

Jonas Jonasson S The Girl Who Saved The King Of Sweden For Fans

The Girl Who Saved The King Of Sweden - Jonas Jonasson 2017-07-25

From the author of the five-million-copy bestseller *The 100-Year-Old-Man Who Climbed Out the Window and Disappeared* comes the charming, original story of one young woman's unlikely adventure, praised as "a comic delight" (Daily Express). Quirky, humorous and utterly unique, Jonas Jonasson delights readers once again with *The Girl Who Saved the King of Sweden*. On June 14, 2007, the king and the prime minister of Sweden went missing from a gala banquet at the royal castle. Later it was said that both had fallen ill, but the truth is different . . . and oddly entwined with a potato truck and a young former latrine cleaner who will be charged with saving their lives. Nombeko Mayeki was fated to grow up fast and die young in poverty, but through a combination of cunning, intelligence and sheer determination makes her way up from the latrines and out of her native Soweto with a pocket full of smuggled diamonds, only to be taken prisoner by an incompetent engineer working on South Africa's secret nuclear arsenal. The madcap adventure ramps up as the unstoppable Nombeko escapes to Sweden and finds herself not only on the run from both the South African justice system and the most terrifying secret service in the world, but mixed up with twin brothers who are officially only one person—and have a plan to kidnap the Swedish king and prime minister. It is now up to our unlikely heroine to save the day. *The Girl Who Saved the King of Sweden* features cameos by real-life figures such as President Jimmy Carter and Nelson Mandela, and is told in the satirical voice that has earned Jonas Jonasson legions of fans the world over.

The Boy in the Shadows - Carl-Johan Vallgren 2015-01-29

In an overcrowded Stockholm underground station a father and his two boys are late for their train. Joel, the youngest, is howling in his

pushchair and his seven-year-old brother, Kristoffer, refuses to take the lift. A woman approaches and offers to lead Kristoffer up the stairs. Reluctantly his father agrees, but when he arrives on the platform Kristoffer and the woman have vanished without a trace. Many years later, Joel, now an adult, goes missing in suspicious circumstances. His wife turns to Danny Katz - an old friend - for help. But Katz isn't the only one trying to find Joel, and the deeper he digs the more secrets he uncovers about the wealthy and powerful family at the heart of the investigation. Then suddenly, the case takes a dramatic new turn.

Incest in Sweden, 1680-1940 - Bonnie Clementsson 2020-08-18

This electronic version has been made available under a Creative Commons (BY-NC-ND) open access license. In early modern Sweden, if a man and his deceased wife's sister were found guilty of engaging in sexual intercourse they would be sentenced to death by beheading. Today the same relationship is not even illegal. Covering the period 1680-1940, this book analyses both incest crimes and applications for dispensation to marry, revealing the norms underpinning Swedish society's shifting attitudes to incestuous relations and comparing them with developments in other European countries. It demonstrates that, even though the debate on incest has been dominated by religious, moral and - in due course - medical notions, the values that actually determined the outcome of incest cases were frequently of quite a different character.

[The Girl Who Saved the King of Sweden: A Novel By Jonas Jonasson \(Trivia-On-Books\)](#) - Trivion Books 2016-09-08

Trivia-on-Book: *The Girl Who Saved the King of Sweden* by Jonas Jonasson Take the fan-challenge yourself and share it with family and friends! *The Girl who Saved the King of Sweden*, Jonas Jonasson's second novel, narrates a story

about racism, romance, and politics. The plot begins in the year 1961 where the main protagonist, Nombeko Mayeki, was born in a shack in Soweto. She managed to escape poverty and made her way to the top, destined to become one of the chief advisors of a renowned secret project. In the 1980s, South Africa manufactured six nuclear missiles. However, they voluntarily surrendered the six bombs and dismantled the program in 1994. The story is centered around the seventh nuclear missile that the world didn't know existed. Nombeko was so much involved with it that she was sought by agents from Israel and South Africa. Nombeko reached a point where she took hold of the bomb, placing the fate of the world in her hands. The Girl who Saved the King of Sweden by Jonas Jonasson became a New York Times bestseller. You may have read the book, but not have liked it. You may have liked the book, but not be a fan. You may call yourself a fan, but few truly are.

