**The Fantasy Bond** Robert W. Firestone 1987-12 Based on 28 years of research into the problem of resistance, this book offers a consistently developed hypothesis centering around the concept of the "Fantasy Bond, " an illusion of connection originally formed with the mother and later with significant others in the individual's environment.

**Seven Husbands of Evelyn Hugo** Taylor Jenkins Reid 2021-10-14 THE SUNDAY TIMES BESTSELLER AND TIKTOK SENSATION SOON TO BE A NETFLIX FILM 'Riveting, heart-wrenching and full of Old Hollywood glamour' BuzzFeed 'This wildly addictive journey of a reclusive Hollywood starlet and her tumultuous Tinseltown journey comes with unexpected twists and the most satisfying of drama' PopSugar From the author of Daisy Jones & The Six in which a legendary film actress reflects on her relentless rise to the top and the risks she took, the loves she lost, and the long-held secrets the public could never imagine. Aging and reclusive Hollywood movie icon Evelyn Hugo is finally ready to tell the truth about her glamorous and scandalous life. But when she chooses unknown magazine reporter Monique Grant for the job, no one is more astounded than Monique herself. Why her? Why now? Monique is not exactly on top of the world. Her husband has left her, and her professional life is going nowhere. Regardless of why Evelyn has selected her to write her biography, Monique is determined to use this opportunity to jumpstart her career. Summoned to Evelyn's luxurious apartment, Monique listens in fascination as the actress tells her story. From making her way to Los Angeles in the 1950s to her decision to leave show business in the '80s, and, of course, the seven husbands along the way, Evelyn unspools a tale of ruthless ambition, unexpected friendship, and a great forbidden love. Monique begins to feel a very real connection to the legendary star, but as Evelyn's story near its conclusion, it becomes clear that her life intersects with Monique's own in tragic and irreversible ways. The Seven Husbands of Evelyn Hugo is a mesmerizing journey through the splendour of old Hollywood into the harsh realities of the present day as two women struggle with what it means and what it costs to face the truth.

**How to Be Yourself** Ellen Hendriksen 2018-03-13 Picking up where *Quiet* ended, *How to Be Yourself* is the best book you'll ever read about how to conquer social anxiety. "This book is also a groundbreaking road map to finally being your true, authentic self." —Susan Cain, *New York Times*, *USA Today* and nationally bestselling author of *Quiet* Up to 40% of people consider themselves shy. You might say you're introverted or awkward, or that you're fine around friends but just can't speak up in a meeting or at a party. Maybe you're usually confident but have recently moved or started a new job, only to feel isolated and unsure. If you get nervous in social situations—meeting your partner's friends, public speaking, standing awkwardly in the elevator with your boss—you've probably been told, "Just be yourself!" But that's easier said than done—especially if you're prone to social anxiety. Weaving together cutting-edge science, concrete tips, and the compelling stories of real people who have risen above their social anxiety, Dr. Ellen Hendriksen proposes a groundbreaking idea: you already have everything you need to succeed in any unfamiliar social situation. As someone who lives with social anxiety, Dr. Hendriksen has devoted her career to helping her clients overcome the same obstacles she has. With familiarity, humor, and authority, Dr. Hendriksen takes the reader through the roots of social anxiety and why it endures, how we can rewire our brains through our behavior, and—at long last—exactly how to quiet your Inner Critic, the pesky voice that whispers, "Everyone will judge you." Using her techniques to develop confidence, think through the buzz of anxiety, and feel comfortable in any situation, you can finally be your true, authentic self.

**Why Our Teenagers Leave the Church** Roger L. Dudley 2000 Between 40 and 50 per cent of Adventist youth leave the church in their 20s. Why? How can we keep them? How can we win them back? This book is the culmination of a magnificent obsession. For more than ten years Roger Dudley traced the lives of 1500 teenagers as they grew up and, often, grew disillusioned. Refusing to

let them leave in peace, Dudley bombarded them with questionnaires. Many of them answered. This is their story. Dudley puts faces on the statistics by focusing in on individual case studies. He cites the heart-wrenching testimony of desperately lonely people surrounded by uncaring members. They want to belong, to be needed, to be heard, to be loved. They made some mistakes. We share their pain and their dreams, and feel the dissonant cadences of their troubled hearts. Some who never left explain what kept them in the church. Many who left want to return. "Without God, life is hell," wrote one. If you want to know what the youth of your church are not telling you, read this book. It includes the responses of a group of kids who were asked to design the ideal church, and an appendix explaining the causes of "adolescent heresy," the conflict spawned by the teenage struggle for autonomy.

