's reality paints a much different picture. In *Sex, Celibacy, and Priesthood*, Lou A. Bordisso reviews the research on sexual activity and celibacy among Catholic priests. Featuring heart-wrenching, anonymous, and candid self-disclosures about the sexual behaviors of heterosexual, gay, and bisexual priests, Bordisso explores the meaning of celibacy in accordance with Roman Catholic Church teachings, doctrine, and canon law. *Sex, Celibacy, and Priesthood* provides an honest and frank study of current perspectives on celibacy in light of priestly sexual behaviors. It allows for Roman Catholic priests to speak out in their own voices about their struggles and the conflicts they experience between celibacy and their sexual activities. At a time when most are disgusted with the sexual scandal coverups, smokescreens, and veil of secrecy provided by many Roman Catholic bishops and their apologists, *Sex, Celibacy, and Priesthood* tells the truth and encourages us to think imaginatively and compassionately about an issue of crucial importance to the Roman Catholic Church at this moment in history.

Child Sexual Abuse and the Catholic Church - Marie Keenan 2013-07-18

A meticulously researched inside look at child sexual abuse by clergy, this exhaustive, hard-hitting analysis weaves together interviews with abusive priests and church historical and administrative details to propose a new way of thinking about clerical sexual offenders. Linking the personal and the institutional, researcher and therapist Marie Keenan locates the problem of child sexual abuse not exclusively in individual pathology, but also within larger systemic factors, such as the very institution of priesthood itself, the Catholic take on sexuality, clerical culture, power relations, governance structures of the Catholic Church, the process of formation for priesthood and religious life, and the complex manner in which these factors coalesce to create serious institutional risks for boundary violations, including child sexual abuse. Keenan draws on the priests' own words not to excuse their horrific crimes, but to offer the first in-depth account of a tragic, multi-faceted phenomenon. What emerges is a troubling portrait of a Church in crisis and a series of recommendations that call for nothing less than a new ecclesiology and a new, more critical theology. Only through radical institutional reform, Keenan argues, can a more representative and accountable Church emerge. *Child Sexual Abuse and the Catholic Church* is a unique reference for scholars of the Church and therapists who work with both victims and offenders, as well as a forward-thinking blueprint for reform.

Catholic Sexual Pathology and the Western Mind - Michael Stephen Patton 2020

This book documents with historical and clinical data the correlation between Catholic sexual orthodoxy and Catholic sexual pathology.

Integrity Restored: Helping Catholic Families Win the Battle Against Pornography (Revised and Expanded Edition) - Peter C Kleponis, Ph.D. 2019-11-01

Alarming numbers of men, women, and teens struggle with frequent or habitual pornography use today. Among them are many faithful Catholics desperate for hope and healing. In *Integrity Restored: Helping Catholic Families Win the Battle Against Pornography*, clinical therapist Dr. Peter Kleponis equips readers to embark on a path of recovery. Drawing heavily from Catholic teaching on human sexuality, Kleponis provides resources and insight for parents, educators, pastors, and all struggling to overcome an addiction to pornography. In this newly updated edition, Kleponis looks at new technologies, apps, and services that

pose the biggest threat to Catholics today.

Sex as God Intended - John J. McNeill 2008

Noted biblical scholar McNeill offers further insight into the role of sex in the Bible and how the original viewpoints have been twisted by the Catholic Church over the years.

**Religion and Sexual Health** - R.M. Green 2013-03-14

Religious beliefs and attitudes have long been recognized as playing an important role in sexual functioning, but the relationship between religion and sexual behavior has rarely been studied in a comprehensive way. The essays in this volume bring the views of sex counsellors, therapists, theologians, and bioethicists to bear on the relationship between religion and sexuality. A major theme emerging from these essays is that religion and counselling need to learn from one another. Religious traditions, at the popular or theological levels, are often marked by ignorance and misinformation about sexuality and can benefit by the insights of those who work closely with patients in medical and counselling settings. Counsellors, in turn, need to develop a sensitivity to past and present religious attitudes toward sexuality in order to assist their patients achieve sexual health.

**The War on Psychotherapy** - Christopher Doyle 2019

Psychotherapist Christopher Doyle provides a map of the assault on personal freedom and religious liberty and shows how clinicians, legislators, and citizens can work together to stop fraudulent LGBT activism, end harmful counseling practices, and ensure effective assistance for those struggling with sexual and gender identity conflicts.

