Lives of Girls and Women Alice Munro 2015-03-05 The only novel from bestselling author Alice Munro, winner of the Nobel Prize in Literature Catching frogs, grazing knees, singing songs to save England from Hitler - that was childhood for Del Jordan, and now she's impatient for more. More than she can find in the encyclopedias sold by her mother, or in the half-understood innuendos dispensed by best friend Naomi, or in the whispers of boys during Friday night dances. Just like the girls in the movies, she wants to get started on real life. In her only novel, Alice Munro turns her eye to the frustrations, embarrassments, glee and bewilderment of adolescence, and to the brushes with sex, death, violence and birth that shape the lives of girls and women. 'I am the perfect audience for her brand of quiet, seething feminism' Lena Dunham 'Superb' Independent 'In Munro's work, nothing can be predicted. Emotions erupt. Preconceptions crumble. Surprises proliferate' Margaret Atwood 'Exact and unflinching' Guardian 'She is one of the handful of writers, some living, most dead, whom I have in mind when I say that fiction is my religion' Jonathan Franzen

She never guessed that her father cut out her heart and replaced it with one of glass. When she moves to Whitespring Castle and sees its king for the first time, Mina forms a plan: win the king's heart with her beauty, become queen, and finally know love. The only catch is that she'll have to become a stepmother. Now Mina is starting to look at Lynet with something like hatred, and Lynet must decide what to do—and who to be—to win back the only mother she’s ever known...or else defeat her once and for all. Entwining the stories of both Lynet and Mina in the past and present, *Girls Made of Snow and Glass* traces the relationship of two young women doomed to be rivals from the start. Only one can win all, while the other must lose everything—unless both can find a way to reshape themselves and their story.

Winner of the Los Angeles Times Book Prize • Winner of the PEN/Robert W. Bingham Prize for Debut Fiction • Finalist for the New York Public Library's Young Lions Fiction Award NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New Yorker • NPR • O: The Oprah Magazine • The Guardian • Esquire • New York • BuzzFeed A fresh new voice emerges with the arrival of *Sour Heart*, establishing Jenny Zhang as a frank and subversive interpreter of the immigrant experience in America. Her stories cut across generations and continents, moving from the fraught halls of a public school in Flushing, Queens, to the tumultuous streets of Shanghai, China, during the Cultural Revolution of the 1960s. In the absence of grown-ups, latchkey kids experiment on each other until one day the experiments turn violent; an overbearing mother abandons her artistic aspirations to come to America but relives her glory days through karaoke; and a shy loner struggles to master English so she can speak to God. Narrated by the daughters of Chinese immigrants who fled imperiled lives as artists back home only to struggle to stay afloat—dumpster diving for food and scamming Atlantic City casino buses to make a buck—these seven stories showcase Zhang's compassion, moral courage, and a perverse sense of

Bring Me Their Hearts Sara Wolf 2018-06-05 A Goodreads "YA Best Book of the Month" An Amazon "Best Book of the Month: Science Fiction & Fantasy" Zera is a Heartless—the immortal, ageless soldier of a witch. Bound to the witch Nightsinger, Zera longs for freedom from the woods they hide in. With her heart in a jar under Nightsinger's control, she serves the witch unquestioningly...until Nightsinger asks Zera for a prince's heart in exchange for her own. But if Zera's discovered infiltrating the court, Nightsinger will destroy her heart, rather than see her tortured by the witch-hating nobles. Crown Prince Lucien d'Malvane hates the royal court as much as it loves him—every tutor too afraid to correct him and every girl jockeying for a place at his handsome side. No one can challenge him—until the arrival of Lady Zera. She's inelegant, smart-mouthed, carefree, and out for his blood. The prince's honor has him quickly aiming for her throat. Now it's a game of cat and mouse between a girl with nothing to lose and a boy who has it all. Winner takes the loser's heart. Literally. The Bring Me Their Hearts series is best enjoyed in order.

How to Fix a Broken Heart Guy Winch 2018-02-13 'HOW TO FIX A BROKEN HEART PROVIDES THE VALIDATION, COMFORT AND HOPE ANYONE WHO IS HEARTBROKEN DESPERATELY NEEDS.' ESTHER PEREL, BESTSELLING AUTHOR OF THE STATE OF AFFAIRS AND MATING IN CAPTIVITY Every one of us has or will have our heart broken at some point in our lives. Heartbreak, whether it comes in the form of romantic love or through loss, is universal, yet we know so little about how to deal with it. Psychologist Dr Guy Winch imagines how different our lives and our society would be if we paid more attention to this unique emotional pain. Heartbreak can last for days, weeks, months and even years. Yet while we wouldn't expect someone to go to work or function well with a broken limb, heartbroken people are expected to function in their lives, despite the emotional pain they feel. How to Fix a Broken Heart argues that if we don't understand how heartbreak works, we won't be able to heal it and we are likely to make it worse, which we do, and regularly. Dr Winch reveals how and why heartbreak impacts our brain and our behaviour in dramatic and unexpected ways, regardless of our age. Emotional pain lowers our ability to reason, to think creatively, to problem solve and to function. Recovering from heartbreak always starts with a decision, a determination to move on when our mind is fighting to keep us stuck. We can take control of our lives and our minds and put ourselves on the path to healing. Dr Winch offers a toolkit on how to handle and cope with a broken heart and how to, eventually, move on. 'A great read for anyone going through heartbreak, anyone trying to help someone go through heartbreak, or anyone who simply wants to understand humans better' Tim Urban, creator of Wait But Why?

