America Goes Hawaiian - Geoff Alexander 2018-12-31

How did Hawaiian and Polynesian culture come to dramatically alter American music, fashion and decor, as well as ideas about race, in less than a century? It began with mainland hula and musical performances in the late 19th century, rose dramatically as millions shipped to Hawaii during the Pacific War, then made big leap with

the advent of low-cost air travel. By the end of the 1950s, mainlanders were hosting tiki parties, listening to exotic music, lazing on rattan furniture in Hawaiian shirts and, of course, surfing. Increasingly, they were marrying people outside of their own racial groups as well. The author describes how this cultural conquest came about and the people and events that led to it.

Savor the Flavor & Get Twice the Luv - Jamala M. Johnson 2015-01-23

Pink Passion: A ruling passion motivates, pushes, stretches, encourages, inspires and in some instances a ruling passion might even challenge you to reach your full potential. Make no mistake about it, a ruling passion is much different from a goal. In general, a goal is a set deadline or time frame establish by the goal setter to complete and accomplish a particular task. Normally, goal setters classify goals into categories, short term and long term. For a tantamount of consumers and shoppers, once a goal is set it stays at the center of attention until the goal is accomplished. Totally different from a goal__putatively, a passion, so to speak, is something that you love to do more than anything else that you do daily. Straight forwardly speaking, when you have a passion it consumes your every thought, it pretty much paints the picture of how you view, see, and live life. A strong feeling, longing, or desire;each of us as consumers and shoppers have different passions__ostensibly, even with the various passions available as choices, some consumers and shoppers have not found their ruling passion, understandably, it could take years before a consumer or shopper stumbles upon their ruling passion. At any rate that you find your passion, a passion or a ruling passion could be just about anything that you love and enjoy to do at home, away from the job, on vacation and during holidays. From shopping to blogging to cooking to singing to acting to dancing, it's what you love to do the most, it's what motivates, pushes, stretches, encourages, inspires, and challenges you, it's your ruling passion. In previous years, I have had a passion to try and do many things. While in college, I rediscovered my passion for the English language and writing. Within the past seven years, I developed a passion for shopping and blogging. 2009, I

developed a passion for pink. Along with my passion for pink, I believe my ruling passion is to be an award winning editor and writer.

Veritably, all passions begin with you_if you have found your ruling passion stick with it, share it, and create a niche for your passion. And for the percentage of you (consumers and shoppers) who you havent found your ruling passion, start_right now and start doing what you love and enjoy, it's not too late.

Murder in Hawaii Mysteries 5-Book Bundle: Murder in Maui\Murder in Honolulu\Seduced to Kill in Kauai\Dead in Pukalani\Murder on Kaanapali Beach - R. Barri Flowers

Murder in Hawaii Mysteries 5-Book Bundle contains five full length bestselling suspense thriller novels by bestselling crime writer R. Barri Flowers, including Murder in Maui, Murder in Honolulu, Seduced to Kill in Kauai, Dead in Pukalani, and Murder on Kaanapali Beach. Murder in Maui: A Leila Kahana Mystery is a police procedural medical mystery novel set in the lush, deceptively idyllic tropical paradise of Hawaii. Maui County homicide detective and composite sketch artist Leila Kahana and partner Detective Sergeant Blake Seymour investigate the execution-style murder of two prominent doctors in an upscale condominium. As they interview suspects and collect evidence, more doctors are murdered, making it clear to all that they have a ruthless and determined serial killer on their hands. Murder in Honolulu: A Skye Delaney Mystery is a private investigator crime novel centered on the lush Hawaiian island of Oahu. Ex-cop turned PI and security consultant Skye Delaney investigates the apparent suicide of ex-husband and former prosecutor turned businessman, Carter Delaney, after he had hired her to learn if his new young wife was having an affair. As the bodies continue to pile up, Skye puts her neck on the line to find out the truth and nail a ruthless killer who has targeted her for death. Seduced to Kill in Kauai is a tropical island novel of psychological and erotic suspense and financial intrigue. Pushing forty, Jack Burke was living the good life as a

successful advertising executive with a gorgeous wife in Hawaii before, in the blink of an eye, his life began spiraling out of control. Temptation, infidelity, betrayal, deceit, and murder, leaves Jack left wondering if there is any way out. Or will he lose everything, including possibly his life? *Dead in Pukalani: An Eddie Naku Maui Mystery* is a private eye Hawaii crime novel. Private investigator Eddie Naku is hired by attractive divorcee Kathryn Higuchi to investigate the murder of her sister, Suzette Higuchi-Bordeau, the wife of a well-known criminal defense attorney who was gunned down in a shopping center parking lot in the Upcountry region of Pukalani. What seems like a routine case for the ex-police detective turns into a complex murder mystery as Naku uncovers a web of lies, deceit, arms trafficking, infidelity, seduction, betrayal, and more murders as he tries to solve a deadly crime and avoid becoming a victim. *Murder on Kaanapali Beach: A Leila Kahana Mystery* is the 2nd book in this popular series. Maui County homicide detective and composite sketch artist Leila Kahana and new partner, Detective Jonny Chung, take on the case of a college instructor, Joyce Yashiro, found murdered on the island's famed Kaanapali Beach. In a seemingly unrelated case, Detectives Rachel Lancaster and Trent Ferguson investigate the execution-style murder of businessman Parker Breslin in front of his Kihei home. While the two murder investigations progress with a myriad of suspects, a surprising connection between the cases and crimes emerges. As the cases move full steam ahead, there is also a brutal serial killer on the loose. Dubbed the "Zip Line Killer," he has been terrorizing women on the island, strangling them with a zip line, for over a year, while staying safely out of reach of the authorities. Can he finally be brought to justice or will he strike again?

A Shooter's Moon - D.J. Power 2018-05-10

This is the continuation of Jim Coleman's inner battle with his morals to decide what is right and wrong. Jim had spent most of his teen years in parochial schools, and he can't get out of his mind what the nuns taught him. The worst commandment to break is "Thou Shall Not Kill." He has been sent on "temporary duty" to a top secret unit of the CIA, which only the most powerful and influential men in Washington know about. Jim has been designated as the number one assassin, and this takes him to the

most difficult assignments in Southeast Asia. As his unit progresses, each mission becomes more difficult and dangerous with Jim, and his unit of five is in North Vietnam more than most. As time comes closer to the United States getting into the war, Jim's unit, along with all the other units, is assigned to rescue to down pilots on the border of North Vietnam and China. This mission, as dangerous as it is, could be the end of all the assassins assigned to the CIA.
