

How To Get A Girl To Like Me In Middle School

The Middle School Mind - Richard M. Marshall 2012

This book is a must read for anyone in close proximity to middle schoolers. Using actual events from the lives of real teenagers, the authors (a middle school principal and a child neuropsychologist) combine perspectives to provide an engaging, light-hearted journey into the adventures and misadventures of newly-minted teens. First, the authors put to rest some long-standing misconceptions about teenage behavior. However bizarre they appear to adults, teenagers' emotional reactions and their behaviors can no longer be explained solely by raging hormones. Using the stories as a backdrop, the authors provide emerging findings from developmental psychology and the neurosciences to explain why young teens do the things they do. The developing brain of a young teenager produces thoughts and feelings that are vastly different from an adult. Knowing this helps us to appreciate and accept the unique challenges they face.

Racism in Contemporary African American Children's and Young Adult Literature - Suriyan Panlay 2016-10-25

Applying critical race theory to contemporary African American children's and young adult literature, this book explores one key racial issue that has been overlooked both in race studies and literary scholarship—internalised racism. By systematically examining the issue of internalised racism and its detrimental psychological effects, particularly towards the young and vulnerable, this book defamiliarises the very racial issue that otherwise has become normalised in American racial discourse, reaffirming the relevance of race, racism, and racialisation in contemporary America. Through readings of works by Jacqueline Woodson, Sharon G. Flake, Tanita S. Davis, Sapphire, Rosa Guy, and Nikki Grimes, Suriyan Panlay develops a new critical discourse on internalised racism by studying its effects on marginalised children, its manifestations, and the fictional narrative strategies that can be used to regain and reclaim a sense of self.

To Plead Our Own Cause - Kevin Bales 2013-09-30

Boys strapped to carpet looms in India, women trafficked into sex slavery across Europe, children born into bondage in Mauritania, and migrants imprisoned at gunpoint in the United States are just a few of the many forms slavery takes in the twenty-first century. There are twenty-seven million slaves alive today, more than at any point in history, and they are found on every continent in the world except Antarctica. *To Plead Our Own Cause* contains ninety-five narratives by slaves and former slaves from around the globe. Told in the words of slaves themselves, the narratives movingly and eloquently chronicle the horrors of contemporary slavery, the process of becoming free, and the challenges faced by former slaves as they build a life in freedom. An editors' introduction lays out the historical, economic, and political background to modern slavery, the literary tradition of the slave narrative, and a variety of ways we can all help end slavery today. Halting the contemporary slave trade is one of the great human-rights issues of our time. But just as slavery is not over, neither is the will to achieve freedom, "plead" the cause of liberation, and advocate abolition. Putting the slave's voice back at the heart of the abolitionist movement, *To Plead Our Own Cause* gives occasion for both action and hope.

