2019-07-16

Two time-traveling agents from warring futures, working their way through the past, begin to exchange letters—and fall in love in this thrilling and

romantic book from award-winning authors Amal El-Mohtar and Max Gladstone. In the ashes of a dying world, Red finds a letter marked "Burn before reading. Signed, Blue." So begins an unlikely correspondence between two rival agents in a war that stretches through the vast reaches of time and space. Red belongs to the Agency, a post-singularity technotopia. Blue belongs to Garden, a single vast consciousness embedded in all organic matter. Their pasts are bloody and their futures mutually exclusive. They have nothing in common—save that they're the best, and they're alone. Now what began as a battlefield boast grows into a dangerous game, one both Red and Blue are determined to win. Because winning's what you do in war. Isn't it? A tour de force collaboration from two powerhouse writers that spans the whole of time and space. [The Girls' Life \(EasyRead Comfort Edition\)](#) -

[The Life of Dexter K. King](#) -

Dekevin Arscott 2015-04-30
Ever felt that you were always destined for something bigger? Well, that enigmatic feeling is the epitome of eighteen year old Dexter K. King. With a father who has mysteriously been missing for eight years and a mother barely ever seen at home, Dexter is an aspiring anomaly, yet forced to live a mundane and orthodox life thronged with attending high school classes he despises, silently observing his unrequited love from afar with no avail and no signs of progression, and practicing martial arts with a dream of using his strength to impact the world for the better and leave his legacy for history to teach the many generations to come. Suddenly, Dexter's perception of the world as well as his perception of himself violently crumbles before him when a couple of intimidating men in expensive suits visit his home, demanding that he reveals where his mother is. What would these kinds of men want with Dexter's mother? Well, it turns out that Dexter's

father was really the leader of a powerful and ruthless criminal gang, and after recently dying, his remaining family must also be eradicated so their secrets can continue to be concealed-as noted in their organization's creed. So what does Dexter do to avoid the death of himself and his mother? He takes the place of his father and joins the gang of course! And thus, Dexter's metamorphic journey into the deep abyss known as fate begins. This road into oblivion is grave, instilled with murder, grief, regret and betrayal, and yet, this path is also infused with life, love, happiness, and the truth-two sides of the same coin. Welcome to the Okami, a pack of bloodthirsty wolves that reign over the underworld with staggering authority, a merciless band of warriors that claim power as their only divine ruler, a triumphant troupe of soldiers that create an orchestra of chaos and destruction wherever they choose to roam, and the leader of them all, Dexter King.

Dreams That Speak -
Antoinette M. White
2009-11-06

Birth from her mother womb as the mouth piece for God, evolved the anointed infallible, woman of God, Prophetess Antoinette M. White. As God molded her in His hands, He purposed her for His works and for His people. From the cradle to the pulpit this Prophetess was destined to bring forth the word of God with the anointing and power. Hearing the call in her tender years, Antoinette began her ministry with a Yes Lord, her am I, and sojourns her call in the path of ministerial greatness. With an ear to hear His voice, and her affections toward heavenly matters, this Prophetess is unmovable and unstoppable on her mission. In her childhood years it was evident Antoinette was a gifted child; peculiar, anointed and called to ministry. As the gift of prophecy manifested through her voice, and prophetic dreams became

perceptible through full materialization, the mantle as Gods Prophetess was apparent. Prophetess White is the wife of the powerful Apostle Michael S. White Jr. and mother of six children. These two anointed vessels established Remnant Apostolic Prophetic Outreach (www.wrapoutreach.org).

The Guyde - Howie Reith
2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The

How Can You Tell If Your Crush Likes You Back

Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to

dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

But when a sophisticated, beautiful new girl, *Saskia*, shows up, *Leila* starts to take risks she never dreamed of, especially when it looks as if the attraction between them is mutual. Struggling to sort out her growing feelings and *Saskia*'s confusing signals, *Leila* confides in her old friend, *Lisa*, and grows closer to *Tomas*, whose comments about his own sexuality are frank, funny, wise and sometimes painful.
