## **Falling in Love With Her—A Romantic Mystery** - Kathy Coatney 2023-09-05

A LEFT AT THE ALTAR, FRIENDS TO LOVERS, BROTHER'S BEST FRIEND, AFRAID TO COMMIT, DESTINED TO BE TOGETHER, ROMANTIC MYSTERY NOT TO BE MISSED!  
Ingie Love, marriage, and a family aren't in the cards for me after my fiancé left me at the altar. I was so certain he loved me, but I couldn't have been more wrong. My mother's words haunt me. "She's an ugly duckling. She'll never attract a man. A husband and family aren't in her future." Instead of dwelling on the past, I focus on running Three Rivers Fly Shop and Boat Repair, the legacy from my father. Two years later, Ian Callahan, my brother's best friend and my

childhood heartthrob, returns home. Certain he'll never see the swan lurking beneath the ugly duckling, the same as when we were teenagers, I protect my heart by insisting on a friends with benefits relationship. The fact is, I don't need love. I have my work, a persnickety, one-eyed cat, and keeping the Trench Coat Brigade in line—a wacky group of seniors with a penchant for meddling, matchmaking, and mystery-solving. Ian After my last relationship crashed and burned, I left my job as an arson investigator and firefighter in Seattle to return home. Ready to settle down, my hometown is the only place I want to put down roots. And the only woman I want to make a life with is Ingie Pulaski. She's smart, sassy, and fearless, but she

wants a causal relationship. When a building is torched and a body is found, I find myself keeping tabs on the Trench Coat Brigade to ensure they stay out of trouble. But there's an added benefit to that assignment—I'm spending a lot more time with Ingie. And I'm making it my mission to show her there's more to our relationship than friends with benefits. Ingie I've been looking for love in all the wrong places until I meet up with Ian again. Now I have to conquer my deepest fear—abandonment—or lose the only man who loves me just the way I am. Get your copy now because men like Ian are one of a kind!

[Love Her or Lose Her](#) - Tessa Bailey 2020-01-14  
The #1 New York Times bestselling author of *It Happened One Summer* and *Hook, Line, and Sinker* returns with a unique, sexy rom-com about a young married couple whose rocky relationship needs a serious renovation... Rosie and Dominic Vega are the perfect couple: high school sweethearts, best friends, madly in love.

Well, they used to be anyway. Now Rosie's lucky to get a caveman grunt from the ex-soldier every time she walks in the door. Dom is faithful and a great provider, but the man she fell in love with ten years ago is nowhere to be found. When her girlfriends encourage Rosie to demand more out of life and pursue her dream of opening a restaurant, she decides to demand more out of love, too. Three words: marriage boot camp. Never in a million years did Rosie believe her stoic, too-manly-to-emote husband would actually agree to relationship rehab with a weed-smoking hippie. Dom talking about feelings? Sitting on pillows? Communing with nature? Learning love languages? Nope. But to her surprise, he's all in, and it forces her to admit her own role in their cracked foundation. As they complete one ridiculous—yet surprisingly helpful—assignment after another, their remodeled relationship gets stronger than ever. Except just as they're getting back on track, Rosie discovers Dom has a secret... and it could

**The Man Manifesto** - Jacques M. Timma  
2019-10-04

The Man Manifesto is an indispensable guide for couples. It will help you as a man to understand the fundamental values of your role in a relationship, learn how to satisfy, love, and cherish your sweetheart every single day, keep your relationship strong and stress free. For women, you will recognize what to expect from your man, and you will have some knowledge of the issues your man could be dealing with in silence that affect your union. But after reading this book, you could help him open up to you about those secrets without being ashamed, which enables more intimate communication between you two. Being a man is a destiny, and

it can be tough too! Between your childhood and your manhood, were you emotionally and morally prepared enough to assume this role? Whether you grew up with your father or not, as an adult, you have no excuse but to do right by your woman. You, the man has the responsibility to take care of all that God has created, including the lovely woman he made specifically to be your companion, and your love. So, you must understand the kind of true love and bonding needed in your romantic relationship with your beloved. Thus, you have to surpass your difficulty in order to emotionally connect and communicate openly with the woman of your life. A woman respects and honors her man; but there is no King without a Queen. So, the man should treat her like one and earn her respect as well. Sometimes, all she wants is to see that he is trying hard to do his best. True love doesn't cost a penny. All a man should do is to prove it in words and actions to his sweetie; show his emotional face and share his real feelings with

