A Good Girl's Guide to Murder (A Good Girl's Guide to Murder, Book 1) - Holly Jackson
2019-05-02

The New York Times No.1 bestselling YA crime thriller that everyone is talking about. Soon to be a major BBC series! THE WINNER OF THE BRITISH BOOK AWARD'S CHILDREN'S BOOK OF THE YEAR 2020 SHORTLISTED FOR THE WATERSTONES CHILDREN'S BOOK PRIZE 2020

Talking in Pictures - Chelsea Peitz 2017-10-29
"Snapchat was the app that launched the "camera first" revolution. Its' disruptive features out-innovated major social networks and

inspired hundreds of millions of users to document their personal stories through the free broadcast network in their pockets. Snapchat allowed us to communicate through images and not just around them. It changed social media from merely documenting and preserving memories to an in-the-moment real time experience. It was authentic, personal and unlike any other social platform in existence"--

I'm Glad My Mom Died - Jennette McCurdy

2022-08-09

* #1 NEW YORK TIMES BESTSELLER * #1 INTERNATIONAL BESTSELLER * MORE THAN 2 MILLION COPIES SOLD! A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother’s dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called “calorie restriction,” eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, “Your eyelashes are invisible, okay? You think Dakota Fanning doesn’t tint hers?” She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In I’m Glad My Mom

Died, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called iCarly, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi (“Hi Gale!”), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the iCarly spinoff Sam & Cat alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, I’m Glad My Mom Died is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

Bossypants - Tina Fey 2011-04-18

Once in a generation a woman comes along who changes everything. Tina Fey is not that woman, but she met that woman once and acted weird around her. Before 30 Rock, Mean Girls and 'Sarah Palin', Tina Fey was just a young girl with a dream: a recurring stress dream that she was

being chased through a local airport by her middle-school gym teacher. She also had a dream that one day she would be a comedian on TV. She has seen both these dreams come true. At last, Tina Fey's story can be told. From her youthful days as a vicious nerd to her tour of duty on Saturday Night Live; from her passionately halfhearted pursuit of physical beauty to her life as a mother eating things off the floor; from her one-sided college romance to her nearly fatal honeymoon - from the beginning of this paragraph to this final sentence. Tina Fey reveals all, and proves what we've all suspected: you're no one until someone calls you bossy. *Real Men Don't Text* - Ruthie Dean 2013-09-03 Late-night texts. Mixed signals. The Girl in the Pink Shoes - Jessica Harrington
2021-06-28

Jessica Harrington grew up not really knowing her biological father. He was something of an enigma, living in a country thousands of miles

away. She was very much part of a single-parent family, relying on her mother for everything. That is, until her mother's boyfriend stepped into her life. *The Girl in the Pink Shoes* is a harrowing and graphic account of a young girl's physical and sexual abuse at the hands of her stepfather, already a convicted paedophile. Jessica Harrington thought she would be protected. After all, wasn't that what mums were supposed to do? Jessica's mother betrayed her and looked the other way. She allowed the devil himself into her daughter's bedroom. What followed was years of the most horrific abuse imaginable, brutal rapes, video recordings from hidden cameras, and introductions to other paedophiles. Warned that if she ever breathed a word to anyone, she would be tortured and killed, there was never a safe place to hide from the horrors she faced on a daily basis. Bullied at school, raped and beaten at home, Jessica saw no way out and tried to take her own life. But even then, the abuse and the torment continued

for many years. An incredible story from one of life's true survivors that will leave a lasting impression long after the last page has been turned.

Modern Romance - Aziz Ansari 2015-06-16
The #1 New York Times Bestseller “An engaging look at the often head-scratching, frequently infuriating mating behaviors that shape our love lives.” —Refinery 29 A hilarious, thoughtful, and in-depth exploration of the pleasures and perils of modern romance from Aziz Ansari, the star of *Master of None* and one of this generation’s sharpest comedic voices At some point, every one of us embarks on a journey to find love. We meet people, date, get into and out of relationships, all with the hope of finding someone with whom we share a deep connection. This seems standard now, but it’s wildly different from what people did even just decades ago. Single people today have more romantic options than at any point in human history. With technology, our abilities to connect

with and sort through these options are staggering. So why are so many people frustrated? Some of our problems are unique to our time. “Why did this guy just text me an emoji of a pizza?” “Should I go out with this girl even though she listed Combos as one of her favorite snack foods? Combos?!” “My girlfriend just got a message from some dude named Nathan. Who’s Nathan? Did he just send her a photo of his penis? Should I check just to be sure?” But the transformation of our romantic lives can’t be explained by technology alone. In a short period of time, the whole culture of finding love has changed dramatically. A few decades ago, people would find a decent person who lived in their neighborhood. Their families would meet and, after deciding neither party seemed like a murderer, they would get married and soon have a kid, all by the time they were twenty-four. Today, people marry later than ever and spend years of their lives on a quest to find the perfect person, a soul mate. For years, Aziz Ansari has

been aiming his comic insight at modern romance, but for *Modern Romance*, the book, he decided he needed to take things to another level. He teamed up with NYU sociologist Eric Klinenberg and designed a massive research project, including hundreds of interviews and focus groups conducted everywhere from Tokyo to Buenos Aires to Wichita. They analyzed behavioral data and surveys and created their own online research forum on Reddit, which drew thousands of messages. They enlisted the world's leading social scientists, including Andrew Cherlin, Eli Finkel, Helen Fisher, Sheena Iyengar, Barry Schwartz, Sherry Turkle, and Robb Willer. The result is unlike any social science or humor book we've seen before. In *Modern Romance*, Ansari combines his irreverent humor with cutting-edge social science to give us an unforgettable tour of our new romantic world.

