Women want to be with a man who knows how to take the lead and make decisions; one who has strong personal boundaries and knows

how to love her like... a man. Unfortunately, a lot of men have difficulty accepting the truth that many women prefer to be with a man who isn't afraid to stand up to them, who challenges them, and who refuses to be pushed around by women (or anything else for that matter). This is especially true of women who seek a more traditional male-female gender role dynamic in their romantic relationships. Even if a man knows how to attract women, cultivating a mind-blowing relationship with one requires a different set of skills entirely. Women want men who can make them feel secure - men with strong boundaries and unwavering commitment. Sadly, most dating and relationship books rarely show men how to keep a woman happy without them having to sacrifice their manhood in the process. How to Understand Women and Pass Their Tests With Unshakeable Confidence Men around the world have no idea that the women they know and love are testing them. These men go about their lives

interacting with the opposite sex in absolute darkness, ignorant to the fact that they're being judged, appraised, approved, and rejected based on their subconscious reactions to female testing. If you had no idea that women test men and why they have to, you're about to take a journey onto a road less traveled - the more mysterious side of female psychology and how women think. Attract Women Through Authenticity and Be the Strong Man a Woman Wants For a Relationship It's important for a man to learn how to walk that thin line between caring, thoughtful lover and firm, assertive leader. The man who masters the art of being the perfect gentleman and a strong alpha male is the ideal specimen to a high-quality woman. This is what you're going to learn in this book. So if you're dating or in a relationship and women constantly create drama, lose interest in you, or manipulate you, it's time you finally got some advice from one of the only relationship books for men

that won't turn you into a doormat. Here's what you're going to learn inside: How to be radically honest with a woman and why this makes her MORE attracted to you. The reason why women test men CONSISTENTLY and how to use this knowledge to deepen a woman's desire. (Hint: This is the key to female psychology and how women think.) How to be confident with difficult women. What women want in a man and how to give it to them. How to make a woman happy without becoming a complete doormat of a man. How to seduce your wife and get her in the mood by responding like a MAN whenever she "pokes the bear." How to be firm and say "No" to the woman you love without destroying intimacy. How to keep a woman interested in you by doing the ONE thing MOST men are deathly afraid of doing. How to avoid unnecessary arguments, fights, and drama with a woman by using a simple communication technique. The best way to secretly test a woman's level of romantic

interest in you (as well as her emotional maturity) before making a long-term commitment. HOW WOMEN SECRETLY TEST MEN AND WHAT IT IS THAT WOMEN WANT IN A MAN WHEN THEY TEST MEN? There is no denying the fact that ladies love to throw the guys off balance when it comes to romantic relationships. In any pick up attempt, the chase is on and they know you want them but you are not going to get it that easily so they test you. They test you to see if you are worthy to have the trophy.

WHY DO WOMEN TEST MEN? The thing is some ladies don't even know they are doing this. That's because the test is a built in psychological mechanism to test your resolve and for them to know the stuff you are made of. Sometimes the test is a sign of emotional weakness or insecurities on the part of the girl. But for majority of other girls, they know and understand what you are; a pick up artist. They know the name of the game and if they do enjoy it then they are going to test you.

- 1- Do you have what it takes to truly love and care for them?
- 2- Are you

mentally, psychologically and emotionally secure to love them like a real man.

- 3- Do you essentially have a back bone to make tough calls as need be?
- 4- Do you know how to play at their level without losing your man-hood?
- 5- Can you take the lead in tough situations and own up if you make mistakes?

Believe it or not, these are some of the things that real women want from REAL MEN. If you would like to know the rest, then you just have to read this book.

HOW TO UNDERSTAND WHEN A WOMAN IS TESTING YOU AND PASS THE TEST WITHOUT EVEN BLINKING

Just as some women are not aware that they are testing men, so it is that most men are not aware that they are being tested. And if this is you, then grab a can of beer if you do drink, take a seat and get ready for the journey of your life.

- 1- How women test men
- 2- What to expect when any woman is testing you