her. Men stop playing tough every time. A woman is a gift of love and happiness from God. Cherish her! A woman does have different types of emotions which as her man you would be nourishing or managing them. However, a relationship with good communication and respect, more laughter and romance, is less stressful. But no couple is perfect; so, find ways to forgive and move forward. You, men protect your union! Avoid comparing your lady with any other woman in all circumstances because your darling is unique. Create your own "perfect world" together, and keep the influence of third parties out of your relationship. Always remember that honesty and loyalty mean the world to your honey because she will trust you with her heart, her mind and her body. Physical violence or moral abuse to a woman, it's just horrible. A real man does not beat on a woman and does not torment her. Don't you ever do this! Everything has to revolve around love. Love is life. So, love your woman for real! This book

gives you the Do's and Don'ts, plus tips and best practices that you can make your own to match your couple needs.

**Thing Is, I Still Love Her - But How Can I? -**  
Sam L Hackett

**I Love Who You Say You Are -** William A. Delaney 2018-10

Smart women see what men don't I don't remember when, or why my wife and I stopped living together? We didn't argue, but she stayed at her mother's house two blocks from our home. Was I so into community work that she felt neglected? She never came to my office which was walking distance from her mother's house. A lady asked me to bed her, I said no; was asleep on the floor in my home, thought I was having a wet dream, woke up, she was straddling me. She called when I worked late at the office, asked if she could borrow money, came through the conference room, lay naked on the table; from that time she acted as if I was at her beck and

call. I gave a presentation at a day care center, a lady asked if I would come to her apartment and give advice about her 3 years old son. We made love, she asked, if I would treat her again; we continued for 27 years! I was happy to be married. Women were aggressive and I "apparently" didn't learn to say no and mean it. She said, if she had not taken control, another lady at the day care center was making plans. I talk to the guy I followed as a police community relations specialist and realize she saved my life. He overworked as I would have and lost his family. Contrary to what women say Two women might have made me break my marriage vows; I never did! One in Denver, was slender, honey brown and didn't shave her legs, the other was my dark-skin fetish and a coworker in Baltimore. For many years I wondered why my wife remained with me when what I heard most often implied that she didn't like me. One day I listened as she talked to a female family friend who said I either had a girlfriend, or I was gay, to which

she responded: "Bill just isn't into sleeping around!" Another time I was pledging the graduate chapter of Kappa, the pole-mark said they needed to bring me down a notch, she said: "The hell that man has endured, I don't think your organization is strong enough to slow him down!" I had no reason to sleep around, she was all the woman I could handle, mother of my children, saved me from myself and stopped me from trying to save the world.

The Games Lovers Play - Stephanie Laurens  
2021-03-18

#1 New York Times bestselling author

Stephanie Laurens returns to the Cynsters' next generation with an evocative tale of two people striving to overcome unusual hurdles in order to claim true love. A nobleman wedded to the lady he loves strives to overwrite five years of masterful pretence and open his wife's eyes to the fact that he loves her as much as she loves him. Lord Devlin Cader, Earl of Alverton, married Therese Cynster five years ago. What he didn't tell her then and has assiduously hidden ever since—for what seemed excellent reasons at the time—is that he loves her every bit as much as she loves him. For her own misguided

reasons, Therese had decided that the adage that Cynsters always marry for love did not necessarily mean said Cynsters were loved in return. She accepted that was usually so, but being universally viewed by gentlemen as too managing, bossy, and opinionated, she believed she would never be loved for herself.

Consequently, after falling irrevocably in love with Devlin, when he made it plain he didn't love her yet wanted her to wife, she accepted the half love-match he offered, and once they were wed, set about organizing to make their marriage the very best it could be. Now, five years later, they are an established couple within the haut ton, have three young children, and Devlin is making a name for himself in business and political circles. There's only one problem. Having attended numerous Cynster weddings and family gatherings and spent time with Therese's increasingly married cousins, who with their spouses all embrace the Cynster ideal of marriage based on mutually acknowledged love,

