Named a Most Anticipated Book of 2022 by Oprah Daily • Today • Parade • Marie Claire • Bustle • PopSugar • Katie Couric Media • Book Bub • SheReads • Medium • The Washington Post • and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.

*I'm Glad My Mom Died* Jennette McCurdy 2022-08-09 \* #1 NEW YORK TIMES BESTSELLER \* #1 INTERNATIONAL BESTSELLER \* MORE THAN 2 MILLION COPIES SOLD! A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called iCarly, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the iCarly spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

**Did My Love Life Shrink in the Wash?** Kristen Bailey 2021-01-11 It's normal to wish that your baby came with a snooze button, right? When I got pregnant, Will and I didn't have a clue what we were signing up for.

It turns out that there's loads we weren't warned about: 1) In the middle of the night you'll be begging Siri for advice on getting your baby to sleep. (In case you're wondering, whale music doesn't work.) 2) If you make the mistake of going to a nightclub you'll nod off, drool, and be woken up by an angry bouncer. 3) You'll spend more time spooning your child's cuddly donkey than your own boyfriend. 4) Communication with your other half will be via post-it notes on the fridge, mainly telling him to buy more milk. 5) Sex is something that happened in another dimension. But even if I feel like I'm waiting for my motherhood powers to come in the post, at least I've got Will. Our old life - festivals, sambuca shots, an actual sex life - might be a distant memory, but we can get through anything together, can't we? At least that's what I thought until, one day, Will walked out on us... If I'm on my own (apart from Siri, obviously) can I do this whole parenting thing? Or I am destined to lose my sanity one sleepless night at a time? A totally hilarious and absolutely relatable tale for anyone who has survived parenthood purely on microwave meals and wished for an IV drip of coffee to get them through! This uplifting page-turner will make your belly ache with laughter. Perfect for fans of Why Mummy Drinks, Sophie Randal and Sophie Kinsella. Readers absolutely love Kristen Bailey: 'Absolutely hilarious!! Seriously, I haven't been able to put this one down!... I have not stopped laughing... One of those books which is perfect after a stressful day because you are guaranteed to laugh out loud... Loved it... Devoured this book in just a few hours... Impossible to put down.' Little Miss Book Lover 87, ★★★★★ 'One of the funniest books I have read. Ever!... I absolutely LOVED this.' Star Crossed Reviews, ★★★★★ 'I can't even count all of the times I burst out laughing... I laughed so hard my cat jumped out of his bed scared out of his mind and gave me an evil look for disturbing his sleep... If you love a good laugh-out-loud story full of heart, love and banter and are not afraid to be that crazy person in public laughing like a total maniac, then this is definitely the book for you!' Sinfully Wicked Book Reviews, ★★★★★