**Principia Amoris** John Mordechai Gottman 2014-10-10 Stereotypically, science and emotion are diametric opposites: one is cold and unfeeling, the other soft and nebulous; one is based on proven facts while the other is based on inexplicable feelings and "never the twain shall meet," until now. John Gottman delves into the unquantifiable realm of love, armed with science and logic, and emerges with the knowledge that relationships can be not only understood, but also predicted as well. Based on research done at his Love Lab and other laboratories, Gottman has discovered that the future of love relationships can be predicted with a startling 91% success rate. These predictions can help couples to prevent disasters in their relationships, recognize the signs of a promising relationship, and perhaps more importantly, recognize the signs of a doomed one. Principia Amoris also introduces Love Equations, a mathematical modeling of relationships that helps understand predictions. Love Equations are powerful tools that can prevent relationship distress and heal ailing relationships. Readers learn about the various research and studies that were done to discover the science behind love, and are treated to a history of the people, ideas, and events that shaped our current understanding. They also learn about: • The "Four Horsemen of the Apocalypse" • 45 natural principles of love • 5 couple types • 5 recipes for good relationships • And much more! Just as science helped us to understand the physical world, it is helping us to understand the emotional world as well. Using the insights in this book, mental health professionals can meaningfully help their distressed clients, as well as better understand why a relationship is failing or succeeding. Appropriate for the curious non-mental health professional as well, Principia Amoris is a must-have on any bookshelf!

**The Conscious Bride** Sheryl Nissinen 2000 Led by a counselor, brides share their feelings about such issues as being given away, wearing a veil, changing their name, and closing the hotel room door only to find themselves suddenly--married. The author unravels the psychology behind common difficulties and offers practical advice for handling the fears and doubts that so often run amok as wedding bells toll.

**No More Mr Nice Guy** Robert A. Glover 2022-02-18 Originally published as an e-book that became a controversial media phenomenon, No More Mr. Nice Guy! landed its author, a certified marriage and family therapist, on The O'Reilly Factor and the Rush Limbaugh radio show. Dr. Robert Glover has dubbed the "Nice Guy Syndrome" trying too hard to please others while neglecting one's own needs, thus causing unhappiness and resentment. It's no wonder that unfulfilled Nice Guys lash out in frustration at their loved ones, claims Dr. Glover. He explains how they can stop seeking approval and start getting what they want in life, by presenting the information and tools to help them ensure their needs are met, to express their emotions, to have a satisfying sex life, to embrace their masculinity and form meaningful relationships with other men, and to live up to their creative potential.

**The Town of Skorkin** Andrew E. Chirico 2016-03-09 In 1601 began a town like no other; they called it Skorkin. Nestled in the back country part of Maine, far back in to the woods, lived residents with capabilities beyond those of your average human being. Follow the interaction between the residents and spirits as they battle to survive against an evil and at times higher power, and discover the true battle of good meets evil.

found yourself in a relationship that feels and seemingly looks like one but you're struggling with commitment or you've been in the ambiguous territory of a 'casual relationship', you've likely tried to change them, wondered what you 'did' to cause this, what you can do to win their love and commitment, or even whether you're going crazy. Mr Unavailable and the Fallback Girl is the definitive guide to understanding the relationship between emotionally unavailable men and the women that love them. From explaining how and why they blow hot and cold, to where that future they promised went to, how you've ended up being a booty call, why you've been together for a gazillion years but aren't going anywhere, and more importantly how and why you're involved with them in the first place, all of the answers are here. You know you're dealing with unavailability when you ask stuff like What happened to that 'great guy' from the beginning? Why won't he break up or stay away if he doesn't want to commit? What the hell did I do to make him disappear? Is he going to leave 'her' for me? It's because he's shy/busy/scared of his feelings isn't it? Inspired by the real life adventures in unavailability of Natalie Lue and the readers of her site [BaggageReclaim.com](http://BaggageReclaim.com), Mr Unavailable and the Fallback Girl is an empowering, entertaining and inspiring read that will wise you up to pitfalls such as men who aren't over their exes, Future Fakers, guys that have more baggage than a Heathrow terminal and reappearing childhood 'sweethearts'. If you want to understand your own availability, and why commitment in a healthy relationship is eluding you, Mr Unavailable and the Fallback Girl is your guide to being available and attracted to healthy, available partners. Note - the book is in British English not US English.