Devlin is no longer content with the half love-match he himself engineered. No fool, he sees and comprehends what the craven act of denying his love is costing both him and Therese and feels compelled to rectify his fault. He wants for them what all Therese's married cousins enjoy—the rich and myriad benefits of marriages based on acknowledged mutual love. Love, he's discovered, is too powerful a force to deny, leaving him wrestling with the conundrum of finding a way to convincingly reveal to Therese that he loves her without wrecking everything—especially the mutual trust—they've built over the past five years. A classic historical romance set amid the glittering world of the London haut ton. A Cynster Next Generation novel—a full-length historical romance of 110,000 words. Praise for *The Games Lovers Play* “A high-society Regency-era couple explores the genuine affection they share for one another against a sophisticated vintage backdrop. Unwaveringly eloquent, *Games Lovers*

*Play* is as much a snapshot of a maturing marriage as it is an impassioned, provocative romance.” Libybet R. G., Proofreader, Red Adept Editing “It isn't fashionable for members of high society in mid-nineteenth-century London to be in love with their spouses, but Lord Devlin Cader, seventh Earl of Alverton, is. After several years of marriage, has he waited so long that she won't accept a declaration even if he makes it?” Kim H., Proofreader, Red Adept Editing “In the power couple of Devlin and Therese, Laurens has conjured a love story that is every bit as enthralling as those of her unmarried lords and ladies.” Angela M., Copy Editor, Red Adept Editing

**Attraction Is a Feeling. Love Is a Promise.** -

Grenville W. Phillips, II 2013-05

Marriage can be a satisfying and exciting life-journey for a man and a woman who love each other. However, the significant number of divorced and separated persons indicates that there is a fundamental problem with their marriage preparation. The dreaded phrases "I just don't love you anymore" and "where has the love gone" are common among those who mistook their intense feelings of attraction as love. Attraction is not love. Attraction is an emotional force that we can feel, while love is a promise to do four progressively challenging

things. The couple who is ready to make and keep their promises of love is ready to get married. Spouses of those with no intention of keeping these promises are destined to endure a life sentence of misery. This book is written specifically to help men to understand if they are ready to keep the promises of love.

**The Love of Her Life** - Harriet Evans  
2009-06-02

From the author of *A Hopeless Romantic* and *Going Home* comes an engaging new novel about a young woman who suffers loss and heartbreak—only to regain a chance at happiness when she least expects it. Thirty-year-old Kate Miller fled London two years ago when her life fell apart spectacularly. Living in New York with her mother and stepfather and working half-heartedly as a literary agent, Kate must return to London when her father, a famous classical musician, undergoes a kidney transplant. She's only returning for a short visit, or so she thinks. But once in London, she faces

the friends who are bound with her forever as a result of one day when life changed for all of them. What really happened before Kate left London? And can she pick up the pieces and allow herself to love her own life again? Witty, smart, and entertaining, Evans's heartwarming tale, which was a bestseller in the United Kingdom earlier this year, will delight readers who enjoy novels by Cathy Kelly, Hester Browne, and Marian Keyes.

**TO LOVE, INFINITY AND BEYOND** -

experience. He tried to get her out of it but the bond she had with her Dom, was just too strong which made it almost impossible for her to live her life without him. Thankfully he suggested that she should get herself involved in a voluntary service anywhere. But she wasn't pleased with his idea. Later on, she decided to give it a try since she couldn't help it. There she met a guy that reminds her of her DOM. The similarity between them just felt like she should replace him with her Dom. They got to know each other, they had amazing sex, She even took him as her new DOM. But she was just too scared of losing him again. So she wanted to end everything going on between them. Despite the fact that he has promised to love her to infinity and beyond. She felt like he deserves better than her. Simply because she's not ready to risk her heart. She later heeds the advice of her older friend that they had a similar story while growing up. She then gave love a chance wholeheartedly.

Woman Her Sex And Love Life - William J. Robinson 2015-08-15

"Man's love is of man's life a thing apart, 'Tis woman's whole existence." Byron Yes, love is a woman's whole life. Some modern women might object to this. They might say that this was true of the woman of the past, who was excluded from all other avenues of human activity. The woman of the present day has other interests besides those of Love. But I claim that this is true of only a small percentage of women; and in even this small minority of women, social, scientific and artistic activities cannot take the place of love; no matter how busy and successful these women may be, they will tell you if you enjoy their confidence that they are unhappy, if their love life is unsatisfactory. Nothing, nothing can fill the void made by the lack of love. The various activities may help to cover up the void, to protect it from strange eyes, they cannot fill

it. For essentially woman is made for love. Not exclusively, but essentially, and a woman who has had no love in her life has been a failure. The few exceptions that may be mentioned only emphasize the rule.