**Beyond Belief** - Colm O'gorman 2010-04-01

'I was living in a world where a priest who spoke the words of God used me for sex, and there was no-one to tell. The world where this horror happened didn't exist for anyone else.' As a boy in Ireland where everyone -- from among his own neighbours to the powers of church and state -- chose to deny that a priest could sexually assault a child, Colm O'Gorman felt only shame, guilt and fear at the regular rape and abuse he suffered. But Colm would go on to make history, successfully suing the Roman Catholic Church, asking questions of the Pope himself and creating a watershed in history as hundreds more victims found the courage to report their abuse. *Beyond Belief* is a powerful story of a young man's shame turning to outrage, and demonstrates that -- whatever our past hurts -- there is hope for the future if we are prepared to stand for truth.

*An Intimate Life* - Cheryl T. Cohen-Greene 2012-11-13

The real life behind Helen Hunt's Oscar-nominated performance in *The Sessions*: "A provocative and unusual book about a provocative and unusual profession" (Booklist). For the past forty years, Cheryl Cohen Greene has worked as a surrogate partner, helping clients to confront and ultimately accept their sexuality. In this riveting memoir, Cohen Greene shares some of her most moving cases, and also reveals her own sexual coming-of-age. Beginning with a rigid Catholic upbringing in the 1950s, where she was taught to think sex and sexual desires were unnatural and wrong, Cohen Greene struggled to reconcile her sexual identity. In the 1960s Sexual Revolution, Cohen Greene found herself drawn to alternative sexual paths, and ultimately achieved a rich and rewarding career as a surrogate partner. Sex surrogacy as a profession was first developed by noted sex researchers Masters and Johnson in the 1960s, and since its inception has remained in the shadows. *An Intimate Life* offers a candid look into the personal and professional life of a surrogate partner, examining the cultural and emotional ramifications of pursuing something most people consider taboo. The memoir opens with Cohen Greene's work with Berkeley-based poet and journalist Mark O'Brien, who was confined to an iron lung after contracting polio at age six. His short essay "On Seeing A Sex Surrogate" was adapted into the film *The Sessions* starring John Hawkes and Helen Hunt as Cheryl T. Cohen Greene.

**The Secret Pleasure - Anal Sex** - Celso Marzano 2016-03-14

Not long ago, doctors started a fieldwork in the area of sexology, and there are very few of them who adventure themselves in this field and write about what they know. Among them, only a smaller number choose the delicate subject that Doctor Celso Marzano has chosen. Only after years of clinical work and with confidence on his work and on himself is that he chose to write about this human behavior matter. It's already been written that we, Brazilians, because of the importance that we give to this subject, are

sodomites. If we are or not, there is no doubt: we are. The question isn't even if we are more or less than other people. The question is that, in order to be a sodomite, we need to act wisely. And in this book we have an analysis, a guide, not with recipes and hygiene advices, but with a new light upon the secrets of the myth that surrounds anal sex. Being impartial when it comes to delicate issues can challenge creativity and maturity. And reading this book, the reader will observe that the author owns both characteristics. And that's rare among the elite that we have described at the beginning of this preface. Taking responsible information, free of prejudice to those who are interested in the subject is not an easy task. People who are dedicated to sexology know how intensely this matter moves in society. Some religions used anal sex practice as an example of typical sinful human behavior. Feminists dressed it as the ultimate proof of the desire that sexists have for humiliating women. This book studies the subject through the eyes of a constructive and guided sexology, not losing sight that the future will give this practice the destiny that the past wasn't bold enough to foresee. In spite of this future, we have here a study that deserves to be read and analyzed as a new challenge to conquer over prejudices and make people aware of the motivations and consequences of sodomy. Md. Eliezer Berenst

**Counselling Adult Survivors of Child Sexual Abuse** - Christiane Sanderson 2006

This updated and expanded edition provides comprehensive coverage of the theory and practice of counselling survivors of child sexual abuse (CSA). In a reasoned and thoughtful approach, this book honestly addresses the complex issues in this important area of work, providing practical strategies valuable and new insights for counsellors.

*Human Sexuality* - 1991

**Sin or Salvation** - Amy Mahoney 2013-10-18

When in therapy, women inevitably present both sexual and spiritual issues of importance. However, there has yet to be brought forth an integrating approach to women's sexuality and spirituality. The book fills this gap, integrating these two diverse yet connected aspects of therapy. This innovative exploration of women's experiences of their sexuality and spirituality is presented from a feminist psychological perspective, clearly illustrating the dichotomy that exists in Western culture and offering a unique approach for convergence. This book provides therapists with positive and self-affirming viewpoints and practical strategies to help harmonize sexual and spiritual issues in women clients. The book uses a synergistic perspective to facilitate healing for women's psycho/sexual/spiritual growth and development. Therapists are provided with invaluable tools for personal understanding and clinical practice when considering sexuality and spirituality and how they interact in a client's life. This book is crucial reading for psychotherapists, counselors, social workers, educators, pastoral counselors, and anyone interested in learning more about the intersections between sexuality and spirituality. This book was published as a special issue of *Women & Therapy: A Feminist Quarterly*.