[The Little Old Lady Who Broke All the Rules](#) - Catharina Ingelman-Sundberg 2013-12-05

The Little Old Lady Who Broke All the Rules is an incredibly quirky, humorous and warm-hearted story about growing old disgracefully - and breaking all the rules along the way! 79-year-old Martha Andersson dreams of escaping her care home and robbing a bank. She has no intention of spending the rest of her days in an armchair and is determined to fund her way to a much more exciting lifestyle. Along with her four oldest friends - otherwise known as the League of Pensioners - Martha decides to rebel against

all of the rules imposed upon them. Together, they cause uproar with their antics protesting against early bedtimes and plasticky meals. As the elderly friends become more daring, they hatch a cunning plan to break out of the dreary care home and land themselves in a far more attractive Stockholm establishment. With the aid of their Zimmer frames, they resolve to stand up for old aged pensioners everywhere - Robin Hood style. And that's when the adventure really takes off . . . Catharina Ingelman-Sundberg's insightful comedy is perfect for fans of The Hundred-Year-Old Man Series and The Best Exotic Marigold Hotel. Translated from Swedish by Rod Bradbury. Continue the escapades with The Little Old Lady Who Struck Lucky Again! *The Cambridge History of Scandinavia* - Knut Helle 2003-09-04

This volume presents a comprehensive exposition of both the prehistory and medieval history of the whole of Scandinavia. The first part of the volume surveys the prehistoric and historic Scandinavian landscape and its natural resources, and tells how man took possession of this landscape, adapting culturally to changing natural conditions and developing various types of community throughout the Stone, Bronze and Iron Ages. The rest - and most substantial part of the volume - deals with the history of Scandinavia from the Viking Age to the end of the Scandinavian Middle Ages (c. 1520). The external Viking expansion opened Scandinavia to European influence to a hitherto unknown degree. A Christian church organisation was established, the first towns came into being, and the unification of the three medieval kingdoms of Scandinavia began, coinciding with the formation of the unique Icelandic 'Free State'.

La analfabeta que era un genio de los números - Jonas Jonasson 2016

Después del éxito mundial de El abuelo que saltó por la ventana y se largó, Jonas Jonasson vuelve a deleitarnos con una novela tan desenfadada como llena de sorpresas, una historia trepidante que arremete contra la hipocresía de la clase política al tiempo que ilumina la cara oculta de la historia oficial. En esta ocasión, la improbable heroína tiene su origen en el barrio de Soweto, el tristemente célebre gueto de Johannesburgo. Corren los años setenta, en pleno auge del apartheid, cuando Nombeko Mayeki, condenada

a una vida de infortunio y con altas probabilidades de que ésta acabe a una edad temprana ante la indiferencia de sus semejantes, encuentra un resquicio para escapar de su aciago futuro. Dotada de un intelecto fuera de serie, e impulsada por la fuerza de un destino que ejecuta las piruetas más extrañas, el azar propulsa a Nombeko lejos de su entorno de miseria y la encarrila en un asombroso viaje en el que se topará con personajes de toda índole, desde un falso especialista en física nuclear y un par de agentes del Mossad con sed de venganza, hasta un rey de Suecia con rostro humano y una joven antisistema en permanente estado de ebullición. Así, la genial Nombeko recorrerá un insólito itinerario, repleto de emocionantes peripecias, hasta convertirse en una mujer clave para la supervivencia de la humanidad y, a la postre, descubrir su lugar en el mundo en las frías tierras escandinavas, un sitio con el que jamás se habría atrevido a soñar.

ENGLISH DESCRIPTION A picaresque tale of how one person's actions can have far-reaching--even global--consequences, from the author of the bestselling novel *The 100-Year-Old Man Who Climbed Out the Window and Disappeared* In a tiny shack in the largest township in South Africa, Nombeko Mayeki is born. Poor and orphaned, she quickly learns that the world expects her to die young. But Nombeko has grander plans. Little does this cunning and fearless girl know that soon she will steal a fortune in diamonds, outwit a mad scientist kidnapper, travel across the world, fall in with a pair of diabolical assassins, and ultimately save a king--and possibly the world. Jonas Jonasson tackles issues ranging from the pervasiveness of racism to the dangers of absolute power in a charming and hilarious story. In the inimitable voice that has earned him legions of fans the world over, he gives us another rollicking tale of how even the smallest of decisions can ripple out into the world.