**Cat Person** Kristen Roupenian 2018-05-03 She thought, brightly, This is the worst life decision I have ever made! And she marvelled at herself for a while, at the mystery of this person who'd just done this bizarre, inexplicable thing. Margot meets Robert. They exchange numbers. They text, flirt and eventually have sex - the type of sex you attempt to forget. How could one date go so wrong? Everything that takes place in Cat Person happens to countless people every day. But Cat Person is not an everyday story. In less than a week, Kristen Roupenian's New Yorker debut became the most read and shared short story in their website's history. This is the bad date that went viral. This is the conversation we're all having. This gift edition contains photographs by celebrated photographer Elinor Carucci, who was commissioned by the New Yorker to capture the image that accompanied Kristen Roupenian's Cat Person when it appeared in the magazine. You Know You Want This, Kristen Roupenian's debut collection, will be published in February 2019.

**Divorced Girl Smiling** Jackie Pilossoph 2013-11-23 Smile! It's not just the end of your marriage, it's the beginning of your second chance! Missy Benson has a two and a half carat diamond engagement ring with color grade H, VS2 clarity and a value of \$36,000. It's absolutely gorgeous, practically flawless, and let's be honest, really big! But what the successful Chicago realtor doesn't have anymore is a husband. After 12 years of marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young, personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist. The price: 99 cents! The catch: She gets to pick the buyer. In essence, she's looking for the perfect guy, but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last forever. Now referring to herself as "the divorced girl," Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between. Then there's Parker Missoni, the sexiest contestant by far, who drives her crazy with his brutal honesty, and at the same time stops her heart with his deep brown eyes. Divorced Girl Smiling is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance, reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. In other words, if you have the guts to put the past behind, admit your mistakes, embrace your future, and give love another chance, you will surely

be a divorced girl smiling.

**Hack Your Anxiety** Alicia H. Clark 2018 What if the way we're thinking about anxiety is off base? What if there's something about anxiety that can be used for you instead of against you? In this revolutionary new book, Dr. Alicia H. Clark recognizes anxiety as an unsung hero in the path to success and well-being. Anxiety is a powerful motivating force that can be harnessed to create a better you, if you've got the right tools. *Hack Your Anxiety* provides a road map to approach anxiety in a new --and empowering -- light. Weaving together modern neuroscience, case studies, interviews, and personal anecdotes, *Hack Your Anxiety* demonstrates how anxiety can be reclaimed as a potent force for living our best lives.

**I'm Glad My Mom Died** Jennette McCurdy 2022-08-09 \* #1 NEW YORK TIMES BESTSELLER \* #1 INTERNATIONAL BESTSELLER \* MORE THAN 2 MILLION COPIES SOLD! A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the *iCarly* spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

**Shatter Me** Tahereh Mafi 2013-10-23 Juliette must make a choice. Be a weapon. Or a warrior. 'Addictive, intense, and oozing with romance.' - Lauren Kate, author of *Fallen*.

**The Guyde** Howie Reith 2016-11-19 *The Guyde* is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. *The Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most

clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Love Me, Don't Leave Me Michelle Skeen 2014-09-01 Everyone thrives on love, comfort, and the safety of family, friends, and community. But if you are denied these basic comforts early in life, whether through a lack of physical affection or emotional bonding, you may develop intense fears of abandonment that can last well into adulthood—fears so powerful that they can actually cause you to push people away. If you suffer from fears of abandonment, you may have underlying feelings of anger, shame, fear, anxiety, depression, and grief. These emotions are intense and painful, and when they surface they can lead to a number of negative behaviors, such as jealousy, clinging, and emotional blackmail. In *Love Me, Don't Leave Me*, therapist Michelle Skeen combines acceptance and commitment therapy (ACT), schema therapy, and dialectical behavioral therapy (DBT) to help you identify the root of your fears. In this book you'll learn how schema coping behaviors—deeply entrenched and automatic behaviors rooted in childhood experiences and fears—can take over and cause you to inadvertently sabotage your relationships. By recognizing these coping behaviors and understanding their cause, you will not only gain powerful insights into your own mind, but also into the minds of those around you. If you are ready to break the self-fulfilling cycle of mistrust, clinginess, and heartbreak and start building lasting, trusting relationships, this book will be your guide.