**Coming Out & Covering Up** - Lisa Rene Reynolds 2004

For the first time ever, we are able to glimpse behind the cloak of clergy privilege, to finally hear from the priests themselves on the pedophilia scandals that have rocked the hierarchy of the Catholic Church. Renowned family therapist and counselor Lisa R. Reynolds, PhD, poses the questions we've all wanted to ask but were scared to - topics ranging from isolation and loneliness to masturbation and sexuality. With an introduction by best-selling author and priest Andrew Greeley, this book discusses the reality of daily life in the priesthood and presents an even-handed collection of the personal thoughts and reflections of practicing priests.

**Counselling Skills for Working with Shame** - Christiane Sanderson 2015-08-21

Counselling Skills for Working with Shame helps professionals to understand and identify shame and to build shame resilience in both the client and themselves. Shame is ubiquitous in counselling where there is an increased vulnerability and risk of exposure to shame. While many clients experience feelings of shame,

it is often overlooked in the therapeutic process and as a result can be left untreated. It is particularly pertinent when working with clients who have experienced trauma, domestic or complex abuse, or who struggle with addiction, compulsion and sexual behaviours. Written in an accessible style, this is a hands-on, skills-based guide which helps practitioners to identify what elicits, evokes or triggers shame. It gives a general introduction to the nature of shame in both client and counsellor and how these become entwined in the therapeutic relationship. It focuses on increasing awareness of shame and how to release it in order to build shame resilience. With points for reflection, helpful exercises, top tips, reminders and suggestions for how to work with clients, this is a highly practical guide for counsellors, therapists, mental health practitioners, nurses, social workers, educators, human resources, trainee counsellors and students.

[Sexual Misconduct in Counseling and Ministry](#) - Peter T. Mosgofian 2009-05-01

Sexual misconduct by ministers and other Christian professionals has reached epidemic proportions. One major church insurer has handled over 1,200 cases in the past eight years, many involving child sexual abuse, often with multiple victims. How should the church respond when Christian counselors cross sexual boundaries? What should be done when the healer wounds? What is the church's responsibility both to misbehaving professionals and to their victims? Combining their extensive counseling experience and legal expertise, the authors of this volume offer a well-written, practical book loaded with the thorny issues of sexual exploitation by religious professionals. Here is tested wisdom that can help. o A recovery strategy for victims o Proactive ways to safeguard against improper sexual behavior o Screening and early intervention strategies o Restoring fallen ministers and church leaders o Dealing with homosexual misbehavior, seductive clients, recovered memories, and false allegations o Assessing legal consequences of your policies The wise counsel in this timely book can help us find remedies for a growing problem that threatens the Christian church.

*The Wiley Handbook of Sex Therapy* - Zoë D. Peterson 2017-04-24

The Wiley Handbook of Sex Therapy is a comprehensive and empirically-based review of the latest theory and practice in the psychotherapeutic treatment of sexual problems across client populations. Structured in four sections covering specific sexual dysfunctions, theoretical approaches to sex therapy; working with client diversity; and future directions in sex therapy Advocates a holistic approach to sex therapy with a focus on using a range of psychotherapeutic theories and techniques rather than only the most popular behavioral strategies Includes case studies which highlight the broad spectrum of diverse conditions that clients can experience and which sex therapists can therefore encounter in the consulting room Includes contributions by more than 60 experts from a wide range of disciplines

**Just Married** - Gregory K. Popcak 2013-09-23

In *Just Married: The Catholic Guide to Surviving and Thriving in the First Five Years of Marriage*, nationally syndicated radio hosts and international family life speakers Greg and Lisa Popcak combine decades of counseling, the latest findings in marriage research, more than twenty years of marriage, and the wisdom of Catholic teaching to offer couples the most up-to-date look at what it takes to create and sustain an incredible Catholic marriage that will last a lifetime. Recent research indicates that now more than ever couples report feeling insecure about their ability to create a marriage that will withstand the test of time. In *Just Married*, Catholic therapist Greg Popcak and family life coach Lisa Popcak offer newlyweds a master plan for growing a strong bond in the first five years of marriage. Through the Popcak's experience of a rocky start to their own marriage and their expertise in marriage counseling, readers will learn that despite the odds, every couple has the capacity to live happily ever after. Couples will discover that they need only commit to learning the critical skills of the first five years of marriage, including: praying together, conflict resolution, stress management, and holy sex.

**Ethical Issues in Sex Therapy and Research** - Reproductive Biology Research Foundation (U.S.) 1977  
Proceedings of a conference held Jan. 22-23, 1976. Vol. 2 is proceedings of the Masters & Johnson Institute Ethics Congress, held in St. Louis, Jan. 25-27, 1978. Includes bibliographical references and index to v. 2.
