To Have, to Hold, and to Never Let Go - Cattina C. Coleman
2012-12-28

I am a woman of many attributes and as impressive as my background is I too find it hard to juggle a relationship, family, friends, and my career. With a two year old son, a new found relationship with a handsome young man who is just a year younger than me but so much wisdom he could teach a teacher; still pursuing my Doctorate Degree in Business, and building a company from the ground up; has definitely put my life in the fast lane. The inspiration to my book was having seen male friends of mine who are battling their own love lives and or the family. I wanted to create a book to help guide them in a path where they too can understand where we women are coming from when we ask them a million and one questions about relationships and family. So in my book *To Have, To Hold, and To Never Let Go*, I am letting men know the inner thoughts and acts of women and show how we are not that much different from you guys in the sense of commitment. The same thoughts you men have us women have too; we just go about them a little differently. So in this book allow these chapters to guide you men on how *To Have a Woman, Hold a Woman, and To Never Let Her Go*.

The Dreamer and the Fantasy Relationship - Natalie Lue 2013-10-08
Most people if asked, would deny that they'd ever had a fantasy relationship as they're associated with pretending to be with somebody or in something that's non-existent, however, it's time for you to change what you think you know. Struggled to get over a relationship that didn't truly exist? Don't understand how you wound up spending years with someone you hardly see? In love before you've even gone on that first date with somebody you met on dating site? Keep letting your assumptions and projections run away with you? In this modern age of

texts, email, Facebook, online dating, and casual relationships, it's never been so easy to have a fantasy relationship. An increasing number of people are satisfied with sprinklings of attention and interaction, because they can have the illusion of being loved, cared for, and in control, while also avoiding commitment, intimacy, and 'full-on' rejection. *The Dreamer and the Fantasy Relationship* explains how fantasy relationships work, why they're so attractive, and the types of fantasy relationship and people that you're likely to be involved with. A companion book to *Mr Unavailable and the Fallback Girl*, the no holds barred guide to understanding emotional unavailability, author Natalie of popular relationship and self-esteem blog *Baggage Reclaim*, gets to the heart of the issue so that you can reclaim your power. Packed with practical tips and tools for breaking the habit, and tackling issues such as fear of abandonment, rejection, criticism, and conflict, Natalie's empowering and often humorous take on fantasy relationships will help you to take action in your present and find happiness and increased sense of self in reality.

Frustrated by her own ineffective taste, she resolved to leave her love life up to fate, dating anyone who asked her: homeless men, a millionaire, several non-English speakers, a mime, and even two women. And finally, one man whose baggage would have disqualified him in any other year . . . but this was the Year of Yes, when Headley would finally discover what was really important.

Mr. Unavailable and the Fallback Girl - Natalie Lue 2011

Are you the Fallback Girl? If you've ever found yourself in a relationship that feels and seemingly looks like one but you're struggling with commitment or you've been in the ambiguous territory of a 'casual relationship', you've likely tried to change them, wondered what you 'did' to cause this, what you can do to win their love and commitment, or even whether you're going crazy. *Mr Unavailable and the Fallback Girl* is the definitive guide to understanding the relationship between emotionally unavailable men and the women that love them. From explaining how and why they blow hot and cold, to where that future they promised went to, how you've ended up being a booty call, why you've been together for a gazillion years but aren't going anywhere, and more importantly how and why you're involved with them in the first place, all of the answers are here. You know you're dealing with unavailability when you ask stuff like What happened to that 'great guy' from the beginning? Why won't he break up or stay away if he doesn't want to commit? What the hell did I do to make him disappear? Is he going to leave 'her' for me? It's because he's shy/busy/scared of his feelings isn't it? Inspired by the real life adventures in unavailability of Natalie Lue and the readers of her site BaggageReclaim.com, *Mr Unavailable and the Fallback Girl* is an empowering, entertaining and inspiring read that will wise you up to pitfalls such as men who aren't over their exes, Future Fakers, guys that have more baggage than a Heathrow terminal and reappearing childhood 'sweethearts'. Note - the book is in British English not US English.