Understanding the Borderline Mother Christine Ann Lawson 2002 Some readers may recognize their mothers as well as themselves in this book. They will also find specific suggestions for creating healthier relationships. Addressing the adult children of borderlines and the therapists who work with them, Dr. Lawson shows how to care for the waif without rescuing her, to attend to the hermit without feeding her fear, to love the queen without becoming her subject, and to live with the witch without becoming her victim.

*How to Attract Women If You're Not That Attractive* Enrique Voltaire 2017-04-13 What is the Best Way to Approach an Attractive Lady? How do you get her attention? What should you say? How do you ask for her phone number? Some guys are so good-looking that girls naturally flock to them. Other guys, who are not as genetically blessed, have to use courage, humor, intelligence, psychology, and resiliency to attract beautiful women. *How to Attract Women if You're Not That Attractive* answers everything you need to know about attracting women if you do not look like Prince Charming.

**Medical Heroes and Heretics** Wayne Martin 1977 Orthodox science -- particularly in the medical profession -- has for centuries resisted change. It traces back at least as far as Socrates who was done to death for corrupting youth with his innovative ideas. In recent times, practically all the great

advances in medicine have been made against a powerfully entrenched orthodoxy. Wayne Martin's book is about some of the men involved -- then and now: Oliver Wendell Holmes, Sr., who made physicians wash their hands; Louis Pasteur, who postulated the connection between bacteria and certain diseases; Frederick Banting, who discovered insulin; Jonas Salk, who solved the mystery of polio, to mention but a few. These men all braved the wrath of the medical establishment of their day. Heretics they were, but Heroes they became. Similarly, today a group of brave pioneers are fighting the same fight. They are, says the author, the heroes of tomorrow: Ernst Krebs, Jr., Evan Shute, Dean Burk, Denis Burkitt, Virginia Livingston and a dozen others, all of whose careers and findings are described here by a man who has pursued his topic for the past ten years.

**Neurodiverse Relationships** Joanna Stevenson 2019-07-18 Comprised of the accounts of twelve heterosexual couples in which the man is on the Autism Spectrum, this book invites both partners to discuss their own perspectives of different key issues, including anxiety, empathy, employment and socialising. Autism expert Tony Attwood contributes a commentary and a question and answer section for each of the twelve accounts. The first book of its kind to provide perspectives from both sides of a relationship on a variety of different topics, *Neurodiverse Relationships* is the perfect companion for couples in neurodiverse relationships who are trying to understand one another better.

**Ramshackle Glam** Jordan Reid 2014-04-01 *Ramshackle Glam* creator Jordan Reid was a little nervous about becoming a mother. "In my experience," she writes, "you know what happens when you hold babies? They cry. And it immediately becomes clear to all present that you have terrible parental instincts and should never be allowed to come into contact with children -- ever." But in October 2011 Reid became a mother herself, and over the first year of her son's life the writer and media personality not only figured out a thing or two about parenting, but also learned how to navigate an entirely new lifestyle while still maintaining a sense of self. Part memoir, part commiseration, and part how-to guide on fashion, beauty, home d er and entertaining for the new mom, *Ramshackle Glam* offers something fresh for the "mommy" bookshelf: concrete advice on how to care for yourself in the post-partum days, weeks, and months. A deeply personal exploration of the realities of modern-day parenthood (Reid covers topics ranging from post-partum depression and marital struggles to pets who immediately transform from your beloved best friends into Those Things That Wake Up Your Child), *Ramshackle Glam* is also filled with straightforward, fun, and easy lifestyle tips, including how to dress for your post-partum shape, tricks for rearranging your home so it works with an infant as well as your tastes, and strategies for getting your makeup done in five minutes flat with one hand while keeping that bouncy chair going with the other. Reid's spot-on advice combined with her trademark intimacy, wit, and (often aching) honesty make *Ramshackle Glam* a must-read for any woman in search of a candid account of how to handle enormous life changes with humor, grace . . . and a little bit of glam.

*A Happy You* Elizabeth Lombardo 2009-11 Presents advice on ways to boost one's happiness and lead a more fulfilling life.

