

Ritual Sex

The Sex Ritual of Mount

Kemukus - Rudiant

2019-01-29

THE SEX RITUAL OF MOUNT KEMUKUS The name of Mount Kemukus is being spoken in the world today. The mountain located on Java Island is now in the spotlight of the world, as the Free Sex Mountain. Anyone who comes there is free to perform the Ritual with an illegitimate partner or affair. And the effect of this action, will get abundant wealth. No doubt, not only people inside the country, but people from around the world also come to that place with the aim of wealth. Ancient Legend, why are there any Suggestions to do this rituals? How come a sex ritual could bring blessings to abundant wealth? What and Who is behind this Ritual? Buku persembahan penerbit Lembar Langit Group Manhood and Morality -

Suzette Heald 2002-01-22

'An impressive and meticulously crafted African ethnography, which has theoretical and practical relevance for understanding masculinity and violence in general'- David Parkin, Professor of Anthropology, Cambridge University Manhood and Morality explores issues of male identity among the Gisu of Uganda and the moral dilemma faced by men who define themselves by their capacity for violence. Drawing extensively on twenty years of fieldwork and on psychological theory the book covers: circumcision Oedipal feelings witchcraft deviance joking sexuality and ethnicity. This ethnographic study challenges our preconceptions of manhood, especially African virility, inviting a wider re-evaluation of masculinity.

The Spirits of Crossbones

Graveyard - Sondra L.

Hausner 2016-08-29

Every month, a ragtag group of Londoners gather in the site known as Crossbones Graveyard to commemorate the souls of medieval prostitutes believed to be buried there—the "Winchester Geese," women who were under the protection of the Church but denied Christian burial. In the Borough of Southwark, not far from Shakespeare's Globe, is a pilgrimage site for self-identified misfits, nonconformists, and contemporary sex workers who leave memorials to the outcast dead. Ceremonies combining raucous humor and eclectic spirituality are led by a local playwright, John Constable, also known as John Crow. His interpretation of the history of the site has struck a chord with many who feel alienated in present-day London. Sondra L. Hausner offers a nuanced ethnography of Crossbones that tacks between past and present to look at the historical practices of sex work, the relation of the Church to these

professions, and their representation in the present. She draws on anthropological approaches to ritual and time to understand the forms of spiritual healing conveyed by the Crossbones rites. She shows that ritual is a way of creating the present by mobilizing the stories of the past for contemporary purposes.

Taboo Rituals of a Sex Witch -

Zoe Lawrence 2021-07-02

"The High Priestess stepped forward and undid the clasps at the front of Cassie's robe. With a whisper, the robe slipped down her body and lay at her feet. Cassie stood naked in front of the coven. An electric quiver of anticipation flowed through her. The High Priestess unfastened her own robe, and it too slipped down to her feet. At this sign, the other members of the coven removed their robes." Cassie is both beautiful and sexy, an artist with a deep passion for nature. So when an art commission leads her to the door of an astrology store, she meets its proprietor, the dazzling Enya.

on 2020-12-09 by guest

Like Cassie, Enya is hot and bisexual; she is also a Wiccan – a witch – and one whose coven practices sex magic. Soon Cassie and Enya begin to practise spells to enhance their sexual ecstasy. When Cassie decides to join the coven, she learns she must undertake an initiation sex ritual that will push her to the very limits of ecstasy.

A Druid's Handbook to the Spiritual Power of Plants - Jon G. Hughes 2014-05-14

A practical guide to creating plant extracts, essences, and complexes for use in Druidic sex magic rituals • Explores the identification, harvesting, and magical properties of more than 70 flowers and trees • Details the careful and meticulous spagyric preparation of plant extracts and complexes • Demonstrates how plant compounds are used in Druidic sex magic rituals by both couples and groups In this practical guide to Druidic plant magic, Jon G. Hughes reveals the gentle alchemy of converting plant essences into potent compounds for working

sex magic rituals. Examining the identification, harvesting, and magical properties of more than 70 flowers and trees, he details the careful and meticulous spagyric preparation of plant extracts and complexes as well as the process of obtaining or creating suitable alcoholic spirits for the base of these preparations. He includes instructions to make all necessary tools and explores how to prepare yourself to work with plant essences and properly use the magical compounds you create. Hughes explains how to release the energies, healing attributes, and magical capacities of flowers and trees through the respectful seduction of a plant's virtue and the 3-step spagyric process of separation, purification, and reunification. He shows how the spagyric process maximizes the power of the acquired essence in preparation for its use in magical ritual. Detailing Druidic sex rituals for both a couple and a group, Hughes demonstrates how plant

compounds are used in specific magical rituals and practices as well as the role of the plant complex in sexual potency. Exploring the underlying accord between alchemy and Druidic practices, Hughes provides a valuable manual for anyone wishing to harness the magical potential of plant energy.