[Girl in Pieces](#) - Kathleen Glasgow 2018-04-10
#1 NEW YORK TIMES BESTSELLER "A

haunting, beautiful, and necessary book."—Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* Charlotte Davis is in pieces. At seventeen she's already lost more than most people do in a lifetime. But she's learned how to forget. The broken glass washes away the sorrow until there is nothing but calm. You don't have to think about your father and the river. Your best friend, who is gone forever. Or your mother, who has nothing left to give you. Every new scar hardens Charlie's heart just a little more, yet it still hurts so much. It hurts enough to not care anymore, which is sometimes what has to happen before you can find your way back from the edge. A deeply moving portrait of a girl in a world that owes her nothing, and has taken so much, and the journey she undergoes to put herself back together. Kathleen Glasgow's debut is heartbreakingly real and unflinchingly honest. It's a story you won't be able to look away from. And don't miss Kathleen Glasgow's novels *You'd*

Be Home Now and How to Make Friends with the Dark, both raw and powerful stories of life.

Mobile Media In and Outside of the Art Classroom - Juan Carlos Castro 2019-09-19

This edited volume explores a range of educational effects on student learning that resulted from a long-term study using a creative visual arts curriculum designed for mobile media (smartphones and tablets) and used in art classrooms. The curriculum, entitled MonCoin, a French phrase meaning My Corner, was initially designed and piloted in a Montreal area school for at-risk youth in 2012. Since then, it has been refined, deployed, and researched across secondary schools from a range of socio-cultural educational contexts. This book is comprised of contributions from researchers and practitioners associated with the MonCoin project who address critical insights gleaned from our study, such as the social context of teen mobile media use; curriculum theory and design; influences of identity on creative practice; and specific

strategies for creative applications of mobile media in schools. The purpose of this edited book is to offer art education researchers and teachers innovative curriculum for mobile media and the networked conditions that influence identity, space, and practice with and through this ubiquitous technology.

9-Nov - Colleen Hoover 2016-10-04

When Fallon and aspiring novelist Ben meet and fall in love the day before Fallon's cross-country move, they vow to meet on the same date every year, until Fallon suspects Ben is fabricating their relationship to create the perfect plot twist.

American Girls - Nancy Jo Sales 2016-02-23

A New York Times Bestseller Instagram.

Whisper. YouTube. Kik. Ask.fm. Tinder. The dominant force in the lives of girls coming of age in America today is social media. What it is doing to an entire generation of young women is the subject of award-winning Vanity Fair writer Nancy Jo Sales's riveting and explosive *American Girls*. With extraordinary intimacy and

precision, Sales captures what it feels like to be a girl in America today. From Montclair to Manhattan and Los Angeles, from Florida and Arizona to Texas and Kentucky, Sales crisscrossed the country, speaking to more than two hundred girls, ages thirteen to nineteen, and documenting a massive change in the way girls are growing up, a phenomenon that transcends race, geography, and household income. American Girls provides a disturbing portrait of the end of childhood as we know it and of the inexorable and ubiquitous experience of a new kind of adolescence—one dominated by new social and sexual norms, where a girl's first crushes and experiences of longing and romance occur in an accelerated electronic environment; where issues of identity and self-esteem are magnified and transformed by social platforms that provide instantaneous judgment. What does it mean to be a girl in America in 2016? It means coming of age online in a hypersexualized culture that has normalized extreme behavior,

from pornography to the casual exchange of nude photographs; a culture rife with a virulent new strain of sexism and a sometimes self-undermining notion of feminist empowerment; a culture in which teenagers are spending so much time on technology and social media that they are not developing basic communication skills. From beauty gurus to slut-shaming to a disconcerting trend of exhibitionism, Nancy Jo Sales provides a shocking window into the troubling world of today's teenage girls. Provocative and urgent, American Girls is destined to ignite a much-needed conversation about how we can help our daughters and sons negotiate unprecedented new challenges. Girl Mans Up - M-E Girard 2016-09-06 Lambda Literary Award Winner! everyone have a problem with it? They think the way she looks and acts means she's trying to be a boy—that she should quit trying to be something she's not. If she dresses like a girl, and does what her folks want, it will show respect. If she takes orders and does what her friend Colby wants, it will show her loyalty. But respect and loyalty, Pen discovers, are empty words. Old-world parents, disintegrating friendships, and strong feelings for other girls drive Pen to see the truth—that in order to be who she truly wants to be, she'll have to man up. M. E.