*MIXED NUTS* Rick Cormier 2016-04-21 "Highly irreverent, but filled with wisdom and infused with deep caring, *Mixed Nuts* is a memoir of a life working in psychotherapy." "Some people assume that all therapists are new-agey hand-holders who just listen and nod like bobbleheads, then suggest an astrology reading, a gluten-free diet, and your choice of complimentary love flower or polished healing stone on your way out the door. That's not me. My job is to help fix what's broken." Speaking to the layperson and the practitioner alike, even Rick's signature humor can't hide his deep understanding of mental illness, his desire to help heal it quickly and effectively, and his pragmatic and often creative approach to treatment."

In this revolutionary book, psychiatrist and neuroscientist Dr. Amir Levine and Rachel Heller scientifically explain why some people seem to navigate relationships effortlessly, while others struggle. Discover how an understanding of adult attachment—the most advanced relationship science in existence today—can help us find and sustain love. Pioneered by psychologist John Bowlby in the 1950s, the field of attachment posits that each of us behaves in relationships in one of three distinct ways: • Anxious people are often preoccupied with their relationships and tend to worry about their partner's ability to love them back • Avoidant people equate intimacy with a loss of independence and constantly try to minimize closeness. • Secure people feel comfortable with intimacy and are usually warm and loving. Attached guides readers in determining what attachment style they and their mate (or potential mate) follow, offering a road map for building stronger, more fulfilling connections with the people they love.

**The Spanish Love Deception** Elena Armas 2022-02-08 A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.

at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

This curated collection of powerful stories features first person accounts and photographs that perfectly capture each moment: A husband learning he's about to be a dad. A new mom embracing her body. A cashier inadvertently teaching a young girl a lesson about patience. A bagel from a stranger that saved a homeless man's life. From long overdue adoptions to military heroes returning home; from a fireman's touching 9/11 tribute to what an old dinner plate found at a bake sale can teach us all about life—these are the moments that matter. They are genuine. Authentic. Raw. And they are perfect in their imperfection—just like all of us. You will no doubt experience goosebumps and tears, but this mosaic of life's moments will leave you with something even more profound: a reminder that, in the end, love always wins. "This really is the best page on Facebook. It renews your love of humanity. There are still good people. We need more reports of acts of kindness." —Johnny

**The Love Hypothesis** Ali Hazelwood 2021-09-14 The Instant New York Times Bestseller and TikTok Sensation! As seen on THE VIEW! A BuzzFeed Best Summer Read of 2021 When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships—but her best friend does, and that's what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor—and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope.

**Getting To 'I Do'** Pat Allen 2014-08-19 Dr. Patricia Allen's jam-packed seminars in Los Angeles have resulted in over two thousand marriages. Now you too can take advantage of this proven step-by-step program. Here's what you'll learn: How to attract the right man When you should make the first move...and when you should not Why equality in a relationship may not be what you're looking for Why sex before commitment is a bad deal How to have sensational sex What makes a man run away from a relationship How to know when you're giving too much How to get what you want without asking What makes a man want to commit How to be engaged to the right man within a year!

**Love and Choice** Lucy Fry 2022-02-10 What, in your relationships, have you chosen? What would you choose, if you felt able? In *Love and Choice*, therapist and journalist Lucy Fry explains why relationships should start with these simple questions. Most of us are brought up with a blueprint for

our most important and intimate relationships. It comes from family, the media, or even the government's tax policies, and the message is simple: The (gold) standard for a romantic relationship is one that is heterosexual, between two people, and monogamous. Lucy invites us to examine this blueprint consciously, accept that it may not be for everyone, and consider something outside the ordinary. By offering us a window into a life built on choice, and a radical approach, Lucy helps us explore what we really want, and what our relationship needs. With care, wit and candour, Fry blends insightful psychological and philosophical ideas with case studies drawn from interviews with experts, real people, and experiences in her own life. Love and Choice gives readers everything they need to choose what, who, and how to love.

**Ask a Manager** Alison Green 2018-05-01 'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F\*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, *Ask a Manager* will help you successfully navigate the stormy seas of office life.

*Too Good to Leave, Too Bad to Stay* Mira Kirshenbaum 1997-02-06 A book that deals with that most crucial of decisions - should you stay with your present partner or should you go? Brilliantly incisive, witty and extremely informative.
