The Female Logic - Bryan Bruce 2020-11-07
DO YOU WANT TO DISCOVER HOW WOMEN SECRETLY TEST MEN

AND WHAT IT IS THAT WOMEN WANT IN A MAN WHEN THEY TEST MEN? There is no denying the fact that ladies love to throw the guys off balance when it comes to romantic relationships. In any pick up attempt, the chase is on and they know you want them but you are not going to get it that easily so they test you. They test you to see if you are worthy to have the trophy. WHY DO WOMEN TEST MEN? The thing is some ladies don't even know they are doing this. That's because the test is a built in psychological mechanism to test your resolve and for them to know the stuff you are made of. Sometimes the test is a sign of emotional weakness or insecurities on the part of the girl. But for majority of other girls, they know and understand what you are; a pick up artist. They know the name of the game and if they do enjoy it then they are going to test you. 1- Do you have what it takes to truly love and care for them? 2- Are you mentally, psychologically and emotionally secure to love them like a real man? 3- Do you essentially have a back bone to make tough calls as need be? 4- Do you know how to play at their level without losing your man-hood? 5- Can you take the lead in tough situations and own up if you make mistakes? Believe it or not, these are some of the things that real women want from REAL MEN. If you would like to know the rest, then you just have to read this book. HOW TO UNDERSTAND WHEN A WOMAN IS TESTING YOU AND PASS THE TEST WITHOUT EVEN BLINKING Just as some women are not aware that they are testing men, so it is that most men are not aware that they are being tested. And if this is you, then grab a can of beer if you do drink, take a seat and get ready for the journey of your life. WITHIN THIS BOOK YOU WILL ALSO DISCOVER: 1- How women test men 2- What to expect when any woman is testing you 3- How To connect with any woman who is testing you 4- How you can earn her trust and respect 5- How to pass the test with flying colors and give her what she wants and even have her begging for more. And because love is a two way street and it takes two to tango: 6- How to test a woman even when she is testing you

Thai Love Course - Thailand Redcat 2016-08-16

Sure a lot of Thai girls are good in English especially hookers. But what if you want to ask a "normal" Thai girl out for a date? There are countless of nice Thai girls that have never dated a foreigner before but would love to if you can at least speak some basic Thai. Or think of all the university girls most of them don't speak English or are too shy but how if you tell them in Thai "You are cute, do you want to go for dinner with me?" Imagine how many more Thai girls you can meet if you know some really useful Thai vocabulary and phrases! Leaving alone to impress girls no matter if they speak English or not. And not just for arranging quick dates - if you are in a relationship with a Thai girl it does make sense to know how to ask her if she's horny or ask her to undress. You will learn all this and much more in this book. The Thai Love Course is divided into two parts: The first part is about teaching you all the language skills you need in order to talk to Thai girls confidently. There are 6 lessons: 1. Courting / Arranging a Date Learn everything from "What's your name?", "Where do you go?", "You are cute" to "Are you free tonight?" and "Do you want to have a meal together?" Step by step from the first thing you tell her to arranging a date. 2. During the Date / Bring her back to your room Once it's time to meet her and take her out for the date you will have a repertoire of more than enough questions and statements to convince her to go back to your or her room like "It's hot here, isn't it?", "Do you live alone?", "Do you want to watch a movie in my room?" and many more. 3. In the Apartment / Making Love The tools for your bedroom: "I love your skin", "Can I hug you?", "Can I kiss you?", "Don't be shy" to "What is your favorite position?", "Does it hurt?", "That feels good?" are just a few things you will be able to tell your girl. 4. Talking about Feelings If you want to be able to ask your honey why she loves

you as well as understanding her answer - this chapter provides all relevant words and phrases you need to know. Also including useful tools for pickup lines ("You are so kind", "I don't want to sleep alone", "Do you want to be my girlfriend?" etc). 5. Breaking up Sooner or later you may want to end the relationship with your Thai girl and rather than ignoring her messages there are several ways to tell her that it's over and also give a reason for it ("You don't care about me at all", "You barely call me", "It's better we break up" etc). 6. Talking to Bar Girls / Hookers There is not one foreigner that I know who comes to Thailand on holiday or lives here permanently and has not been in "contact" with Thai bar girls. So in the final chapter you'll find everything related to talking to bar girls and hookers ("What time do you finish work?", "I want to take you outside", "How much do you want?", "That's too much" etc). You'll love this one. Each chapter has a list of relevant vocabulary followed by useful sentences for real conversations. Everything comes in English, Thai transliteration and Thai script. The second part is about understanding the way Thai girls are thinking and what they expect from you in a relationship. Plus bonus content including Pick Up Lines that really work and the most important Isaan Words.

Dating Tips from a Woman's Point of View - Elizabeth Meadows
2014-09-24

If you are looking for how to get laid on the first date, that's easy, take her to a bar, get her drinking, but not to the point of throwing up. After she's pretty intoxicated, giggling at everything you say, try a few advances, touching her arm, or shoulder, and see if she responds. Dance with her, and do a little grinding, and see if she grinds back. If the answers to these are yes, then offer her, since she can't drive, to come back to your place. Once she's at your place, continue with just a little more alcohol for the nerves. Don't mix alcohol. If she was doing shots at the bar, don't give her beer or wine coolers at your place, or she'll be spending the night with your toilet, not you. Give her just a few more shots, and then do the final move with a kiss. The kiss will tell it all. If she pushes you away, and doesn't take your advances, don't get discouraged, you still have a chance. Offer her to put a movie on, get a pillow and a blanket, if you have a pull out couch, great, or one big enough for you two to snuggle on. If not, let her lay back to watch the movie. Let her put her feet on your lap. I don't know many woman who would turn down a foot massage. Massaging is a great way to lead to sex. After both feet, work your way up to her calves. Hint: use lotion. It makes her feel more like it's a massage, not you just trying to grope her up. If when you get to her calves, and she's still allowing you to massage, continue on, and then get the thighs. I'm pretty sure you know where to go from there.

Why I Love You - First Love Publishing Last Love 2019-12-08

I used to think that being someone's first love was a big thing. Don't get

me wrong it is, but I think its even better to someone's last love. Especially if you are with the right person, maybe even you are not only their first love, but their last love as well. My husband and I had different views on what a first love is. The way I looked at it... a first love was that first person you are in a relationship with. Not a junior high boyfriend, but a real long term relationship. Maybe the first person you kissed, had sex with, or lived with. The first love of your life would be the one that you never forgot and the one who was hard to get over. They are the one that you compare every other possible relationship to. My husband looked at this differently, and he made me do the same as well. He told me once or twice that I was his first love. I asked him what he meant, how that could be because I knew he had another long term relationship where he was engaged to a girl, lived with her and had what I thought was a longer relationship then what they actually did have, so how could I have been his first love? I loved his answer to this question. He said that yes it's true that he lived with someone, but it was more like being roommates where he and I would have a home together. Yes it's true that he asked someone to marry him, but it was not the same as with us. I am his first love, even though those girls came before me, because I am the one he shares everything with, I will be the only one to be mother to his kids. I am the one he wants to change his life for. I am the one that makes him feel loved and supported. I make him want to be a better man. This to him is what being a true first love is.
