My First Lemon Party - Dixon Cox

At the grand old age of 81, John moves into a new community. He quickly discovers that this is no ordinary senior community, and that almost everyone is gay! He meets Albert, a black guy just a few years younger than him and he invites him over for dinner. While the dinner is delicious, it soon becomes clear to John that his ailing libido has come back to life - just in time for dessert! WARNING: My First Lemon Party is a 4,800+ word gay hardcore erotica short story, featuring retired people with high libidos and a lot of time on their hands, along with interracial themes and first time homosexuality. This book is intended for adults only. EXCERPT: I could feel the ambiance of the room changing. Loathe as I was to admit it, I just knew that they were fondling each other the table. I adjusted myself. I didn't feel uncomfortable, but something was stirring inside me. Something that hadn't stirred since Edith passed. Albert must have noticed my discomfort, for their hands were soon on the table, where we could all see them. I felt bad. Visiting their house like this, making them uncomfortable. "Please, don't stop on my account." I said. "We thought you were uncomfortable. Sorry - we are always like this with each other, even in front of other people." explained George. "It's fine. I don't mind at all!" I insisted.

Gay Erotika: My First Time - Victor Blake 2018-08-26

Gay Erotika: My First Time : A First Time Gay Bondage Experience Between Best FriendsIt

Happened One Night, quite unexpectedly and out of the blue...Every fantasy I ever had about my best friend Scott came true. WARNING: This ebook contains very explicit sexual material including: Bondage sex, Gay sex, Lesbian sex, Oral sex, Anal sex, Kissing between two men, and more. Only mature adults who won't find graphic gay content offensive should read this story. Here is a preview: I wore a small, navy blue pair of shorts which came to the middle of my thighs and tied at my abs. Scott meanwhile changed into the jock strap and if he hadn't been slightly drunk, he would've never left that upstairs bathroom. As he looked at his body in the mirror he cracked up. He was a good looking guy in very good shape, but the jock strap made him look like he had stepped out of a gay porn photo shoot. They were tight on him and held his package on full display. The blue knit patch was comfortable, and ended in two simple straps that ran just under his ass cheeks. Exposed in the back, the polyester spandex material had a red, white, and blue threading with a patriotic theme. "Fuck it," he said as he laughed at himself one more time in the mirror and came back downstairs into the kitchen.

Bisexual and Gay Husbands - Fritz Klein

2014-02-04

What happens when married men face their gay/bisexual needs? This astonishing volume offers an intimate look into the lives and thoughts of bisexual men. Already married to women, these men are undeniably attracted to other men. Their struggle with conflicting needs, desires, and loyalties is not filtered through theories or evoked in brief interviews. It comes straight from their own keyboards. The stories told in *Bisexual and Gay Husbands* are taken from an Internet mailing list, which allows people to speak freely and in anonymity, yet also encourages the development of a tightly knit community. Men at all stages of the coming-out process share their experiences, their secrets, their pain, shame, anger, and hope. One man writes, "I have found the answer to my bisexual needs and am afraid to embrace it. I need help and advice to know what to do. What you people have done in your lives may hold the key to helping me decide on a course of action. I am either going to create a dream come true or hell on earth as I destroy my marriage. I can't tell which, and of course you can't either. But you CAN tell me how you are handling the problems I am facing." *Bisexual and Gay Husbands* includes advice and information on the issues that touch these men most deeply, including: how do I tell my wife and kids? what does it mean to self-identify as bisexual or gay? what kinds of relationships do I want with men? can triads work? how do I deal with my children's reaction? do I have to leave my wife? The insight, intelligence, and honesty revealed in *Bisexual and Gay Husbands* make it a riveting read, but it also has great clinical and historic value for therapists, sex theorists, and bisexual men and their families.

Can Clark recover from the embarrassment and why is Trent striking out again?