It Has Changed Since I Saw It Last, It Has Thickened, Blackened, Erupted Like A Pollinating Pod. The Straight, Sparse Lines That Used To Make Up The Contours In The Distance Are Gone. They Are Shattered Into Fragments, Twisted Into Flyovers, Contorted Into High-Rises, Billboards, Pounding Masses Of People. The Buildings Are Taller And Leaner, The Slums Have Gained Weight, The Colours Are Vivid Whirls And Splatters, Grimier And Shinier All At Once. It Comes At Me With A New Snarl And An Old Odour, This Old New City, It Pelts Me With Its Heat, It Lashes Across My Face; It Makes Me Dizzy. I Close My Eyes Against The Burning Yellows And Blinding Reds Outside My Taxi Window, Settle Back Against The Burning Vinyl Seat. My Mind Pulls Up The Soothing Greys And Whites Of The Winter Backyard. It Used To Be Bald, The Winter Backyard. A Birch, A Pine, A Few Skinny Ashes; A Single Dutch Elm That Spread Its Filigreed Wings Over The Peeling Deck, The Sunlight Shards Of Silver Pierced Through Its Bony Branches. When The Breeze Blew You Saw Stars Dance. And On The Ground, The Endless Snow. It Covered Everything; It Looked Soft And Fluffy As A Comforter Filled With Down, Like You Could Lie Right Down And Pull It Over Yourself And Disappear Underneath Its Soft White Folds And Dream Soft White Dreams. It Had Been Quiet, The Backyard In Winter. So Quiet That If You Looked Straight Up You Could Hear The Sounds Of The Universe. The Explosions On Jupiter And The Storms On Saturn And The Thin Slivers Of Mythical Ice That You Imagined Froze Ever Harder On Mars. You Could Hear The Crash Of Meteors And The Flares On The Sun And The Birthing Pains Of Planets In Galaxies Far, Far Away. Time Was A Tease On The Backyard In Winter. At Night, If You Were Alone, It Would Run Amok. You'd Be Staring Out At The Quiet Nothingness And Suddenly, Like A Drunken Diva, It Would Step Right Out Of Its Clothes And Go Skinny-Dipping In The Cold Night Air. It Would Fling Out Its Arms And Turn Cartwheels On The Snow, It Would Dance Backwards And Forwards And Round And Round And Take You Spinning Along With It. And Then, Just As Suddenly, It Would Spit You Out And Leave You Cold. Oh, The Backyard Had Been Cold. So Cold. A Sweet Chill Descended From The North Pole Every Winter And Froze In Ice Every Ache, Every Lingering Pain. Myth of the Model Minority - Rosalind S. Chou 2015-11-17

The second edition of this popular book adds important new research on how racial stereotyping is gendered and sexualized. New interviews show that Asian American men feel emasculated in America's male hierarchy. Women recount their experiences of being exoticized, subtly and otherwise, as sexual objects. The new data reveal how race, gender, and sexuality intersect in the lives of Asian Americans. The text retains all the features of the renowned first edition, which offered the first in-depth exploration of how Asian Americans experience and cope with everyday racism. The book depicts the "double consciousness" of many Asian Americans—experiencing racism but feeling the pressures to conform to popular images of their group as America's highly achieving "model minority." FEATURES OF THE SECOND EDITION

American Like Me - America Ferrera 2019-09-03

INSTANT NEW YORK TIMES BESTSELLER From award-winning actress and political activist America Ferrera comes a vibrant and varied collection of first-person accounts from prominent figures about the experience of growing up between cultures. America Ferrera has always felt wholly American, and yet, her identity is inextricably linked to her parents' homeland and Honduran culture. Speaking Spanish at home, having Saturday-morning-salsa-dance-parties in the kitchen, and eating tamales alongside apple pie at Christmas never seemed at odds with her American identity. Still, she yearned to see that identity reflected in the larger American narrative. Now, in *American Like Me*, America invites

thirty-one of her friends, peers, and heroes to share their stories about life between cultures. We know them as actors, comedians, athletes, politicians, artists, and writers. However, they are also immigrants, children or grandchildren of immigrants, indigenous people, or people who otherwise grew up with deep and personal connections to more than one culture. Each of them struggled to establish a sense of self, find belonging, and feel seen. And they call themselves American enthusiastically, reluctantly, or not at all. Ranging from the heartfelt to the hilarious, their stories shine a light on a quintessentially American experience and will appeal to anyone with a complicated relationship to family, culture, and growing up.

But when their father suddenly becomes ill, Angela begins to question the limits of luck and the power of prayer—and to wonder whether she will ever find the courage to be herself.

Social Justice Multicultural Psychology and Counseling - Rita Chi-Ying Chung 2023

"We were excited with the prospect of writing the second edition of this book, but as we embarked on this journey our hearts became heavy and deeply saddened as we witnessed multiple social injustices in our community, the nation, and the world. We have rewritten this Introductory Chapter a number of times as these injustices occurred, aware that these events impacted ours and others personal and professional lives, and subsequently our writing. Astoundingly, each violation of human rights and social and racial justice was as profoundly devastating, disturbing, and shocking as the one that preceded the injustice one month, one week, one day, or even one hour before"--