Look Hamlet - Barbro Lindgren 2019-10-29
A hilarious, darkly comic graphic retelling of Shakespeare's Hamlet in radically condensed prose by legendary Swedish children's author Barbro Lindgren and illustrator Anna Höglund. Look Hamlet. Hamlet not happy. Hamlet's mommy dumb. Hamlet's daddy dead. So begins this wonderfully strange, dark, and hilarious picture book version of Shakespeare's greatest tragedy boiled down to its smallest possible size: 100 words, give or take, and fifteen etchings that look like the lovechild of Beatrix Potter and Edward Gorey. In our despondent antihero, a lop-eared bunny Hamlet with handbag in tow, is somehow embodied all the tremendous pathos of Shakespeare's Danish Prince. And in legendary Swedish children's author Barbro Lindgren's pithy prose resides the poetry of the original, reworked for the era of memes and short

attention spans. Bold and brilliant, irreverent and humane, Look Hamlet is the perfect irreverent gift for Shakespeare readers of all ages. As the Bard himself wrote: "brevity is the soul of wit."

Sweet Sweet Revenge Ltd. - Jonas Jonasson 2021-04-01

The brand-new adventure from the beloved author of The Hundred Year-Old Man Who Climbed Out of the Window and Disappeared.

The Spy Who Came in from the Bin: A Jonathon Fairfax Novel - Christopher Shevlin 2020-12-08

He only knows three things about himself: he's polite, he likes tea, and everyone wants to kill him. Berlin: a man wakes up in a bin* with no idea who he is. He's taken to hospital for treatment. Then people start trying to assassinate him. The man has to find out why, how to get them to stop, and what the CIA has to do with all this. There's also the little problem of working out who he used to be, and why that changed. Meanwhile, his girlfriend Piper and best friend Lance are trying to find him... Jonathon Fairfax - still the world's most socially awkward hero - is back. If only he knew. *That's a trashcan, for American readers.

The Hundred-Year-Old Man Who Climbed Out of the Window and Disappeared - Jonas Jonasson 2015-07-09

THE GLOBAL BESTSELLER Sitting quietly in his room in an old people's home, Allan Karlsson is waiting for a party he doesn't want to begin. His one-hundredth birthday party to be precise. The Mayor will be there. The press will be there. But, as it turns out, Allan will not . . . Escaping (in his slippers) through his bedroom window, into the flowerbed, Allan makes his getaway. And so begins his picaresque and unlikely journey involving criminals, several murders, a suitcase full of cash, and incompetent police. As his escapades unfold, Allan's earlier life is revealed. A life in which - remarkably - he played a key role behind the scenes in some of the momentous events of the twentieth century. Translated by Roy Bradbury.

Seven Stories - Ravi Bedi 2017-01-20

Seven Stories' is like precious seven pearls of a necklace: Romance, Suspense, Crime, Literary,

Betrayal and revenge, offering a variety of tales that will linger on your mind for long.

Hitman Anders and the Meaning of It All - Jonas Jonasson 2016-04-21

The bestselling novel from the author of The Hundred-Year-Old Man Who Climbed Out of the Window and The Girl Who Saved the King of Sweden

The Tunnel - Carl-Johan Vallgren 2016-10-20 A fast-paced and intricate thriller from one of Sweden's most popular writers, perfect for fans of Jo Nesbo and Lars Kepler. Private investigator Danny Katz is trying to track down his former drug dealer. Ramón and his girlfriend Jenny have both vanished leaving behind a lot of unanswered questions. How come Ramón suddenly found himself in possession of the mother-load of drugs? And is Jenny really who she claims to be? Katz's investigation leads him to the darkest corners of Stockholm's porn industry and once again his old addiction threatens to control him. Ultimately only one thing seems certain - someone is willing to do whatever it takes to keep Katz from discovering the brutal truth.

The 100-Year-Old Man Who Climbed Out the Window and Disappeared: A Novel by Jonas Jonasson (Trivia-On-Books) - Trivion Books 2016-09-09

Can you call yourself a fan of The 100-Year-Old Man Who Climbed Out the Window and Disappeared by Jonas Jonasson? The 100-Year-Old-Man Who Climbed Out the Window and Disappeared, written by Jonas Jonasson, follows the travels of Allan Karlsson. Allan Karlsson currently resides in a nursing home. On his 100th birthday, Karlsson decides that the nursing home is not the last place he wants to see before he dies. Therefore, he climbs out of his bedroom window at the nursing home and heads towards the bus stop. There, he meets a young man also waiting for the bus. This young man asks Karlsson to watch his suitcase while he runs to the restroom. While gone, the bus arrives, leaving Karlsson with the suitcase, alone. Karlsson boards the bus, suitcase in hand, and the adventure begins. Jonasson, at 47 years old, writes his first novel of a 100-year-old man being chased by gangsters and the police, while fleeing with a suitcase full of cash. Take the challenge yourself and share it with family and

friends for a time of trivia fun! Features You'll Find Inside:
