She can hardly kiss him now... not when after their embarrassing encounter and certainly not after he tells her he has a girlfriend. But when he finds out about the dare, the two make a pact... if they ever cross paths again - and they're both single - they'll kiss. Two years later, fate intervenes, and they end up as accidental roommates. Now Zoe's seeing a lot more of Dylan than she bargained for and it's even harder to resist peeking the second time round.

Staying Well - Ron Frazer 2016-07-08

Health for \$1 per Day Even a dollar is too much. Good health can cost nothing. Optimal wellness can not be about expensive pills and tests. It includes fresh air, water, food, balanced exercise, and effective rest. Ideally, there is very little stress. It doesn't sound like your life, does it? You need this book. Dr. Frazer explores hundreds of solutions for busy families that are stressed, and compounding that stress with unhealthy activities and diets. The basic idea is to stop doing the things that are making you sick. That costs nothing. The book was written for Dr. Frazer's daughter who was, and is, a busy mom with a limited budget to care for two growing boys with their own ideas about diet and exercise. This is a reference book that a busy mom can turn to for a quick answer about many health concerns. The small price of this book will save you many dollars in health care costs.

Quarterbacks Don't Fall for Invisible Girls

(Invisible Girls Club, Book 1) - Emma Dalton 2021-02-21

Every invisible girl deserves to be seen. I'm the Invisible Girl. No one at school knows I exist, least of all star quarterback Brayden Barrington. What sucks is that I have a major crush on him.

What sucks even more? He only has eyes for my dad, a college sports recruiter. When Brayden concocts a plan for us to fake date so he could get close to my dad, of course I say yes. Massive crush, remember? With the help of the new friends I make at my school's book club, I can navigate this confusing path of pretend. Sort of. Not really. I'm not the one pretending, but I'll end up with the broken heart. Because Brayden and I live in two different worlds and he'd never in a million years choose a girl like me. Or would he? *Quarterbacks Don't Fall For Invisible Girls* is the first book in the Invisible Girls Club, a sweet YA contemporary romance series. If you like invisible girls who snag the boys of their dreams, this book is for you!

Vestigial Surreality: Omnibus One:

Coincidence: Episodes 1-28 - Douglas

Christian Larsen 2016-12-14

Reality, what a concept. Is life a puppet show and are we nothing but puppets? A hidden world all about us, angels and demons, or is what we can touch and sense all there is? And now, the Simulation Hypothesis plagues us. Could we really be living in a computer simulation?

Through the ages, the conundrum of Reality has messed with the collective consciousness of humanity. The Allegory of Plato's Cave down through the ages to The Matrix. A chance meeting in the park leads two strangers to discover strange connections between themselves and the world, and in truth both had felt that perhaps there was something not quite right with the world, something different. They have both noticed improbable coincidences popping up in their lives, at an almost alarming regularity, and now, meeting, they witness strange signs in the heavens, and find themselves on a bizarre path that will make them question their very reality, and the reality of the world about them, and the universe itself.

Unprotected - Miriam Grossman 2007-08-28

Our campuses are steeped in political correctness—that's hardly news to anyone. But no one realizes that radical social agendas have also taken over campus health and counseling centers, with dire consequences. Psychiatrist Miriam Grossman knows this better than anyone. She has treated more than 2,000 students at one of America's most prestigious universities, and she's seen how the anything-

goes, women-are-just-like-men, "safer-sex" agenda is actually making our sons and daughters sick. Dr. Grossman takes issue with the experts who suggest that students problems can be solved with free condoms and Zoloft. What campus counselors and health providers must do, she argues, is tell uncomfortable, politically incorrect truths, especially to young patients in their most vulnerable and confused moments. Instead of platitudes and misinformation, it's time to offer them real protection.

Cupid's Playground - Nichole A. Carter
2014-06-12

I feel my heart racing when I see his face. I lose all my words when he smiles at me. My best moments are alone in my bed when I dream of

him. He's my best friend. I feel intoxicated by his touch. Suffocation when he's near. Motivated when I see his girlfriend, to let him know I'm the one. His name is Jason. It's confession time. I'm in love with my best friend. My name is Melissa, and I've been best friends with Jason since grade school. It's now senior year, and I'm determined to let him know how I feel about him. With the help of Cupid and my friend, Kerri, I hope to find the words to tell him how I feel. The feelings that I have for this man is unexplainable. I desire him in a way that makes me re-think my good girl status. He makes it so easy loving him with his charming, sweet, and gentlemen ways. I can't take being in the friends zone with him anymore. Girlfriend or not, I need his undivided attention. It's wrong to have this much lust for one individual person. I never been kissed. Never been touched, and yet have this undeniable desire for him to be the first everything. I'm stingy and selfish wanting him to leave her altogether. It's senior year, and I'm not stopping, until he's mine.
