**How to Satisfy Your Woman** - Larry Lewitan 2010-08

Why are most women unhappy with their man's performance in bed? Why do most men not have a clue how to sexually satisfy their woman? The author maintains that sexual unhappiness in a relationship is caused by the man's lack of experience, knowledge and understanding when it comes to satisfying his woman. He also maintains that sex is the most important pillar in a relationship, and that without good sex no relationship can survive! These are strong statements, and the book offers powerful solutions by going to the root cause of sexual unhappiness among couples. Written in explicit, uninhibited language, the kind that men can understand, this is an uncensored guidebook

that instructs men on how to satisfy their woman. It holds nothing back. The sexual techniques that it details, as well as the wisdom that it presents, will allow men to be able to sexually satisfy their woman the way she dreams of being satisfied. Women will read it too. They'll enjoy the tongue-in-cheek humor and be thrilled that one of the world's best kept secrets (how to make love to a woman) is finally coming out of the closet. If their men don't buy this book, it's certain they'll be buying it for them.

**The Great Sex Secret** - Kim Marshall 2007  
Traditional sexual intercourse almost always produces an orgasm for men but rarely does for women. This is because the location of the clitoris prevents most women from getting sensitive, appropriate and sustained stimulation when they make love. Full satisfaction for both partners is neither easy nor obvious; it doesn't "come naturally." Astonishingly, almost none of the literature on sex is helpful on this issue. Almost without exception, the "experts" have been asking the wrong questions and are stuck in an old paradigm of how sexual intercourse is supposed to work. As a result, few couples find the advice they need: --Three approaches that allow both partners to get full satisfaction during lovemaking, including simultaneous orgasms, which the conventional wisdom has declared to be virtually impossible --A breakthrough for couples in achieving mutual satisfaction and long-term sexual happiness --Revolutionary ideas that liberate couples from conventional wisdom that doesn't work and helps them communicate about what does

*Female Orgasm* - Michael Bush 2018-04-10

To satisfy a woman on bed especially for those with a small penis might be quite difficult if you don't understand the basics behind making a woman orgasm. Before writing this masterpiece, I spoke to more than 500 women who have experienced orgasm. The statistics are written below; 51% said that they anticipated the sex so badly that they climaxed few minutes after the man started thrusting. 30% said that the man started out with a fantastic foreplay and hit the right spots when he started thrusting. 19% said that they had no idea what the man did, but the sex was wonderful. The question is where exactly is the right spot? If you know about the G-spot but have no idea how to hit it right during sex, then there is a problem. This book will show you exactly how you can make a woman anticipate sex so bad that you would have a field day getting her to climax The right way to go about foreplay, thrusting, and making her climax, even when you have a small penis. How to satisfy a woman is simple if you can just read this book. Sex positions are not imperative when it comes to pleasing a woman on the bed. It is all in a woman's head!!!

HOW TO EASILY MAKE A WOMAN SQUIRT You

won't get the information embedded in this book anywhere else in the world. This book was born out of the desire to help a brother whose wife was messing around with other men. I gave him some tips and tricks, and that was all he needed to keep his beautiful wife back at home. I have slept with countless women, and I know every single damn thing about a woman's body. Making a woman squirt is a technique that isn't common among the male folks. Whoever makes a woman squirt keep her for life irrespective of your misdoings. Several years, making a woman squirt was an art only Cassanova knew, but today I will show you all you need to make her squirt and want more of you all the time. If you've never seen or felt a true G-Spot orgasm, imagine for a moment, an orgasm that causes the whole vagina to spasm rigorously, often contracting so tight that it literally forces out your finger or any object inside the vagina. And imagine that while these intense contractions are throbbing and pulsing throughout the vagina, the vagina becomes very wet and ejaculates a stream or spurt of fluid with each contraction. Imagine an orgasm that causes such intense ecstasy that even the quietest and most controlled woman will yell, buck and become wild; one that makes normal "screamers" go dead silent--the scream caught in her throat--a scream that if freed may wake all the neighbours within a four-block radius. Then you can imagine the satisfaction of never having to wonder: "Did she orgasm? Was it fake, or was it real?" But instead knowing the instant her orgasm begins with clear physical signs that occur involuntarily and comes along with the orgasm. This is the glory of a G-Spot orgasm!!! But we don't want you to take our word for it. We want you to see for yourself. SEE WHAT PEOPLE ABOUT THE MAKING A WOMAN SQUIRT "It was absolutely the furriest, most wonderful climax I've had! It was like warmth started in my vagina center and splashed outward all over my body. Wonderful!" -- J. K. "I thought I took a leak! And then (name withheld) explained what had happened after reading series of books and I could hardly believe it finally happened to me. . . I would prefer having this every day and take the stress of washing the sheets everyday"-- T.C. "After I felt what it's like to squirt, I'd rather die than (name withheld) stop making love to me! Our

love life has never been better. . ." -- K. C. Like I said, whoever makes a woman squirt owns her for life. If your wife is about to leave you, divorce you, or having an affair with another man, then you need to satisfy her on bed and watch how she turns over a new leaf. The secrets are embedded right inside this book. This book will expose you to How to initiate sex the right way Ways to make a woman want you on bed How to get her wet Where to locate her G-spot The right way to stimulate the G-spot and Clitoris Understanding a Woman's anatomy How to stimulate yourself as a woman Advanced sexual techniques for ultimate pleasure Sexy positions for G-spot stimulation Making a woman finally squirt If you really want to improve your sex life as a man, or help your husband bedroom skills as a woman, then this book is a must buy. What are you waiting for? Just click the purchase button NOW!!!