Ritual Sex - Tristan Taormino
1996

Kabbalah and Sex Magic -

Marla Segol 2021-06-16

In this provocative book, Marla Segol explores the development of the kabbalistic cosmology underlying Western sex magic. Drawing extensively on Jewish myth and ritual, Segol tells the powerful story of the relationship between the divine and the human body in late antique Jewish esotericism, in medieval kabbalah, and in New Age ritual practice. *Kabbalah and Sex Magic* traces the evolution of a Hebrew microcosm that models the powerful interaction of human and divine bodies at the heart of both kabbalah and some

forms of Western sex magic. Focusing on Jewish esoteric and medical sources from the fifth to the twelfth century from Byzantium, Persia, Iberia, and southern France, Segol argues that in its fully developed medieval form, kabbalah operated by ritualizing a mythos of divine creation by means of sexual reproduction. She situates in cultural and historical context the emergence of Jewish cosmological models for conceptualizing both human and divine bodies and the interactions between them, arguing that all these sources position the body and its senses as the locus of culture and the means of reproducing it. Segol explores the rituals acting on these models, attending especially to their inherent erotic power, and ties these to contemporary Western sex magic, showing that such rituals have a continuing life. Asking questions about its cosmology, myths, and rituals, Segol poses even larger questions about the history of kabbalah, the changing

conceptions of the human relation to the divine, and even the nature of religious innovation itself. This groundbreaking book will appeal to students and scholars of Jewish studies, religion, sexuality, and magic.

Ecstatic Ritual - Brandy Williams 1990

O. T. O. Rituals and Sex Magick - Aleister Crowley 1999-09

Renowned Goddess of Desire - Loriliai Biernacki 2007-10-11

Tantra is a family of rituals modeled on those of the Vedas and their attendant texts and lineages. These rituals typically involve the visualization of a deity, offerings, and the chanting of his or her mantra. Common variations include visualizing the deity in the act of sexual union with a consort, visualizing oneself as the deity, and "transgressive" acts such as token consumption of meat or alcohol. Most notoriously, non-standard or ritualized sex is sometimes practiced. This

accounts for Tantra's negative reputation in some quarters and its reception in the West primarily as a collection of sexual practices. Although some today extol Tantra's liberating qualities, the role of women remains controversial. Traditionally there are two views of women and Tantra. Either the feminine is a metaphor and actual women are altogether absent, or Tantra involves the transgressive use of women's bodies to serve male interests. Loriliai Biernacki presents an alternative view, in which women are revered, worshipped, and considered worthy of spiritual attainment. Her primary sources are a collection of eight relatively modern Tantric texts written in Sanskrit from the 15th through the 18th century. Her analysis of these texts reveals a view of women that is generally positive and empowering. She focuses on four topics: 1) the "Kali Practice," in which women appear not only as objects of reverence but as practitioners and gurus; 2) the

on 2020-12-09 by guest*

Tantric sex rite, especially in the case that, contrary to other Tantric texts, the preference is for wives as ritual consorts; 3) feminine language and the gendered implications of mantra; and 4) images of male violence towards women in tantric myths. Biernacki, by choosing to analyse eight particular Sanskrit texts, argues that within the tradition of Tantra there exists a representation of women in which the female is an authoritative, powerful, equal participant in the Tantric ritual practice.

Igniting Intimacy - Rowan Bombadil 2019

"This book is about connecting to relationship with self and others through ritual, communication, and intimacy. It's about inviting magic to transform not just the way you love, but also the way you live. Rowan breaks down ritual as it's used in magical practice and applies it to intimacy with self, others, and the divine"--
Wicca and the Christian Heritage - Joanne Pearson
 2007-05-03

What is Wicca? Is it witchcraft, Paganism, occultism, esotericism, magic, spirituality, mysticism, nature religion, secrecy, gnosis, the exotic or 'other'? Wicca has been defined by and explored within all these contexts over the past thirty years by anthropologists, sociologists and historians, but there has been a tendency to sublimate and negate the role of Christianity in Wicca's historical and contemporary contexts. Joanne Pearson 'prowls the borderlands of Christianity' to uncover the untold history of Wicca. Exploring the problematic nature of the Wiccan claim of marginality, it contains a groundbreaking analysis of themes in Christian traditions that are inherent in the development of contemporary Wicca. These focus on the accusations which have been levelled against Catholicism, heterodoxy and witchcraft throughout history: ritual, deviant sexuality and magic.
Sex, Death and Witchcraft - Douglas Ezzy 2014-05-22
 Faunalia is a controversial

Downloaded from
legacy.opendemocracy.net
 on 2020-12-09 by guest

Pagan festival with a reputation for being wild and emotionally intense. It lasts five days, 80 people attend, and the two main rituals run most of the night. In the tantalisingly erotic Baphomet rite, participants encounter a hermaphroditic deity, enter a state of trance and dance naked around a bonfire. In the Underworld rite participants role play their own death, confronting grief and suffering. These rituals are understood as "shadow work" - a Jungian term that refers to practices that creatively engage repressed or hidden aspects of the self. Sex, Death and Witchcraft is a powerful application of relational theory to the study of religion and contemporary culture. It analyses Faunalia's rituals in terms of recent innovations in the sociology of religion and religious studies that focus on relational etiquette, lived religion, embodiment and performance. The sensuous and emotionally intense ritual performances at Faunalia transform both moral orientations and self-

understandings. Participants develop an ethical practice that is individualistic, but also relational, and aesthetically mediated. Extensive extracts from interviews describe the rituals in participants' own words. The book combines rich and evocative description of the rituals with careful analysis of the social processes that shape people's experiences at this controversial Pagan festival.

The Beggar's Benison - David Stevenson 2013-04-04

Two clubs, dedicated to proclaiming the joys of libertine sex, thrived in mid and late 18th-century Scotland. The Beggar's Benison (1732), starting from local roots in Fife, became large and sprawling, with branches in Edinburgh, Glasgow - and St Petersburg. As a toast "The Beggar's Benison" was drunk at aristocratic dinners in London as a coded reference to sex, and the Prince of Wales (later George IV) became a member. In Edinburgh, also, the Wig Club (1775) gave the elite of the Scottish Tory

establishment a forum in which to dine, gamble and venerate a wig supposedly made of the pubic hairs of the mistresses of Charles II. Both clubs flourished in a great age of raucous clubs in which bawdy often played a prominent part, and both died as changes in sensibility made such behaviour seem gross and unacceptable. As the Victorian age approached, the clubs withered away under its disapproving glare. In this book, the author tells the story of these clubs, analyzes the obscene relics of their rituals which survive, and places the clubs in their social, cultural and political contexts. It is an extensively researched study, but at the same time recognizes the entertainment value of the many anecdotes concerning the clubs, the absurdities inherent in the antics of club rituals, and the appeal of the bawdy.

Sexual Practices of the Druids -

Jon G. Hughes 2013-09-21

A step-by-step guide to the ancient tradition of sex magic as practiced by generations of

Celtic Druids • Details a wide range of sex magic rituals that may be used by couples, groups, and solitary practitioners • Explains how to channel, intensify, and project your sexual energy for magical purposes • Provides instructions for crafting the necessary ritual tools, including wands, chalices, cauldrons, and attire, and for brewing the potions that accompany these rites One of the Druid's most powerful tools, sex magic harnesses and projects the immense natural energy produced by orgasm to liberate your consciousness from everyday awareness and influence reality at will. With more than 50 years in the Druidic tradition, Jon Hughes reveals the fundamentals of Celtic sex magic passed down secretly from generation to generation. He explains how to channel, intensify, and project your sexual energy for magical purposes and offers authentic instructions for a wide range of sex magic rituals that may be used by couples, groups, and solitary practitioners. In

addition to the steps of preparation and closure for each ritual, he describes the workings of the 9 stages of the sex magic ritual--Awakening, Augmentation, Intensification, Quickening, Orgasm and Projection, Continuance, Relaxation, Scattering, and Gift. Hughes provides detailed instructions for crafting and consecrating the necessary ritual tools, including wands, chalices, and cauldrons, and for brewing the potions that accompany these rites. He also explores the power of emotion and intention in these sacred rituals, providing a complete guide to this ancient path of empowerment and magic.

Sex Magic for Beginners - Skye Alexander 2011-12-08

A unique blend of sex magic and the Law of Attraction, this easy-to-use and practical book shows you how to use sexual energy to get anything you want. Popular author and magician Skye Alexander teaches you to direct your innate creative force to attract good health, prosperity, and happiness. From intensifying

passion to achieving career success, this compact but comprehensive guide presents a surprising array of ways in which sex magic can enhance your life. It reveals the connections between sex, power, and magic and presents rituals, spells, techniques for working with a partner, visualizations, glamours, elixirs, amulets, talismans, and more. —Attract abundance —Enhance love and pleasure —Create new opportunities —Increase personal power" —Improve health —Spark creativity —Develop insight and intuition

Celtic Sex Magic - Jon G. Hughes 2001-12-01

The first written account by a contemporary Welsh initiate of the ancient tradition of sex magic as practiced by generations of Celtic druids. • Reveals authentic, accurate, and fully illustrated instructions. • Provides detailed instructions for crafting, purifying, and energizing all the necessary ritual tools. Sex magic is an important component of Celtic

spiritual practice. Unlike other ritual practices that look to intermediaries or deities to execute the participants' wishes, druids believe that individuals can directly influence exterior reality by focusing their own internal sexual energy. Sex magic potentizes and projects this energy so that it reaches its full power, allowing the participants to liberate their consciousness from everyday awareness and influence reality at will. Written by a practicing druid with more than forty years in the tradition, Celtic Sex Magic explains the fundamental principles involved in channeling the vast amounts of energy generated during orgasm for the purpose of projecting spells and elevating consciousness. The secrets of this tradition have been passed down orally for generations and are revealed here in print for the first time. This workbook contains authentic, accurate, and fully illustrated instructions for a wide range of sex magic rituals that may be used by couples,

groups, and solitary practitioners. The author also provides detailed instructions for crafting the necessary ritual tools and brewing the potions used in these rituals. Celtic Sex Magic offers the keys to unlocking and directing the enormous potential of sexual energy.

Change of Blood Lineage Through Ritual Sex in the Unification Church - Kirsti L.

Nevalainen 2010-01-01

Sun Myung Moon, the founder of the Unification Church, has declared himself as the Messiah and Lord of the Second Advent. He claims he has come as the Messiah at the end of the world as the Bible prophesied. He saves fallen satanic people by removing the original sin from them through The Blessing of Marriage ceremony. The Blessing of Marriage ceremony of the Unification Church is directly derivative from the pigaram or yongch'e ceremony of Korean messianic groups from the 1920s, 1930s and 1940s. A pigaram ceremony means 'change of blood lineage' and a

yongch'e ceremony means 'receiving a new spiritual body'. A male spiritual leader united sexually with his female disciples and a female spiritual leader had ritual sex with her male followers. The Unification Church practiced the pigarum or yongch'e ceremony from the 1940s until 1962 when The Holy Wine Ceremony and The Three Day Ceremony replaced this original sexual ritual. Both of these ceremonies are integral parts of The Blessing of Marriage.

The Canela - William Henry Crocker 2004

This text is a case study of one people, the Canela, which traces changes through time, a group uniquely held together by social and sexual bonds, and reveals the ethnographer's fieldwork practices. The authors present much of the material through short narratives and examples and Native points of view are expressed through their diaries. The reader is introduced to the Canela with an account of one of the author's arrivals in the tribe.

This is followed by a brief history of the Canela that clarifies how the network of the kinship system holds the society together, and how the unusual sex practices create satisfying bonds among the people. The case study also shows how the practice of rituals affirms the group way of life for the individual. Many contemporary influences have caused the gradual demise of the Canela way of life. The case study concludes with an epilogue on the Canela's future adaptation to Brazilian life.

The Tree of Ecstasy - Dolores Ashcroft-Nowicki 1999-01-01
The Tree of Ecstasy looks at how sex was inseparable from religion in the ancient world and generally seen in a positive light until Christianity put a curse on the flesh and perverted the expression of the sex instinct. The author outlines practices and advice for the rituals based on the Tree of Life from the Kabbalah emphasizing that the book is for committed partners. This is advanced magic and not for the beginner.