Prevailing upon a young lady is a powerful errand however on the off chance that you've focused on a specific woman who has totally assumed control over your heart, prepare for the wild ride of making her yours! Shared love is something we as a whole fantasy about finding and saving as far as might be feasible. Becoming hopelessly enamored is an overwhelming encounter, on the grounds that a man in adoration can do things he typically wouldn't fantasy about doing. In any case, love has an approach to playing with our brain and making us find out how far we are really able to turn out, once consumed by that unquenchable inclination! To this end it might appear to be troublesome prevailing upon a young lady, when as a matter of fact, the young lady you're so into is likely hoping to find someone who is digging in for the long haul, there's nothing more to it. Nowadays, most men appear to be into the entire 'hit it and quit it' shtick, which gives a terrible standing to those with earnest and veritable expectations. Cheer up by this. You should simply show this young lady that you're keen on her no doubt and goods calls and that those sort of things are the furthest thing from your psyche! The excursion to her heart won't be without its impediments however on the off chance that you're genuinely into her, you'll put forth the attempt and show her what a genuine man is. Demonstrate to her that her confidence in men isn't to no end and show her that the person she's been hanging tight for is not too far off before her. It's valid, there is certainly not a widespread recipe on the most proficient method to prevail upon a young lady essentially yet in view of numerous long periods of involvement, I can sincerely express that there are sure methodologies that will upgrade your possibilities prevailing upon this young lady!

Have you dealt with a woman in the workplace who: “Accidentally” excludes you from important meetings? Seems intent on taking you down professionally? Gossips about you with other coworkers? Makes you look bad by missing deadlines? Forms a “pack” of mean girls to make your life miserable? Mean Girls at Work isn’t just about surviving difficult situations. It’s about transforming a toxic relationship into one that benefits and supports both of you. This book is also for women who engage in mean behavior . . . but don’t know it. After all, who hasn’t gossiped about a female coworker? Who hasn’t rolled her eyes in the presence of a woman she doesn’t like? Who hasn’t scanned another woman head to toe—which is just a nonverbal way of saying, “You’ve just been judged”? The authors provide invaluable advice to the more subtle ways of being mean—even if they’re not intended. With a workforce composed of a higher percentage of women than ever, workplace dynamics have changed. Crowley and Elster cover every conceivable scenario, providing critical advice on how to rise above the fray and move forward professionally. Mean Girls at Work is your map to dodging the mines and moving forward in today’s transformed workplace. Praise for Mean Girls at Work “An invaluable suit of armor for surviving nine to five!” —Leil Lowndes, bestselling author of *How to Talk to Anyone* “If you think the emotional cruelty of comedies like *Mean Girls* and *Heathers* doesn’t exist in the real world workplace, think again. In *Mean Girls at Work*, Katherine Crowley and Kathi Elster valuably chronicle female vs. female predators and offer solid defensive strategies.” —Ann Kreamer, author of *It’s Always Personal: Navigating Emotion in the New Workplace* “Whether you are in your twenties and just starting your professional career,

your midcareer forties, when you are supposed to have figured it out already, or a woman in her fifties or sixties who's seen it all—this book is a must-read. . . . The authors have finally given women the tools and the sound advice necessary to deal with . . . conflicts that keep us all from succeeding. . . . Carry this book with you to work every day!” —Carolyn Cassin, President, Michigan Women's Foundation “A must-read for women of all ages in today's workforce. This book offers what we all need to develop the capacities to endure this ever-changing workplace. We know it is all about relationships and you need the skills outlined in this book to survive and thrive when the Mean Girls attack.” —Kim Harrington, Coordinator, Professional Development and Training, Office of Human Resources, California State University, Sacramento

6 Fun Date Ideas to Win Her Heart Kym Kostos 2014-05-15 In my 35 years of dating since I was fifteen years old, I have had my fill of good dates and bad dates. I am pretty sure we have all had those dates from hell that we tell our friends or ones that we just soon want to forget. So, what about the ones that turned out perfect? Don't have too many of those? Don't worry, because in this book I will give you some ideas and dates from start to finish for fun first dates, romantic dates, creative dates, indoor dates, outdoor dates, cheap dates that are easy on your wallet and even a date for those who are miles apart in a long distance relationship. Guys always want to impress a girl and sweep her off her feet, but sometimes have no clue as to where to start. Females by nature are great planners, especially when it comes to events, dinners, parties, and yes, even dates. Why? Because we pay attention to detail and that is what is the most important thing. Details tell a girl how you feel about her. Simple details to intricate ones, either way they are signs of what you really feel about the girl. If you take a lot of time planning a great date, that tells the girl that you are interested in her and want to get to know her better, especially if it's a date that allows you two to talk and get to know each other better. Girls love dates like that! Taking a girl out, tossing a burger down her throat and taking her to a movie is just plain boring. That's something you do AFTER you have won her heart and even then, it's questionable. Whatever happened to the courtship of dating? When you take the time to plan and give her a date to remember, it shows that you care and want to impress the girl. You don't have to have a lot of money either to do this.

Confessions of a Happily Married Man Joshua L. Rogers 2019-12-17 Discover God in the messiness of your marriage, as popular marriage and family columnist Joshua Rogers offers spouses hope with real-life stories from his own marriage and helps you see how God is at work in the ordinary and extraordinary of your relationship. Confessions of a Happily Married Man is a husband's painfully honest account of his first ten years of marriage. It offers a window into the perspective of a man who went from "hello" to "I do" in nine months and then figured out how hard marriage could be. When Joshua Rogers thought back on the marriage books he had read or sermons about marriage he had heard, it occurred to him that he could only remember one thing about them: the stories. That's why this book is anchored by stories that other couples will relate to and can easily learn from. The stories are cringe-worthy, humorous, inspiring, heart-breaking, and full of wisdom--but the author isn't telling the reader what to do with that wisdom. He's letting the reader learn along with him as he's gradually becoming more self-aware, increasingly grateful for his wife, and surprised to discover what God is doing in the middle of it all.
